## **Round 2 | Wrap Up | Shark Attack – Presidents Letter**

Hi All Sharks,

The first few rounds of every season are a little unsettled. The Veterans in the club understand this. To our new families, all will settle down in the next week or two.

The YJFL grading process is being applied – results are all over the ship.

Coaches are trying to work through their lists to ensure everyone is getting a go.

Team Managers are working through the administration processes required around game day. Wow, these folks do heaps to keep our kids on the park.

Canteen managers are trying to work out how to calculate appropriately the desired levels of food and drinks that should be ordered for each week.

Our Sponsorship coordinator is phoning all to make a difference in our great club with monetary pledges of support. This year we have nearly reached our target, however if your able to please contact Sue and make a further difference, please do so.

Committee are continually bombarding everyone with the information necessary to ensure your child gets a game of football each week & the club runs correctly. And on it goes.....

Thanks go to our Committee members in attendance each week, for their assistance and help. They have been up early working with TM's & crews in setting up our grounds at Domeney and Stintons for each match day and pack up procedures. Hopefully, all teams now know the requirements. If at any time you're not sure please call us to help you out. I'd rather know match day then 9pm at night.

For the majority of our membership your calm will be restored by round five or six once the season's fixture is sent out by the YJFL and thus we can all get on with enjoying the season and watching our children play.

### **Kinglake**

Thank you to the parents/players who contributed last week. If all team can please complete their collections this Round, it would be greatly appreciated. Remember, the minimum is \$5.00 however if you can afford it, a \$20 donation would be appreciated.

### **MOTHER'S DAY Round 5 - Reminder to all Dads & Players!**

Sharks Pink Ribbon Day is a fund raising event for the Breast Cancer Foundation. We are continuing with this Tradition of Fund raising for such a worthy and important cause again this year. I'm sure many of us have been/or are affected by a person close to us who has been diagnosed with Breast Cancer.

The Sharks Committee fully support the initiative and ask that all Team Managers circulate an email amongst the playing groups advising all of Sharks Pink Ribbon Day next weekend. We request that each player please bring a Gold coin donation to the game (home & away) as we strive to raise money and beat last years amount. We would like to raise as much as possible for the Breast Cancer Foundation on this year's Mother's Day Weekend - Sunday 13th May 2017.

Remember to collect your raffle ticket to potentially win prizes donated by "Warren Glen" our Sponsor of the Round. Also remember Club Ringwood are offering a High Tea on the Saturday

beforehand. See last week's flyer attached to the President's message.

Pink buckets will be placed at the Canteens to help with these collections.

### **U8's & U9's**

As a special Mother's Day event the U8's will be playing their matches Friday night rather than Sunday morning.

Two teams will play each other with the other U8's playing against each other on one half of the oval, and the U9's on the other half. The matches will all be played at Domeney. Your Team Managers will let you know further details during the course of the week. It will be a great night so please, all enjoy & get into the spirit of it.

This Friday night has become another new Tradition created for Sharks Mums and Players.

BYO nibbles and drinks – though no alcohol can be consumed during the game.

So, Under 8 & 9's mums you'll be able to really enjoy Breaky in bed on Sunday, unless of course you have older Sharks at home. Oh well, we can but only try!!

Some of our Colts will be in attendance as well on this auspicious occasion to cook the BBQ.

This will continue our Colts/U8's/U9's Buddies system, interaction between these teams is focused on very passionately by our committee & helpers. This culminates with our Buddies Burger night on Sunday 17th June with the Colts & U8's hosting the night and organising training drills.

### **SHARKWIZ 2018**

It's fast approaching.....Saturday 2nd June, just one month away.

Held at Domeney Reserve, this is our primary fund raising event for the year. The SharKwiz is an informal evening, so please book a team table or two, organise who is bringing what nibbles/platters and remember it's BYO. It's great fun, a chance to catch up with other parents in your team and have a laugh. A very cost effective evening, remember to bring lots of \$1 and \$2 coins.

The SharKwiz U12 organising committee are seeking auction items. These maybe goods donated like signed AFL jumpers to vouchers to pampering packs to weekends away to merchandise etc...A flyer explaining the request for prizes/auction items that the Sharks and greater community are willing to donate will be displayed on our Webpage this week and will be sent out by our Team Managers to one and all this week.

For ease in booking, the online system via Team App has been adopted so please refer to, the invitation circulated by your Team Managers or go online.

### **CODE OF CONDUCT - Match Day**

Thank you our Sharks parents who have abided with exemplary behaviour over the first few rounds. Your support has been enthusiastic whilst being controlled in cheering on the players.

Let's keep it that way please & set an example for other clubs to follow.

Unfortunately, there are times when parental behaviour does not abide by the Code of Conduct we all sign at the beginning of the year. During the last Round we have had two

separate incidents reported to us whereby a parent from an opposition team were out of control harassing & swearing at a Sharks player. These have been dealt with. Alas, it burdens me that a complaint was made against one of our parents in a role of participation on game day. I know we all get passionate at times, but please remember there are young ears listening in to what we say.

In instances when this occurs, it is important that as soon as you become aware of inappropriate behaviour it's reported immediately to your Team Manager or the Ground Manager

This will allow us to address the behaviour and ensure the safety & welfare of all players on the ground.

### INJURIES

A couple of Sharks players have suffered a variety of injuries up to this point of the season, so it's timely to let you all know that we are insured. The YJFL has an injury insurance policy through JLT Insurance that provides not only players but also parents/helpers etc... An information sheet is available on the Web site under Members\Policies. If you require further information please give us a call.

### YJFL Grading Process

The process has one more week to go. Coaches wishing to make recommendations need to lodge with our Director of Football immediately. If you have an questions regarding the above then please call Mark.

### Merchandise

If you require any garments, socks etc.. please go online and order it. Nina and her team will make sure it's available in the quickest time available.

### Vision Statement

If you are unaware of what the Sharks stand for with our players, parents and the community, please on online and check out our values. We believe we are doing something correct with record levels of participation and pathways of excellence offered for both boys and girls at our clubs.

### SUMMARY

During the season if you wish to raise any queries then please catch up with me in person or give me a call.

Wishing everyone all the very best for Round 4. Enjoy. Go Sharks!!!!

Round 3 and we were greeted with another fine morning.

**Kai Wachter was todays captain.**

Will great tap work back to Julian who ran into his trusty left and hit Xavier lace out, quickly long into the goal square to Ben N who marked directly in front. Ben slots it straight through the middle. Great Start.

Julian & Patty directing play well in the midfield setting everyone up into position for the ruck.

Kai took a great pack mark as he does every match, moved the ball quick by hand to Ben H who then in turn kick to Julian who was open across the half forward line. Julian tried to move it quickly but was caught holding the ball, good to see he was trying to get it on quickly. Doncaster moving the ball quickly with number 8 taking a nice mark. Doncaster moved the ball quickly forward but couldn't get past Darcy who was playing in front and received a free kick for in the back. Liam going in hard to help Darcy knocked heads and had to come off for a short rest being replaced by Ollie in the back line. Kicking long over the pack for our midfield to run onto with Will, Angus and Julian leading the charge and collided such was their endeavour, Will getting clear and kicked long into our forward line only to see Doncaster take a timely mark. Quick turn over to the Sharks and Patty kick to Xavier who played on and kicked a point.

Doncaster kicking out from full back with Elliot & Angus swooping into a loose ball and kicking back towards goal, where again Doncaster took a nice mark to repel our attack. Doncaster's errant kick with Xavier coming across his Doncaster opponent marks directly in front unselfishly handball to a waiting Thomas who kicked it straight through the middle.

Kai up in the ruck with a great tap to Julian with quick hands out to Patty who kicks to Thomas but the kick dropped short, Elliot harassing the opposition but gave a free for holding the man. Doncaster switched play only to be put under pressure from Elliot who worked hard to create a contest, Ben N capitalising on Elliot's work emerging from the pack and kicked another goal. Great stuff Elliot super effort and pressure.

Patty up in the ruck this time with Ben.H kicking long to Angus who under pressure tapped it out to Ben N who gave a long handball to Thomas who also under pressure kicked a point. Doncaster moved the ball quickly across the ground back into the midfield, Patty chased down the opposition and was rewarded with a free kick after fine tackle.

Moving the ball quickly across to Will who marked it and kick long into the forward line where Xavier flew from behind and took a great mark over the pack. Goes back and with ease kick a major. The boys moved it quickly from the centre again where Elliot swooped and got clear only to run too far. Doncaster's kick was marked again by Xavier reading the play well looked to pass to Ben.N leading from the square to take an easy chest mark, Directly in front sneaks it home.

James, Henry, Ryan all eager to get into after a quite quarter down back, Liam back from his slight injury ready to go.

Scrappy start to the 2nd quarter with Doncaster coming out firing full off endeavour. Ollie finally getting clean hands on the ball looking for Thomas, long kick but Doncaster playing in front easily cleared the ball. James working hard in the midfield keeping Doncaster under pressure. Ollie receiving a free kick looking for Xavier who marked. Not much movement forward so Xavier kicks long towards Henry who provides a leading target and option, Patty roves well of hands who handballs to Liam running past who kicks to Ben H who quickly turns and kicks to Patty who worked hard to the goal line and kicks a simple goal. Great team play. Xavier up in the ruck tap backwards to Ollie who handballs to James who was tackled and

striped by a desperate Doncaster. Ollie goes in a gives away a high tackle. Doncaster kick forward where Kai works hard and kicks quickly out of the pack for Julian to take a strong mark.

Kicks to Angus who marks and quickly goes sideways to BenN who kick towards Xavier on the open side of the ground. Plays on and takes a bounce, kicks long to Liam who gets it over to Ben H who kicks a goal. Thomas up in the ruck, neither team can get it clear. Ryan finds himself on the bottom of the pack scraping with the opposition, gets it out to Ollie who kicks toward Henry but unfortunately off hands and through for a point. Scrappy play again in the middle with James getting out to Ryan who kicks to Ollie who under pressure kicks long towards Henry. Patty running back with the flight with out fear dives and takes one of the great all-time grabs. Chips to Henry but Doncaster spoil the mark with Will roving the pack flicking out to Ben H for the Sharks to post another.

Doncaster started to fight back towards the end of the quarter with both teams giving it their all. Our boys started to stop looking for each other and getting forward of the ball giving Doncaster a chance to move the ball forward. James putting his body on the line tapping it out to Xavier who kicked to Will playing in front. Looking for Henry who again providing a focal point brought the ball to ground with Ben.H showing a clean pair of boots kicking another major. Doncaster taking it out of the ruck and getting it forward. Elliot in the pack out to Kai then over the Ben N who kicks straight to Doncaster. Umpire give a 15m penalty for our boys running over the mark. Doncaster kicks truly.

After sucking down a few oranges the boys raced out for the 3rd. Henry taking the first hit out getting to Angus who under pressure tries to get it over to Will, once again Doncaster are having a real crack and are rewarded with a free kick. Doncaster kick to a pack where Henry manages to get a kick out into space for Thomas to run onto it and kick long. Ollie takes a great pack mark. Doncaster manage to get a turn over but kicks out of bounds. Ben takes the free and kicks long across ground to Darcy who marks. Darcy kicks long towards Thomas but goes out of hands. Doncaster kick out of defence back into the middle where Angus playing in front takes a mark. Kicks forward, Elliot puts his head over it and cops a high one, not fazed just keeps going gets it out to Ollie who snaps for goal and misses. The boys work hard to keep it in with Julian kicking short to a leading Ollie who goes back and pops it through. Good to see Kai enjoying the day by showing his team mates how to mark fart noises with his arm pit. Interesting way to celebrate a goal. Boys working hard in the midfield again Angus burrowing in along with Will and James.

Ben N takes a strong mark and launches a huge kick forward to Ollie who takes another super grab, kicks quick to Elliot, plays on but is stopped by a desperate Doncaster.

Doncaster switch play and take a mark. Kai standing on the mark smothers the ball, quickly recovers and snaps out a quick handball over the top to Elliot who goals. The boys continually share the ball around, looking to get it out to an open player.

James, Ryan, Patty Ben H and Liam all had the pleasure to watch the boys keep up the good work they started early in the game.

Unfortunately, Julian rolled his ankle just before the break, luckily the snakes came out and fixed the problem with Julian ready to go in the final term.

4th quarter gets underway with the sharks continuing on the good play. Patty getting in and under, Ben H receiving a free kick for a high tackle, Doncaster take an intercept mark from Ben

H kick, Doncaster drive the ball long with Liam playing in front contests well for the sharks. Pack develops the umpire blows his whistle and balls it up. Kai big knock forward where Ben.H runs into the ball link up hand ball with Elliot who gives it back to Ben, unfortunately kicks it out on the full, but positive team play. Angus marks the returning kick from Doncaster, James leads but the kick drops short and takes a horrible bounce straight into Doncaster's arms who clears wide. All the boys chase hard a manage to get a ball up. Julian takes the ruck and taps it to Darcy who bursts away draws a player and give a handball to Ryan who kicks a point. Once again, we are looking to give the ball off to a player in better position. Strong work again in the midfield by Ben.N passing off to Patty who kicked it into the forward line. Ben H run unto it but get run down trying to take a second bounce by a desperate Doncaster payer.

Doncaster taking control of the ball in the midfield Elliot chasing hard laying tackles, with the ball not getting down back to often the boy where caught napping and Doncaster playing in front rewarded with the mark, Doncaster took another great mark and kicked a well-deserved goal.

Back in the middle, Liam and Patty worked well to get the ball forward, Julian working hard under the pack to get the ball out to Darcy who got it over the top to Ryan with the sharks responding quickly. The boy getting around Julian in support of all his hard work getting the boys another chance to kick a goal. The midfield once again managed to extract the ball with Liam getting a clearance looking for Angus, a quick handball to Julian, quick kick to James who gets on the score board with a goal. Kai working hard to make sure the boys get first use in the ruck. Kai again great tap back to Patty who rakes off and has a bounce and draws a Doncaster player handballing over the top to Elliot, Chipping it to James on the forward flank, James quick kick towards Julian & Darcy who was wrapped up in a great Doncaster tackle. Ball up in the forward pocket with Darcy tapping it down for Ryan to run onto it, 2 Doncaster Players try and take him down, but Ryan stands tall in the tackle and get a pressure handball out to Julian who snapped truly on his trusty left.

The back line with Ollie, Will, Xavier, Henry & Thomas all charge into the middle to congratulate the boys on a great quarter

Another great game from everyone sharing the ball around looking for each other and moving the ball quickly.

Fast hands out of the pack guys and then we run and share the ball, the opposition doesn't have time to catch you.

**Glen Iris H 0.2. 2**

After a couple of strong wins to begin the season, it was good to be back to Stintons Reserve on a perfectly still Sunday morning to take on Glen Iris H.

Led by Captain for the Day, Luke, the boys completed their warm up with Assistant Coach Ben Kinnear before being addressed by Coach Daniel Bullen and sent out to get off to a strong start.

**First Quarter**

After a tough match against Hawthorn last week, the boys were again confronted by a strong and competitive opponent. A battle of the midfields and half-back lines ensued, as both teams found it difficult to penetrate each other's defence. But as the quarter wore on, the Sharks' forward pressure increased and they went into Quarter time with a goal lead.

Sharks 1.1. 7 Glen Iris H 0.1. 1

**Second Quarter**

With the Coach calling on the boys to support each other with stronger running and louder voices, the Sharks got to work kicking to the northern end of the ground. Despite managing to play much of the quarter in our forward half and denying the opposition scoring opportunities, the Sharks boys were unable to find easy avenues to goal as the Glen Iris team's defence held up valiantly.

Sharks 1.5. 11 Glen Iris H 0.1. 1

**Third Quarter**

After heading into the rooms at half time, finding their breath and getting stuck into some oranges, the Coach once again reminded the boys that the third quarter is the "Premiership Quarter". Following their now trademark warm up, the Sharks headed back onto the ground and immediately took the ascendancy by slamming on three goals to the BMX track end, while keeping Glen Iris to one solitary point.

Sharks 4.7. 31 Glen Iris H 0.2. 2

**Final Quarter**

After adjusting the magnets, the Coach set the boys the challenge of reaching 50 points by the end of the game. An early forward fifty entry to Glen Iris was denied a major score by some good Sharks pressure, before the boys took control of the midfield and forward line to lock the ball in our forward half. With the boys on the interchange screaming encouragement, the Sharks peppered the goals to come away with another very strong victory.

Fine autumn morning, dry deck, and competitive opposition, sharks red we need to be at our best today

We came up against opposition today who were a tall side so we knew we must bring our running game and take the game on to win.

Special mentions for the first half went to Felix, Mason, Lucas, Archie, and Henry. The majority of the first half we managed to keep the ball in our forward 50 through relentless attack on the footy and swift ball movement to advantage.

We wanted to utilise the slope of the ground to advantage and I think our boys executed this really well, it very pleasing to see the boys taking instructions and executing to advantage throughout the game.

With the boys well on top at half time it was time for us to move the boys around and play some roles that some may be un accustomed to and to the boys credit they all had an input to the resounding victory. Owen, Dylan, Max N, James, Jacob S and Riley need special mention as there efforts in the 2nd half ensured the pedal was not taken off and a stirring last half saw our boys come out 71 points in front.

Our team structure worked well today to reduce forward line crowding and we will continue to work on this in training. Also greater ball sharing saw a more rounded team performance, which is very encouraging to watch from the sidelines.

Encouraging effort today boys you should all be pleased with your efforts.

A few showers greeted us at home v Canterbury who we played in the practice game. They have always been fairly tall, we accounted for them easily in the scratch match but we expected a much harder contest during Round 3.

We were missing Kingy for this one and Demps cracked his humerus bone the week before that he found less than humerus! Very unlucky after a great start with his new club.

Big Toves took control of the board for the game and threw the positions around a bit, we started with an incredibly strong backline again while looking different in the guts.

Big Polly was in the ruck, a position foreign to his old man due to its hardness. He started us off really competitively with the help of the General in there and Mork lending a strong hand. We welcomed in Jamo for his first game back, he started really well and slotted two majors for the term, Oaksy continued his good form forward and medium sized Smithy also slotted his first for the year with a great handball set up from Ace who was running amok.

The boys rushed to a three goal lead at the first break playing some good footy in the process. We need to learn to play on more often especially in the back half where everyone gets a little nervous.

Foxy was doing his thing getting kicks at will as was Will Sonders who was moved forward with great success kicking two majors for the term. Stevo was also going well and slotted his first major of the year. Pazz was his usual busy self but a great chase from behind tackle earned him some great points from the coaches. Coop and Killa continued to combine really well behind the footy by hand and foot and JT was controlling the aerial contests as the YJFL rep coached watched on.

Half time we were 32 points up and in control. Looks like we are headed for Gold!

Reesy continued his great form and hardness at the contest while Davey Broadbent continued to show incredible athleticism as he took a ruck tap and won against a much taller opponent.

Humey competed well and is learning to scream for the footy which is a great sign. Big Coop continued his dominance wherever we played him as he does.

Killa, Polly and Coop all kicked goals in the third – 53 points up.

**UNDER 13 RED Squad Members**

Jumper	Surname	Name	Jumper	Surname	Name

We ran away with it in the last although the boys were cherry picking and looking for easy kicks and even easier goals – something that we will not be able to go next week or indeed against most sides as they will all improve. Killa stitched up some more votes with another goal as his mother, sisters and old man chided the coaching staff for not playing him forward earlier. Killa Snr had a vote card, apparently handing it back to Humey before quarter time already filled out!

Jamo kicked his third for the day and Coop chimed in with another for the year. We went on to win by 71 points. A good effort by all again.

Our round 3 encounter with Fitzroy was something we looked forward to after a good performance the previous week.

James & Bo were co-captains for the day & they talked pre-game about running for & talking to teammates.

We started brightly. Harry as always doing his best work in the midfield. Rhys again attacking with vigour. But Fitzroy had most of the play with some tall timber causing us a few headaches. Our biggest headache came though when Ben S had to come off with what has turned out to be a broken wrist. Terrible luck for Ben & the team. We went into quarter time 10 points down. We started much better in the 2<sup>nd</sup> quarter. Charlie moved to the ruck - his leaping as a feature. He is also more than happy to scrap it out on the ground. James was doing a power of work in the back line along with the other smalls Jacob & Mitch. Ben W began to present up forward & Dan S at full back was awesome with clean hands & good disposal. Brodie popped up in the forward pocket & kicked our first goal & his first goal for the Sharks. Well done Brodie. At half time we were right in the game, down by only 13 points.

After half time the lack of bench began to hurt us. Boston tried really hard to compete in the ruck & up forward, Lucas & Remi on their wings showed dash & Remi took a fantastic pack mark through the quarter. Solomon went to the middle & his clean hands & handball skills are best in the team. Oscar was getting into the play & Dan W is really starting to find his feet & showed good marking & kicking skills. He's a very important player for us. At the end of the 3<sup>rd</sup> quarter we trailed by 5 goals.

The final quarter Fitzroy's big guys really dominated. Bo attacked the ball hard & Matt showed some real promise at full back with a couple of great intercepts. Fitzroy were too good on the day & ran away at the end.

Again the Sharks boys never gave in even down a man. We love the way Harry plays - very smart footballer. Rhys has been great & James played his best game, kicking out from the goal square a real highlight. Charlie is developing & not afraid to mix it at the base of packs. Dan W is showing good understanding with Solomon, Dan S clean around packs.

So we add Ben S to our list of injuries. Best of luck with the recovery Ben. Sad to see you on the side lines. See you back out there really soon GO SHARKS!!!!

This round we were up against Bulleen/Templestowe at Domenev and weather conditions were fine and dry a good day for footy.

The first quarter we started well again in the ruck contests with Big Dog continuing his dominance and Chrisso taking full advantage of it. Bulleen/Templestowe fought hard in the quarter and they looked, in this early stage that they would make a real game of it with some taller players around the ground. Our back line was placed under a bit of pressure a few times during the quarter but did a great job holding them goal less while we kicked 2 goals 3.

Quarter time: 2/3 to 0/2.

Better players in the quarter were; Zach S, Ben J, Chrisso C, James M, Zac McL, Kane D.

The second quarter we continued to win the ball out of the middle and from around ground ball ups and throw in's with Big Dog completely outclassing their sometimes taller ruckmen tapping the ball direct to his team mates. Our backline again held sway with Jesh M and Ryan D among players who did very well in the quarter. Our entire back line were combining together well with backing up and good hand and foot passing to the clear the ball. Our forwards, including Rohey A, Jake T, were right on top and we kicked 5/5 for the quarter holding the opposition goal less.

Half time: 6/8 to 0/2.

Better players in the quarter were; Rhoey A, Zac McL, James M, Big Dog, Jesh M, Cooper T. Jake T.

After the half time break the boys again quickly gained the complete upper hand and dominated the quarter, our back line again held their few attacks out with all players in the area contributing well and combining well as a team again holding them goal less. Our forwards capitalised from the ball being continually driven forward and they made few mistakes kicking for goal. The forwards were well served by Rohey A, Zach S, Zac McL, from another quarter of very good team work, backing up and foot and hand skills.

Three quarter time; 12/9 to 0/2.

Better players in the quarter were; Rohey A, Zach S, Zac McL, Big Dog. Chrisso C.

The last quarter was again a very dominant quarter for our boys. They continued to win the ball at scrimmages and at throw ups and use it well into the forward line where our forwards again played well although missing some quiet easy shots for goal to register 4/5 for the quarter. All the boys in back line were again very hard at it and mean although the opposition did score their only goal for the game. All our boys made the ball their object and were very hard at it.

Full time scores; 16/14 to 1/2.

**Better players in the quarter were; Chrisso C, Ryan D, Josh M, Jesh M, Noah T, James M.**

**Goal kickers; Zac McL 4, Zach S 2, Chrisso C 2, Jake T 2, Noah T 2, Big Dog 2, Rohey A 1, Ashton W 1.**

Another beautiful Autumn day and ideal day for football.

The game against Richmond was our Grand Final Replay.

After achieving the ultimate success with Glenn, Rob and David last year, the U14 boys were a different unit. Our team's missing its premierships mid field who had been promoted into the Reds or had gone elsewhere following its success. Also with key goal kickers out injured, we knew our boys would be tested.

Of course with Richmond's Senior Team finally experiencing success after Carlton demolished them in 1982 – Go Blues – we sensed they were confident and their supporters spoke of a need to square the ledger with the Sharks.

The first half was well fought with our tackling and intent at the ball a pleasure to watch. A mismatch of our tall brigade and our centre struggled to get first touch from the centre. However, around the ground and when we moved the ball fast and into space, we produced a decent brand of football.

Our defensive structures are improving week by week but we struggle at the moment to find a clear avenue to goal.

The contested marking across our forward line and numbers at the ball was very good on Sunday but again we need to improve our forward running. In saying this, we are getting the defensive numbers behind the ball but as we carry forward, we need to create options.

Richmond's tall timber had grown over the Summer break and our on-ballers are yet to learn how to physically position themselves to counteract the height difference.

This week we came up against Surry Park and as expected it was going to be another tough challenge for our boys as Surrey Park will be finals contenders this year.

After a disappointing result last week our boys, being superbly led by our captain TJ came out to play this week. Our commitment and endeavour for the contest was first class. At the first change we were on level terms with Surrey Park. I thought this was probably our best quarter of football we have played this year against a quality opposition. Our defence led by Will Smead, Jimmy O'Connor, Ethan, and Hickey were very good in the way they linked up and used their foot skills to hit up targets. The midfield worked hard with Isaac Taylor working tirelessly in the Ruck with excellent contributions from Wallis, Antonino, Dorka, and James

Our forwards worked well with Buckets Fowkes, Zac Romas taking some strong marks and converting their shots on goal.

For three quarters, we more than held our own against Surrey Park and if we can improve our connection between midfield and the forwards we will increase our opportunities to kick more goals.

Overall a big improvement on last week's performance, keep working hard as a team and listen to the coaches' instructions and we will be more than competitive against all the teams in Division 1.

As the Supercoach keeps saying, it's important that you all show up to training this week

An away game at Ford Park Ivanhoe was our round three clash with Fitzroy W. An early 8.30am start was a shock to the senses for most but after the parents indulged in a much needed coffee and the players eventually woke up we were into a tough game of footy.

We welcomed into the team one new player in Indi Tovey and were missing two girls in Allie King and Shania D'souza.

Our two captains for the day in Elena Pelosi & Ella Saunders were terrific leaders in giving a speech before the game in the rooms and then proving influential on the field and contributing all day never giving up and encouraging those around them.

The first quarter we were jumped as Fitzroy showed their dominance at the centre bounces, clearing the ball out the centre with long kicks to their forwards who at times scored freely – even from distance. They had a number of girls who had played last season who looked more experienced and settled in their roles.

Our back line was under pressure from the start with Charlise Doolan, Tegan Rule, Emily Caldwell, Mia SJ and Mia Bosna working hard to stop the flow. Charlise tackled and pressured all day as she does so well, Tegan sets up well behind the play always pushing back to the goal square using her knowledge and skills, Emily like Charlise always attacks the ball and the player with great determination and the two Mia's took plenty of marks, used long kicks and stopped many forward bursts by the opposition

The use of zones during the match made it difficult for our on ballers and forwards to see a lot of the ball even though it helps with opening the game up. Fitzroy's dominance resulted in the ball being back for majority of the game so rotations became important to enable our players to be given a fair go.

Indi Tovey came on in the second quarter and made an immediate impact chasing, tackling and always being at the drop of the ball. Indi eventually started to earn her own kicks and won our best player medal in her first game. Congratulations Indi and welcome aboard.

Grace Bettiol, Ella Saunders, Elena Pelosi & Scarlett McInerney teamed well together in the centre. Grace with her ruck work and constant run around the ground, Ella & Elena with their leadership and will to be involved and Scarlett with her brilliance in tackling, chasing and long kicking were all important players

Our forwards were kept quiet early with the ball not getting down there but these girls were rotated around playing in a number of position and our bench in the first quarter also had immediate impact when they joined into the game.

Jaide Scott had a great game always being involved, as did Grace Dawson who shows each week she is always up for the challenge. Willow Harvey was solid up forward and even stronger when thrown onto the ball. Sienna Pollock was everywhere using her ability to get the ball, use long kicks and tough tackling to her teams' advantage taking out the McDonalds award. Well done Sienna.

Zara Dove playing at full forward was switched into the play late and was involved in one of the plays of the day with Indi. The girls who were put into rucking duties were called to find a player free and tap to them to which Indi tapped brilliantly to Zara who was on the run, kicking the ball forward to space – it was great to see. Zarah Nyariri, who continues to improve and impress tackled hard all day, had her most disposals for a game and even stopped her opponent from having any impact took out our “drink” award. Congratulations to you Zarah.

Macy Vendel, Bonnie SJ, Ellie Bryant, Charlotte Peterson & Ruby Caldwell fought hard all day once coming off the bench at quarter time. Macy was thrown right into the play on the back line to tackle and smother as she does so well, Bonnie moved forward to present an option and trap the ball in our forward line to great effect, Ellie never stops running and gets to every ruck contest using her voice demanding the ball as we ask, Charlotte never lets us down on the backline beating her direct opponent and helping to stop goal after goal and Ruby is trying to kick goals one minute then is kicking out from full back the next. Maybe needs to be called our utility player?

The girls were asked at 3qtr time to stop Fitzroy from scoring in the last quarter and from memory we held them to two behinds – a terrific effort. Well done to all on a well fought out game. It was a bruising encounter and I am sure we all learnt plenty from the experience.

Looking forward to playing at home next week against Richmond. See you at training Tuesday for some fun! We still have parents and siblings putting their hands up wanting to help out each so again thanks.

With a home game fixtured at Yarra JFL Head Office – Bulleen Oval No.1, we faced Brunswick. It was exciting for the girls to play on the main Bulleen oval & we set about implementing the next stage of our Game Plan.

With 14 players we allowed the opposition to play 16 against us and we challenged the girls to stick to their individual and team Game Plan instructions.

Q1 Was fantastic – full of energy the girls held their structure and showed great discipline. Layla won the initial centre tap to Chelsea on to Mia. Jade was “in & under” laying tackles and Flynn ran strongly off Centre Half

Back passed to Chloe who kicked long. Jazz goaled at the 2 min mark. A few minutes later another great passage of play from Tilly H to Lauren scored our second goal. Mia was playing in front and showing her class linking perfectly to Jorja that allowed Chelsea to goal. When Chloe broke free passed to Jorja onto Mia and long to Lauren who marked strongly we had our 4th. It was raining goals as the girls ran hard and looked for their targets. Hanni goaled after winning a free and when Chloe banged 2 more goals through we had 7 for the quarter. Chelsea’s work as Pivot was impressive. Sharks 7.1.43 to Brunswick 0.0.0.

No.6 Alannah Boell in full flight

Q2 saw us continuing the great play with Jade, Chloe, Jorja and Mia winning possessions. Lana’s great run and bounce and long kick was excellent as the Sharks launched repeated attacks. With Lou providing a marking focus at full forward the Sharks forward entries improved and Layla managed 2 great goals. Lana added a goal and continued her great quarter. Tilly R was enjoying the Pivot and scored a goal of her own and

No. 4 Jorja Livingstone – great kicking action on the run

6	Alannah Boell	22	Lauren Knowles
9	Mia McAuliffe	23	Jasmine Taylor
10	Matilda Rae	24	Tilly Hodgson
11	Sophie Harvie	50	Layla Prince

Jorja’s turn & kick was rewarded with her first goal. Sharks had dominated the first half with excellent football. Sharks 12.6.78 to Brunswick 0.0.0

Q3 was somewhat of a letdown. We started to chase kicks and lose our positioning as the girls over crowded the forward line. It was a learning curve & we did manage goals from Jazz, Chloe & Lauren but against more experienced opposition we would have been exposed. We will continue to work on holding our structure under pressure irrespective of the score. Sharks 15.10.100 to Brunswick 0.0.0

Q4 – after a rev up the girls regained their focus and ran as hard as they could notwithstanding we were fading – the game had slowed & with a few minor knocks we finished with 12 on the field. Flynn took on the play and Nat and Chelsea were fantastic in defence as Brunswick mounted repeated attacks. Jade, Jorja and Lana finished the game strongly and it was great to see Tilly R kick a fantastic goal. Layla got her 3rd, Chloe her 4th and Jorja finished the quarter off with an impressive goal on the run.

Yes, it was a convincing victory, but significant improvement is required if we are to compete with the leading Division 1 teams.

Kew Comets 20.16.136**

Another great autumn day for football, this time the girls were at home hosting the Kew Comets, coming into round 3 with one win and one loss and the Sharks girls losing away last week to St Marys. The team had a few players missing and were topped up with two Kew Comets players and junior Sharks.

Q1. The girls started the game well and after Kew scored the first goal played with good intensity and pressure and kept the ball locked up in the forward line for long periods. Taliah made a couple of runs and kicks into the forward line though the quarter. Good tackling and pressure kept the ball in the forward line led to a goal midway through the quarter. Good defensive skills by Charli and Courtney running with the ball and follow up smothers. Zoe did some good work in the middle of the ground rucking and contesting the ball. Nice passage of play with Charli marking and passing to Kylah who also took a nice mark.

Overall the girls showed good effort in the quarter, but Kew was able to skip away with some well-constructed goals with some good marking and passing.

Q2. Kew gained the ascendancy in this qtr with the ball spending a lot of time in the back line. Eve provided good contest running off the back line, and Alicia was buffeted in the packs in the back line as the ball spent most of the time there in the quarter. Amelia contested the ball strongly in defence and Anna tackled with great vigour. With the ball in our defence for most of the quarter, Ella had her hands full at fullback. With Kew kicking lots of goals the ball was back in the centre many times and Zoe got many taps in the ruck which Kew swept away in a dominant quarter.

Q3. After half time the girls regrouped, and Anna continued strong defence in the middle of the ground with smothers and tackles, winning a couple of free kicks early in the qtr. A minor score resulted after a nice passage of play, and the defensive effort by the girls in the third quarter restricted Kew's opportunities.

Q4. Anna again started strongly in the quarter, and Sophie made a great smother and run off half back to push the ball forward. Nat scored a goal after a nice linking passage of play from the girls on the change room wing. Amelia continued to contest the ball strongly determined to move it forward.

The team played a more competitive second half against Kew but the opposition was too good on the day with good confidence and skills shown by some of the more experienced Kew players, particularly in the second quarter when they got on a run.

Thanks to Matt Turner for coaching the team today even when his daughter wasn't playing. Thanks also to Mia who backed up to play in her older sister's team after having played with the under 12's earlier.
