Sharks History

Park Orchards North Ringwood Parish Junior Football Club—The Sharks—was formed in 1991 as a result of a merger between Park Orchards and North Ringwood Parish Junior Football Clubs.

Park Orchards Junior Football Club had established a 22 year history, lead by President Mr J O'Brien in 1969, whilst the Park Orchards Parish Junior Football Club was established in 1984 and lead by President Father K Mogg.

Since forming, the Sharks have won 25 premierships, including a league record 5 premierships in 2004, and a number of Sharks players have successfully transitioned into the AFL and enjoyed accomplished careers.

Sharks AusKick

The Sharks have an award winning AusKick program based at Stintons Reserve with over 150 participants.

AusKick is for all boys and girls from Prep through to Grade 6, running Saturday mornings 9.00-10.45am.

The Sharks AusKick is a well organised development program designed for junior footballers. AusKick provides the kids with a **fun** environment to learn.

Sharks Girls Team

In 2011 the Sharks established a Youth Girls Team, providing an opportunity for girls aged between 13 and 18 to play football. Due to a shortage in numbers, in 2014, the team could not be fielded but the club still supports the concept and is ready to re-establish a team if the number become available.

Sharks Senior Football Club

In 2011 the Sharks established the Park Orchards Football Club (POFC) in the Eastern Football League. This Senior Club has been established independently of the Junior Football Club, but on the back of an identified want for a pathway for our junior players transitioning to Senior Football. The POFC has a developing list, with anticipated success set for the near future.

Sharks Development

The Sharks are committed to the development and improvement of our: players, volunteers and extended family offering a number of development opportunities.

The Sharks run education evenings on topical issues such as Drugs and Alcohol, Road Safety and Social Networking.

The Sharks also run a Development Squad coordinated by the Richmond Football Club's Head of Coach and Player Development Tim Livingstone. Tim is a parent, but donates his time to develop players whilst providing them with an insight into the life of the modern day player.

The Sharks are also well represented and supported by other parents who were AFL stars. These include Glenn Archer, Alan Richardson, Brett Ratten and Brett Montgomery. These people are well respected in the AFL community, and are able to assist us with advice in respect to coaching and general game play.

Sharks Home

The Shark's play in the Yarra Junior Football League against teams from Warrandyte to Bundoora, and Richmond to Camberwell. Games are played on Sunday from 8:45 am to 4:00 pm.

Our home ground is Domeney Reserve in Park Orchards, or the Shark Tank as it has been affectionately termed, but we also access Stintons Reserve in Park Orchards and Coleman Reserve in South Warrandyte to accommodate our ongoing growth.

The Sharks, together with the Manningham City Council, maintain and develop these facilities, and we are the driving force behind ongoing improvements such as the installation of flood lights, scoreboards, drainage, ground surfacing and facility development.

Teams!

In the last three years the Sharks have fielded multiple teams with in excess of 400 plus players. These teams range from Tackers (Under 9) to Colts (Under 17), with three teams in some age groups to ensure all players get plenty of game time.

The Sharks vision is to maintain this high level of participation, and expand the personal development of players and volunteers. The Sharks offers a good family environment for all its members and their families, and this participation starts with you!

So to any one of you who love this great game, give the Sharks a try and sign up now. We would be happy for you to bring along all your friends and relatives and become Sharks!
