## Grand Finals

Hi all Sharks,

Season 2019, our 50th year celebration as a club, is now officially concluded. Combined Auskick, Youth Girls and Boys membership was close to 550 attendees. Twenty one teams were fielded with 16 who played for points, 9 teams made finals with 4 teams progressing to a Grand Final appearance. On the day three teams were victorious as Grand Final Premiers. However, I think the hardest part was the after game celebrations and after parties. Oh boy, were emotions and adrenalin running sky high! I couldn't believe the numbers in attendance back at Domeney afterwards, the combination of players from the junior and senior clubs celebrating the season was extraordinary.

Personally, I was emotionally wrung out after playing every position, kicking/hand passing every ball and running to every intercept during the matches. I feel black and blue from today from all the bumps received. I'm drained and am ready to sleep for a hundred nights to recharge batteries.

There again, so are probably another 150 or 160 proud Parents from today's Grand Finals. At the mention of the word, "Grand Final" I start to tingle and feel alive again. Thank you to all our Players and Parents of our Grand Finalists for a truly memorable day. You played so well and put everything on the line, hence why we feel we've been on a number of roller coasters.

Congratulations to OUR SHARKS Premiership teams of the U15 Red and U16 Youth Girls and Colt Reds. Commiserations to our U12 girls who played hard but were overrun by their opposition. Personally, a win/win for me. I had two sons toast victory in the U15's and one Colts for the first time.

However, today I also felt as if I had an additional 42 sons and 38 daughters in total playing. I am so proud of you all in how you played, your passion and your conduct. The U15's applied pressure and kicked 4 goals in the opening quarter then defended diligently, whilst continually attacking to run out 42 point winners. It helped by kicking a couple of goals in the final quarter and limiting the opposition to no score. The Colts showed their class from the get go and ran out comfortable winners. Every single player contributed and it was a true team effort with a 35 point win. This effort on the scoreboard was built upon quarter by quarter. Enjoy the win and I look forward to seeing most of you next year.

Our U16, Youth Girls, playing their 1st season in Division one was a most pleasing win. Kew had won the flag for the past 3 or 4 years. They are a well drilled team with confidence to match their skills. However, our girls applied themselves to their match plan and played to the best of their ability for a solid if at times scrappy win. By putting two goals on the board early, they threw down the gauntlet to Kew. The pressure was intense, the Coaches handled the day magnificently and encouraged their charges to keep applying force. Eventually, a wonderful result, whereby Kew were kept goalless and a score of 2.7.19 to 0.5.5 saw our girls Grand

Final Premiers. You little beauty, well done one and all. All three Premiership teams celebrated with unbridled passion, enthusiasm, plenty of smiles and laughter.

Personally, on behalf of the committee, we would like to thank all the Sharks family who come out to support the teams. Our Community is a tight one and to see so many with Red, Black & White supporting was really encouraging. Also, thanks to all Parents who supported so passionately yet in a controlled manner. Well done and thank you to all participants. Thanks also go to our Seniors Ambassadors and past players and Committee for their attendance as well.

Well done to our Coaches, Team Managers and Parents who played a supporting role. Without your efforts, our kids couldn't get onto the park each week, well done one and all. I must admit, I have so much to tell all our membership regarding Season 2019. However, I'll keep it for our Presentation / AGM Report to be released on the 15th September.

### QTR 1

Having the week break, it allowed the side to have just about a full team to pick from only missing Corey, the side had the luxury of 3 interchange which we have not had at all this season. The boys came up against Doncaster who beat them in the last home and away round, a game they were ready for and we didn't turn up. It all came down to attitude of being prepared and ready to play, understanding it was going to be tough but whoever was best prepared, would win the game. The boys knew that we had to start well and put pressure on Doncaster. Losing the toss and kicking into wind did no matter with our midfield impacting early and hitting the contest with our forwards being dangerous on quick leads up the ground and running the ball into the wind. Our forward line was brilliant in kicking 4 goals for the quarter and holding the ball in while Doncaster under pressure only kicking 2 goals.

### QTR 2

Doncaster came out and kicked a quick goal early but other than that we had most of the play but just could not convert getting stuck on the wrong side of the ground so we kicked poorly going into half time with a 19 point lead. Our back six defenders worked well helping each other continuing to repel the ball and continue to limit the opposition to get into space. Walking

into the rooms at half time, the rain was coming which was going to make it very difficult for Doncaster as our boys are just about unbeatable in the wet.

### QTR 3

Coming out for the third quarter, the rain had set in and the boys knew to be first in, don't overuse the ball and continue to run and push forward. Our defenders continued to work amongst themselves ensuring they had the right match up. The boys focus on the contest could not be questioned and the opposition just could not go with them, allowing us to kick ahead again kicking 2 goals into the wind and holding them to only a few points.

### QTR 4

The boys came into the ¾ time break knowing they had the game in control but also they urged each other to finish the job and not allow Doncaster to score. They all were completely invested in making sure they wanted to come away with a big win leaving no doubt they were the best in the competition. They did this not allowing another score through in the last quarter and kicking another 2 goals themselves coming away with thumping 42 point win.

Our side had to struggle all year with two sides becoming one from last year, only having 18 on the list, playing 16 a side 10 times throughout the year against sides who had 4-5 on the interchange and then picking up four new players late in year, we were able to get them not the side which had a huge impact coming into the finals.

A truly great year by a side that have ended up extremely close. We are all very proud and so happy for the team who put in all year and got the ultimate reward.

**Goal Kickers: Jake Trembath 4, Ryan Dickenson 2, Alex Macrokanis, James Mason and Zac McLeod 1 each.**

**Best players: A complete team effort.**

**Best player voted by the umpires: Kane Dickson**

**50 Games to Matt Robinson, well done Robbo!**

**Thanks for your support Corey Church (injured) with the team.**

**Well done boys!!**

### Park Orchards 8.10.58 def Ivanhoe 2.11.23

And so it was that we faced Ivanhoe for the fourth time this year, in this the most important game of all.

We had trained well through the week, the talk had been talked and it was now time to walk the walk.

In the rooms before the game the feeling was great and the boys warmed up and prepared to a barrage of noise that sent all adults scurrying out of the rooms.

The day was windy with a strong northerly and rains predicted later but only 1-3mm and the TM had checked the 512 km composite radar and declared the rain was gone or would go around us.

The on ground warm up was done, last messages were delivered, the photographer was paid and the video guy was set to run.

The ball was bounced.

Orch had the significant breeze and started well. Buckets marked early and our first was on the board and the large contingent of Whitefriars lads roared their affirmation.

We controlled the play early in the game and at the mid point of the first quarter Maxie Hartnett burst through the guts on a fly, straightened and let loose from distance to kick our second and the only goal of his junior football career! What a time to do that!! Ivanhoe were playing Ivanhoe footy but our boys focused on the pill and at quarter time the score was Orch 2 goals 4 behinds 16 points to Ivanhoe 3 points.

The second quarter started under clouds that closely resemble a tornado formation and with the wind increasing to Force 4 but still the TM was confident the rain may pass us by. By the 5 minute mark it was bucketing down horizontally and the TM had been banished to monitoring the language levels down at full forward. A stupid Ivanhoe brain fade resulted in a yellow card to their player and a converted goal to Rossi who was rewarded for all his persistence.

In deteriorating conditions that was the only goal of the quarter but undoubtedly the highlight was the magnificent run down and tackle by Newts to deny Ivanhoe what would have been a team lifter. The players had been sucked up the ground and an Ivanhoe player let loose a long kick towards their goals. Their fastest player was running down from the centre with a 7 metre start on Newts. Newts flattened out and gained slowly and, in perfect symmetry, skittled the Ivanhoe player just as he was about to kick for goal.

Half time scores Orch 3 goals 7 behinds 25 points to Ivanhoe 7 behinds.

The premiership quarter is always talked about. It's where you step up or go home.

And our defence stepped up. Led by Humph and Henry they shut down not only the Ivanhoe attack but also the Marcellin support crew who dissipated by the time the 3rd quarter was half way gone. The backs held Ivanhoe to 2 points for the quarter whilst the forward relished continual forward thrusts to kick 3 majors. Goals to Hickey, Wally and Rossi made the job neigh on impossible for Ivanhoe whose heads started to drop.

The last quarter was tense and tough but Orch held their nerve scoring 2 goals to Wally in the last quarter, one the result of a terrific tussle from Macca to control the ball then flip it across into the path of the running afore mentioned goal sneak.

Ivanhoe scored 2 goals of their own but too little, too late saw Park Orchards run out comprehensive premiers of the Colts 2 Division scoring 8 goals 10 behinds 58 points to Ivanhoe 2 Goals 11 behinds 23 points

Congratulations to all the boys. You have been a terrifically tight unit all year and you deserved your victory. I don't want to mention too many names but well done Jacko on being recognized by the umpires as being best on ground in the Grand Final.

Congratulations to the coaching unit who worked tirelessly all year with the boys. They were so fortunate to have such committed and insightful coaching.

On a personal note I want to thank all the parents for their support across the year. I never had to worry about jobs being filled and I always knew the group would step up to help me. A special thank you to Rob Ameer, the second best TM, for covering for me when I scooted off.

And so for many of the boys it is the end of their junior football career. Good luck in your future endeavours both sporting and work related. And remember, you leave this junior football club with the ultimate football sporting accolade.

### Sharks 2.1.13 Def by Parkside 7.9.51

Off the back of a well-earned win against Parkside we headed into our first Grand Final against the top of the ladder Canterbury. With a 0-2 record against them this season our girls were not daunted with the task, in fact they were super excited by the challenge and keen to chalk up their first flag.

The weather was perfect with only a subtle breeze (early), a dry ground with sunny skies and no rain forecast until later in the day. We had the music blaring early to fire the girls up thanks to our resident DJ and local celebrity Adam 'Disco' Bosna. We knew it was going to be difficult to cover the losses of Charlise Doolan and Sienna Smith who were both travelling but other than the loss of these two players we were fit and firing for a big day. Our three leaders for the game gave some good words of advice in a circle before we headed out to take on Canterbury in front of the biggest crowd we had experienced.

From the first bounce you could sense we were in it up to our eyeballs. Our midfield were aggressive, our back line were doing a number on Canterbury and our forwards were threatening. By quarter time there was nothing in it and by half time thanks to a beautiful goal

from Scarlett on the run, we were only four points down. You could feel the excitement in the air in the change rooms at the break as we regrouped, had some oranges and a rest a talked tactics before the commencement of the last half.

Unfortunately that's were our energy levels dropped off. The third term was all about Canterbury. They powered on to score around five goals this quarter to our no score effectively ending our chances. Their best players took it up another few notches and started breaking tackles and kicking goals. During the last quarter we were back to our competitive best and finished off the game well. Allie kicked a beautiful long goal and our backline was terrific given they were under a lot of pressure.

Canterbury went on to win well in what was a pretty even contest for at least two and a half quarters. They thoroughly deserved the win after a great season. Our girls were very gracious in defeat and handled the occasion very well.

Scarlett gave it everything, Mia SJ was strong at impacting contests, Allie was lightning out of defence, Grace B worked extremely hard, Zara started and finished strong, Mia B attacked the ball at every chance playing well, Indi was terrific rebounding all day, Bianca always beats her opponent, Jaide was hard at it, Charlotte K was everywhere, Grace D threatened on several occasions, Sienna P found space and used her run, Ella played well in defence as usual, Bonnie tackled and chased well, Willow was huge in defence and hit the ball hard, Tia was first to the ball rebounding well, Charlotte P used her speed to be first to the ball all day and Ava was everywhere racking up possessions in and under.

Overall, we gave it our best and should hold our heads up high.

We fought it out until the end and finished our season off well.

Thanks goes out to everyone who came along to support us on the day. Committee members, families and extended families, friends, schoolmates and even teachers were in attendance which was awesome to see and exciting for the players. It has been a big year for all involved and we look forward to seeing who goes on to play again next year.

On behalf of the coaching team, congratulations on your performances in the Grand Final, well played, thanks for your commitment this season, keep working on your skills and fitness over summer and we look forward to seeing you next season.

## Park Orchards 2.7.19 Defeated Kew 0.5.5

After one hell of a season with us finishing on top of the ladder and 2 weeks break after we won the 1st Semi-Final, the 'Last Dance' was finally here to start at 2.45pm Doncaster Reserve, against our arch rivals Kew. As we have done all year, our preparation was outstanding with 5 training sessions prior to the big game. The girls, coaching staff, training team and parents were all pumped to finish the season off as the No#1, U/16 Girls team in the YJFL. As per normal, Heath Lee raised the bar beyond expectation, providing the team with 3 ground reports in the week preceding the big day. His statistical analysis of the ground including the scarcity of kikuyu in the forward 50 and articulacy added well received humour to take the edge off an intense week. Further to that Dave backed it up with a live cross over from Dicks sporting goods in the US, asking them if they had U/16 Sharks apparel as it was gonna be the game of the year! These were all presented to the girls prior to the game.

The prep was outstanding, with DJ Flynn ripping some motivational tracks in the changerooms which even had Coach Tim busting a move as he walked in to the rooms. Nikki had Dave on Facetime from overseas so he could also be part of Tim's pre-game strategy. As she has all year, Kat did an amazing job of the banner with an image of a very angry shark amidst the statement; 'Sharks Time- Girls Attack'. Will and Simon held the banner in the gusty conditions and in no time, the girls ran onto the ground and the girls smashed it down ready to play. The

day was windy and warm, but we knew the weather would turn on us. We had to kick the first few goals to get the edge early.

The centre bounce was text book, with Lana smashing the ball down in the ruck to Taliah who tapped the ball and shepherded the ball for Jazz who picked up the ball and quickly release the ball to Jorja driving the ball straight into our forward line- what a start! The pressure was intense with both sides going in really hard. Our Reds skillset and balance across all positions shone early as every time the ball went into Kew's forward half, it was marked and rebounded out by Petra or Kristen, kicking long into our forward line. Tilly, Chloe, Sophie and Mia pursued every opportunity in the forward line and were very unfortunate to miss their shots at goal under very windy conditions, but we knew a goal was brewing. Kew had a real opportunity to score with a 2 on 1 play in the forward 50, but thanks to Chelsea, she ran and beat 2 Kew players, winning the contested ball and kicked the ball with precision to Jorja. Taliah continued her never stop attitude, hunting the ball winning the contest, driving her legs and ripping it out of Kews arms, releasing it to Jorja. Jorja sprinted along the centre wing and booted the ball long to Tilly who sprinted after the ball along the boundary line, tapping it and waiting for the right bounce. At full pace she picked it up squared up the ball and snapped it through for our first goal from 30m out! What a start! Kew threw everything at the Reds but were denied every opportunity to score thanks to the relentless pressure and gang tackling by Courtney, Petra, Nat, Kristen and Jade. Kew actually had 2 shots at goal from within 15 m from goal but were also deprived of any score thanks again to our backline with Flynn, Nat and Chelsea smothering and punching the ball, destroying any opportunity for Kew. Dakota was welcomed back after a few weeks out with injury and immediately impacted the game with her insistence to win the ball, frustrating the opposition and winning the free kick.

With under 4 minutes to go and the ball in our forward half, Kew turned the ball over, thanks again to the defensive pressure by Taliah and Petra, Lana grabbed the ball, turned, sprinted past the 50 m mark, ran her 10m and kicked the ball from 40m to goal. Lauren, running with

the flight of ball, pulled her hands back in the goal square and raised them up signalling our 2nd goal for the quarter. The girls celebrated, the siren sounded to end the 1st Quarter, Sharks 2.4.16 to Kew 0.0.0 (Scoreless)

The 2nd Quarter started and the conditions were getting worse with the darker clouds on the horizon and the wind picking up. Nat and Courtney were awesome attacking and marking the ball in difficult and very swirly conditions across the backline. Zoe D won the contested ruck and continued to win the ball, kicking it forward at every opportunity. Flynn continued to sweep across the backline, driving her legs and kicking long to release the Reds. Lana and Jazz continued to run and protect their team mates, laying a few brilliant hip and shoulders and hard tackles to keep Kew girls on their toes. The conditions were worsening and scoring was getting more difficult, but when Kew had an opportunity to score with 17seconds to go, their shot on goal was smothered by Taliah, ending the 2nd quarter with the Sharks leading 2.6.18 to Kew 0.0.0 (Scoreless)

The 3rd Quarter started with Melbourne turning on it's worst weather possible. Strong winds and very heavy rain battered the players making scoring almost impossible. Lauren was outstanding in the ruck maintaining her feet, whilst Mia and Sophie were solid as normal and continued to win the contested ball and keep the ball moving forward. Kew won this quarter, but due to our incredible defensive pressure, kept them goal less, with the Sharks ending the 3rd Quarter, 2.7.19 to Kew 0.5.5.

At 3 Quarter time, coach Tim urged the girls to continue their positivity and finish the last quarter strong. The abysmal conditions fuelled a ball up every 1 minute and the congestion around the ball was like bees to a honeypot. The game was scrappy with both sides fighting very hard to try to get a clearance. The game was foiled with players sliding all over the place and the ball was hard to mark or control. The Sharks maintained their composure, stayed on their feet and protected themselves.

After 23 long minutes, the final siren sounded with all players jumping around in euphoria, hugging and congratulating each other.

Congratulations Team Red, winning the 2019, U/16 Division 1- Grand final 2.7.19 to 0.5.5
