Round 5

Melbourne’s weather was on display in its totality this weekend. Unfortunately, due to the 6°C and driving rain Friday night was cancelled. I know Auskickers, U8’s and U9’s were disappointed at being unable to put on a display for their mums. However, I heard the sigh of relief from some of these mums at being able to stay home in the warmth. BUT don’t despair kids, all things being equal, you’ll get a chance this Friday night.

To all our Player, Coaches, Team Managers and Parents, THANK YOU for your support on Mothers’ Day. The Pink balloons, arm bands and buckets to support breast cancer research fundraising was fantastic. Your generous donations were appreciated by our club’s hierarchy.

Further Donations can be made over the next week or so at the canteens. Not only do your actions raise money for a great cause, but also provided us with a greater awareness on how close to home this illness can hit. Well done Team Managers for coordinating the weekend.

Great to see the teams settling down for their first week of games since Grading concluded. As mentioned last week, grading can be a difficult time as scores comprehensively vary from very high to very low. Grading does work for most teams. I was really proud and pleased to see some competitive results this week. Our club policy is to get kids onto the park and being able to enjoy playing football with their teammates, whatever their level of talent, being part of a team and contributing is really what’s most important.

Code of Conduct

One a serious note, it was disappointing that we had a couple of incidents from this round. We need to reiterate that all families (and especially players) make themselves acquainted with understanding the ‘Code of Conduct’.

The YJFL has made contact with us regarding the conduct of match day officials and in particular comments that are made from the Coaches’ box. A reminder that only four people can be in the box – Coach, Assistant, Runner and Trainer.

These four people must display exemplary behaviour and never vocally criticise Umpires. Please, I know footy is passionate, let’s show others clubs how we at the Sharks are a ‘Good Sports Club’. This year we are working on obtaining our level 3 accreditation.

Conversely, we need all parents to please understand that our Coaches are doing their absolute best for players and teams each week. If for whatever reason you have questions regarding the position of a player or their role within the team, then please approach your child’s coach, outside match day, and ask accordingly. There is no need to create dissention or create ‘Chinese Whispers’.

We need all teams united and working hard for each other out on the field. Parents questioning their children in a negative manner is not a good look. Fortunately the vast majority of our membership are supportive and offer encouragement, thank you.

Sharkwiz – Trivia Night! Come on Sharks, get on board!

Sharkwiz 2018 is fast approaching... Saturday 2nd of June (folks, less than 3 weeks away) @ 7.00pm at Domeney Reserve. Whilst this is our primary fundraising event for the year, the Sharkwiz is an informal evening and a great opportunity to get to know the families of your team, whilst having a bit of fun. We need each team to book at least one t-able of 10.

The Sharkwiz organising committee are seeking auction items for the Sharkwiz. A flyer explaining the request for any prizes/auction items that the Sharks Community are willing to donate is displayed on our webpage.

For ease of booking the online system has been adopted so please refer to the Sharkwiz Invitation circulated to you via your team Managers or via the Team App.

Indigenous Round

Congratulations to our Colts Red who will be competing against Fitzroy under lights in Round 8. The match will be played on Friday Night the 1st at Victoria Park To be invited as a part of this evening is a great honour. We wish our players all the best on the night and encourage as many spectators as possible to get to the match.

Burger Night Sunday 17th June – Bendigo Bank Buddies Night

The next burger night (only 3 for the year) is the Colts/U8’s & U9’s Bendigo Bank Buddies Night. They will all be hosting the night, putting on clinic demonstrations and cooking for us all. So, just giving everyone a heads up on the date and parties involved. Look forward to seeing you all there.

Summary

Looking forward to Round 6 for our juniors. If at any stage you have any queries then please don’t hesitate to contact myself. Go Sharks!!!

With the worst of the weather behind us the boys rocked up to Domeney for the first time this year.

It was a special round this week with the boys celebrating Mother's Day wearing pink tape.

Added to this we had Rossy playing a big game for his family having had the sad loss of his PA the previous week.

Every one got behind Rossy and wore the black tape and you could tell they were steeled to play a big game.

The first quarter certainly didn't disappoint with Oscar taking his first mark for the year and passing off to a team mate. Rossy kept running hard out of the midfield and managed to get plenty of the ball. Fellow midfielders Presty and Harvey tried hard and Josh B performed really well in the ruck. Tom B and Alby also chimed in on the wings and helped the backline throughout the quarter. All in all Fitzroy only managed to go forward 3 times for the quarter. Well done to the backline which included Zane, Gabe, Zac, Isaac, Nate and Lachy as they collectively held them out and kept the opposition to one goal and one point.

Fitzroy then turned up the heat in the second quarter going forward for 9 entries. Hats off again to the boys with Gabe, Tom E. Sam, Tom B, Felix and Ned keeping the opposition to only 2 goals and 3 points. Highlights included a couple of great marks to Noodles, Tom E's in close handballs, Rossy running out of the centre, Riley and Sam's tackles, Harry's running and handball as well as a special play with Will F, Nate and Riley connecting by foot.

With some drinks and oranges under the belt as well as some special instructions from the coaching panel the boys looked set to rally for each other.

Once again Fitzroy put the pressure on our backline going into our 50 zone on 7 occasions. The backline led by young Zac Antonellos at Centre Half back fought extra hard to keep the opposition out. Kai, Beau and Will T had their best quarter for the season and were helped by Oscar protecting the goal scare. Other highlights included Alby's constant tackling and chase down of players, Dan Nielsen's left foot kick on the run and little Presty's relentless efforts at full back taking on 2 and 3 opponents at different moments in the quarter. All this effort once again kept the opposition to only 2 goals.

The 3rd quarter break would see the boys talk to each other and ask for one more special effort. Pleasingly the midfield led by our gun ruckman Nate Farrell got into the game. Dan, Zac, Josh P all has great quarters as did young Zane. Felix Hatwich also came into the game with some great running from the wing and showed what a star of the future he will be. All this effort saw the team inside 50 on plenty of occasions including a great mark by Tom B at full forward and a shot on goal. Rossy also chimed in with a shot and scored a well earned point and then the plays of the day game with Ruckman Nate landing a massive chase down and tackle which brought the house down. He then followed it up later with a sensational goal to

get the Sharks on the score board with a major. A fantastic way to finish off the game in front of a home crowd with Sharks outscoring Fitzroy by one point in the last quarter.

Into the rooms the boys went and with Rossy in the middle we sang a rendition of the song that was full of pride and respect to the Ross family. Zac's Little Sister Zara finished off the day by reading a poem for all of the mother's in the rooms.

Well done Sharks your endeavours are special and you keep making us proud. Keep at it and our first win will come soon.

Fine autumn morning, dry deck, and competitive opposition, blustery breeze, sharks were looking for a strong start from the outset

We came up against opposition today who were 2 from 4 games so we knew we must bring our running game and take the game on to win.

Special mentions for the first half went to Felix, Campbell, Lucas, Lucas N and Jayden. The majority of the first half we managed to keep the ball in our forward 50 through relentless attack on the footy and swift ball movement to advantage. Our team structure of holding our line was the catalyst in going in half time change 5 goals up.

Message at half time was to continue to stifle the opposition with relentless attack on the footy and to kick to moving targets in our forward line. With both Lucas's being present and mobile in the forward line. The boys listened well and when the 3rd siren sounded the opposition had only kicked 3 points for the game.

With the boys well on top at the 3 ¼ change it was time for us to move the boys around and play some roles that some may be un accustomed to and to the boys credit they all had an input to the resounding victory. Jacob B continued his good form in defence, Gabe and Bruce continue to build strong defence into their game and Campbell continued to be a general across halfback. 1st goal of the year for James, was great reward for effort, keep it up James. Well done to Jacob S, Jayden and Lachie D on your 50 games. You boys continue to be the spirit and back bone of our team who always train hard and play to win and epitomise our team spirit. Rob and I are so proud to have you boys on our team.

When the final siren sounded we ran out comfortable victors with a even spread of 20 contributors, well done boys, keep listening to instruction and putting your effort first for the team the result will take care of itself.

Encouraging effort today boys you should all be pleased with your efforts.

Well now the grading games have finished we have found ourselves back up in Black division where we were last year and against a side who are starting to become an arch rival...

Tom Mac was named captain for the day and Ollie Davis his Vice captain as both boys have been playing great footy and improving every week. Tom S started in the ruck and again showed great strength in this position, with Broc, Fletch and Jacob in the middle we had a good strong playing group to get us off to a great start. Hamish was coming in strong from CHB and James off the wing. Byron was doing a great job at Full back and getting plenty of kicking in practice as MacLeod kept peppering at the goal but lucky for us were kicking more points than goals. A couple of times we managed to find space but got ourselves into trouble but performing U-turn straight back into the opposition. NO U-TURNS boys. We also found ourselves watching the game and waiting for the umpire's whistle, which very rarely came. This allowed MacLeod to handball free and run off. Our defensive pressure kept us in the game early.

As we approached ¼ time the forwards were able to lock the ball in forward and had several shots at goal but just couldn't get it thru, then out of no where James managed to squeeze a long kick that sailed over the goal umpires head. Great result by keeping the pressure up and not giving in.

¼ time – PO 1.0.6 trail Mac 2.5.17

The quarter started well as Jedd found himself in space, on the run and gaining confidence he snuck in a bounce but with little support, shepherding or talk he got run down. Bad luck Jedd it was great to see you having a go. Sam, Harry and Ozzie all put in great tackles and Tom S was continuing to show plenty of strength in the packs and in the ruck. Archie had a run in the ruck to give Tom a rest and worked well in the air and on the ground. Hamish was seeing himself in plenty of the action manning up well and keeping his opponent quiet while dominating anything that came close to him. Unfortunately, it wasn't a great quarter as MacLeod kept our defence under the pump as they had 10 shots on goal for the quarter. Broc continued to try hard as did Byron and Harry but we just couldn't find our groove.

½ time – PO 1.1.7 trail Mac 4.13.37

After a group chat at half time the boys came out with a lot more determination. We highlighted the need to play closer to our man, tackle stronger and remind them to not let MacLeod clear the packs with their handball game.

The boys came out and worked hard. Charlie was starting to find space off half back to create run and give our forwards more opportunity. James was lively on the wing and always surprises me know he can pull the ball out of a pack and clear it with so many around. On this occasion James, with the help from Cruz was able to clear the pack to inside 50 where Jedd provided a great contest, well roved by Ozzie who blasted towards goal to kick his first for the game. A great passage set up by shepherding for your team mate. At the other end Bosco continued to try and tackle a kid more than twice his size, Sam was starting to find lots of the ball now he was playing in the centre and Tom was dominating in the ruck. Broc battled hard and constantly put pressure on the opposition. Ozzie kept presenting across half forward and Archie was also coming into the game. Hamish was an absolute general across half back as he read the ball well putting himself in great position to mark time and again.

A much better quarter by the boys as we kept MacLeod scoreless and gave ourselves a chance in the last quarter.

¾ time - PO 2.4.16 trail Mac 4.13.37

The message was clear at ¾ time, get first in for the ball, no spectators, lets kick the first goal and really put the pressure on. Tom was strong in the ruck again was giving us first opportunity, Charlie into the middle and Broc kept trying hard as did Ozzie and Archie up forward. The boys pushed forward but just couldn't hold the ball in the forward line as MacLeod managed to get the ball clear and kick the first goal of the quarter. Our backline gallantly lead by Hamish and well supported by his captain Tom Mac and VC, Ollie. Bosco never gave up and all the boys kept making MacLeod work hard to find space. Our backline pressure was shown in the fact that MacLeod kicked 17 points for the day.

Let's all get to training on Thursday and work hard on improving our kicking but mostly listening then we will be able to concentrate on our skills. Go Sharks

After a tough close loss last week to the top side and a really good week at training we emphasised with the boys that we had the opportunity to continue on with our good form. 50 Gamer and Captain for the Day Jack Fortington fired up the boys and our warm up was very good - All was set for a great game against St Marys.

Our 1st passage of play was exactly what we had practiced at training, a great centre clearance by Andrew Holt-Oakes in the ruck down to the running brigade of Josh Galstians, via Joel Stephens hitting Tom Worthington lace out who had lead into the space we want to create.

It was a close tight affair in the 1st quarter with neither team taking advantage of their forward movements. Lachlan Di Conza and Jacob Tymms were tight across half back and Lachlan Quinn was absolutely brilliant through the midfield taking some great marks and driving us deep into attack. Max Dominko took some huge marks in the 1st quarter when playing in the midfield and continued on when he went back to CHB where he absolutely dominated with his attack on the ball.

Tommy chimed in with his 1st goal in the 2nd quarter after a very strong mark. Captain Jack was getting in front of the packs and finding some good space where he took some great marks. Cameron Turner was awesome off half back and really started to use his pace and kick the ball long out of the backline as did Joel Stephens who has speed that many would envy - Cam and Joel have the running ability to beat anyone and need to back themselves and their pace - Great Games boys. We went in at half time with a very slim lead.

We spoke of the importance of work rate knowing they had 6 on the bench to our 1 and the need to play in front and punch from behind when required.

After half time things clicked and the boys upped it a notch, Gabe Stumpf was running an absolute riot playing another 4 great quarters at CHF leading, attacking, crashing packs, running hard with the ball and also bringing the ball to the ground for his smaller team mates. Cooper Smith centred the ball from the Boundary line to hit Tommy on the lead again for his 2nd major and then Jake Galstians kicked a great goal 20m out. Oli Nitz and Will Tait just love to attack the footy and god help anyone who gets in their way (Think their 6 man bench was down to just 2 half way through the last quarter due to these 2 lads - tough and fair). Oli's work rate for a big fella is awesome and his ability to break packs open and drive the ball forward lifts his team mates and Will just keeps getting better every week and is really starting to read the game very well.

Nathan Draegar and Harry Smit keep improving and are learning that work rate is really important across half forward; both presenting on several occasions and talking some great marks.

Josh Smillie was dominant all day taking mark after mark, driving the ball forward with his powerful kicking and laying some huge tackles which lifts his team mates. Midfield partner in crime Josh Galstians was brilliant again today - absolutely everywhere - I'd love to fit a GPS Tracker in this kids jumper.

After some great work by several of the boys, Lachy Quinn took a fantastic mark went back calmly and slotted a very tough goal (reward for effort pal) to put us 3 goals up with 5 minutes to play.

One of the best things to happen today which typified our boys willingness to work for each other was in the dying minutes when Daniel Albers after already playing a great game, worked hard to leave his player to chase a loose player, lay a big tackle, knock the ball clear, recover and then re-apply the same level of pressure for a second time (running with the flight of the ball) which eventually resulted in another attacking move for our team - What Daniel did was awesome and is what we are all about -Working for each other

In the end we ran out winners by 17 points which was thoroughly deserved - Again its no surprise that good results come when we all do OUR bit. Go Sharks

We're back! I can't tell you how good it felt to see the boys walk off the field with a good win under their belt. We absolutely deserved it after 2 pretty hard week, and what made it even better is that it was Mother's Day and Lachlan's 50th game.

I'm hoping now that we have been re-graded that we will be far more competitive and we can focus on developing our game and building our confidence back up. I'm sure you all enjoyed the win as much as Dean, Justin and myself.

Lachlan celebrated his 50th game in style with a great goal in the 2nd quarter and a blinder on the ball in the last quarter picking up a heap of possessions and using his beautiful kick with perfection. Massive congrats Lachlan on a great milestone and for leading the team so well as captain. Oli P had an absolute ripper playing across the backline. He took some great marks and setup some great plays. He really leads by example all day and was physical at the ball.

Finn gave it his all. Was great seeing him get his tackles under control and focusing harder on the ball. Brady the tough nut showed the boys how to tackle on a number of occasions. He is relentless when he has the ball in his sights. Unlucky not to have kicked a goal or two but should be super proud of the game he played. Bailey had a good run on the ball and picked up a number of possessions where he used his handpass to great effect. It was great to see him putting into play all the things we have been focusing on at training.

Josh C picked up possession across the ground and used his height advantage well. It is great to see Josh get his mojo and playing great games week-on-week. Flynn took some great marks across the ground and kicked a ripping goal on the run. Teamed up well with Sammy P on the ball in the 2nd and 3rd quarter where they consistently won the ball out of the middle.

Sammy P picked up a heap of possessions across the ground but my favourite was the unselfish handball to Lachlan Sherriff in the goal square to give him an easy kick at goal on his 50th game. What a great display of mateship! Max moved well all day with some great run and chases across the ground and dominated the ruck when on the ball. Connor bought his physical game to the table which was awesome to see. Had a cracking first quarter were he really helped set the tempo for the day.

Dan Blaser presented well on the wing and ran hard all day. Played a great team game. Will played a number of roles all day and really set the example with his marking and ball use. Caused the opposition headaches. Adam B Played up forward and then down back in the last quarter. Was great seeing him listen to feedback and actioning it on the ground.

Barathan used his speed and agility with some great passages of play. Picked up a heap of possessions and repelled the ball out of defence well. Oscar gave 110%. Won a heap of the ball and really focused on kicking to a target when he had it.

Ben had another cracking game. He was brilliant in the ruck and then across the ground with some strong marks and big kicks. Really developing into a key big man across the ground. Layne ran and ran all day. I love his passion and his attack at the ball. I can see all of the effort he is putting into his kicking which is really showing.

Sam V presented well and gave us options across the ground. Great seeing him manning up when playing defensively. Adamo was as tough as ever. He is unstoppable when he gets the ball in his hands and would run through a brick wall if you asked him to. I love his game and I loved seeing him kick a goal.

We headed into Bulleen to meet the Kew Comets who had been slotted back down from Gold to our division. They had won Gold a few years ago so we expected a challenging contest.

The ground looked a picture and the weather really turned it on also after winter had shown her cards the week prior with a nasty reminder of what to expect coming toward us Melbournians.

We welcomed Kingy back for this game after a family trip to the US, so we had the unenviable task of having 19 players fill the 18 spots on the ground. The plan was no longer than five minutes per player on the bench so everyone understood what we were doing.

Sonders had the coin tossing duties and did the right thing as we headed down hill, down wind.

We changed it around a bit in the middle and strengthened up the back end with big Polly

taking full back duties and DB filling up the goalsquare at the other end to use his pace and athleticism to hopefully kick us a few goals. Ace started in the ruck with Coop, Reesy and Sonders making a really strong contest in on the slippery turf wicket.

As opposed to the week prior we started well and showed intent early. Some of the boys though still looked like the preference was to be on the playstation, something we have to work on with a few.

Kew looked really good and played a similar brand of footy to our endeavours. Playing on always through the middle and creating good, strong contests around the stoppages.

Our forward line worked a treat with Davey, Killa and JT all kicking majors from their allotted positions in the forward six and Pazz chimed in with another from the wing as per his instructions to run forward all day.

Q2 we thought was going to be interesting but we left the team as it was, hopefully giving our back six a chance to defend against the breeze and a good side. All of them were fantastic. Mork continued his great form, Smithy competed well and put his head in the hole, Hume, Foxy, Oakesy and Polly all provided great support to each other and we kept them to just two points for the quarter. Up the other end Davey B slotted his second for the game. We went into the main break with a four goal break.

Ace and JT swapped themselves at some stage. Coop went a little gun shy when the umpire called him for basically being too aggressive in the ruck in using his body against his opponent. Jamo was struggling to run due to a crook ankle, Oakey went down with his crook ankle too, Pazz also was unsure of finishing the game because of his ankle! Fair dinkum we need to look at our medical staff as clearly we have some process issues to look at here.

The General Lee provided a highlight of the day kicking on his right (opposite) foot, was great to see our best tackler having enough confidence to have a crack at it.

Stevo was good all day floating in and out of the game. Like most of the lads of this age concentration can be an issue at times, I'm not sure how we can train for that but I guess we just continue to try and put them around the contest and hope they engage.

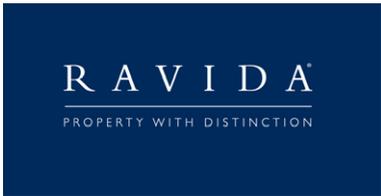

Sammy H kicked a goal in the 3rd quarter which was the only major of the term. Our backline was again fantastic keeping them scoreless.

We played with 17 for the last quarter with Pazz on high alert about his injury too. We were outscored slightly from a very good side who kept coming. Pazz managed to shrug off the ankle when the ball came deep and kicked his second for the game. We went on to win reasonably comfortably by 22 points leaving us on top of the ladder after grading. Some very tough games to come especially with players falling over left and right.

Well done to all and thanks as usual to all of the support people around. S. Kilkenny was superb in her first day in the green vest. Demps was keeping us updated on the times while mending his crook wing. Mork and Toves were their normal underachieving selves!

After we graded down to Blue division, we were bizarrely pitted against a team we played out a draw with 3 weeks ago.

We went along to Ivanhoe, thankful to Archie Leonard for filling in after a spate of injuries & unavailabilities reduced us to 17 players.

Ivanhoe began well, kicking the first goal of the match, before we clicked into gear. For the remainder of the quarter we were more than competitive with them. Charlie continued his strong form in the ruck (& roving off the ground) & along with Harry is forming a good combination. Again Rhys was outstanding at full back with great awareness & pin-point skills. Lucas was very strong on his wing, chasing down the ball & getting forward for us. Our best opportunity went begging when the ball frustratingly rolled across the face of our goal. At quarter time we trailed by 7 points.

The second quarter belonged to us, everywhere but on the score board. Solomon took mark of the year. Harry was really influencing the ball movement & Mitch was running hard breaking the lines. Brodie executed great skills in the forward half & Bo was unlucky to just miss a goal. Remi began to run hard on his wing. Our small backmen, James, Jacob & Oscar were resolute in defence. At half time, we trailed by 14 points.

After half time Harry set the tone (as always) with a great chase & tackle to win a free kick. Rhys moved into the middle & used his skills well. Matt moved forward with immediate effect, taking a number of good contested marks. Dan S continued to work off his man to create opportunities & Dan W bobbed up with some nice contested work in the back half. Boston continued to roam up the ground to try to get the ball back & contested all day. Archie worked hard back towards the goals & Ben W laid some ferocious tackles. Unfortunately our lack of bench began to hurt us as we tired & Ivanhoe managed to hit the scoreboard again. At the last change we trailed by 22 points.

We wanted the boys to maintain their competitive effort in the last quarter & to their credit they didn't stop competing. James moved to the middle & again put his body on the line. Charlie chased & harrassed earning free kicks in the process. But we weren't able to compete with Ivanhoe & they ran out 32 points winners.

Harry, who was captain for the day, was once again amongst the best players, along with Charlie, Solomon, Rhys, Lucas & James.

Thanks again to Archie for filling in for us.

Keep your heads up boys. Hopefully we will get Yared, Ben S & Blake back soon enough which will make us immediately much more competitive. Let's strive for that first win again next week.

GO SHARKS!!!

Sharks 6/2
Def by Templestowe 9/17

Sharks U14 Gold played Templestowe at Templestowe on a fine dry day with the ground in good condition and no favour to either end from the light breeze.

The boys started well and in the first, after the initial goal going to the opposition they attacked well and defended well with goal sneak Damian jaggung 2 goals 'al la' Eddie Betts' We also had goals from Zach McL, Jake T and Ryan D who was very active up forward kicking 2 goals. The opposition did not take full opportunity of their trips forward and due to inaccuracy brought about by some hot defence they managed 1 goal 4 points. Big Dog came up against their taller ruckman but still managed to control the throw ups and boundary throw in's. As usual Chrisso was in and under, getting the ball out and at times sharking the opposition ruck tap outs.

Quarter time: 5/0 to 1/4

The second quarter we had plenty of play in the forward line but were unable to capitalise, it was noticeable that the opposition had a loose player run into our forward line when we had control of the ball on the half back line catching some of our boys by surprise. Our backline was under pressure for much of the quarter and the pressure the boys played with caused the opposition to kick badly kicking 7 behinds, this could have been a lot worse. In the quarter we were well served by Zach S, Kane D. Chrisso and Ben J. from a very even performance.

Half time: 5/0 to 4/11

In the third quarter we again had trouble putting a score on the board and our backline was again under pressure from their attacks. Players who stood up well during the quarter were Jesh M, Jake T and Zach McL. Templestowe, which was a taller side overall seemed to be getting on top of some of our boys and they played to their strengths kicking the ball to one on one contests where they had taller players.

Three Quarter time: 5/2 to 7/13.

In the last quarter the game seemed to go up a notch and there were some very heavy bumps and attacks on the ball after a couple of suspiciously head high tackles by them. Big Dog hit the pack hard (but fairly) right in front of the rucks then ran off following the ball, a couple of their bigger boys ran in to remonstrate and he brushed them aside like they were leaves in the wind. Don't you love boys going hard at the ball and playing the game hard and fair, that is

what our game is all about, building character.

Sadly we lost ZachS who went down on the wing he was taken off the ground and taken to hospital where he was treated for a 'greenstick' fracture of his left wrist. Templestowe continued to dominate and due to our backline pressure they were held to 2/4 while we score 1/2. Our better players for the quarter were Big Dog. Jake T and Chrisso.

Final Scores: 6/2 to 9/17

If would like to here make mention of the 'Water Carrier' or 'runner' how apt was it to see Dickson Plumbing Supply provide us with Dougal to ensure the water kept 'running' to the players all day.

Park Orchards Backs versus Kew Rovers

After the first four rounds in Brown Division we found ourselves regraded into Green Division. Playing another home game in the suburb of Bulleen we again missed the opportunity of topping up our 17 strong from other Park Orchards sides.

Our effort this week was fantastic. The intent and improvement across the ground significant in all areas of the game. Our talls all took strong overhead marks – strengthening up the spine and we ran with purpose and created space.

Tamar Keyes, the mother's day match day assistant coach inspired the Team with a pre-match chat that focused on doing the 1% and resisted the temptation to recite the John Kennedy - Don't think Do .

Our confidence took a great boost winning a number of centre clearances early, but unfortunately the only few lapses in concentration were when we got penalised with the goals that made the difference.

Our opponents were also stretched for numbers this week and we both matched up with 16 aside. We were then struck a blow losing our elite running and inform goal kicking player Dylan Keyes in the first quarter. Kew Rovers shortly afterwards lost another player through our hard attack on the ball and we were both down to 15 aside.

Overall, we had a great game and we worked very hard on the big ground with a lot of individual highlights thrown in.

Finally, a special thank you to Marisa Smeed for organizing the lovely Mother's Day gifts.

defeated Kew Rovers ????

Well it was great to see that the way that the boys have been training has paid off on the weekend with another W recorded against the name of the Mighty ORCH 18 Sharks in the ledger, and what a win it was, apart from the need to have some goal kicking practice this week, after starting the day with six straight behinds before bothering the goal umpire to extract the second flag to record a major.

The use of the ball as instructed was undertaken with surgeon like precision, and the Players were able to execute well as they were finding themselves having time to do so, via the game plan and structure that they have been working on.

It was great to see the run of Ed on one wing, and Buzza on the other one, when they got the ball on the spread, and were able to gain us metres on the playing field and dispose of the ball to a forward on the lead. The same to be said about Tobey, Brock and Henry across the backline, when run and carry, and spreading the ball out of the corridor was well utilised to the team advantage. Jordy also used the ball well in the forward line, and Brayden was a bull when put into the middle. Tom had it on a string and Owen was able to capitalise in the forward line with 10 shots on goal in his time on the field.

Finn was great all day with his ability to find himself open and he was rewarded with a high possession game and was there to back up his team mates when they were getting handled a bit too harshly after a contest. Sammy Linkin proved again to be an accumulator of the ball and with such smooth skills is always handy at his disposals, as was Jesse "MADDOG" Brown with his intuitive ball use.

THINGS THAT I LIKED:-

- Everything

AREAS TO IMPROVE ON:-

- Hunting of the footy
- Not getting complacent and/or lazy when the opposition are not challenging
- OUR position 1 set up from a point kick in needs to get set up better and quicker

Best afield for the day

Across the board the players followed team rules, and almost all played well, but special mentions to a few that had their best of the season so far and shone a bit of light on their potential to be challenged to produce that week in and week out, with Luke Cormack, Harry Cantwell, Ed and OGA having their best games since joining us at the Sharks this year.

Finn, Tobey and Ben all had what I would say was a ground breaking game, for their confidence and ball use.

Jordy, Buzza and Brayden, hats off to you lads for playing a sensational role and Foxy for kicking a bag, and Tom, and Henry for their versatility all over the ground.

But generally, I applaud you all for a sensational team effort when we were having to rotate so many on the bench, and still having the ability to utilise everyone in all positions on the ground for the betterment of the team.

Let's keep it going.

What a great weekend of football this week.

We came up against a fired up Ivanhoe who were undefeated. With the welcome return of Gus Brown from long term injury and the inclusion of Fraser Siesmaa, Benny Panza and Zac Romas, we were provided with a lot more run to the team this week. From the first quarter we probably played the better football, however the scoreboard did not reflect our performance. Our entry into our forward line was at times very disappointing as we could not hit a target in the forward line. As a team we need to lower our eyes and try to give our forwards better opportunities to take a mark. I must say losing Buckets Fowkes in an act of courage really hurt the team as key target on the forward line.

We were already two players down at quarter time as Jesse Bridger also got hurt in the first quarter. Again our endeavour and our passion for the contest was very good. Isaac Taylor and Bates worked tirelessly in the Ruck all day. Kye, Gus, Nick, Dorka, Panza, and Stevo were in thick of things - driving the ball forward. The backline was again, beautifully lead by Will Smead, Camo Hayes, Harvie and Purcell, who kept Ivanhoe to 11 scoring shoots.

Probably one of the highlights in the match was Jimmy Curnow O'Connor taking what could be Mark of Year in the last quarter. We had 18 scoring shots to 11 which indicates that we controlled most of the match. Some of our play throughout the day was beautiful to watch in the way we linked up with our teammates.

Overall, this was a very good performance with every player making a contributions to this critical win. I am confident to say that if we listen to the supercoach and assistant coaches' instructions and play with discipline we can play finals which would be a great achievement.

This week we play Banyule which I believe is a winnable game, but only if you boys come ready to play.

As the Supercoach keeps saying, it's important that you all show up to training this week.

The first round of games post the qualifying rounds and we get a chance to size up the competition for the year ahead. This week we travelled to Bundoora, a side that had started the year in Colts 2 but had come down to Colts 3 after 2 weeks. They had then fronted Ashburton and Fitzroy, being pantsed by the former and close losers in the second game.

Unfortunately I can't describe the feeling in the rooms before the game as I was transiting back to North Ringwood having left Bens game day bag behind when loading the car.

However on arrival at Tefler Reserve just as the game started it seemed the boys were up for the challenge in the first quarter as the home team took advantage of the ski run slope and the wind. The Bundoora ground has its own peculiarities of exactly how to play it in a strong wind and we struggled to untangle that problem. The score at quarter time was Bundoora a wasteful 2 Goals 5 behinds 17 to Park Orchards 0.

The second quarter saw us kicking with the wind and for the most part we set up our forward moves. Macca was marking everything and the boys worked hard to keep the forward line open. Perhaps we were a little myopic in our attack as Bundoora soon learned to drop a player in front of Macca to try to pick off the passes. This just means all the forwards need to work harder to be an option when we attack.

At half time we had almost squared the ledger with Park Orchards 3 Goals 2 behinds 20 to Bundoora 2 goals 9 Behinds 21. Macca had 2 Goals and Begs scored the other one.

After half time, Bundoora increased their intensity. They used their bigger bodies in the contest to their advantage, they hunted in packs and they intimidated our side. It shows that the Colts level of football will make demands of the players to stand strong and withstand that sort of pressure by digging deep. Your coaches are highly experienced in this and you need to talk to them about this. As a result Bundoora gained the ascendancy in each of the next 2 quarters and ran out winners 8 Goals 16 behinds 64 to 3 Goals 3 behinds 21. If they had kicked straight it would have been a disaster.

So what do we learn from the game? Certainly we need to hit the scoreboard more often. 3 goals will never win you a match. We need to convert inside 50's to scores. We need to get around each other more. We all need to lift our work rate instead of leaving it to others. The

1% plays count so much. A good shepherd, a smother or a great block give us possession of the ball and we then need to convert.

So this week it is Brunswick, a team we defeated recently but not in a strongly convincing fashion. If you remember, they had the wind in the last quarter but it dropped completely as the game started for the last 20 minutes. We need to get our mojo back.

Be at training. EVERYBODY BE AT TRAINING.

FRONTLINE can wait for you. Ask your coaches questions. Work hard on the track and let's have a strong win this week for our sponsors Spiterie Jaguar and RESI Ventures.

What a great turn out for Round 5 on Mother's Day and Sharks Pink ribbon day, between ladder leaders Sharks Red and St. Mary's. On a tiny ground that presented heavy under foot, we started the game undermanned, fielding one player short against a fully fielded St Mary's who also had a full interchange bench.

The 1st Quarter started as expected with both teams playing very tough footy. Chloe was on fire early and when Lauren kicked our 1st goal we were on our way. Chelsea started well in the centre and Jade was lively, leading really well from the forward line. Zoe in only her 5th game held her own and started really well. Chloe managed a ripping late goal with seconds to spare before the siren sounded. Q1 Sharks 2.1.13 to SM 3.3.21

The 2nd Quarter started with some great marking and ground work by Flynn, Chelsea and Zoe. Tilly marked the ball & received a free kick after a high tackle which led to a great goal. Great hands by Sophie to smother some important kicks whilst Tilly H pressured the packs and Jorja won some fantastic clearances. No. 10 from St Mary's proved a handful with exceptional play and very long kicks. The ½ time siren sounded which ended a great half of footy with not a lot separating the 2 teams. It was a physical half and whilst 3 of their goals were from our mistakes, we had to work harder to play in front. Q2 Sharks 3.4.22 to SM 6.6.42

At half time the coaches demanded the girls believe in themselves and to not doubt their abilities- which lifted the teams enthusiasm.

The 3rd quarter kicked off in the right fashion with great tackling from Jade and pass to Jasmine who marked and kicked a goal. Zoe just missed an opportunity for a goal and the tackling, ball movement and clearances from the team was outstanding. Clearances through the centre were better, resulting in a goal to the running Alannah. Great mark and run by Flynn created positive momentum for the team. Jasmine and Tilly laid some heavy tackles and Chloe and Lana provided some great run.

Our girls dug deep that quarter, with even contributions across the ground. Coaches noted the great attack and shepherding. Although St Mary's are up 56 to 35, the game was turning the Sharks way. Q3 Sharks 5.5.35 to SM 8.8.56

After 'words of encouragement' from Heath and Dave, the girls were fired up for the last quarter. Both Jorja and Jade ran and won some really tough possessions to keep the ball in our half. Chelsea was relentless in the back line with some incredible clearances and smothers. The whole team lifted and the continual attack from the entire team resulted in Sophie marking and kicking a goal.

Matilda was brilliant - frustrating and tagging out St Mary's best. St Mary's long kicks into their forward line were negated by our backline with great clearances by Nat, Jade and Jorja and Chelsea. An outstanding mark by Lauren and pass to Jasmine, with some sneaky footwork almost resulted in another goal, but was somehow touched. We managed to keep the ball in

Zoe's 2nd efforts in the ruck, Jade, Tilly H, Chelsea, Jorja and Hahni's groundwork and clearances were brilliant. Unfortunately, the siren ended an absolutely thrilling game. We clawed back the deficit from 22 points down to only lose by 8 points.

The coaches were super-proud of our efforts. The improvement in our skills, tenacity and teamwork are positive attributes we take into the next time we play St Mary's.

Wow, back to back versus Brunswick but this time on the Sharks' home ground – Stintons Reserve. We were looking to turn around a 5-point loss from last week.

Q1: The girls were keen to improve on last week's slow start, but Brunswick came out firing and we were on the back foot. Eve was awesome on the wing running at great speed. Abbey was laying strong tackles and Vic led the way by playing on from full back – we loved it. Taliah ran through the middle and bounced and kicked – sensational! But for all our effort we couldn't score. At Qtr time the coach felt it was a fantastic quarter without reward on the scoreboard. Sharks 0.0.0 to B 1.1.7

Q2: Taliah was a tackling machine and Amelia held some strong marks as the Sharks continued to put pressure on Brunswick. Finally, a fantastic goal from Ava Leonard (U13's) lifted our effort. Sophie Hurst played an amazing quarter winning possession everywhere, and Issy clearances in the Ruck were impressive but scoring was proving difficult. Abbey had a couple of kicks on goal which were top quality but just missed. Sharks 1.2.8 to B 2.1.13 at Half time.

Q3: Anna started with a great crash and tackle bouncing 3 opponents away. Taliah continued to dominate the stoppages with her strength. Charli's tackling was also very strong. Amelia Rees and Taliah were working well on the ball. Alicia was incredible on the wing holding a contest against 4 opponents! Ava kicked her 2nd goal and Abbey's hard work paid off as she kicked another. Eve continued to run and carry with great determination. Sharks had hit the front 3.3.21 to B 3.2.20

Q4: It was a nail biting finish as the ball spent 75% of the quarter in Brunswick forward line but our determination was unquestionable. Issy, Courtney and Sophie were fighting hard to win the ball and Taliah was determined not to let Brunswick score. Alicia continued to provide great run and Courtney stood up tall and helped defend and then ran forward to kick a very important goal. Vic ran and bounced again – we loved it as the Sharks hung on to win their first game this season by 3 points.

After succumbing to injuries in the 2nd half against Fitzroy back in round 2, we were really looking forward to playing them with a near full roster. Renee ran out for the first time with her new team mates after spending 4 weeks on the sidelines with a fractured finger, welcome to the Sharks Renee !

Quarter 1

It was clear from the first bounce that the girls were switched on and ready to go. Chloe R scored our first goal just minutes after the start from a play that included Issy, Renee and Alana. Tahlia added a goal shortly after following a great piece of team play involving Chloe R, Bri & Charlotte. We added another two goals for the quarter and could have been further in front if not for some inaccurate kicking. All of our girls played their roles to perfection and it was a really nice feeling going into quarter time with a well earned lead. Park Orchards 04.05.29 to Fitzroy 02.00.12

Quarter 2

Our tackling and pressure on the ball carrier was first class, every time Fitzroy took possession of the ball there was a Sharks player was right beside her. A real highlight for me was keeping Fitzroy scoreless for the quarter. Our half back line of Jazzie, Dakota and Alex were letting nothing past and they superbly supported by our full back line of Chloe L, Matisse and Chloe M. Our midfield was in control and our forward line looked very dangerous. Renee was winning plenty of possessions and will only get better as she rebuilds her fitness level. UNDER 17 GIRLS CONTINUED:

Quarter 3:

Fitzroy found their mojo in the third quarter and challenged us at different stages. Renee continued her fine game and added two goals to bring her match tally to three. Well done Renee ! Park Orchards 09.10.64 to Fitzroy 04.01.25

Quarter 4:

The girls were disappointed not to have increased their lead in the third quarter and were really keen to finish the game on a strong note. They responded beautifully and kicked 05.01 to Fitzroy's 01.05. Fitzroy had their opportunities but in the end the pressure applied by our girls and the poise we displayed when the ball was in our hands proved to be the difference.

A special mention to Phoebe on kicking her first goal. She actually kicked two goals in the last quarter but one was sensationally reversed by the umpire after it was deemed that she had kicked it off the ground. Well done Phoebe ! Park Orchards 14.11.95 to Fitzroy 05.06.36

Well done girls on recording our first win for the season and I feel very confident that this is the start of good things to come.
