

# THE SHARK ATTACK

Edition 6, 2018

Sunday 27 May, 2018

*Granger gathers cleanly.*

*Under 11 Girls enjoying the win*

*100 Games - Macca - Well Done*

**Round 6**

Our Sharks players turned up in mass to compete with effort and heart this week. Many battles were played out on the day with the round returning a mixed bag. Some great wins, close losses and a result for one team too large to worry about. As per the weekly draw, we can refocus and look to next week.

Unfortunately, one of our dearest and closest ended her battle last week. On Wednesday, Marita ‘Reats’ Hayse lost her battle with cancer. Loving wife to Paul (10 year Committee Member, life member, and previous Team Manager Coordinator) and mother to Kieran (136 games at the Sharks), daughter Molly and Cameron (150 games and current Red Colts Player). Our thoughts and prayers are extended to the family and in particular Wednesday’s ‘Celebration of Reat’s Life’

We hear many words spoken of someone at this time and none truer about Reats. She was a loving, loyal and caring sole. A lady of inspiration, who directed her children on the correct lessons of life. Always with a positive attitude and a focus to live life to its best, Reats has had a true impact on many lives. Rest peacefully.

**Mother’s Day Draw**

Thank you to everyone who contributed to our Breast Cancer drive. We raised \$761.85. WELL DONE!

Congratulations to the following mum’s who were the winners of our Warran Glen Garden Centre and Cafe vouchers:

**Sharkwiz – Trivia Night! Proudly sponsored by Pipe Hunter**

Sharkwiz 2018 under 2 weeks away 7.00pm at Domeney Reserve. Whilst this is our primary fundraising event for the year, the Sharkwiz is an informal evening whilst having bit of fun. We need each team to book at least one table of 10. Come on folks, only 60 tickets sold.

As we approach our 50th year celebrations in 2019 fundraising monies will be spent directly back on our club members. It would be great to make our 50th year one to remember.

The Sharkwiz organising committee are seeking auction items for the silent auction. A flyer explaining the request for any prizes/auction items that the Sharks Community are willing to donate is displayed on our webpage and team app.

**For ease of booking an online system has been adopted.**

Tickets can be purchased using the EVENTS button on team app. Click on SHARKS JFC Trivia Night. Full tables can be purchased at once or 1-2 tickets so long as you know the table name to specify

Our U8 red team competed in the YJFL Under 8 Carnival on Sunday and what a day it was. 4 mini games in one day was certainly a logistical nightmare for organisers but what a great job of pulling it off they did. Our 'red' team played Kew Rovers, Camberwell Sharks, Macleod and Kew Comets.

In all our games the boys played awesome team footy and moved the ball with good skills and energy with great pressure being applied in defence. The boys had a great day and filled there time between games with a sausage sizzle, nibbles and you wouldn't believe it... more footy!!!

It was a great day had all round and everyone left with a smile on their dial and looking forward to the upcoming weeks.

**Inhouse Game and Round Robin**

It has been a big weekend of footy for the Sharks U8 Black Team. The 'footy fest' started on Friday nights under lights at Domeny. The annual Mothers Day game on Friday night was a wash out the week before, so the Team came to play on Friday night to make their mum's proud of their skills and effort. With lots of silky skills on display the Team played well against the U8 Red Team with their Colt's buddies watching on the boys played well. At the end of the game the Colt's helped the Boys sing the song which was great.

Then on Sunday we were up bright and early for the Round Robin Tournament at Bulleen Park.

4 great games of footy were played by the U8 Black Team. I don't know what the kids ate for breaky but parents, can you feed them the same breaky every week? All 11 boys were ready to play and were switched on to play as a Team. The U8 Black Team has turned into a tackling Machine. All the boys across the team were laying great tackles, being careful to not sling their opponents, and were rewarded with lots of free kicks from the umpire.

There was a lot of bravery on the field with the Boys wearing their fair share of tackles, but they kept on going in after the ball to pass out to a team mate. Some special mentions this week:

Ethan Genever – Brave as always, at the bottom of the packs, was busy chasing opposition players. Took a few nice marks and finished off game 4 with his first goal for the Sharks, a nice rover's goal from deep in the forward line.

Marcus Di Battista – The running man. Marcus chased his opponents all day, laid a heap of tackles and got plenty of kicks. Marcus played his best game for the club in front of some special crowd member's cheering him on, and was rewarded with the McDonalds award.

Hugh Marsh – Keeps getting better every week. Competed well all day and used his skills to the advantage of his Team mates. Hugh took a brave mark deep in the forward line, running back into the pack. He kicked truly and his Team mates celebrated his special goal.

Harry McInerney – Played a great game, competed hard and wore a heap of tackles. His kicking was a feature today finding team mates with his passes and even nailed a few torpedo passes.

## UNDER 8 BLACK Squad Members

Jumper	Name	Jumper	Name
1	Ethan Genever	10	Luke O'Neil Parker
2	Archie Hattwich	12	Jackson Hartley
6	Harry McInerney	14	Marcus Di Battista
7	Lucas Zylan	18	Alex Giosserano
8	Finn Arbuthnot	19	Hugh Marsh
9	Kruze O'Neill	34	James Cahill

Alex 'Dusty' Giosserano – Alex played a great game and kicked a nice goal. His pressure around the packs was great, he made a few great tackles and played a great Team game. Alex likes to put out 'the don't argue', but this week he wore the tackles, got his arms up and did the team thing to handpass to a team mate who was open. Great stuff Alex.

Archie Hattwich – Played a great game. He used his speed to advantage in chasing opponents and made lots of second and third efforts, never giving up until he got the ball. His kicking has improved out of sight.

James Cahill – played a great game. James has been working on his marking and took a few good marks. He also put his head over the ball a few times and was unlucky to not get a free kick for in the back, but he got up and kept on competing. He manned up well whilst playing in the backline, well done James.

Finn Arbuthnot – Finn keeps getting better each week. He loves to chase down the opposition laying great tackles. When playing in the midfield, he uses his long kicks to advantage, and whilst playing in defence, runs to create an option for his Team mates.

Lucas Zylan – Lucas is a great competitor, never gives up. He tackles well and kicks long to his team mates. He's turning into a general in our defence. He cleverly played on from a kick out which totally confused the opposition – good thinking Lucas.

Luke O'Neil-Parker – Played well. He ran hard out of defence and made a few nice long passes into the midfield. Luke used his height to advantage winning lots of tap outs to his team mates from ruck contests.

Jackson Hartley – Competed well all day. Jackson uses his height to advantage taking lots of big marks. His long kicks are a feature of his game. Jackson is also a great sports person, he's the only kid I've seen say 'well done' to his opponent when he kicks a goal on him whilst playing in defence.

**Many Thanks to the parents for helping at the Games, especially the Genever and Hattwich families for keeping us fed and sheltered and Carrie Arbuthnot for enthusiastically goal umpiring the last game, in the rain. Carrie has a unique technique for flag waving, combining disco moves with some Zumba thrown in for good measure.**

After the previous weeks disappointment due to the weather the boys and girls had to wait another week to play under lights, but they got chance to play and say thanks to all the wonderful mums and special ladies in all our lives.

Ollie Lanza was this week captain and put in another super performance showing his aerial skills. Ollie also received an award for his great team play during the game

The game was played in great spirit with both teams trying their hardest and wanting to impress the mums cheering on the sidelines.

The boys keep on improving each week and at times play a style of football far beyond their years, their desire to chase hard and keep their opponents under pressure is first rate, they work for each other and look to share the ball with each other whenever they can.

Well most of the time unless an easy goal is there for the taking.

The most satisfying thing is to see when they do kick goal the boys try and make sure someone else gets a chance to kick a goal next time.

Each week we try and reinforce the basic principals of football and playing as a team, giving individual challenges to the boys each quarter or one thing to concentrate on during the game or over a few weeks.

It is really pleasing to see they boys now start to take some things on themselves during the game. They way the boys set up during a ball up has been worked on for most of last season and now this year after the first few rounds the boys generally work it out themselves, showing great leadership and communication.

With the positives we can always look at getting better or try something we haven't tried before such as kicking on our opposite side or remembering that status are what we look at around the MCG but players move and run just as those on the inside of the MCG.

Remember boy's players play and status watch and we want to be players.

All the boys put in a great game, they respected our club mates on the black team and enjoyed playing in front of their buddies.

A big thanks to the Colts for coming down to support the boys and getting around them after the game to sing the song.

You are a great bunch of boys and we thank you guys for your support and also for cooking a great snag.

Thanks to the Mums who came out in the cold to help support the night and to our special

As they say what a big week in football

After Friday night footy and the quick turn around for Sundays game I turned to coaching mentor the great David Parkin for guidance. He suggested ice baths and rest, unfortunately I could only manage Pimms and the Royal wedding. Anyway, we got through it and prepared for a tough game ahead taking on the impressive Beverly Hills.

I turned to the dogged Ben Hales this week to lead us out into the cauldron of Doncaster Reserve and in true gladiatorial style was up for the battle that came the Sharks way.

The boys had a real challenge on their hands after some one-sided games and had to dig in and apply themselves whole heartedly. The first quarter we held the ball up forward for the long periods early, but Beverley Hills didn't give the boys any room to work. It wasn't until a string of handballs between Pat, Will and Angus that the boys scored the first goal. BH kept up the pressure and fought there way into the game and kicked 3 goals late in the quarter.

After a quick chat about our effort and attitude and only concentrating on what we can control being tight on our opponent in defence and standing between them and the ball. The boys once again got stuck in and tried their hardest to make sure they where first to the footy, Xavier copped a couple high tackles that unfortunately for BH fired him up to start to take control of the midfield. We started to get on top but just couldn't get it on the board, again

BH managed to catch us on the rebound and get a couple goals. Birthday boy Liam went in hard all day and copped a high one but he recovered and finished the game strong and full of running.

After half time the game went up a notch with both teams really putting it on the line, our back line worked hard to deny BH, we started to link up and move the ball from defence. Thomas presented well on a nice lead for Ben H to pass to taking and reliving mark across the midfield and moving it quickly forward to give Ben N a chance to mark and kick a long goal. Kai worked manfully up forward and tough it out when out numbered to ensure BH couldn't take the ball away.

Darcy laid a bone crunching tackle that saw him get winded but managed to get back up and support his teammates.

Elliot got in and started to create play and Angus started to run the ball out of the middle. We Started to get our game going bit by bit and slowly get on top by sheer determination and persistence. Wills clever play and nous helped the boys take control and after the back lines early work the boys wore BH down where James could start to use his pace and skill to set up and deliver to the tall timber. After Ben lead to the pocket and long kick to the square Kai took a great pack mark directly in front and kicked a well-deserved goal.

Pat was super in defence as well during the third not only laying tackles but linking up with quick hands under pressure with Ben H who was having a great game.

We started to look like we may be getting on top and at ¾ time we had a couple of our longer kicks in the midfield, we set up Henry in the goal square to lead out and present one out, with the half forward line working to the front ready to rove the ball, we it worked a treat we started to gain the ascendancy in the middle and as Henry was doing a super job presenting time and again the fleet footed forward line started to play havoc and run rings around BH. The back line still had plenty of work to do, Ryan who is turning into a real consistent player earned himself a free by being first in, moved the ball quickly with a fantastic kick to Ben N in the middle who kick long for Xavier to take a nice mark and go back and kick a goal. End to end movement without the ball hitting the ground with 3 awesome drop punts hitting each other face out.

James again played in front all day, listen well and goes and does with little fuss, Ryan was in under along with Pat and Will showing class. Thomas in the midfield having an impact on the contest. Angus and Ben doing what they do best and work hard to create. Ben and Ollie along with Henry presenting as marking options, Darcy with his pace, reading of the play and pinpoint ball use. Xavier also strong over head and fleet of foot, Liam ability to emerge from the congestion time and again, Elliot getting in and around the contest making the most of his opportunity, Kai and his physical work and determination. All leads to every boy contributing to the team not relying on just a couple but everyone as part of a team, makes coaching and watching them so much Fun.

**Awards: Kai Watchter, Ben Nicholls**

**Opposition Award: Ben Nicholls**

On a personal note both Neil Nicholls (our trusty Team Mgr) and myself would like to congratulate all the Melbourne Supporters on their HUGE win over the Blues on Sunday.

**Sharks 2. 6. 18 drew**  
**Camberwell 2. 6. 18**

Some would say this weeks game was shaped on Friday night as the boys trained really hard and brought it to the contest on Sunday.

Our parents were also happy with our first sleep in as the game was scheduled at Cambwewell's home ground at 11.30am.

With a couple of late pull outs in Sam Mcleod and Harry Strik the boys new they would have a tough game on their hands. Captains Gabe and Oscar as well as Tom B, Tom E, Lachy and Kai were asked to play 4 quarters and all of them responded with great games.

The day itself started with our Captains reading out the team rules as well as our game plan. This was followed up with a spirited team handshake which would see the boys ready to take the game on from the first bounce.

With the loss of the toss the boys were faced having to kick up a hill toward the western side of the ground. Camberwell took advantage of their home ground knowledge and entered our backline on 6 occasions.

Backline Tom E, Tom B, Gabe, Will F and Nate all contributed with fantastic first quarters. This was also topped off with an outstanding effort by Rossy at Full Back who dominated his full forward similar to an effort of Michael Hurley at his best. All of this would see Camberwell only score 1 point after all of those entries. Hats off also to the midfield in Noodles, Riley (and his great mark) Beau and wingers Kai and Presty for their efforts. Other highlights included Josh Bettiol's effort in the ruck where he pushed off his opponent and won plenty of the ruck battles.

The second quarter would see the Sharks have their turn kicking down hill and place Camberwell under pressure. Shark midfielders Nate, Zane, Kai and Alby with Tom E and Dan on the wings took control and sent the ball forward on 7 occasions but unfortunately we could only manage 2 points. The defence led by Zac Antonellos had a great quarter. With Zac breaking the packs with his lightning speed and Will T and Harvey contesting everything on their flanks the boys managed to keep Camberwell to only 2 points also. Other highlights included Presty's work out of the pocket and with Lachy and Gabe on the last line of defence we managed to keep them goal less for the first half.

A big drink of water and oranges had the boys replenish their energy levels. You could hear the belief growing as they knew we were only one point down. The coaching panel asked for a big quarter. We knew if we could keep them to one or two goals and that if we snagged one ourselves up hill that we would be a huge chance to win the game in the last quarter.

The bounce for the premiership quarter took place and the boys all fought hard right from the outset. Will F and Tom B had great quarters in the mid field with both of them getting plenty of the ball. Dan Nielsen had a great quarter running hard for the full 15 minutes and kicking those

beautiful drop punts that Tommy Mitchell at Hawthorn would be proud of. Other highlights included Beau's contesting of the ball including his couple of handballs in tight traffic. Noodles kept contesting hard beating 2 or 3 players by himself and his marking has improved out of sight. Watch out Patrick Dangerfield Noodles wants your position at Geelong. Lachy Motteram also had a fantastic quarter in the forward line locking in the ball on 3 occasions and one of them saw him manage to get it to Will T who tucked the ball under his arm and ran at the goals like Dusty Martin but was unlucky to have his kick stopped on the line. His and Lachies efforts didn't go to waste as a panic kick by Camberwell would see Young gun Zac Anto get on the end of it and with his fast running, bouncing and beautiful drop punt on the run would see us get that critical goal up hill. One of the parents commented watching Zac on the run reminded them of Adam Treloar of The mighty magpies.

To top this all off, the backline also stuck together. Rossy once again took control and ran the ball out of the back half. Tom E and Alby were also in everything and their efforts at the ball made us all proud. A special mention also goes to little Riley who had a cracking game especially in the 3rd quarter where he saved endless goals. All of this after having been almost concussed in the first quarter. Well done Riley you kept us in reach.

The siren sounded and the boys came in only 9 points down. You could sense something special was about to happen.

Jake Leonard read out the team and coaches Arthur and Steve asked the boys for one more effort. Could this be our first win for the season???

The last quarter was like a battle field. Our midfield Zac, Josh P and Logan took total control. They were led beautifully by our General Nate Farrell who had a Goldstein like quarter in the ruck. Other highlights included Isaac DiDonato who fought hard every time the ball cane down his way. Well done Isaac another great game. Captain Oscar Hulbert also had his best game with his handball in tight a ripper to save a forward thrust from the other team. At one stage he took a massive hit to the face but like Joel Selwood he was back on the ground after spending some time with the trainer.

A big call out to Noodles who stayed around the centre and centre half back and single handedly kept retaliating all of Camberwells attempts to go forward.

The highlights in the last quarter kept coming, Joshy Prest's Jack Viney like tackle stopped another forward entry and Rossy got up like Joe Daniher and took the mark of the seasons so far. The Sharks coaching panel and parents couldn't believe what they were seeing. Then came the big moment for the quarter one of our smallest but arguably toughest player Alby got in and under the pack and kicked a goal. Only a few points down and 3 minutes to go the boys could smell a win. The mid field kept winning the ball and managed a record 8 entries for the quarter. Felix Hatwich who was in everything today and had a fantastic last quarter managed to kick a goal however it was ruled as being off the ground and the score was reversed.

Booming kick Josh B chimed in with a 40 metre drop punt for a point and then Zac Anto ran in and just missed to tie the scores.

A few more late entries but the boys were beaten by the buzzer.

### What a game!!!

Well done boys we had a real crack and almost managed a big come from behind win.

Keep practicing on Friday nights boys and that illusive first win will come sooner rather than later.

Final score: Sharks 2. 6. 18 drew Camberwell 2. 6. 18

**Sharks 3.6. 24 Def by**  
**Fitzroy 6.2. 38**

Despite the cool and wet morning experienced closer to home, we travelled nearer to the city for our clash with Fitzroy 2 and found much dryer and milder conditions for the early match.

**First Quarter**

The Sharks boys were quiet out of the blocks, and soon found themselves behind on the scoreboard as Fitzroy set up well from their half back line and were able to string together clean passages of play that resulted in scores. Despite some fine intercept marking by a number of Sharks, it was Fitzroy who went into the first break with their tails up.

Sharks 0.0. 0 Fitzroy 2.1. 13

**Second Quarter**

After a few positional moves by the Coach, the second quarter started much brighter for the Sharks and we managed to win our fair share of the footy through the midfield. After scoring a major from one of our first clean entries into the forward line, Fitzroy took control of the second half of the quarter. Straight kicking saw them sneak away on the scoreboard to set up a handy half time lead.

Sharks 1.1. 7 Fitzroy 5.1. 31

**Third Quarter**

Quiet and frustrated, the boys headed to the rooms where Coach Daniel cheered them up and challenged them to start again by winning the third quarter. After our customary warm up, the Sharks quickly found their groove and played much of the quarter in our forward half - denying Fitzroy just one point for the quarter. If not for inaccurate kicking the Sharks would have headed into the last quarter much closer on the scoreboard.

Sharks 2.4. 16 Fitzroy 5.2. 32

**Final Quarter**

Called on by the Coach to win the quarter again, the Sharks boys gave up an early goal but to their credit answered quickly. Refusing to let the game slip any further, the Sharks boys fought and competed hard and were unlucky not to kick a couple of late goals to close the margin at the final siren.

Sharks 3.6. 24 Fitzroy 6.2. 38

In the end, it was Fitzroy's excellent first half that won them the game but the Sharks boys should be proud that they outscored the opposition in the second half. We look forward to hosting Camberwell 2 at home next week.

**St. Marys 6.3.39**

We travelled out to Greensborough for a keenly anticipated match against a good side in St. Mary's. We had the advantage in the first quarter, kicking downhill, and got off to a good start kicking the first three goals. We moved the ball quickly and our forward line was not too crowded. James fought hard in the goal square to kick our third and we were feeling good. But St. Marys were not to be denied, and kicked two late goals that put us on the back foot.

The second quarter belonged to the opposition. They were harder around the contest, bullied our boys out of it at times and took their chances, which we failed to do, and so at half time we were two goals down. A few stern words at half time was hopefully the catalyst for a better third quarter.

The third quarter was all the Sharks. Lukas HB was fantastic in the forward line, providing a big target and kicking two good goals. Lucas N was moved to the ruck and dominated centre clearances and gave us lots of drive, kicking two goals himself for the day. Our pressure in the backline improved; Jacob B, Max B, Lachlan D, Lachlan A all doing more pressure acts and cutting the oppositions time and space. Archie was the general of the backline, taking several intercept marks and sending us forward. Henry used his great skills to spot up several leading forwards. Felix hunted the ball in the forward line and kicked three great opportunistic goals for the day. We went in at the final break with a good lead, but the game was not won.

We asked for a gutsy last quarter to stop the opposition and boy did we get it. Byron showed us that he can be creative in the forward, just missing what would have been a great goal. Jack and Owen did lots of gut running and provided plenty of link up to really drive us forward. Riley stepped up again with some great smothers, goal saving tackles and clever play to drive us to a victory. Mason was again fantastic, playing four quarters of body on the line football. All up it was a gutsy win considering how we were challenged. No doubt we will see this team again in September.

After a lot of controversy before the game as Camberwell went from having 16 players to 14 players 10 minutes before the game left us with 6 kids sitting on the bench and threw all our planning out the window.

With only 14 only the ground for U11 Stinton's is a very big ground...

Byron started in the ruck and tried very hard against a much taller opposition, while Ozzie, Elliot & Sean found their opponents to be very quick and well skilled. Our boys will have to be at the top of their game to be competitive.

Our backline was under attack as Hamish continued his great form from last week, Broc was excellent in every contest as Ozzie and Corey attached the ball and ran with confidence.

Positive Note to remember: boys when playing up forward or anywhere for that matter always keep moving, walk around, make your opponent think about what you are doing instead of watching the ball.

With some good pressure we nearly ended up with a goal but just missed out.

Come on boys big second quarter.

**¼ time – PO 0.1.1 trail Cam 4.5.29**

Both Toms were working very hard in their positions and Broc continued be involved in every contest. Archie was crashing a few packs. Bosco and Jedd put themselves in good positions when we had a chance to go forward. James as captain was trying with his excellent evasive skills. Camberwell were really starting to find their straps with some excellent handball that created space for their team mates.

Positive Note to remember: if you are finding it hard to get into the game try doing the little things like constructive talk to your team mate, pat a mate on the back, put on a tackle or simply try and be at the bottom of the next pack.

**½ time – PO 0.2.2 trail Cam 8.10.58**

At half time the coaches insisted on getting more players on the ground, so Sean and Jacob went to play for the opposition (well done boys). Tom Mac started find a bit of space with some great run and attack, James and Sam both attacked the ball well helping to clear our defence. Archie's attack off half back and tackling pressure was excellent. Byron was asked to run until out of breath, which he did very well with chase and pressure, this gave Hamish a chance to get back into the action and continue his good form. Broc went from strength to strength as his 2nd and 3rd efforts were outstanding.

A much better quarter of football boys as you were more committed to chasing, tackling and being involved in the game.

I think after 3 very tough quarters of football its hard to finish off the game. Tom S, Sam and Archie continued to be excellent in defence, Broc who was outstanding all day continued to tackle, chase and apply pressure. Your commitment today Broc was exceptional, very close to your best game of footy. Cruz and Fletch showed great sportsmanship playing for the other team.

Remember our 3 key words from last year

Respect – for yourself, your team mates, your club and the opposition

Effort – never give up, especially when it gets hard

Fun – you're here because you want to be so let's enjoy the journey.

Always going to be up against it today playing Richmond again (twice in 6 Rounds). Captain Max fired the boys up with some motivating words on his 50th Game (loved the..if it bleeds you can kill it call Maxy) and the boys burst through the banner looking forward to the contest.

There was some good footy played and it was a very close fought contest in the 1st quarter. Some great work by 1st Gamer Allen Guo who was competing hard and showing some of his team mates the way.

We went in at 1/4 time a few points down; but the boys were really acquitting themselves well.

Unfortunately we slowed a bit in the 2nd quarter and Richmond kicked a few goals to go in at 1/2 time leading by 3 goals. Our backline was holding solid our midfield just kept driving the ball forward but we couldn't convert when we went forward.

At 1/2 time we asked the boys to work hard, win each contest attack the ball and things would start to go our way. And they responded. Cooper Smith was playing well and presenting across half forward. And after some great work by Allen Guo with a couple of great marks and kicks - Cooper was able to kick our 1st major. All of sudden you could feel a bit of pressure back on Richmond. Tackles by Cooper and Allen were sensational and you could see these things lifting the team.

There were 2 great individual efforts in the quarter; 1 by Lachlan Quinn who chased his own kick out of the back pocket up to the wing (love to know where his help was) where he harassed and tackled the opposition and then with some help from Andrew Holt-Oakes (now 2 on 5) was able to tie the ball up - exceptional hard running and then Will Tait's tackle on the biggest kid on the field to dispossess him and win a holding the ball was also brilliant.

As usual Josh Smillie an Oli Nitz did an absolute power of work and just kept marking everything that came there way and were always looking for team mates whether by foot or hand. Josh Galstians tried his but off and Daniel Albers was his usual dependable self playing across half back, Captain Max played another good game and Gable Stumpf was trying to ignite his team with his run.

Unfortunately we ran out of puff and were run over in the last quarter with Richmond kicking 3 goals. A solid effort against a very good side who all work for each other. We did improve on our efforts against them from a month ago; but we need to keep working harder. We know that in order for us to play well we ALL must contribute and not leave it to same players each week.

It's been a long time since we have had two win's in a row. Great effort by the boys and no doubt another confidence booster.

Although it's always great having a win, the score board tells a very clear picture. We really had trouble converting on what was a pretty dominant performance. I put this down to a few of things: One, I thought Richmond did a good job keeping the pressure on us in the backline. Two, the forward line was way too congested and three, we just blazed away at goal and took some pretty ordinary shots. All good things to practice and work on at training this week.

The highlights of the game for me this week was seeing a continued improvement and lift in intensity across all the boys. I loved seeing Bailey tackling with intensity, I though Spida presented really well and took some great marks across the ground, I loved the effort from Layne who always give 100% and I thought Lachlan had another great game and is such a smart user of the ball. I also thought Ben continued to dominate the ruck and a took some fantastic big man marks across the ground as did Adamo who is an absolute brut when he has the ball in his hands. There were some great passages of play across the oval and the boys should be really proud of their efforts.

The last few weeks we have been making a large number of rotations across the ground which has allowed the boys to all play in different roles. To address the flooding issues we had this weekend we are going to announce a team at training and teach the boys about playing their role and where they can and can't go on the ground. The aim will be for the boys to play 2-3 quarters in a set position and to learn some set plays to help open up the ground.

I suspect the next two games against Brunswick and Whitehorse will be tougher and give us an indication as to how we are really travelling.

On a drizzly morning we put the black shorts on to take on a traditionally strong junior footy club in Beverly Hills, the original home of Paul Roos as a whippersnapper.

After a third of the season behind us, we look like settling down with our spine. Coop came into the game under an injury cloud and a few others had suspect ankles to boot....I was not confident we would finish the game with 18 fit men on the park. This unfortunately has a little to do with the world we live in and how some of our cherubs are bought along with minds as hard as half-set jelly but I digress.

Sammy Stephens ran through the banner for his 50th game and duly won the toss and without consultation from the coaching staff decided to kick whichever way he wanted to! Didn't really matter.

Big Polly started back again and started well. Smithy was getting dragged back to the goal square by a small sawnoff not really interested in getting a kick, the engine room started with

aplomb with Sonders leading the way again for another week. Pazz, Reesy and Ace were all pretty busy around the pill as we put our game together. Coop and Davey B applied some scoreboard pressure before we moved Coop into the ruck giving Ace a spell. We held them scoreless to the first break.

The second quarter was similar, we kicked one goal, two points with Killa scoring again. Our game was a little fragmented however as the boys were not running from behind to support each other and the opposition did a pretty good job at bottling the game up that suited them more than us.

Half time 3.2 to no score.

Foxy was going half rat power off the back of the square, Kingy was looking dangerous forward and Mork was really the only shining light from a running perspective down back. Jamo still looked a bit proppy and needs to get a footy into his hands more often maybe. The General continued his renewed enthusiasm for the game and tackled like his life depended on it. Oakesy was helping out solidly down back and Humey tried a 'Dusty' that worked OK.

We were still missing Demps and Sammy H had a dodgy vindaloo and couldn't make it to the ground.

We kicked another two goals via Killa the goalsneak and big Coop chiming in again during the premiership quarter. Beverly Hills were looking a lot more cohesive however and in this game that is so built on momentum we didn't feel comfortable at all leading with a 4 goals going into the last quarter. Their ruckman was marking everything and indeed if the big guy converted in front of goal, we would have been in more trouble.

We held sway, just barely....they had 4 scoring shots to zero in the last quarter as we ran out of steam. Perhaps time for a change up at training soon.

**Well done to all again – another good contribution from all of the boys.**

Round 6 saw our first game at the Shark Tank playing against Camberwell. Still with only 17 available, thanks to Max Dominko & Tom Worthington from U12 for playing back-to-back games to help fill our numbers.

A difficult first quarter with Camberwell running & spreading from the contest well. They piled on 4 goals by quarter time. Charlie continues to thrive in the ruck & Harry gives us class & poise in the midfield. Solomon showed individual flair in the back half attacking the ball well as did Oscar repelling a few attacks. Our captain Boston was presenting well & took a few telling marks but we couldn't capitalise. Tom took a good mark & used his skill well.

Second quarter saw us more competitive but there was too much for our backline to do. A few ball got over the back & they ran into easy goals. Our forays forward were more difficult but Ben W was presenting at full forward & Lucas was going well on his wing. Remi was giving his all at half back. Max showed his competitive nature on more than 1 occasion. Rhys was working hard in the midfield & Dan S was breaking tackles & getting the ball forward. Unfortunately just before halftime, as brave-as-they-come Jacob was on the end of some friendly fire & coped a heavy hit in a marking contest. He was able to get off the ground but his day was done & we wish him a speedy recovery from the knock.

We went to halftime a bit flat but we shuffled some players around & asked the boys for a competitive push for the second half. They didn't disappoint. Matt moved into the midfield & had his best game for the year. Using his run & carry & great kicking skills. Mitch was a tackling machine & began to get rewarded for his efforts. Bo & Brodie began to exert pressure up forward & James was burrowing in. Happy to see Dan W also starting show some good signs with his marking, kicking & general play. Also pleasing was the marking of Solomon which then followed a pon-point pass to Harry to give us our goal for the quarter. Good play boys.

For the final quarter, we wanted to remain competitive. All the boys tried their hearts out & while we were out-classed we did not drop our heads.

Best players were Charlie in the ruck, Harry, Solomon, Rhys & Matt W in the midfield, Lucas on his wing & Dan W patrolling the back line. Mitch was a tackling machine & Remi continues to grow.

As coaches we desperately want the boys to have a win & sing the song. If we bring our best intensity we will get that sooner rather than later. We have shown that we can match it for patches but we need to translate that to a full game.

Next week we should get at least Yared back, possibly Ben S but Blake remains a few more weeks away That will help enormously.

Keep digging deep boys, continue to train hard & the reward will come.

This week the boys were home at Domeney, the weather was threatening with rain but luckily they played the greater majority of the game on a dry surface. Our boys ball skills were good and as the year goes on one can definately see an improvement in their use of the ball both by foot and hand and their general talk around the ground and backing up.

The first quarter was fairly even with Kew getting a bit of a jump on us even though we had superiority at ball ups and throw ins. Once again Big Dog controlled this area of the game and was very well supported at ball ups by Chrisso who again was superb in and under and moving the ball on. Another player who got plenty of ball and was involved was Ryan D. Kew outscored the boys in the first quarter but there did not seem to be any need for panic as I believe, even though they did, we had man on man winners in many positions around the ground our our boys were all going in hard with shepherds and attacking the ball.

One of their goals came from 2 penalties for back chat with the umpire, it is very early in your footy life boys, I have played watched and administered footy for over 60 years and I am yet to see an umpire change his mind.

**Better players for the quarter were: Big Dog, Chrisso, Ryan D & Noah T.**

**First Quarter: Sharks 2/1 to Kew Comets 3/2**

In the second quarter the boys gained the ascendancy and our use of the ball into the forward line and kicking for goal was spot on kicking 5/1 for the quarter. Our backline seemed to get right on top and Kew were having trouble hitting targets from the centre due to our pressure on the ball and the way our backline manned up hard on their respective forwards. It was hard to single out one or two defender because right across the half back and full back lines every one of our boys put hard pressure on when the opportunity arose. Our forwards were always on the move and were giving targets further up the ground.

We were again well served by the Big Dog and when he rested for a time in the quarter James M rucked and did a good job dishing the ball out of packs with good handballs and making his presence felt. His ruckwork is improving every game and no doubt the coaches will be getting him to us his height and jump up and into the player at ball ups.

**Better players for the quarter were Zac McL, Alex M, Big Dog, James M from a very even performance.**

**Second quarter: Sharks 7/2 to Kew Comets 3/5**

In the third the boys continued their ground dominance and even though Kew went into their forward line on many occasions our defenders were again up to the task and by playing hard at the ball and the player with the ball a la Brodie R we continued to thwart their scoring opportunities many times. Other good players in defence were Ryan D who dropped into the area at times and made his presence felt being very hard at the ball Josh M and Jesh M two defenders who are now continually making the opposition earn their kicks by being very hard at it.

The boys virtually iced the game this quarter kicking 3/5 which although seeming wasteful was not as some of the quarter Kew were dropping an extra back.

**Better players for the quarter: Chrisso, Ashton W, Big Dog, Jesh M. Ryan D,**

**Third quarter: Sharks 10/7 to Kew Comets 4/5**

In the last we only scored 2 behinds, Kew seemed to have more around the ball at times and I think there was a little bit of an element of 'we have done enough to win' in our thinking. We continued to put plenty of pressure on their forwards and even though they kicked 3 goals for the quarter the entire backline can hold their heads up high. Our boys continued to hit the packs and opposition players with the ball hard and fair.

**Better players for the quarter: Chrisso, Jake T, Ben J, Big Dog.**

A must win game playing against the arch enemy Warrandyte, but unfortunately even my tactic of taking the opposition coach out the night before for a frothy or two failed me.

Again our numbers were impacted with injuries to Dylan Keyes (knee 4 to 5wk) and late omission Angelo Dimauro (cold 1 wk).

Fortunately a ring around late Saturday afternoon found us with the services of Will Sonderhof, Oscar Pollack and Lachie D'Conza – greatly appreciated.

The game was well fought and at half time our defensive play was strong. Again a few lapses in concentration let the opposition get easy goals whilst at the other end we tried to create opportunities.

On the Wednesday night at training we practised being - front and square when roving / crumbing the ball and picking it up by running through the ball using one's momentum to advantage. Our players worked on these simple tasks but a number of other basic ball handling skill errors proved costly. We dropped a number of marks that we should have taken.

The on ballers worked hard but at times we appeared flat footed, something we will need to work on. Our tackling in the second and third quarters was very good but went unrewarded, which was disheartening for the boys' great effort.

Like the previous week we definitely could match it with the opposition, but this has not been reflected on the scoreboard.

So we look forward to another game this week and hope to create a few more goal kickers.

This week we came up against Banyule with another of our great club stalwarts Camo Hayes playing his 150th. You are an absolute champion the way you have put the team and club first in the way you conduct yourself on and off the field. You're a credit to your family. I know it's been a bloody tough week for you and your family but the way you conducted yourself and performed on your on 150th was a credit to you. Well done champ.

This game was a must win against Banyule to have any chance of playing finals football, but unfortunately we didn't come away with the win. I know that we were missing some key personal but we must learn to grind our way through this and play competitive team orientated football.

This week we play Surry Hills and the expectation is that we come with an attitude to play hard but fair football.

As the Supercoach keeps saying, it's important that you all show up to training this week

**Glen Iris A 3.2.20**

Conditions for our round 6 clash with Glen Iris A were good and the ground looked fantastic for an exciting clash that lay ahead of us. Both teams fielded good numbers and the opposition were focused on stopping our winning streak.

One of our captains for the week Scarlett McInerney gave the girls a rev up before the game, we welcomed Georgia Taylor into the team for her first game and we also welcomed back Allie King from holidays. Charlise Doolan was unavailable.

It was tough going early as both teams fought hard to get in front but with the heavy lifting done in the centre square by Sienna Pollock, Scarlett McInerney and Indi Tovey we were able to work the ball forward several times before eventually scoring. Sienna and Tegan Rule kicking two goals each over the course of the day were again very important for us with Tegan going on to win the 'Drink'. Her 35+ metre kicks gave us plenty of scoring opportunities and got the ball out of the scoring zone for Glen Iris. Scarlett again proved crucial to the win with her captaincy skills, ability to win the hard ball and important tackles.

Our forwards worked well all day trying to make space and present options for the midfield to kick to. Shania D'souza kicked a very crafty goal in heavy traffic which was very pleasing to see. She was well supported by the likes of Zara Dove (who found a cheeky bounce or two), Ruby Caldwell Willow Harvey and Georgia Taylor who were all very busy trapping the ball in our forward line, setting up goals, making sure their opponents didn't run off with the ball and using their voices to encourage each other. Well done to all.

One of the plays of the day was when Sienna chased her opponent on the wing in front of the opposition coaching team, drew close to her then executed a perfect tackle winning a free kick. Exactly the sort of effort that wins matches.

Grace Bettiol was terrific all day, roaming all over the ground. Her work rate was first class as are her long kicks and strong marks – congratulations on winning the Opposition Medal Grace!

Ellie Bryant, Zahra Nyariri, Mia Bosna, Grace Dawson, Charlotte Peterson, Jaide Scott and Mia Spencer Jones all teamed well out of the back line. Ellie spoke well to the team at half time making sure we all stayed switched on for a big last half. Zahra again tackled well, Mia had plenty of touches again, Grace is never out of the game, Jaide continued to work hard using her running skills and Mia SJ continues to crash packs and tackle with ferocity.

Ella Saunders, Bonnie Spencer Jones, Elena Pelosi, Emily Caldwell, Macy Vendel and Allie King were just as important. Ella was blocking the space on the back line repelling any forward entries, Bonnie was using her height to the teams advantage bringing the ball to ground for the rovers, Elena & Willow rucked and set up a number of plays, Emily & Macy have a great ability to apply pressure with tackling and chasing and Allie fresh back from a spell imposed herself on the game and was always in the thick of the action. Allie even copped a heavy knock, eventually shrugged it off and got on with the game – well done.

We are now starting to see another group of players starting to make a real impact on the game, not just the older girls, which is a real positive. We are five games in now and with that little bit of experience under the belt the signs look good for the rest of the season. We need to remember a few things;

- We need to be first to the ball
- Get in and help your team mates, there should never be one player fighting for the ball – hunt in numbers
- Kick long and direct
- Get in space
- Use our voices and encourage each other

If we continue working hard at these points, we will reap the rewards. So again thanks for your enthusiasm, commitment and you efforts to date. It is great to see the friendships forming and the belief growing.

Looking forward to next week's clash with Kew who sit top of the ladder undefeated, what a great challenge!

Training Tuesday @ 5pm – see you then.

### Sharks win 4 in a row !

Round 6 was our 5th game as a team and entering into the game lucky to have 16 with Charlotte Greene pushing through an ankle injury after spraining it last week was a big effort thanks Charlotte!

We were concerned with scoring power of Banyule having scored 14.11 last game and no bench meant we needed to ask a lot from our on ballers and got given more than any coach could ask for in return!

#### 1st quarter

The tone was set from the start with our dominance in the ruck with Mia Servinis giving Amy Smith and Lacey Rule first use of the footy and getting forward for Mary Young to have her first set shot after a nice mark and going back and slotting it with poise !

Banyule to there credit were able to bottle up the game and we led by that goal at the break.

#### 2nd quarter

Molly Nash went into the ruck and continued were Mia left of and but for a few rushed kicks at goal we went into half time 8 points up but having lost Sammi Grace ( suspected broken elbow ) left us with 15 !

The talk other than Sammi at half time was about there physicality around the ball with a few Banyule players bumping of the ball and trying to put us of our game ?

#### 3rd quarter

Our best quarters have been our 3rd quarters and this was no different with our girls running straight at the footy aswell as multiple kicks and mark receives and some beautiful hand ball chains had the ball flowing our way and when Rose Modz-Manson marks and kicks her first goal we went into 3 quarter time 2.5. 17 and once again but for rushing a few shots at goal could've been 4 or 5 goals up !

#### 4th quarter

We continued to play Sharks footy and the 3 stalwarts of the back line Zoe Miriklis, Maddy Draeger and Lily Mercer repelled every advance from Banyule keeping a clean sheet and we all walked of winners !

Still lots of talk and a few wry smiles talking about incidences through the game of not so great sportsmanship from the Banyule team but by the end of the game we had them looking sideways at us with our relentless tackling and smothering topped of with our smooth ball movement we sing the song again !

The under 13 Girls took to a cold and wet Stintons Reserve, to take on Richmond. We had beaten the tigers a few weeks earlier in a reasonably close game, so we knew they would come out firing. The Sharks controlled play in the first quarter, with some strong run from Tess and Ava. Scoring was proving to be difficult and the Sharks went into quarter time with a single point advantage.

In the second quarter the girls were rewarded with a goal to Holly. The game had been played on the Sharks terms, however with the scores locked a 1.2.8 to 0.0.0 at half time the game was in the balance.

The third quarter saw a resurgence from the Tigers, they held the ball in their forward line and had plenty of shots at goal. Fortunately for the Sharks their shots lacked accuracy with four behinds. The Sharks held firm under pressure and went into the three quarter time break with their noses in front 1.2.8 verse 0.4.4.

The final quarter was a tough affair, neither side prepared to suffer a loss. Lilly, Mim and Amy held strong in defence with some solid tackles. The Sharks were pressing for a win, with a number of opportunities to score, however scoring was proving to be difficult. That is until Holly lead for the ball and managed to mark directly in front, but she was at her limits as far as distance. With the pressure on, Holly kicked a beautiful kick, scoring the Sharks second goal and putting the game out of reach of the Tigers.

R6 took us away to W T Peterson Oval in Fitzroy. With Heath away Dave took the coaching bib and set the expectations high. We had learnt a lot from last week's loss to St Mary's and we planned to put our training during the week into practice.

In what we believe is a first for Sharks JFC football, Wayne Bertoldi set up Live Streaming – so Heath in New Zealand could watch the game live on the internet!

Q1 Fitzroy came out firing and our girls were surprisingly a bit shell shocked. Within a few minutes Fitzroy had kicked an early goal. The contest was intense, and Fitzroy's mid field and defence were well on top. The rain showers had made conditions slippery and clean possessions were rare. Vas was getting plenty of the ball and Matilda's strength together with Lana's run and carry and long kicking was great. The girls started to find their MoJo and by quarter time we had edged in front. Q1 Sharks 3.2.20 to Fitzroy 1.0.6

Q2 continued where Q1 had ended, we were edging further in front but the play was scrappy. Our effort was good but it seemed that picking up the ball cleanly was very difficult. Chelsea's tackles were solid. We missed a number of easy shots in front of goal from less than 15 metres out but still managed 4 for the quarter. The highlight was a super smart tap by Lauren to Lana who kicked her 2nd. Mia also had 2 goals by half time. Sharks led 7.7.49 to Fitzroy 1.0.6.

At half time Dave gave the girls a big gee up and challenged them to share the ball more and use the corridor. Run and kick the ball hard out of defence and ensure we entered the forwardline through the centre.

Q3 was a far better performance as the Fitzroy girls started to tire. The Sharks were finally sharing the ball and looking for the best option. Lana was running well and Vas continued her great game. Chloe busted clear from the centre and kicked long. Flynn saved a goal in defence. At the end of Q3 the girls had added 8 goals for the quarter! It was a wonderful quarter. Sharks 15.10.100 to Fitzroy 1.1.7.

Q4: In the final term, the girls continued to run and although Fitzroy battled on they had run out of legs. Our girls kicked another 5 goals to run out dominant winners by 126 points. After what was a below average performance in the first half, the girls rebounded with a fantastic 2nd half.

At training we'll focus on clean possessions & watching the ball more closely into our hands. We also need to hit our targets & not just handball or kick anywhere.

Glen Iris 7.8-30**

Today was a classic example of the scoreboard not reflecting the competitiveness of the game.

The girls tried hard from the outset and with 6 fill-ins from the u13's it's a credit to the whole group of girls - they kept trying and giving their all, despite goals being hard to come by.

Zoe dominated in the ruck, but we struggled to get clear possession out of the middle and capitalize on her good work. Talia and Amelia were strong in the contest all day, Sophie ran hard and kept the Glen Iris midfield under pressure and Courtney provided excellent rebound from defense.

In the first quarter it was pleasing to see the defense holding up really strongly and it's a credit to the young brigade that stood tall, Remy and Kiara were awesome. Ava provided a bit of zip up forward and moved onto the ball to assist. All three playing up a year level and having just played a full game, they can be very proud of their contributions. Although we didn't trouble the score board we did have the ball in our forward half for much of the quarter.

At quarter time it looked like being a close contest, however the second quarter blew out a bit and we conceded a few goals. We again had plenty of the ball in our forward line but their ability to clear the congestion with run and long kicking meant that they were able to get quick entry into their forward line and managed to maximize their entries with goals.

Pleasingly we maintained our intent the second half and our endeavor can never be questioned. Again the play was evenly split and if anything we probably had the ball in our half more. We tackled hard and Talia led the way with a huge effort in the centre. The story was much the same however and a couple of quick clearances from Glen Iris resulted in two more goals.

The girls were set a task to win the last quarter, which, if you looked at the scoreboard would be a challenge, but seemed very possible when you looked at general play. The small goal of winning the last quarter seemed to inspire the girls and our tackle count would have doubled Glen Iris. We were rewarded for 3 quarters of hard toil when Tessa kicked a brilliant goal after breaking clear of the pack. Alicia and Charli competed hard and put their bodies on the line, Isabelle gave us a lot of run when she changed onto the ball, as did the core group in the middle. Courtney pushed hard in the last quarter and Amelia stood tall across our half back line.

Overall after a flat start the girls worked hard all game and can be proud of their effort. Some more kicking practice to enable us to maximize our possession and clear the congestion will keep us really competitive against this opposition next time around.

Round 6 saw us playing at home (Stintons Reserve) on what was a typical wet weather day. Fortunately not much wind to speak of but a constant drizzle made for a greasy surface.

It was great to help Skye and Addy celebrate 50 games as they ran through banners at the start of the game. Both teams started with 17 players so we were expecting an even effort from both sides. However from the first bounce we had set the tone scoring early goals to head to the break 3.4-22 to nil. Plenty of opportunities presented for the forward line led by Ibby who was supported by Kirra and Ella. We simply had too much pace through the middle of the ground and an up forward. After quarter time we expected the opposition to mount some pressure and they did holding us to only 1 goal in the second quarter. Our defence, however, stood tall led by Adelyn, Brooke, Sky, Ally, Tiana with support from Lucy. Whilst we won the quarter we can improve on our manning up and running to our positions with some purpose at stoppages and free kicks. After the main break we started to find our targets and got some great drive out of the centre from Samira and Paris rotating in ruck who was supported by Jacky, Gabbi, and Sophie. All the midfielders were getting plenty of ball as we had 9 shots on goal but unfortunately kicked 2 goals 7 for the quarter.

With the game won by 3 quarter time we had the luxury of rotating players to positions they do not normally get to play. Brooke moved to the forward line and despite kicking like her dad managed 2 goals. Well done. Ella had a run in the middle which was well deserved. A good solid effort by the girls with some great tackle pressure to shut down the opposition. A highlight was Penny taking a great mark coming sideways through the pack in the forward line. It was a tough day for Heidelberg, who came up from 2nd Division and could have been worse had it been dry. Good work girls see you at training.
