Park Orchards Junior Football Club had established a 22 year history, lead by President Mr J O'Brien in 1969, whilst the Park Orchards Parish Junior Football Club was established in 1984 and lead by President Father K Mogg.

Since forming the Sharks have won 27 premierships, including a league record 5 premierships in 2004, and a number of Sharks players have successfully transitioned into the AFL and enjoy accomplished careers.

The POFC has a young developing list, with anticipated success in the near future.

## Sharks Development

The Sharks are committed to the development and improvement of our: players, volunteers and extended family offering a number of development opportunities.

The Sharks run education evenings on topical issues affect the community such as drugs, alcohol, social media. We also provide opportunities for our adult helpers to gain skills in such areas as first aid.

The Sharks run a preseason Development Squad coordinated by the Richmond Football Club's Tim Livingstone. Tim is a parent at the Sharks who donates his time to develop our players, providing them with an incite into the life of the modern day AFL player.

The Sharks are also well represented and supported by other parents who are stars of the AFL. These include Glenn Archer, Alan Richardson and Brett Ratten. Tim Glenn, Alan and Brett are well respected in the AFL community, and are able to assist us with advice in respect to coaching and general game play.
