What if my local club doesn't have a girls team in my age group?

U10s girls' games have scoring but will not play finals as the focus is on learning the game and developing their skills. Scoring, ladders and finals are permitted in U/12. Scoring, ladders and finals are permitted in U15s and Youth Girls as well as records of best players and best goalkickers. U/15s and Youth Girls also have representative teams.

Can I play with the boys in a mixed team if I want to?

Girls can play in mixed teams with boys up to and including U14s. After this, girls must play in girls only competitions.

Are there other ways to be involved in girls footy if I don't want to play?

Absolutely. Girls/Womens football is the fastest growing area of AFL football in Australia and there are always roles for women and girls. You can become a coach, an umpire, a trainer, a team manager or a club administrator. There are plenty of voluntery and paid roles in the AFL for females so conact your local club to find out how you can get involved.

What is the pathway for girls if they want to keep playing beyond youth girls?

Once you are over 18 and can no longer play Youth Girls, you can start playing senior womens football. There are many senior womens football teams throuhgout Victoria that play in the Victorians Womens Football League (VWFL). The AFL has also announced that their will be a National Womens Competition starting in 2017.
