

VOTING AND TEAM AWARD POLICY

Best and Fairest Voting

The following policy has been developed to provide consistency and direction in the application of voting and awards at the Park Orchards North Ringwood Parish Junior Football Club (PONRPJFC):

1. Best and Fairest Awards are applicable for teams from Under 10 through to Colts/Youth Girls
2. Tackers Teams have a separate award, the Tim MacLennan Memorial Trophy
3. Best and Fairest votes are awarded for every game of both the home and away season and all finals matches that the team is involved in
4. The Team Manager, under the direction of the Team Coach, is responsible for ensuring the Best and Fairest votes are awarded, collated and secured
5. Best and Fairest votes are awarded on a descending scale with the best player being awarded five (5) votes scaling down to the 5th best player being awarded one (1) vote
6. It is important that all people awarding votes are aware prior to the commencement of the game that they are to cast votes for that match and that it is not a Most Improved or Coaches Award vote – these awards are the responsibility of the Coach and Team Officials to decide at the end of the season
7. The process to be followed in awarding Best and Fairest votes is:
 - i. The Coach votes each week
 - ii. One of the following, Assistant Coach, Trainer or Runner votes each week on rotation.
 - iii. All families, excluding those listed at paragraphs 6.i and 6.ii above will be required to vote once per season
 - iv. Family names are to be drawn at random prior to the commencement of the season and a roster is to be circulated prior to round one (1) detailing the rounds that each family group is rostered to vote in. The drawing and allocation of family groups is to be overseen by both the Team Manager and Coach.

(It is acknowledged that there may be more family groups than rounds to be played and some family groups may miss out on the opportunity to vote – if a family group does miss the opportunity to vote, it will be by chance alone rather than a selective decision.)
 - v. If a family forgoes their opportunity to vote, it is to be recorded and another family who have not previously voted, be requested to do the voting for that game.

(ie: selected from a family group that missed an opportunity to vote during the course of the season due to the random selection process at 6.iv)
 - vi. Once every family has voted and there are more games than family groups, then any family that is to be offered the opportunity to vote for a second time is to be selected at random (names drawn from a hat) and overseen by both the Team Manager and the Coach

- vii. Votes must be placed in a sealed envelope and not discussed publicly
- a. The voting slips must include the date, round and name of the person who awarded the votes
- b. Envelopes containing the votes are to be sealed, dated and relevant round/match to be noted on the envelope and then handed to the team manager who must ensure that all 3 sealed envelopes are collected for each round
- c. Envelopes containing votes are to be placed in a secure location and not opened until the vote count is conducted in the presence of the Coach, Secondary Official and Team Manager.
- 8. Once the vote count has been conducted, the results must be kept confidential and the Team Manager must forward the results to Committee Member - Team Manager Liaison Officer for recording
- 9. Only the top 3 players will receive a trophy (unless there is a tie for 3rd Best and Fairest (BandF) where 4 or possibly more players will receive a trophy.) Possible outcomes are:
 - i. 1st BandF, 2nd BandF, 3rd BandF
 - ii. 1st BandF, 2nd BandF, Equal 3rd BandF.
 - iii. Equal 1st BandF, 3rd BandF (No 2nd BandF awarded)
 - iv. 1st BandF, Equal 2nd BandF (No 3rd BandF awarded)
 - v. Equal 1st BandF, Equal 3rd BandF (No 2nd BandF awarded)
- 10. If there is any confusion/questions in regards to the voting system to be used for the Best and Fairest votes, the questions/concerns must be directed to the Director of Football for clarification.
- 11. Should a dispute or error occur during the voting process or vote count then the Team Coach must immediately inform the Director of Football of the anomaly and seek a determination.

Ineligibility for Best and Fairest Awards

- 12. A player may be ineligible to be awarded a Best and Fairest Award if any of the following situations apply:
 - i. A player is suspended by the YJFL Tribunal for any reason during the season
 - ii. A player is subject to any internal disciplinary action by the Committee of the PONRPJFC as a result of an on field incident that is contrary to the rules of football
 - iii. If a player is subject to suspension by the YJFL or internal disciplinary action for an on field incident that is contrary to the rules of football, the Committee of the PONRPJFC will consider all the circumstances of the suspension or internal disciplinary action before determining if a player is ineligible for a PONRPJFC Best and Fairest Award.

Public Vote Count

- 13. If teams wish to have a public vote count at season end, then this is to be conducted after the votes have been counted and recorded in accordance with paragraph 6.vii.c. (as detailed above).

14. Some vetting at the bottom end of the team list is to be made (this must have no effect on the result of 1st, 2nd or 3rd place getters), prior to the public count – It is imperative that all children receive at least one (1) in a public vote count.
