Round 10

Hi All Sharks

I observed some wonderful football matches over the weekend. They were close, tough encounters whilst played in good spirit. It's amazing how the game of football can teach many of life's lessons. Caring for your team mates, participating in a team environment, respecting our opposition through to following rules. Society is no different, participation, looking out for others, obeying regulations and displaying respect.

What a fantastic year our teams are having. Whilst our Club focuses on participation, fun and improving the children's skills - all players know where their teams sit on the ladder. Ten rounds in with only five Home & Away matches left, the competitive juices are flowing. Out of a potential 18 teams (U11s upwards) playing for points, we currently have four in first position. There are currently 8 teams in the top 4 with six others knocking on the door. Players, Mums & Dads, enjoy the ride and I hope you get the chance to experience finals. Well done to all players to date.

For a couple of our teams, it has been a bit of a struggle, however keep your heads up and enjoy playing for your teammates and self. I know it's sometimes difficult but lessons learnt from this year will help to improve us all next year.

Representative Acknowledgement

Once again we are honoured to have an extensive list of our players selected to represent the Sharks across a range of high level competitions. It is an outstanding recognition of a player's skill, their embodiment of our club's culture and their potential in the wider football community. Well done to all players who have been selected and we look forward to hear about your success in these exciting new opportunities.

Social Night - Saturday 21st July

The Grand Warrandyte - Only \$50 for Tickets - Book Now!

This night is put on for our Parents to enjoy, mingle and let your hair down - let's enjoy the evening.

Please get online and book tickets now. Go to the TeamApp - Events - Calendar - July 21 - Sharks Social - Purchase Tickets

All enquiries please contact Nina Foxwell

**** CORRECTION** Colts / U18YG & Life Members Dinner**

Please note that the transition dinner is for final players only. My Apologies in last week's message, I incorrectly stated it was for all colts (inc. U18YG & U17YG). The evening is for those players in their last eligible year of junior football. It doesn't correlate with what team you compete in each week. Thank you for your understanding.

The Club will pay for the Player's food and also Life Members in attendance. Numbers need to be confirmed by 20th July. Parents are encouraged to attend however, will need to pay a nominal \$29.00 for a 2 course meal. Drinks are at bar prices. The event will be held at Club Kilsyth, corner of Canterbury Road and Colchester Roads, Bayswater North.

COMMITTEE

At the end of Season 2018 a number of positions will become vacant on Committee. These roles are a mixture of Executive, Non-Executive and Off-Committee roles and they include;

Director of Football, Events Manager, Marketing, Social Media Coordinator, and understudy for Director of Team Managers. Whilst these opportunities are open to all Parents, I'd love to see the next age bracket, our Parents of U 11s and U 12s take the opportunity of being able to grow into the roles. We are NOW seeking your support so if you're in a position to assist, please contact me.

Summary

Enjoy the next two weekends off. I trust all players will help their parents out around the home. See you all for Round 11 on Sunday July 15th.

GO SHARKS!!

If at any stage you have any queries then please don't hesitate to contact myself.

Doncaster Cats**

After last week's deluge anything would be better than the apocalyptic conditions encountered last game.

Stintons Reserve played host to today's encounter against Doncaster with Thomas Robertson captaining the team.

After a last week we decided that the boys would benefit from a good solid warm up to get the blood flowing and get the boys nice and warm ready to go. The Doncaster Cats have lots of U8 players getting in and having a go so we decided to change the rules on the Sharks boys. Marks are only to be paid if they completed, otherwise it was play on. After we explained that as the opposition was smaller and many of a younger age the boys understood and took the challenge on with gusto.

With a simple change to their mindset the boys attitude changed. You could see they all understood that they had to mark the ball and the intensity and concentration increased.

Instead of peeling off as they sometimes expect that their team mate would be awarded the mark the boys had to adjust and work to get to each aerial contest and make sure we had numbers around the ball at ground level, this is where our speed, teamwork and ability to move the ball quickly through hands can cut an opposition apart. This will be really important as the boy's transition from zones to full ground in coming years.

Throughout the game I though our marking improved as we knew that we had to ensure we took the grab, I noted Patty diving desperately to try and mark the footy but instead of stopping after not completing the mark he pounced back up and attacked it again. Kai taking a mercurial finger tipper where he just floated into the pack and managed to hold onto it. Darcy fighting for front position against Xavier who without hesitation jumped in to help Doncaster who had a couple players off with injury during the first quarter, you could see Darcy was desperate to hold onto it. Xavier did give him a little ear tickle to go on with. With the likes of Ben and Ollie starting to impose their aerial strength, Doncaster could only watch with the boys dominating in the skies then getting it to our runners.

With the ball moving through many sets of hands with some fine link up play the boys started to get many opportunities to score, we started to go away from our team first play where our aim is to make our team mate better, we started to get a bit excited and take long shots at goal and not look after our teammate when we had the opportunity.

This lead to many points being kicked, it's not the fact that we kicked so many points, but it is why we kicked them, when we take things one ourselves and not look to find a teammate in a better position we waste opportunities. Not opportunities to kick goals but opportunities to make our teammate better.

After a few words quietly in the boys ears we started to get back to our trademark style,

running sharing, looking for passes and enjoying the success and sharing in our teammates joy, with passages of play that wowed parents on both sides.

James and Ollie giving the 1-2 around the back and switch the direction of play out to Ben who was now in space, takes a bounce and instead of just bombing it hitting a leading Liam on the chest.

Ryan who ran onto a loose ball when just about to be besieged does the team thing and knocks it forward to Darcy. Elliot being allusive forward and continually finding space. Thomas leading like a captain and being aggressive around the contest willing his teammates on to do their best.

Xavier sprinting away from the opposition through the midfield delivering Julian a worm burner right into the bread basket. Angus's desire and willingness to get in and go hard at every opportunity.

Will who always looks for hands out first and two weeks in a row kicking on his left. Patty who stripped the ball magnificently from the opposition and lays the best tackles, so his teammates can get the ball keeps his feet and gets back in. Ollie who when only 10 meters out tried at least 3 times to get a kick or handball so one of his teammate could kick a goal. Henry after being struck with the winter bug late in the week giving his best to provide a target and be an option up forward. Not always getting the reward but continuing to present so his teammates around him can benefit.

Julian taking some strong marks up forward and continuing on his strong work rate from last week. Kai smothering and putting his body in harms way time and again. Kai tackling hard giving Ryan the chance to kick a goal. James unselfish play with quick hands in front of goal to Ollie. Ben H came to play as he does every week and provides his team mates with loads of energy and run. Liam who goes about his business without fuss or fanfare getting the job done

Fantastic effort and great sportsmanship during the day when the Umpire gave Doncaster the opportunity to be able to enjoy their football also with free kicks out of the middle.

We always respect our opposition and umpires because without them we don't get to play and enjoy ourselves.

A tough day out today against a good team in the Colts. A lot of The Sharks still looked shell shocked after a very wet and windy game (that was ultimately abandoned) last week

QTR 1

Sharks first goal today was scored by Luca after a pass from Charlie.

It was a tough qtr of football with The Colts outscoring The Sharks 4 goals to 1.

Luca, Hudson and Coby all contributing well to keep The Sharks in the game at qtr time.

Special mention to Jack who persevered well often finding himself at the bottom of the pack!

QTR 2

Luca and Coby teaming up again then Hudson kicks a great goal

Jack again working for a number of hard ball gets

Luca doing it all in and under and giving some outside run and flair

Its still hard going though as The Colts kick the next 3 goals.

Coby again showing some speed with a number of dashing runs including an 'almost' goal and a great intercept punch that was rewarded with a free kick (and should even get a golden fist nomination!)

Joel took a strong mark this term and Archie Rowe fashions a goal from nothing.

Archie C is rewarded with a free kick for putting his body on the line.

Colts win the qtr well.

QTR 3

Arlo makes a number of strong tackles this qtr. One after a long chase but not rewarded

Joel really got involved this qtr with some long kicks and crafty hand passes

Luca takes another strong mark but its not enough to stop the Colts who win the qtr 2 goals to 0.

QTR 4

Arlo still tackling hard, not giving up

Max had a number of touches including a strong mark. Had a couple of shots on goal that narrowly missed.

Grace is chasing hard and putting pressure on

The Colts are still winning more contents and getting the ball forward for a number of goals

Charlie saves a certain goal on the line but The Colts win the qtr again. Final siren cant come quick enough for the Sharks this week.

**Kew Comets 4.10.34 def
 Park Orchards 2.4.16**

The boys were very keen to play at home at Domeney especially after having a couple of weeks of no footy.

With a solid warm up and the team photo behind us the boys took to the ground to what we knew would be a very solid team.

Captains Nate and Noodles won the toss and went to the non score board end.

The first quarter was a tough one with Kew Comets entering our back line on 8 occasions and scoring 2 goals 3 points to our solitary point.

Highlights for the quarter included a great mark and kick by Oscar. The backline which included Alby, Will T, Will F, Gabe and Zane all worked hard to keep Kew to 2 goals. Riley had a great quarter and worked into great positioning on many occasions which saved allot of goals. The midfield which included Logan, Josh P, Noodles and wingers Tom B and Isaac all contributed well. Ruckman Nate Farrell fought hard and showed the way as Captain.

In the second quarter Kew kept pushing hard entering our back line 11 times. Young Zac Antonellos had a great quarter stopping most entries and connecting well with his team mates Josh P, Sam, Ned and Isaac. All in all we held them to only one goal for the quarter and Josh B managed to score a point on the run. Other highlights included Zac's left foot kick and speedster Zane came into the game with some blocks and strong attacks on the ball in the middle. Dan Nielsen went into the middle and combined with Nate which resulted in both having great quarters. The quarter finished well with a great chase down and tackle by Gabe which brought down the house on the coaches side of the ground.

With a solid break and adjustment to our game plan the boys were pumped up to get back into the game. Kew kept trying hard and went into our back line on 11 occasions again. Zac, Tom B and Josh B all fought hard to keep Kew from scoring. Nate kept hard at it with a massive battle in the ruck and made us proud of him. Josh B showed us his class again with some of the best kick outs from a junior footballer you would see going around. Tall Timber Lachy had his best quarter for the season stopping 3 goals from being scored by protecting the danger zone. It was also pleasing to see Beau get in and amongst things getting plenty of the ball and playing his best game for the season. Tom E, Felix, Harvey and Harry all chipped in and kept trying hard. To top this all off Zac tapped the ball in basketball style to Rossy who ran onto it and ran in hard into the goal and kicked a sensational goal on the run. Boy that was exciting to watch!!!

All in all it was great work by the Sharks with both teams only kicking 1 goal each. The boys showed us all once again that we could take it to this team no matter how physical they were right around the ground.

At 3 quarter time you could sense once again that the boys were steeled to tough it out. With niggling injuries to Noodles and Zane, Zac and Logan not fully fit and then Nate copping a cut to the lip in the last quarter the boys never gave in and kept fighting hard.

The midfield with Nate, Noodles, Zac and Presty took control in the last quarter with great help from Riley and Dan who both played well today. Josh B and Logan kept trying hard up forward and kept peppering the goals. The highlight of the last quarter was a sensational snap by Zac Antonellos which would end up the only goal between the 2 teams for the quarter.

Once again we would go on and win the last quarter which is pretty much the story of all this season so far.

All in all another great effort by the boys who certainly made us proud!!!

**Sharks 7.6. 48 Def
Preston 1.0. 6**

Given the weather of the previous weekend, the cool but calm conditions that presented themselves at Stintons Reserve on Sunday were welcome as the Sharks U10 Black boys took on the Preston Bullants at Stintons.

With both Sharks U9 teams playing in the early timeslot - and the Sharks U11 side playing immediately afterward - a sizeable crowd was in attendance which was great to see.

Special congratulations must go to Danny and Justin who made up the numbers for Preston. These two boys played with the same great effort and attitude that they usually bring to our side.

First Quarter

Kicking to the BMX track end, the Sharks found Preston to be a formidable opponent early as the Bullants' midfield got on top and were able to keep the ball in the forward line. But credit to the Sharks back six, we were able to defend them from scoring with some strong aerial work before our midfield started to get on top. A clean string of play that saw the ball switched through the middle resulted in our first goal, and before long we had another on the board, setting up a handy lead.

Sharks 2.3. 15 Preston 0.0. 00

Second Quarter

The second quarter was one of the toughest and physical of the season, as Preston threw everything at the Sharks. A battle between the half back lines ensued, and the crowd watched on as the two teams wrestled for ascendancy. Pleasingly, we were able to keep Preston to another scoreless quarter, but unable to make any real impression on the scoreboard ourselves.

Sharks 2.4. 16 Preston 0.0. 00

Third Quarter

At the half time break, the Coach spoke to the boys about the need to hold their field position. This change of mindset quickly bore fruit as the Sharks dominated the "Premiership Quarter". Led by our rucks, our midfield quickly got on top. The game quickly opened up and with our forwards presenting hard, taking strong marks and kicking straight, the Sharks took a sizable lead into the last change.

Sharks 6.4. 40 Preston 0.0. 00

As to be expected, Preston refused to go away quietly and the last quarter was again another hard-fought, physical contest. While the Sharks were able to play the game in their forward half for much of the quarter, we were unable to find clean avenues to goal despite having three shots to one.

A beautiful winter's day for footy – a dry ground, no breeze and no rain which is a far cry from the horrendous wet and muddy conditions last week. It's a big game today –the coach is out (he's gone back-packing "first class" on a school First XI cricket trip to Sri Lanka) and we have three 50 gamers to celebrate in Max B, Felix and Mason so we want to play well to make it memorable for them.

The first half was hard fought, tough footy. Despite the ball spending most of the time in the Sharks attacking half, we were struggling to make it count on the scoreboard. We had multiple shots on goal with some being touched right on the line. During the first half we just missed some of the basics at critical times – a clean handball or holding onto a mark or ensuring the ball was delivered to a target. But to the opposition's credit, they brought a real pressure game style we had not seen for a few weeks and Glen Iris were forcing us into these skill errors. Notwithstanding, what was really pleasing was our ferocious tackling and spoils for which our boys have become accustomed to delivering.

The scoreboard at half time was 3.4 (22 points) to 2.4 (16 points) – only one straight kick in it. And all the boys had their heads down in frustration that all of the hard work had gone unrewarded. The boys were asked to dig deep during the half time message and step it up a gear in the second half; to play hard for their jumper and to play hard for their three mates celebrating 50 games today.

In the second half, it was raining goals with 7 of our 9 coming in the 3rd term! Our team play and ball movement stepped up, so much so that Glen Iris didn't score again for the rest of the match! Dookes and Lucas N owned the ruck contests around the ground and Mason and Archie were in and under for the hard ball gets. Felix started to find more open space for some running goals, Henry broke a tackle and snapped one in the goal square over his shoulder in the middle of a pack in "Dusty-like fashion" and even Jimmy was roving the packs for a goal. The goals were eventually coming in thick and fast.

When Glen Iris did manage to get the ball out of our forward line, our defence stood tall and continually repelled the ball back up the ground. Campbell was running through and spoiling marks and Max B and Max N were cleaning up the crumbs.

Overall it was a great team effort and really pleasing to see the boys rise above the pressure game in the first half and play some amazing footy in the second half. Well done boys.

Another round of milestone games for our boys, with Jedd Little & Elliot Ficinus lining up to play their 50th game for the Sharks. Both boys started playing U/8's together after Jedd arrived at the club with some school mates and Elliot progressed from auskick.

Jedd, always with a smile on his face has some real natural ability. He continues to grow with confidence with every game, while Elliot works extremely hard on improving his skills with fierce determination and a little bit of cheekiness. Well done boys its pleasure to coach you both.

Our message to the boys is always the same, make sure you play with maximum effort. Results are based around effort and if we keep working hard enough the rewards will come.

This is exactly what the guys delivered all day. After the excitement of running thru the banner the boys were determined to come out hard and put pressure on Glen Iris by tackling hard, protecting their team mates and running to space.

Bryon started strong in the ruck with Elliot continuing his great form from last week while Fletch, Ozzie and Broc collected possessions at will. Hamish, running out of full back used his strong body to break tackles and is showing some real leadership skills while Archie made sure his opponents remembered each of his tackles. James, Sam and Tom Mac were also using their pace to when they got the ball.

Jordan showed extra ordinary courage to back back with the flight of the ball to nearly take a brilliant mark. Jordan's courage was a great example of how much the boys wanted to play for each other.

Playing the top side, the boys kept Glen Iris to just 1 goal and proved to themselves that hard work and effort can push any side.

Jedd was giving us strong leads into the middle of the ground from CHF, but we just couldn't break the half forward line. Ollie, having listened to the coaches was getting a few possessions in the packs. Several times Corey burst forward with pace, but the ball failed to bounce his way and we were left to wonder what might have been.

Bosco showed his endeavour as he never gave up, always attacked the ball and put pressure on the opposition. Even earning himself some time in the middle for the last quarter. Seany continues to show he has fantastic skills and is really starting to read the play and get into better positions. For a kid who has never played football Cruz also continues to impress with his pace and attack on the football, watch as his skills keep improving. Keep up the good work Cruz.

In the second half Jedd was having a spell in the ruck enjoying the challenge and his 50th game, while Elliot continues his dominance thru the middle of the ground. Probably the dirtiest and most tackles kid on the ground he was into everything.

Jacob was having his best game for the year so far showing us what he has to offer racking up many possessions and a few marks as well.

Young Will tried hard when the ball reached him in the forward line, but he was lacking opportunity. Keep enjoying your footy Will a couple of big games are not far away.

Byron again showing his strength by backing himself to run thru blokes and give a good old fashion 'don't argue'. Byron continues to grow in confidence each week and have more influence in each game.

Unfortunately, BT and Harry were away so our depth was challenged again, but the boys really stuck together and battled the game.

Great effort today boys. You outplayed Glen Iris in effort today and if the scoreboard read 3 goals to 7 goals I think that would have been a true reflection of the game. Please keep working hard at training, don't lose sight of how much you have improved and how you guys are all starting to play as a team, and for each other.

Don't stop believing in yourselves and Never give up....

Congratulations to Jedd & Elliot on playing your 50th games.

Tough game up against a very good team in Surrey Park. The Gabenator (Gabe Stumpf) playing his 50th fired up the boys with a motivational speech, won the toss and we were off to a flyer.

Allen Guo in only his 5th game was brilliant, Jacob Tymms was relishing his opportunity up forward with several great plays, Tom Worthington playing across half back was awesome and Lachlan Di Conza was doing some exceptional work. Max Dominko was playing up forward after holding the backline together for the first 9 rounds and chimed in with a great World Cup Soccer goal. Not long after Gabe kicked our 2nd goal. A late goal to Surrey Park meant we went in at 1/4 time 1 goal up.

The 2nd quarter was not great; we stopped running, crowded each other and let Surrey Park continually sneak out the back. We went in 5 points down at 1/2 time. We spoke about effort and gave the boys the opportunity to work hard to get back into the contest.

Wow did they respond - the 2nd half they put together was the standard we know and should ALL expect - Some great team, (disciplined football). Josh Galstians was just a ball magnet who continues to work hard all the time. Andrew Holt-Oakes playing in the ruck and across half back was awesome using his height and strength, Cooper Smith started to impose himself on the game with some strong work, Jack Fortington was tackling, harassing and doing the team things and Will Tait was like a rock - Awesome chase and smother in the 3rd quarter Willy. The tackling / pressure dished out by Daniel Albers and Joel Stephens was great to see and they were also rewarded with plenty of great possessions. Lachlan Quinn showed his class and poise with some fantastic play throughout the day. Nathan Draeger and Harry Smit responded with their work rate and Harry was able to kick a great goal for us. Cameron Turner who unfortunately played his last game for us due to Skiing commitments was great with plenty of run and carry and Jake Galstians just kept driving the ball forward.

Oli Nitz again dominated using his big strong body and leap to advantage. Oli was asked to do a job late in the last quarter to just play across half back and did a sterling job taking 4-5 intercept marks and setting up several attacking opportunities during the last 5 minutes. Gabs work rate across half forward today was sensational and he really did lead his team in his 50th - Big Game Player Gabe.

In the end a 3 goal win - What was most pleasing was the way the boys regained the ascendancy when again (3 weeks in a row) they could have taken the easy option. Great win but it was the way you went about it boys - Enjoy the break

Round 10 was a ripper against Surrey Park. The game was in the balance all day and we pushed really hard in the last quarter but couldn't quite get there. Surrey Park were just more physical than us and we allowed them to push us around a little too easy. We really need to be first to the ball and get our body over it rather than waiting for the opposition to pick the ball up and then try and tackle them. The umpiring all day was very consistent with the man in front being rewarded. We also need to push harder to pick up our players when the opposition has the ball as we allowed Surrey Park to exit our forward line far too easily.

Will Kenny had a great 50th game and ran hard on the ball all day. He used his body well and created plenty of opportunities for the forward line. Kye was back to his brilliant best constantly rebounding the ball back into attack with some great marks and some hard running. Flynn attacked and ran all day with some great passages of play and some hard tackling. Layne had plenty of the ball and positioned himself well playing in the middle of the ground as did Bailey who continues his hot streak. Oli P competed hard in the ruck and then both forward and back. Adamo rebounded strong out of the backline as did Max. Sammy P tried hard to create opportunities up forward and kicked a great snap in the first quarter.

With 5 games left in the season, we now have a good understanding of the competition. We are right there when we have all 18 boys on the ground contributing and running hard to compete for the ball. Leading up to the finals we will work hard on our fitness with some hard competitive running and competition for the ball. We also now have tackle bags at the training ground so we will need all boys to bring their mouthguards to training from now on.

At this stage we will be training all through the holidays. I hope all boys can make it but also understand that some will be away.

Enjoy the sleep in next weekend.

We headed to the inner east to take on a depleted Canterbury side that has 29 listed players with currently 11 unavailable. I heard our boys mention them being on the bottom of the ladder which was concerning as from earlier in the year, they have some tall boys and as with any side, if our attitude was not 'on' we'd get rolled.

We went in with an unchanged line up, still just 17 fit soldiers taking the field. Coop started in the square and duly converted for us twice, our entire back half we kept the same, they are really gelling together back there and did really well in the first quarter again holding the opposition scoreless.

Davy B also kicked a goal for us in the first quarter and started the game full of energy.

Polly has found his niche at full back, no doubt is not wrapt about that but he's having a great year. His teammates around him help out and they really work well for each other back there. Sonders and Morc provided great run from half back and JT holds them together in the middle back there.

The second quarter saw Sammy H and Kingy slot majors, Killa was killing it across the wing and sweeping back into defence, Smithy was providing some options out wide and using his talk and encouragement for his teammates really well.

We went into half time with a 38 v 0 scoreline. We really got congested during Q2 as the boys had figured out that they could maybe get on the end of an easy shot at goal. This had the reverse affect really as we could not score and we played like U-10's all just tracking the footy.

With the assistant coach Toves in NZ on a work sponsored junket, I was only left with Morc on the sidelines to help out. He had come off a tough night around the fire at Killa's, it must have been pretty warm there from all accounts as clothing became optional!

The third quarter rule was only forwards inside the 50. Sonders started in the square and did the right thing with a great goal. Humey hurt his foot but played through it on the wing doing well. Oakesy had a good first half at the hardest position in footy at CHF, then spent the second half in his more customary backline position. Foxy had another great game all over the ground. Reesy was at his relentless best in and under extracting the footy. We flowed much better without the forward line congestion and kicked a couple for the quarter 51 v 2 at three quarter time.

Pazz was looking tired and put himself deep forward, unusually didn't kick a goal. Sebbie Lee slotted one that his mother missed due to deep discussions with other spud peelers, Killa kicked his second for the back half finishing off a best on ground performance to match his mother only hours earlier!

Balwyn 4.4.28**

Our home game at Bulleen this week vs Balwyn, we welcomed back a number of players from injury/unavailability...Yared, Ben S & Ben W, but of course lost a couple more...Solomon & James who joined Blake & Brodie on the sidelines.

Balwyn are sitting second on the ladder but it was the Sharks who started the better, a fantastic knowck from Charlie to Harry put us into attack from the first bounce. We swarmed in attack & finally a great tackle, second effort & snap resulted in Jacob scoring the first goal. From there it remained an even contest. Balwyn got the goal back, their forward line play very impressive. But by quarter time it was all even at a goal apiece. Our backline was doing well, Ben S's tackle inspirational, Matt W run impressive & Remi's speed to contest ever present. Yared's game also very good with long, telling runs through the midle of the ground. A good start against good opposition.

Almost halfway through the 2nd quarter & we were still looking good. Harry was struggling with an injury but kept finding the footy. Rhys was on song around the ball & Dan S never shirked a contest. Impressive were our U12 fill-ins in Ollie Nitz playing a great roaming roll through the forward line & Daniel Albers, switching between forward & back. It was Ollie who contributed a great handpass to Mitch who coolly slotted our second goal on the run. Bo was lively, & a great mark backing back into the pack wasn't rewarded fully with his shot at goal drifting right at the end. Balwyn got the goal back unfortunately so what could have been a 2 goal lead once again saw the scores all locked up at half time. Ben W was great on his wing & Lucas on the other was burrowing in hard. Yared had continued to run like the wind & Boston had bobbed up a couple of times with good marks & skills.

We needed the first goal of the 3rd term but weren't able to capitalise. Harry was stationed at full forward but we could penetrate far enough forward. Charlie battled it out in the ruck. Dan W, who has continued to improve throughout the season, was beginning to physically impose himself & used handball skills well. His combining with Oscar a feature. Oscar is another who continues to work hard, impacting as many contests as he can. His knock-ons & desperation always on show. Daniel Albers won a great free kick in the backline to repel another Balwyn foray forward. Unfortunately the only goal of the quarter went the wrong way & we found ourselves 7 points down at the break.

We were right in the contest. We could get a clear possession in our forward line though. Jacob into the midfield was working well. Dan S continued to show his desperation. Matt W's telling runs from fullback driving us forward. But again, against the run of play, Balwyn took a good mark in their forward line & converted truly. That was how the scoreboard remained, Balwyn winning by 14 points but the Sharks losing no admirers.

Balwyn's coach rightly praised the Sharks for their effort. We pushed the second placed team all the way & we're not far away from another successful Sunday.

Yared was a fantastic inclusion, & no doubt provides us with much more competitiveness (even if "New York, New York" is not that well appreciated by his team mates!). Matt W at full back was a revelation. Charlie is a continual physical presence in the air & on the ground. Mitch is clinical with his finishes. Rhys is beginning to find consistency & Dan S is contriubting all over the ground. Dan W is really finding his feet & along with Ocavr & Ben S are forming a nice partnership in the back half.

Enjoy the 2 weeks off boys. We get Blake, Solomon & hopefully Brodie back by then...an embaressment of riches! Great to see the enthusiasm of the team wanting to train through the school holidays, that is only going to make you better players & a better team.

Go SHARKS!!!!

Camberwell 11.5.71**

Another great day for footy at Burwood Reserve taking on Camberwell, once again we could only field 16 players. In a tough competition we always in for hard games. The first half was very even with a strong opposition midfield we still managed some good clearances, Alex Woody and Kane did well as did our backline with Ben attacking the ball hard in defence, Josh was showing a lot of courage as he moved the ball our way with clearances, Zach M showed his pace around the forward line we slotted 3 goals before half time and the difference was only 11 points, after half time Camberwell got the jump on us and piled on four goals to 1 in the 3rd quarter, Camberwell were hard at the ball and some hard contests for the ball had us under some pressure, Jake and Zac S laid some hard tackles while Rhonan and Noah rode the hard knocks out, it's always going to be difficult with no bench fielding 16 players however some home truths were brought up at 3 quarter time about how easy Camberwell got their goals easily.

Fair to say that our last quarter was one of the best quarters of footy I have seen from the group this year, every play stood up lead by Josh M we got the ball forward kicked 3 goals with plenty of time to spare and momentum going our way, Chris doing some great work down forward with Damo and Brodie Rowe doing some great in and under work, James took on some ruck work and Big Dog doing his usual competing around the ground and in the middle, Alex Mac was hard at it as usual and Camberwell were feeling our pressure, unfortunately we got the lead down to 11 points before Camberwell kicked an opportunity goal and took the wind out of our sails and had us falling short by 14 points.

Another close game, but a turning point in the boys knowing their capabilities and realising that we are able to mix it at this level. Great effort without the four points coming our way. 5 games to go after the break, all with a chance of getting over the line with our numbers being up after the break

ANOTHER GREAT WIN - RED WHITE AND BLACK – BACK TO BACK

A great win against a Top 4 side – we played with determination and a great team effort saw us record our second win for the season.

The team got out of the blocks early with centre clearances and clean possessions moving the ball into space and taking advantage of being at home by playing attacking football from the scoreboard side at Domenic Reserve.

The players ran in numbers provided shepherds and moved the ball to our strong marking forwards. Our defensive play was strong and tough - the physical aspects of how we attacked the football was a credit to the entire playing group. We marked strong overhead and worked the ball out of defence in a very attacking manner. We switched play across the ground and ran the ball back through the centre corridor. Overall the structured play was impressive with the players organising themselves..

Playing with only 15 players we were ably assisted by Jacob Tymms and Lachie Di Conza. The two tackled hard and put extreme pressure on the opposition. Then came the cavalry - Will Sonderhof, Josh Tovey, Brad Hume and turbo jet Matty Parrott with all the recruits contributing significantly to our winning performance.

Well Done

Park Orchards 3.2.20 Def by St Marys 12.7.79

The Sharks came up against ladder leaders St.Marys at Stintons and it was on like donkey kong.

The first quarter was some of the best junior football I have seen, with free running football and hard grunting drives. The Sharks pressure on St.Marys was extreme, as every single playing contributed, and only 1 point separating the teams at quarter time. Oh, did I mention, that 5 of our prime movers including our Captains, were away on school camp.

The second quarter started the same as the first with some fantastic football, unfortunately the quarter ended prematurely with a St.Marys player going down with a broken leg. It was great to see parents and officials from both teams helping each other out and providing this young player with the due care and attention required.

The rest of the game was comical. When it resumed the wheels fell off for the Sharks, as we were out played by St.Mary's. As the quick sand set in, St.Marys did as they pleased, blowing the Sharks away by 10 goals.

A few stand outs from the Sharks in the second half, these blokes worked hard to keep us in the mix, so special mentions to Fraser Siesmaa who owned the third quarter and Will Smead who at times had to do it all himself. A great game boys to half time.

As the Supercoach keeps saying, it's important that you all show up to training this week

This week we were at Stintons for the 1pm game against the ladder leaders Boroondara.

We headed into the game with queries as to the fitness and availability of a number of players as the injury toll of niggles, sprains and wear and tear began to mount up.

Macca Spiteri and Jacko Archer had played the previous day in the U15 Metropolitan Championships, Ethan Stone had rolled an ankle at basketball last week and Ben Gill had a minor tear to a knee ligament. As well, many players were coming back from multiple week injuries such as Max Hartnett and Jake Leonard.

The game began and almost before we were aware, Boroondara piled on 5 goals with slick run and gun football. Our midfield was trashed, our back line swamped and our forwards didn't get to see the pill. The score was 32 to zip at 1/4 time.

In the second quarter we tried to even things up and played some adventurous footy. Whoppa took a strong mark to get us started and Macca chimed in with a goal just before half time but Boroondara had kicked 3 for the term so we were well down at half time 51 to 12.

In the third Boroondara showed us why they started the year in Division 1 as they piled on 4 goals to our zero. And they added 7 behinds as well so if they had kicked straight it would have been a white wash. To our credit though we were beginning to bring a bit more pressure to the ball carrier and that made their runners feel "perceived pressure" In turn that made the delivery of the ball less exact and allowed us to put pressure on the marking forward.

At 3/4 time post another feed of snakes, the coaches asked the boys to keep that pressure up and the lads responded. Macca kicked 2 more for the quarter for a total of 3 playing off the back flank(!) and all the lads pushed hard to make Boroondara accountable. Park Orchards outscored the ladder leaders by 13 points to 3 in the last quarter which was a good effort.

But all accolades to the winners. They play a strong, quick style of footy and they run and support each other well. It is interesting that they are in Division 3 but Boroondara look to have the premiership at their mercy if they can keep a fit squad on the park.

**Park Orchards Sharks 2.0.12 Def by
Beverley Hills 4.5.29**

Despite the cold, conditions could not have been much better for our round 10 clash with Beverley Hills at Doncaster Reserve. The rain held off, there was next to no breeze, we played a full ground, so there were no excuses this week for not performing. Macy Vendel was unavailable this week and due to the washout last week we had three captains to lead us out – Willow Harvey, Shania D’Souza and Ruby Caldwell. All three captains spoke well to the team prior to the match giving some stirring words of advice, they lead us out onto the ground, won the toss of the coin and we were all set for our last game before the holidays.

Our centre four had a big job to undertake trying to get their hands on the ball first, up against strong opposition. Willow Harvey battled hard all day, even taking some big knocks but she kept on bouncing back, winning her own ball and playing an important leadership role for her team. She was well supported by Emily Caldwell in the middle who later pushed forward, Scarlett McInerney was getting plenty of possessions and Allie King who works tirelessly tackling, chasing, rucking, marking, whatever it takes – ultimately going on to win the Opposition Medal. Congratulations Allie on another big performance.

The biggest job of the day was again left to the backline. Shania D’Souza, Jaide Scott, Ella Saunders, Grace Bettoli, Indi Tovey, Zara Dove, Charlotte Peterson & Mia Bosna won a number of battles during the course of the game but could not quite hold off a team who at times looked more determined to get the ball, push it forward and chase the goals.

It was a similar situation for our forwards who tried hard to keep the ball in and score but were often left chasing their opponents. Bonnie SJ, Charlise Doolan, Zahra Nyariri, Ruby Caldwell, Shania D’Souza, Grace Dawson, Mia SJ and Sienna Pollock all contributed well but we could not put the score on the board when the ball was in our forward zone. Well done to Sienna Pollock for another two goals this week who is leading in the chase for the Bosna Medal (team goal kicking award named after an extremely powerful goal kicking machine in his day).

There were some great individual performances during the game including tackles from Mia SJ, Mia Bosna, Grace Dawson and Georgia, long kicking from Grace Bettoli, Indi, Ella and Scarlett, strong marking from Zara and Bonnie, hard ball gets from Elena, Allie and Shania and hard chasing and pressure from Ellie B, Zahra and Jaide – just to name a few. The highlight was a crafty handball through traffic from Bonnie setting up Sienna for her second goal.

As I said at the end of the game we did some things well but we still have a lot to work on. Our effort lacks at times, we can quickly lose focus and we don’t support each other enough in the contest. We need to be first to the ball and quicker with our disposal as we get caught with the ball too often. Please practice your skills and fitness over the holidays. We look forward to seeing you all back for our remaining four games.

Sharks win 9 straight ! Sharks 10.2 .62 Def Ivanhoe 0.0.0

Possibly our most emphatic win to date against the 2nd placed team on the ladder with us now 2 games clear on top ! We had to defend really hard early and had a real arm wrestle on ball and with not great supply to our forwards we were lucky to be 2 goals to 0 at half time !

We then put our foot down and instead of more points than goals we began piling on goals and by 3 quarter time Ivanhoe were toast and marveling at our depth of talent and skill !

We finished off in style and a 10 goal to 0 game was great from the girls today but all of them realize that most of them are 9 games into their footballing careers and have a lot of work to do !

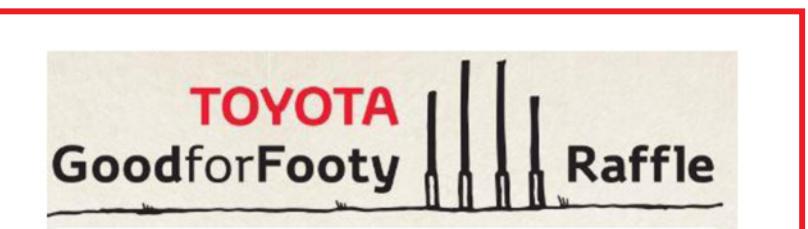

Goal scorers were ,T Rule 2, Z Miriklis 2, H Bastide 2, Cj 1, M Servinis 1, A Lomen 1, C Brimelow 1.

It would be unfair not to mention the games of Haylee, Alicia and Zoe but I could go through the whole list as we are blessed with winners and our game is coming together really well !

We also had co captains today and both Amy Smith & Lacey Rule took not only their games which were great but leadership to a new level and the thought they put into training and the game was excellent. It's round 10 and we have a chance to reflect with a few weeks off. For me it's a chance to thank all the parents who help with training & game day & to Ruth whose keeping things running as Team Manager makes my job the easy one !

I also have to put a special mention to a young Lady who is not feeling that well but insists on watching and being a part of the team & like Sammi Grace did with her injury, Lily Mercer continues to inspire with acts not on the field !

Thanks all Go Sharks

The Toyota Good for Footy Raffle is back bigger than ever in 2018, and this year we're aiming for another record breaking season.

Last year Toyota helped 418 grassroots clubs raise a huge \$682k, that they used to upgrade facilities and buy new equipment all with the sole aim to make the game of footy a little more accessible for all.

This year Toyota want to raise over \$720,000 and get more than 423 clubs involved

The Toyota Good for Footy Raffle is fundraising made easy!

Clubs get 100% of the proceeds to put back into their own grass roots programs

Only 1 book of 10 tickets has been given to each Sharks team. If they've not all already been sold, please see your team manager to get involved.

Kew Rovers 2.1.13 Def
Park Orchards 0.3.3

The Under 13 Girls travelled to Gordon Barnard Park in Greythorn to take on the Kew Rovers. Our previous meeting with the Rovers had been a tightly fought affair, between two closely matched teams. Positioned at third and forth on the ladder the two teams were both keen for a win.

With the wind at their backs Kew started well, their ruck was dominating, leading to the Rovers winning the vast majority of centre clearances. Ava Leonard was living up to her reputation of the team hard nut, laying a number of good bumps and tackles. The rovers were moving the ball well and were able to capitalise with two goals for the quarter.

The Sharks responded in the second quarter, and started pressing for goal. The vast majority of the quarter was spent in Park Orchards forward half. Despite the girl valiant efforts goals were proving difficult to score. Zarly who had only recently started her football career, laid a solid bump on a girl almost twice her size, to provide the Sharks with a shot at goal in the dying minutes of the half, unfortunately the score was only a minor.

Early in the third quarter Charli laid a solid bump on the Rovers ruck, this would prove to be a changing point of the game. Suddenly Charli was getting on top in the ruck, the Sharks were in control of the clearance and were getting on top all over the ground. The girls held the Rovers to a single point despite having the wind at their backs.

Would the Sharks be able to come home with a couple of goals towards the scoring end and close the gap for a win. Well let's say they tried and tried.... Despite not being able to close the margin, all the parents and supporters were proud that the girls never gave up. Despite the final score telling a different story, the Sharks were well and truly in the game all day.

Def St Marys 0.6.6

In what was billed as the match of the season thus far, we found ourselves at the home of football: Domeney Reserve, to witness the Sharks Reds take on the might of the undefeated St Marys.

Coach Lee gave his final address imploring the girls to get in and play for each other and to get the first line of defence right by manning the mark. The coaching staff are a tight-lipped unit but I managed to get a quote from the ever-elusive and introverted assistant whose words were “Our girls are really well prepared for this one”. Let’s just say the vibe from the rooms was full of energy and confidence and it was no surprise when the first centre bounce resulted in a clear tap from Zoe to Sophie who handballed to Chloe L who drove us into our forward 50. It was in our half of the ground that the ball would remain for most of the quarter. Dusty McAuliffe was winning contested ball at will and scored our first for the day with a clever snap from a ground ball get. St Marys struggled to get the footy out of our forward half as our “wall” repelled every exit they tried. Vas marked strongly across half back and was well supported by Flynn and Nat.

The coach was thrilled with our endeavour inside our own forward fifty. Hanni, Alana and Mia were all laying tackles ensuring there were no easy kicks for St Marys. The pressure was immense. The early highlight was Sophie Harvie’s handball to Alana “Betts” Boell who snapped an amazing goal from the boundary.

Q1 Scores 2.1.13 to 0.1.1

Our sharing of the ball by hand was noticeable as we strove to put our team mates into the clear. Q2 started with a clearance by St Marys but Nat B would have none of that, winning the ball across half back with poise and dash and sending it back into our half. Lauren was dominating one on ones and scored our first point for the Q. A point may not appear newsworthy however it is what happened next that would tell the story. The professional prep work of our coaching staff had our players expecting St Marys to play on from full back and so it proved, we were able to smother the attempted kick in. Much high fiving ensued from Coaches Lee and Boell on the Sharks bench. Back in the action Tilly R, Tilly H and Chelsea piled on the pressure and the St Marys trainer was in high demand on the back of some crunching but fair contests. The Sharks were sending a message, working in numbers from contest to contest. Jorja and Kristen owned the width and repeatedly sent us inside 50. We went to half time 3.4 to 0.3.

Coach Lee highlighted the work of the players off the ball, he was proud of our talk, our run, our shepherding but most importantly ‘playing your role’. He was particularly impressed with our ferocious attack on the ball.

When it came to roles, Coach Lee did manage to start cobbling in playing weather man and predicted rain for the second half. Nikki Boell Bunn would have none of that, showing anyone interested, a clear radar. To her credit our ever-prepared and ever-reliable Team Manager also had her watch on for the half time break which would prove critical for this position.

We started the third quarter again winning the ball from centre bounce and moving it inside 50 to score without St Marys laying a finger on us.....because they weren’t there.

Late to the ground the umpire lost patience and threw the ball up in what was the most bizarre start to a second half we have ever seen. It was also the first time we have ever seen a team do their kick in huddle from the Domeney stair case.

We stamped our authority on the match in third with Vas and Tilly R forcing backward handballs from St Marys that ultimately resulted in a terrific goal to Lauren. Alana laid a massive bump that had old football scribes nodding their heads in approval. Hard and fair.

No.51 Zoe guides the ball perfectly on to her foot and kicks long

No.22 Lauren (Captain for R10) shows how to attack the ball in flight – marking strongly

The quarter was highlighted by a passage of play that had Lauren tapping from stoppage to Sophie who kicked to Zoe who marked strongly inside 50. She turned and passed to Jassie who marked inside 30 and calmly went back and slotted the set shot. "Champagne football" cried the coach and no one could argue with him. We finished the quarter 5.10 to 0.3. The question was could we keep the undefeated St Marys goalless? Could Kev do an entire game boundary umpiring the dead side of the ground?...you can't buy experience!

St Marys is a competitive outfit and they were determined to finish the game well, but our backs managed to negate their effectiveness and restricted them to 3 points for the quarter and subsequently a goalless game.

Tilly Rae was aggressive and assertive with her play and unlike Kev she was finding a lot of the ball. Flynn and Vas tackled relentlessly and the effort from Vas to smother the ball with only a minute on the clock spoke volumes for the Sharks commitment.

Hanni was getting front and centre to contests and was almost rewarded with a deserved goal. However, her bump a few minutes later split the pack and allowed Chloe Lee to swoop and handball to Zoe who goaled and put an exclamation mark on the contest.

Last time we met we were out muscled by St Marys, but today we embraced the contest and thrived. It was a great team effort.

(Thank-you to Tim "Livo" I love grassroots football! For the brilliant match report)

What a difference a week makes! A touch of blue sky, dry ground and the promise of a full squad (which included 5 fill in's from the U13's). The mood was encouraging. Abbey was our captain today and won the toss.

Q1. The girls dominated the early possession. Ruck work from Zoe and Amelia was inspired with valuable clearances from Tahlia and Sophie. Mia (one of the under 13's) continually attacked the ball and was unlucky not to have a bag of goals early. Great team work between our backline including Charli and Abbey assisted in keeping Warrandyte goalless. In the last minute of the quarter through continued pressure Mia finished some great team work with a goal. Score at end of Q1. Sharks 1.4.10 Warrandyte 0.1.1

Q2. Shark coaches spoke about the importance of talking, shepherding for team mates and that Warrandyte would be seeking to improve their Q1 performance. The early part of Q2 was ominous with Warrandyte controlling possession and goaling on several occasions. Once we regained composure and started to compete in the contest, the arm wrestle commenced. Tahlia laid some great team lifting bumps and punching the ball in a defensive marking consent. The team was rewarded with great perseverance with a goal to Zoe late in the quarter. Score at end of Q2. Sharks 2.5.17 Warrandyte 7.1.43

The discussion at half time was the need compete at each contest, and even a short lapse in concentration is costly.

Q3. The arm wrestle continued for the balance of the game. As mentioned from the outset the team were blessed to have 5 U13's at today's game and these include Mia, Kiara, Maddie, Remy and Ava. Each worked hard and made a valuable contribution. They weren't at all intimidated! Kylah was kept busy down in the back line with multiple entries, and even when out-numbered performed exceptional well. Charli, Vic and Abbey all had good quarters. Sophie took a nice mark on the grandstand side of the oval, much to the appreciation of the Sharks supporters. Reward for effort resulted in a great goal to Eva.

Q4. The focus was to keep competing for the last 20 minutes and the team undertook this task with great enthusiasm. Tahlia was everywhere either tacking, getting clearances for helping team mates. Amelia put her body on the line and come up with some great tackles. Charlie took a great mark as Warrandyte was pressing hard through the middle of the ground. There were some exciting passages of play where the tap work by Zoe, to the on-ballers of Sophie and Tahlia, and then a quick hand passes to Vic, Abbey or Charlie resulted in great clearances and advances to our forward area. Gee when it works it was great to watch. Mia was again rewarded with her forward effort with another goal.

The end result was a defeat, and but for a short passage of play in Q2 the game was played on even terms. The team continues to show improvement across all positions and they have a strong desire to compete.

After a strong performance in very trying conditions last week, we were really looking forward to playing Beverley Hills this week. A win would see us move to equal points on the ladder with them and provide a significant boost to our chances of playing finals. After having a full squad last week we were down to 16 with Nat, Chloe M, Chloe L and Abbey sadly unavailable.

Quarter 1

Our girls were up & about from the first bounce. Our backline was impenetrable, our midfield was providing plenty of run & carry and our forwards were creating headaches for the opposition's defenders. However, despite numerous shots on goal we only managed 4 behinds for the quarter. It was disappointing for the girls not to make the most of their opportunities as I felt it was their most complete quarter of football for the year.

Issy was winning countless possessions on her wing, Bri was on top in the ruck, Chloe R was a focal point at centre half forward and Jazzie & Dakota were their ever dependable selves across half back.

Beverley Hills only had a handful of forward entries for the quarter but did manage to kick a goal just before quarter time.

Park Orchards 00.04.04 to Beverley Hills 01.01.07

Quarter 2

The mood at the quarter time huddle was very positive and the girls were super confident about their prospects for the second quarter. Sadly, once the quarter started there was very little for us to be positive about as Beverley Hills completely controlled proceedings and outscored us 5 goals to 1.

We were second to the ball, allowed Beverley Hills to carry the ball away from the contest too easily and made some basic errors in our back half that resulted in relatively easy goals.

Even though it was one sided on the scoreboard, we did have some girls doing all that they could to wrestle back some momentum. Jaya was playing her best game for the season as a midfielder, Zarrah was holding her own at centre half back, Charlotte was playing well on her wing and Renee was working herself into the game.

Quarter 3:

Sadly, the tone of the third quarter was very similar to the second and Beverley Hills kicked 4.3 whilst keeping us scoreless in the process. To have played so well in the first quarter and then be 9 goals down at three quarter is a brutal reminder of how important it is to make the most of your opportunities in front of goal. Momentum can be quickly gained but equally it can be quickly lost.

It was not all doom and gloom, Alex was playing a fine game deep in defence and repelled a number of forward entries with her strong attack on the ball, Issy continued to use her speed to accumulate possessions despite her being tagged after quarter time and Grace was cool under pressure across half back..

Park Orchards 01.04.10 to Beverley Hills 10.05.65

Quarter 4:

The game was called off very early in the fourth quarter with no further scores being registered after Alex was injured in a high tackle. Whilst being brought to ground in a tackle, a second Beverley Hills player caught her high and she landed heavily on her shoulder and neck. An Ambulance was called and she was taken to Hospital, I am very relieved to report that she was cleared of injury after having a CT scan.

Alex was very lucky not to be seriously injured and it is a strong reminder of how easily a player can be injured if a tackle is not executed correctly. Football is a physical and uncompromising game at times but we must never forget that we have a duty of care to protect all players that run out onto the ground each Sunday afternoon.

Kew Comets 10.1-61 Def
Park Orchards 4.4-28

Round 10 – A perfect day for football with cool & overcast conditions and almost no wind. We travelled to Victoria Park Kew East to play the Kew Comets. We expected a tough game with 4 of our players on camp and 2 on the injury list so we started with 15 and no bench. The girls came well prepared for this game which is a credit to them. We started with Samira at full back and Ruby in the ruck supported by onballers Gabbi, Addy & Ibby. We created many opportunities as we tried to mix up the positions to get the most out of the team. As always our backline were tough lead by Kat, Ally, Kirra, Angel, Penny, Lili & Sophie who saw plenty of ball. We ran a lean forward line rotating Lucy, Ella, Kirra and any other players who needed a rest.

Slow starts to games seem to be a habit as we allowed Kew to lead at quarter time 2.1-13 to 0.1-1. There was plenty of great tackling through the whole game with most girls claiming a scalp. We missed Jacky (our ever reliable tagger) as their #34 started to run amok in the second stanza. Half time saw Kew 5.1-31 to Sharks 1.2-8 but we were not done. Having the scoring end in the third quarter our team mix seemed right with Samira and Gibbo coming off the wings to force the ball forward and it showed on the board as we outscored Kew 3.2 to 2 goals to go into the final break 7.1-43 to 4.4-28. Only 15 points down. It was a great quarter of football to watch. Unfortunately, Ibby rolled an ankle and was sorely missed in the last quarter for that drive out of the centre. Ally took a ball in the face which closed an eye but she bravely battled on with a permanent wink! We just love her resilience.

The girls once again did us proud and we could not have asked for a greater effort. Had a few bounces gone our way would have seen a much closer result. Sophie claimed the footy for her excellent game. Thanks to Skye for being our runner and Brooke for running water with mum Lisa.

Good job girls. See you at training Tuesday.
