Under 9 Red - Round Robin

## Round 7

It's hard to believe we are already up to Round 7 this week. Nearly halfway through the season yet it feels as though we've just got under way.

Congratulations to all our milestone players over the last few weeks. The banners have been booked solid for 50, 100 and even 150 games milestones for quite a few players. This is a great indication of the family atmosphere our club offers whilst receiving loyalty from our players. Our playing list is certainly a tight knit group of young players with friendships that will last forever. I look forward to seeing our youth girls starting to book the banners as well in the next few years. Every year we lose a few players for a variety of reasons, however we seem to attract new players to join us or return to us, even up to the Colts as evidenced again this year.

At the Sharks we base our younger players into friendship group's teams and then adjust once they start high school with team selection. This allows for children to initially learn the basic skills of football then as bodies start to mature we take the welfare of the players into account. With team selection mostly we get it right, mostly the players feel it's right and mostly parents feel it's right. Whilst not an exact science, a lot of time and effort is inputted to help our players grow from U8's through to Colts. Now we have a pathway for Colts to U19's to seniors with the P.O.F.C.

We are always looking at how our club is progressing and what areas need to be examined. I love this Club and the committee involved in being able to accept challenges and see the excitement of turning dreams into reality, worries into problems and then solutions. Whilst decisions are based on history, knowledge, and policy, we are trying to be proactive rather than reactive going forward.

Therefore from time to time we will challenge various parts of policy and what we do to see if we can improve areas within our Club. At the end of the day it is about our players enjoying the game of football, bonding with team mates and being part of a healthy environment.

## Life Lessons

I've been in a bit of a circumspect mood over the past couple of weeks, please indulge me and read in full.

As a 10 year old boy, life was simple and innocent. Why, a year was 10% of my life. Today, approaching a stage well into my 50's, a year is below 2% of my life. Maybe that's why the years go by quicker as we age because the percentage drops rapidly.

Life is not only about what we learn and how we apply the lessons learnt, it's about our impact on others. The history we learn at school doesn't help define our future.

Because at school you get the lesson first and the test after. However, in life you get the test first and the lesson after.

Sport is the mirror of life. We all want to be winners, but what does this mean? The real tests we will face are rejection, dealing with failure, having to start over again many times and 'you know' sometimes things that just don't go our way.

Phew, a heavy statement.

So, please let me encourage all to focus on perseverance, determination and persistence every day.

Our challenges that we will face are in being empathetic, understanding other's challenges in life and having the ability to take a step back and observe. This is the true test of our character, attitude and values. Let's work on ourselves, develop our skills and leave a true impact upon others, of who we are.

Don't be limited by what others say you can't do. Life is the most difficult test of all because most people are too busy comparing themselves against others.

It's who you are, what you learn from life and your effect on others that matters most.

So be proactive, get up and get going. Be the best you can be.

You are unique, don't trade for less, I believe in you.

Thank you.

## Pipe Hunter Sharkwiz - This Saturday the 2nd June

Only a few sleeps to go and only 100 tickets sold

C'mon folks let's double this. Get online and book now.

## Indigenous Round – Round 8

Congratulations to our Colts Red who will be competing against Fitzroy under lights in Round 8. The match will be played on Friday Night the 1st June at Victoria Park. We wish our players all the best on the night and encourage as many spectators as possible to get to the match.

## Burger Night Sunday 17th June – Bendigo Bank Buddies Night

The next burger night is the Colts/U8's & U9's Bendigo Bank Buddies Night. They will all be hosting the night, putting on clinic demonstrations and cooking for us all. Look forward to seeing you all there.

## Educational Event

Paul Haas and his wonderful team at Bounce Health group are running their informative "taping and sports medicine" evening again this year. It is on Monday 18th of June at their Blackburn premises. Every year the evening is booked out, so if you're interested please let them know at your earliest opportunity. You'll be amazed at the number of taping options and ideas shared, and yes, this is a hands on event. All of our Team Managers have full details so please contact them if interested or contact them direct on 1300 855 442 or paulhaas@bouncehealth.com.au

## Summary

Looking forward to Round 8 for our Juniors. If at any stage you have any queries then please don't hesitate to contact myself. Go Sharks!!!

This week the boys took on Beverly Hills JFC. The first qtr kicked off with the boys being a little flat and playing with only 3 in each zone. They managed to only concede a couple of goals at the first break. A small rev up and back into their positions for the next qtr.

The sharks boys that I know turned up in the second and for the rest of the game, tackling hard, using their team mates, chipping the ball around until an opportunity arose and making the most of all the possessions gained. Eventually running out with the game and making all involved very proud of the sportsmanship shown.

Captain for the match was Harry Hume who put in a great hard fought game like always, as did the rest of the team. Lots of hard ball gets and constant running made the game enjoyable to watch, and seeing the growth in skill and ball use by the boys we know they are heading in the right direction for all their footyball years ahead. Well done Under 8 Red and enjoy the 2 weeks off!!!

Today the boys played in the U9 Round Robin day of fun and footy at Bulleen Park.

The weather was fantastic with the boys having loads of fun, parents stood around and chatted and the Park Orchards group really enjoyed the day. We had Grand Parents come along to share in a wonderful day as well.

Mark and I thought it would be good not to overload them with footy stuff but to stand back more and see how they went without as much input from us.

All the boys did well and have taken on board the things we have tried to teach them, our ideas of teamwork and not individualism. The most enjoyable things to watch is when one of them have an easy chance to kick a goal, they respect their teammate and try to give them the opportunity to kick a goal as well. It shows the bond all the boys have created and enjoy together.

Big thanks to Neil your efforts do not go unnoticed, Mark Duffy, team Hales, Wendy, Ben and all the super parents who are always willing to help. It makes the coaching team's job so much easier when you know everyone is there to support and help. I cannot thank you all enough.

Elliot captained the team today and did a super job and also received the Maccas award.

Thought it would best to showcase the day with some pics of the Boys enjoying themselves.

What a pleasure to be playing at our home ground Stintons Reserve on a mild Sunday morning at 10am.

Our team mates from the black team lined up on the ground for us to run through which made for a great start to the day. Captains Will T and Alby did an excellent job of reading out the team rules and were pumped up for a big game.

Templestowe came out hard and threw everything at us, entering their forward line on 12 occasions. The boys in the backline Harvey, Josh P, Logan, Ned, Gabe and Tom E fought hard and kept them to only 2 goals for the quarter. Highlights included Bettiol's ruck work in the centre, Presty's big punch in the backline, Isaacs contested work, Will F's contested work in the centre and run and kicks, Alby's contested work and Lachy tried hard and kept contesting on the wing. Little Riley also kept running on the other wing and was on the end of an awesome chain of kicks between Rossy Harvey and Riley.

The second quarter was also a tough one with Templestowe pushing forward on another 9 occasions. The backline once again did an awesome job with Nate and Zac dominating at Full Back and Centre Half back, the boys around them in Dan, Will F, Alby and Lachy all combined well and kept Templestowe to only 1 point. The midfield also tried hard and forced 4 entries for our forwards. Gabe did well again in the ruck, Zane, Tom B and Will T all worked hard ensuring they pushed back and helped the backline. Other Highlights included Beau's hard work in the forward line. Zane's bouncing and kicking on the run, Dan's mark, Presty's kick to Tom B, Zac's goal saving specky in the backline and to top it all off a couple of awesome snap goals by Presty and Harvey. Well done boys it was awesome to watch. Harvey your persistence and hard training is paying off. After all this the boys came in only 2 points down at half time.

With the long break behind us and some more encouragement, the boys went out to fight hard and keep us in the game.

It was great to have Sam back from illness and he worked hard in the midfield pushing back to help the backline. Big Nate took over and dominated the ruck and Logan and Riley managed a few clearances throughout the quarter. Other highlights included Will F and Isaacs work on the wings, their endless running helped their team mates to only allow Templestowe 2 goals for the quarter. The backline was held together by Felix who had a great quarter including some bounces and kicks/handballs on the run. Kai continued to have a great game and was in everything right around the ground. Well done Kai your toughness at the ball is awesome to watch. Zane also kept fighting to keep the ball in the forward line. Two massive highlights for the premiership quarter also included a chain of kicks between Ned, Logan and Riley up the wing in front of the crowd. You could see the future with those boys connecting so well. And finally a sensational goal on the run to young Zac which similar to last week kept us in touch being only 8 points down at 3 quarter time.

With a rousing speech and special tips from Assistant coach Steve the boys went out to see if they could pull off their first win for the season.

The midfield fired up and with Nate dominating the ruck Zac, Presty and Ned all managed to get us a record number of entries into the forward line. A big special mention also to wingers Felix and Josh B who helped keep the ball in the forward line with their tackling, running and kicking. Backline Beau, Alby, Zane, Isaac. Riley and Gabe managed to keep Templestowe scoreless for the quarter. Other Highlights included the constant pressure from Dan, Will T, Tom E, Will F and Tom B who took a great mark on the run. Rossy then chimed in and kicked 2 goals, one of which was a sensational banana kick from the boundary. All of those weekends practicing down at Domeney paid off Rossy it was never gonna miss. Midfielders Nate and Presty also peppered the goals but just missed and then young Zac Anto iced the game with another goal on the run.

Well done all 22 boys today, it was an all round team effort. Just shows how important defence is as even with only half the number of forward entries as compared to Templestowe we managed to get our first win for the season!!!

The rendition of the Sharks song could be heard right across Melbourne. A must watch on the team app!!!

**Camberwell 5.4. 34**

Sunday, May 27 2018 – 8.30am at Stintons Reserve

The Sharks Under 10 Black team returned to their home ground after a couple of away games, and despite the early start the sun was up early making for pleasant conditions. With Coach Daniel Bullen away, Assistant Coach Ben Kinnear took the reins as coach with deputy, Dominic Zylan (currently injured) helping with the magnets.

**First Quarter**

For the third week in a row, the Sharks boys were again quiet out of the blocks, and found themselves on the back foot against a more determined and organised Camberwell side who quickly established a lead. Wayward kicking across the ground denied the Sharks clean possession chains, while we were unable to convert when we had our chances in the forward line.

Sharks 0.2. 2 Camberwell 2.1. 13

**Second Quarter**

Like past weeks, the second quarter began much better for the Sharks as we began to compete for the ground ball and our talls were able to control the air. The game was played in the Sharks forward half for much of the quarter, and while we were able to keep the opposition scoreless, Camberwell defended valiantly. But a late Sharks goal had the boys back in the contest at the main break.

Sharks 1.2. 8 Camberwell 2.1. 13

**Third Quarter**

The Sharks boys began the third quarter having gained back some confidence but were quickly set back on their heels as Camberwell took advantage of what looked like a scoring end to establish a three goal break. With the magnets shuffled and interchanges made through the quarter, the Sharks were able to reorganise themselves to control the second half of the quarter, with a late goal giving the boys hope as they went into the huddle.

Sharks 2.2. 14 Camberwell 4.1. 25

**Final Quarter**

The last quarter was a fierce, see-sawing battle with both teams trying to gain the ascendancy. The Sharks backline stood up to numerous Camberwell entries and were able to intercept confidently, but ultimately we were not able to control enough of the play to bridge the gap on the scoreboard and went down fighting right to the siren.

Sharks 2.3. 15 Camberwell 5.4. 34

Fine autumn morning, dry deck, we had our colours lowered easily last year against Banyule, we knew we where in for a tough day, where our chargers ready for the contest? You bet they where.

Our message before the siren was to come out strong from the first bounce so the opposition wouldn't catch us off guard, we won the toss and kicked with the breeze.

Went in to the first change 5 goal up, which was very pleasing, 2 goals to Henry and Lucas N set the tone for a fast break start. Gabes forward pressure must be noted and Owens first ¼ goal the signs where positive.

2nd ¼ they had the breeze and the backline was unchanged and ready to weather the storm. Going in at halftime 3 goals up was really encouraging, the boys where on today. Lucas H was getting his hands on the footy and Felix was influential around the stoppages, goal to James for the term was enough to steady the ship.

3rd ¼ and the boys came out breathing fire piling on 5 majors for the ¼ to leave Banyule reeling at the¾ change. Zacks goal was a beauty, Lucas N dobbed another 2 for the ¼ and when Mason kicked a banana from the boundary line playing on 1 leg surely got the boys inspired. Whilst the contest was tough and sometimes spiteful, the boys maintained there focus on the footy and won the 3rd convincingly.

Final term 9 goals up but they had the wind and a wet sail to come home with, we had a number of casualties on the bench with up to 6 rotations in the 3rd and holes needed to be plugged. Must mention Cambell for his constant pressure and ability to back himself and leave his man was a standout for the ¼. Whilst Banyule got a few back in the final minutes a 5 goal win was possibly our most pleasing for the season.

Well done boys, great brand of footy today and thoroughly deserved your win.

Our fast brake footy worked really well today and link up play in the middle was a feature, we will continue to work on our 1 on 1 battles at training and team structure at the lines we will continue to drive home. Go sharks

Big Game today with the sun shining. Captains Oli Nitz and Allen Guo addressed the team with gusto during their opening address, which seemed to resonate with team getting off to a hard-fought opening quarter. Unfortunately as the game went on Beverley Hills superior organisation around the ball and the field led to them scoring a number of goals through good ball movement. We were still in it at half time with 15 points the difference. The boys came out firing in the 3rd qtr but once again the Beverley Hills midfield and forwards had our defence under siege again, this trend continued into the 4th qtr, seeing them run away with a solid victory. Well done Sharks this was a game that was a test of character, which you rose to by never giving up to the final siren.

**Sharks Vs Fitzroy**

This week saw us travel into town to play Fitzroy (yet another team down from Gold Div) for what we anticipated to be a hard game. And how true that thought was.

We managed to scape over the line with very few seconds left thanks to a 25m penalty awarded to us. This saw Jamo slot the winning goal through with literally seconds to go!!

To set the win up it all started with Polly playing in front, up front to slot through our first goal against the wind. It was a hard day as the wind was against us in the first and this saw Fitzroy kick long. Wit the Killer Kilkenny down back ably supported by Oakesey the boys defended well. With Ace leaping in the ruck in the first qtr, the boys lead by Tommy Rees and Sonders in the middle fought hard all day with Leaping Davey Broadbent taking the ruck duties in the second saw us kicking with the wind. Although we maybe didn't take advantage of the wind we kept the ball at our end for most of the qtr with the likes of Morks, Sebi Lee, Sam Stephens and the backline repelling Fitzroy's attacks. Unfortunately we went into half time 8 pts down as our opposition were able to score against the wind as well.

This set up a do or die 3rd qtr so we threw JT behind the ball and with a strong back line the boys were able to keep Fitzroy to scoring 2 pts. This was a great effort and the run of Foxy and courage of both Sebi (running into a pack wit the flight of the ball) and Oakesey now off the ground injured left us with only 16 players on the field. Matty Parrott ran all day, equally supported by Humey and Zac Smith and this set up an attacking last qtr that saw the boys rally around each other and with a great positive attitude would see us run over the opposition as we came home with the wind.

The last qtr was scrappy as it was a tight contest and with our mindset on ALL OUT ATTACK we backed the boys with the handball, run and carry to get us over the line. Sammy H, Fraser, Sammy S, Foxy, Sonders, Humey, Paz, Ace, Rees, Morgan along with JT, Davey B, Killer, Smithy, Morks in the forward 3 qtrs of the ground (not a crowded forward line at all!!) left Polly holding up the backline in case Fitzroy repelled and we managed to keep them scoreless and kick 1 goal 3 to win the game.

**RED, WHITE & BLACK!!!**

We got to sing the song for the first time this year with a well fought victory over Glen Iris at Glen Iris.

The game was competitive throughout & the boys showed they were switched on in the first quarter when kicking into the wind we managed 2 goals to be only 2 points down at the first change. Solomon drilled a set shot & Mitch provided a great running goal. Harry was, as usual, our leader around the ball & Charlie continues to develop as a ruckman. At the other end of the ground, James is our backline general, taking several intercept marks.

In the second quarter, we continued to be competitive, winning free kicks being first to the ball. Lucas has found a rich vein of form & looked damaging on his wing. Solomon went to full back & was composed as usual. Dan W is starting to show his ability with a great aerial presence. Matt W went to the square & great to see him using his running ability on a number of occasions. Brodie & Bo, 2 of our other newest Sharks, are really stepping up. Bo's use of quick hands a feature & Brodie's kicking skills have improved out of sight (shows the benefits of a good training attitude). But our biggest improver this week was Oscar. Again only his 7<sup>th</sup> game of footy but his work in the backline, attacking, winning possession & kicking long a real highlight of the day. Half time we held a slender lead after 2 goals to Yared.

Third quarter was critical. Into the wind we had to hold them. Boston began well with good marking & quick ball movement. Ben W moved to the wing with great effect & his effort at winning free kick then kicking long saw our first of the quarter with Dan S running into an open goal. Dan S added another shortly after which was a great return for his work-rate leading up & down the ground. Our captain for the day Remi also showed his remarkable improvement. His run & attack on the ball continues to impress. By 3 quarter time we held a 9 point lead.

Last quarter we just had to stick to our game. Backline continued to pick up their men - "shoulder-to-should" boys. But we did really dominate. Some of the highlight of the final quarter were: Yared's towering contested marks; Oscar & James leaving opponents to attack the loose ball; Rhys, who had been quite by his standards, didn't let the moment pass in the final quarter by winning a crucial ball at halfback & propelling us back into attack; Charlie presenting continually. But the highlight of the last quarter was Mitch's running banana goal from the right forward pocket which sealed the result.

Glen Iris pegged 1 back late but fittingly Yared kicked 1 right on the final siren for a great victory.

This week we were a complete team. Handballs, good use of the footy through the middle of the ground, good voice & encouragement. We knew it was there, just a couple of personnel & a bit of luck were needed.

Yared's return can't be understated. 3 goals & numerous marks a great game (after starring in the Cannes Film Festival winning short film is there anything he can't do?). Mitch & Dan S also kicked 2 goals. Mitch also negated their best player throughout the day so had a fantastic game. Oscar was composed & attacked the ball all day as did James & Solomon along with the rest of the backline. Lucas continued well & Ben W was great on his wing in the second half. Harry was were the ball was all day & is a fine, consistent player for us.

So reward for effort on Sundays but more importantly at training on Thursday nights. Lets bring the right energy & commitment each & every session/game.

This week we came up against Surrey Park with another of our great club stalwarts making his long awaited comeback from a knee re-construction in George Standish. George was tremendous in his endeavour and attack on the football when he came on in the second half.

We must be knocking on the door for another win after our performance against Surrey Park. With the exception of some poor skill errors in the first half I thought that we were very competitive.

Being down by 39 points at half time, anything could have happened. The super coach kept the players on the ground at half time and something changed in the third quarter. Our skills by hand and foot and the way we linked up and our speed started to create havoc for Surrey Park. The third quarter was probably the best quarter of football we have played for the year. Big Jim Curnow O'Connor with his aerial marking feats on display had a purple patch and kicked 3 goals.

We were 15 points down going into the last change and everyone was hoping for an upset, however Surrey Park with their height were probably a little bit better at the end.

I was very proud of our boys as they stuck to the task all day and never threw the towel in which is a credit to this group of players

This week we play Fitzroy under lights at the home of Collingwood and the expectation is that we come with the same attitude to play hard but fair football.

As the Supercoach keeps saying, it's important that you all show up to training this week.

The day's conditions were perfect with late Autumn sunshine and a temperature of 20 degrees for the day.

We arrived at Stintons Reserve to find some (presumably) young louts had cut the lock to the ground and had proceeded to do circle work across the ground from centre half forward to centre half back.

The gouges into the surface were significant and our thanks to Mark Leonard for getting a trailer load of sand for filling in the worst of the damage.

Unfortunately this is not an isolated event as Colman Reserve has just been repaired by the council following a similar incident there.

Lets hope the offenders get caught.

Eventually we were able to take the ground against a Preston outfit which had only lost 1 game for the year and that was against the team that was elevated after grading, so we knew we were testing ourselves against a serious opponent. We needed to bring our A game.

And we did for 2 ½ quarters. We moved the ball beautifully in patches but not all the time. We tackled hard at times but at others we failed to stick the first tackle. We kicked our passes to other players but the ball was too often kicked where they had to mark above their head instead of in front of their face. And if you showed the Preston players that much of the ball, they killed the contest.

We started well with 2 quick goals to Ben Gill roving off Macca in the perfect front and centre role. This gave the team the start they wanted but Preston are a good team and they worked back into the game with some lovely passages of play. At ¼ time, it was 27 to 12 in Prestons favour,

In the second quarter we failed to make proper use of the wind and could only post 1 major to Whopper whilst Preston added 2 goals. It was just a lack of poise and polish that hurt us here as our endeavour was really good and we were taking the game up to Preston.

In the third we worked really hard early. Ben Gill and Whopper added majors and we had got close enough to Preston to start to worry them but unfortunately some late mistakes and sloppy defence allowed Preston to kick 3 late goals and therefore undo all the hard work that had preceded it.

The fourth quarter was an even contest but the bigger, harder bodies of the Preston Hirstutes were starting to influence the contests and our boys were feeling the pain. To our credit we fought it out to the last with Dec Hickey kicking 2 strong goals in the last quarter but the siren sounded with Preston strong winners 12.11 83 to Park Orchards 7.4 46

So we meet on Tuesday for a discussion and PIZZA session and work into the second half of the season on the back of an improved effort.

Conditions were again perfect for our round 7 clash with top of the ladder Kew at our home ground Domeney Reserve. The task at hand seemed daunting but the girls attitude was positive and we knew early they were switched on and up for the fight.

Again, our captains for the week Jaide Scott and Emily Caldwell gave our players some excellent words of advice in the rooms before we went out. We had 16 players starting with seven on the bench (Sienna Pollock away) so rotations on and off the bench were hectic and attempting to play the girls in a number of positions throughout the day was a challenge – which we will only get better at.

The battle was fierce for our backline as the ball was down the Kew forward line for the majority of the day. For most of the first quarter the likes of Indi Tovey, Scarlett McInerney, Willow Harvey, Ella Saunders, Grace Dawson and Allie King did an amazing job in attempting to stop Kew from scoring. Approaching quarter time they had only scored a few points before a couple of late goals hurt. The scoreboard did not reflect the effort and commitment we showed going into the first break.

From there on the game seemed to open up as we struggled to contain a team that had a lot of even contributors. They were hard at the ball all day, they were slick in front of goals, hunted in numbers, ran hard, tackled hard and backed each other up particularly well.

Our captains Emily and Jaide were good contributors all day, running, chasing and tackling. Mia Bosna was solid in her role as usual, starting as a rover then moving forward. Her work rate and ability to get in the right positions in crucial to our performance. Zara Dove chased hard through the midfield collecting a few kicks along with Elena Pelosi who was a standout performer in the centre along with Mia Spencer Jones. Elena's run, ball use and tackling was outstanding. You continue to improve every week Elena – well done on winning the Opposition Medal!. Mia SJ also worked tirelessly through the midfield maintaining her high standards and work rate.

Grace Dawson and Grace Bettiol also continue to impact games. Grace D was part of the hard working back line before moving to a roving position, her run and carry, tackling and kicks to space got us out of trouble on a number of times as did the work of Grace Bettiol. Grace B came on at quarter time, supported our back line, rucked well, marked, and kicked beautifully – another solid performance Grace.

We had big plans for our forwards but unfortunately, the ball did not head down that direction too often. When it did, the likes of Tegan Rule, Charlotte Peterson, Ellie Bryant, Bonnie Spencer Jones, Ruby Caldwell, Macy Vendel, Shania D'souza, Georgia Taylor, Zahra Nyariri and Charlise Doolan did their best to trap it in and score but we were outplayed. On the few times it went inside our forward line these players did all they could and it is great to see your efforts and willingness to get involved in the game. Next week your time will come, I am sure of it.

Many lessons learned from this game for not only our players but also our coaching staff.

We need to improve on the following;

- Getting back off the mark and kicking long directly down the line to our goals
- Our long kicking
- Kicking out from full back
- Tapping to our advantage in ruck contests
- Running to space and presenting the right target for the kicker

All of these skills we will endeavour to work on at training over the coming weeks. When/if you have time during the course of the week please practice your kicking. It is the one skill I would like to see us use the most and get right. If we can hit our targets with accurate kicking, we will improve out of sight.

Again, thanks to all the players for not dropping your heads during this week's loss. Have a think about what made Kew such a good team and what we can do next time to improve the way you/we go about things. Looking forward to next week's clash with Templestowe who beat us in our first game ever. Lets make sure we take the points this week in an important game for ladder positioning.

Training Tuesday @ 5pm – see you then.

On a warm and sunny afternoon we headed to Kew - the reigning premiers and the only girls team we had never beaten. In fact Kew had only lost 1 game in 3 seasons, so we knew we would have to dig deep for Round 7. We were down to 14 players but Kew kindly offered us 2 of their best. It was great to welcome Kristen back to the fold after several weeks recovering from injury.

Q1 The First Quarter saw some scrappy play as both teams struggled to pick up the football and maintain possession. A sensational shepherd from Alannah allowed Kristen to seize the ball and she was off and running. We saw a great tackle from Chelsea and marks from Kristen, Sophie, Jazzy and Lauren. Jorja was working hard to clear the ball. The first goal went to Kew but Alannah soon evened up the score. A great mark from Flynn saved another Kew goal. Tilly H did a great job keeping Kew's #30 off the ball. Q1 Shark 1.1.7 to Kew 1.1.7

Q2 The Coaches asked the girls to lift their endeavour and it wasn't long before we saw Tilly R pass the ball to Chloe for the first goal of the quarter. Strong efforts out of the middle resulted in a behind to Mia. Jorja had a strong run which resulted in Sophie kicking a goal. Chelsea was strong in defence, scooping up the ball to save another Kew goal. We were moving the ball quicker this quarter and peppering the goals, adding 4 goals, 4 behinds to the scoreboard. Q2 Sharks 5.5.35 to Kew 2.1.13

Q3 In the Third Quarter the Sharks continued to work hard in defence. Chelsea foiled another Kew goal and followed this up later with a great smother. Sahana and Nat were making it hard for Kew to maintain possession. We also saw a lovely mark from Flynn, good 2nd and 3rd efforts from Lauren, great smother from Tilly R and a strong tackle from Tilly H. Q3 Sharks 6.8.44 to Kew 3.1.19

Q4 The girls came out strongly and held the ball in our forward line for most of the quarter. Mia worked hard getting the ball to Jorja who goaled. A quick snap at goal by Alannah gave us 2 for the quarter. With contributions from everyone the girls kept last year's Premiers scoreless in the last quarter.

**1st quarter:**

Good all-around playing, team effort was amazing. Unlucky not to score a goal but the girls lifted from that. Zoe's ruck work was extraordinary and she cleared it out very well to the Amelia in the centre who then dished it off to the rovers to smash it out to our forwards who worked very hard. Courtney with consistent possessions going forward and gaining a lot of ground. The ball would have spent 70 % of the first quarter in the Sharks forward line but we just couldn't convert.

**2nd quarter:**

Ella did very well and worked hard in defense stopping many goals and providing plenty of rebound from half back. Amelia taking a good mark in front of goals and Zoe's marking well and kicking very far. Charli with many great tackles and then getting the ball cleared. Courtney providing a lot of marks and long kicks out of backline to Abbey who then was fast to kick it towards our goals with a great kick on the run.

**3rd quarter:**

Courtney's drives across the ground, kicking the ball into the forward line for the girls to try and score. Alicia's back up of the ball and helping Amelia when she was trying to clear the ball out the pack, Zoe in ruck was consistent and she was following up into the play. A much better quarter by all players and backing each other up and working very hard.

**4th quarter:**

In closing, overall every player had an impact on the game. With many opportunities to score, Alicia and Victoria with two terrific goals. The team managed to put the great well deserved goals on the scoreboard and each and every player went out strong, and the whole team should be very proud. There's a lot of things to know in football, each week we improve on them and we keep learning. Success will come, it takes time but we will get there. Good game girls deserved to win, keep going.

Round 7 lead us to the picturesque Victoria Park in Kew on another excellent day for football on a good surface. We managed to start the game with 17 players giving us one interchange on the bench. It was a tough day for our girls as Kew had their full contingent of TAC Cup players return to the side. Kew are not a tall side but had great speed and managed to convert their inside 50s. Even under the pressure our hard tackling was on full display as the backline lead by Sky, Addy, Ashe, Ruby, Sophie and Ally (we miss you Brooke) worked tirelessly. Despite the score line we had some great passages of play including some shots on goal, but it was not to be our day. The bounce of the ball just seemed to elude us all day. Our midfielders lead by Samira, Gabby, Jacky and Ibby also worked tirelessly and was ably supported by Paris, Addy, Sophie and Kat. Kat seemed to be playing all ends of the ground and never stopped repelling the ball to our forward line.

With the team under pressure all day it was great to see some girls really step up and play great football. Some highlights included seeing Ally became a tackling machine opening up a can of whoop-ass on any opponent with the ball (thanks "Waterboy" movie). We even asked her what she ate as tackling fuel before the game! Kirra started to find her feet and took a number of marks, including a couple running with the flight of the ball without any fear, which was amazing to see. Ruby started to clunk a few marks and launched some impressive kicks out of the backline. Tiana started to get more of the ball and Lucy stepped up with some great tackles and crashing of packs.

Unfortunately our injuries count continues to mount; Brooke - broken figure from our previous game, Skye came off late in the game with a hand issue (we learned later was a broken finger). Penny's knee is not great but she struggled on at full forward getting some touches. Thanks for never giving up all day, you girls have a fantastic attitude. To compete at this level we need to improve our fitness and skills. To do that we need to see you at training Tuesdays and Thursdays.
