Round 8

Hi Sharks Family

Round 8 kicked off with a bang at Victoria Park on Friday Evening with our Colt Reds for Indigenous Round. On one of the coldest evenings this winter, the football displayed was hotly contested. Fitzroy JFC put on a 'Welcome to the Country' ceremony with 'Uncle Bill' and our troops were welcomed to walk through the ceremonial smoke. Alan Christianson (formally of Geelong FC) represented the Brisbane Lions in attendance at the game as a marquis speaker and indigenous player representative.

Whilst Fitzroy were too good on the night, it was pleasing to see a number of Sharks jackets in the crowd.

PipeHunter Sharkwiz Trivia Night Review

Thank you to all of the attendees at the PipeHunter Sharkwiz on Saturday Night. The atmosphere was electric, the crowd comfortable and the noise at disco level. Representation was awesome from our youngest through to the older teams. Well done all for participating.

Congratulations go out to Vanessa Hamilton, Sue Smith, Tiff Stephens for helping to set up for the night. Thanks to Dave Philipson for a truly remarkable trivia set of questions and the ability to allow the evening to flow.

Dave, thanks for the video displaying shots of every team.

Well done to table 10 for winning the evening. Whilst the club tried its hardest to disadvantage this table with a handicap – me, they still pulled through. Numbers were down on previous years so it will be interesting on how much was raised. I must admit that with three U12 teams, parental assistance in setting up was a disappointment. Only two representatives were on hand to help. Folks, if you're rostered on for various events, please get behind them and help out. The apathy displayed wasn't brilliant.

Anyway, as our major fundraiser for the year, the 130+ in attendance voted it a great night.

ALERT, ALERT – The successful bidder for the tickets to Etihad failed to pay on the night. I've got them, so please call me to organise a time to get together – thanks.

Queen's Birthday Weekend

Just a note of confirmation that NO matches will be played this weekend. Please enjoy family time instead. Boys & girls, how about making Mum breakky in bed either Sunday or Monday? Also, do your chores around the home, this can be done as a thank you for your parents taking you to your matches and training.

Team Photos

Team photos are scheduled for Friday evening the 22nd June. First up will be the Under 8's, 9's & possibly under 10's & U12's to be confirmed. On Sunday 24th June will be all other teams. Your team managers will send out confirmed dates and times for participation during the next week.

Burger Night

The Bendigo Bank Buddies Burger Night, hosted by the Under 8's, Under 9's and Colts is on the 17th June.

Social Night – Saturday 21st July at The Grand Warrandyte

Each year we present an evening where it's 'all about' the mums, dads and guardians. A night just for the parents to mingle, relax and let their hair down (Well the later only if you've got it). There are no strings attached to the night. We have over 150 new players register this year, so it would be great to see as many new faces as possible.

Bookings will be via an Event on TeamApp which will be setup in the next few days. Our final pricing is being setup over the long weekend, so I'll let everyone know next week via Team Managers.

Summary

Wishing everyone a great long weekend. Go Sharks!!

If at any stage you have any queries then please don't hesitate to contact myself on the phone.

THE GRAND
WARRANDYTE

What a fantastic Sunday for the Sharks U8 Black Team. This week we were playing away against the Whitehorse Colts on a fairly cold and foggy morning, but that didn't deter the kids!! We had a bit of a challenge being a couple of boys short this week, but the Colts were awesome and shared some of their players so everyone got a go. A huge thanks to our boys who welcomed the Colts boys as one of their own.

There was a lot of bravery on the field with a couple of the boys (Ethan and James) spending some time off the field nursing injuries. Some special mentions this week:

Archie Hattwich – Played possibly the best game of his season. He took some great marks and kicks and was always looking to pass the ball off to team mate. He was amazing at chasing and chasing his opponent all through the game. A worthy recipient of this weeks McDonalds award.

Finn Arbuthnot – Finn had another great week. He laid some awesome tackles and does a great job of finding space for his team mates to kick too. Finn was deservedly awarded the Colts award for best player.

Ethan Genever – Despite missing a couple of quarters with an injured finger, he came back late in the game to create some great opportunities up forward.

Hugh Marsh – reliable as always, Hugh had a great game. He reads the play well and always looks out for his team mates.

James Cahill – did a great job and is clearly working on his marking and its showing!! Unfortunately James had to miss the last couple of quarters with an injury, but I'm sure he'll be back stronger than ever after a week off.

Harry McInerney – Played a very competitive game, he ran hard all day and was on the end of a few big tackles. His kicking is improving every week and was part of great little interaction with Jackson that resulted in a goal.

Alex 'Dusty' Giosserano – Alex is ever reliable and also had a great game. His skills were fully on display, including a great little run and bounce!!

6	Harry McInerney	14	Marcus Di Battista
7	Lucas Zylan	18	Alex Giosserano
8	Finn Arbuthnot	19	Hugh Marsh
9	Kruze O'Neill	34	James Cahill

Lucas Zylan – Lucas loves getting into the action. He had another excellent game and took a few really strong marks and kicks.

Luke O'Neil-Parker – Luke was probably the defender of the day. He makes great position in the backline, marks his man constantly and prevented a few goals for the Colts.

Jackson Hartley – Competed well all day. Jackson uses his height to advantage taking lots of big marks. His long kicks are a feature of his game. Jackson is also a great sports person, he's the only kid I've seen say 'well done' to his opponent when he kicks a goal on him whilst playing in defence.

Many thanks to the parents for helping at the game, especially Warren Marsh for goal umpiring.

Park Orchards R v Templestowe

A cold and foggy start to the day didn't dampen the boy's enthusiasm & excitement to be playing a full game after last week's round robin series.

Julian took the reins as captain and led the team out onto the ground, loosing the toss Templestowe decided to kick towards the big goals.

Julian took control of the midfield in the first quarter setting the boys up and directing traffic, Julian gave the boys a rev up at half time to make sure everyone was ready to go. Great captains game full of encouragement and energy.

With the bounce of the ball the midfield got going quickly to take control of the game. The boys moved the ball quickly looking for each other to get clear and then deliver to a mobile forward line.

Our pressure around the contest and willingness to tackle chase and harass the opposition gives their teammate the opportunity to pounce on the loose ball and with quick hands get it out to a teammate who can get clear and set us up.

Ben N started the day strong and worked hard in a congested midfield, breaking away from the pack looking to find an open teammate up forward, coaching group was super please to see Ben run a J lead in the second quarter with Xavier delivering right into his bread basket.

Xavier took a bit to get going but wasn't on his own as a few of the boys couldn't get kick started in the chilly conditions. Once the hands warmed up he was right back to his usual pacey best finding targets, kicking long and marking strongly.

After starting the day in defence before moving up forward in the second Wills hard work around the contest looking after his team mates and keeping the ball moving Will was rewarded in return after following up and getting forward and kicking a goal on his left. Well done.

Liam continues to impress with his ability to find the ball and get clear, keeping his feet in tight situations and breaking clear. A real signature of his game that you just expect each week

Darcy using his left on many occasions was great to see him continue to challenge himself and use his right with devastating effect and making his teammates run to position by directing his kicks to space. Another solid day bringing his mates into the game.

Ryan had a great start to the game in the first quarter taking at least 4 intercept marks in defence, Ryan built on his early work gaining confidence finding himself on the bottom of many packs in the 3rd quarter working hard applying pressure.

Patty Duffy was awarded the opposition medal today, the Templestowe coach was impressed with his pace and tackling ability, then once he gathered the ball how well he used it to his teammates advantage. Well done, a reward for hard work.

Henry started the game well with second and third efforts all day. Out numbered in the forward pocket Henry beat 2 opponents and launched a super torp to snag a major. Henry also imposed himself on the opposition, gently reminding a young fella that he may be biting of more than he can chew.

Angus put in a fantastic game again running hard and doing his best to set up his teammates with strong inside works around the contest. Hindered with a sore eye but it didn't stop him from doing what he does best and extract the ball out of the packs giving us first use.

Likewise, Ben H doing his in and under work but also getting to position to help his teammates out who are under the pump. Setting up on the attacking side of the ruck in the first quarter Ben was able to run to position for a quick handball over the top into space and distribute the ball with pinpoint accuracy.

Kai started forward and provided a second-tall target for the boys to look for. Kai worked well with his teammates using his strength to hold position in the marking contest to bring the ball to ground for the rovers to overpower the opposition and keep up the scoring pressure.

When Ollie tucks the ball under the arm and takes off he can really put a gap on the opposition, add to that his overhead ability Ollie is a real handful for the opposition. Not sure how many marks Ollie took but his ability to continually get to the contest ensures he gives himself every opportunity presented.

Thomas's has been working hard at training and it showed today leading well and presenting as a target for his teammates, strong marking and looking to move it quickly. Great Stuff keep up the hard work.

Not sure how the ride home went for James but Dad was a little concerned about a couple head wobble moments, especially after his contested one hander in the pack shortly followed up with a strut after another solid mark. Love the confidence James is bringing each week, a real reliable contributor to the team and is enjoying a super season.

Great Team Play Guys taking every OPPORTUNITY to look after their teammate and make sure everyone has a great day playing FUN FAST FOOTBALL

Bulleen Templestowe 7. 7. 49 Def
Park Orchards 1. 6. 12

First game of the 2018 winter and good Old Melbourne didn't let us down. It was a foggy morning and the ground at Bulleen Park was a little spongy but the boys were up for another tough game.

Captains Lachy and Josh B read out the team rules and led the boys out onto the ground.

The first quarter was a tough one with Bulleen Templestowe having all the play in their forward line.

The backline which included Zane, Logan, Josh B, Ned and Kai all tried hard. Little Riley backed up last weeks great game with another awesome first quarter. Our midfield led by Captain Lachy, Gabe, Will F and Beau had a great quarter. Josh P and Alby also had solid quarters from their respective wings.

In the second quarter the game evened up a little with our boys slowly coming into the game led by Captain Josh B who kept using that awesome left foot of his. The backline Of Anto, Isaac, Presty, Alby, Nate and Riley held Bulleen Templestowe to only a couple of goals. Tom E and Harry tried hard on their respective wings and midfielders Will T, Felix, Dan and Harvey fought hard with little Harvey pulling off a huge tackle and locking in the ball on the far side of the ground. A major highlight came from Dan Nielsen who was a ball magnet all day as he racked up one of the largest single quarter possession tallies for the season which included a left foot kick. Great marks were taken by Harry, Alby and Nate who took a ripper overhead. Anto started breaking the lines and the boys connected beautifully on a couple of occasions. The commentator would have gone something like Presty picks it up and goes to Anto who nails Alby on the run and then another sounding like Anto streams out of the backline and hits up Riley who looks up and finds Dan Nielsen.

The half time break gave us a chance to have a look at what the team were doing and with some input from the boys we made some changes to our game plan.

The midfield led by Ruckman Nate who had a huge 3rd quarter started to get on top of our opposition. Tom B moved into the midfield and also had a great quarter contesting everything and Harry amd Tom E also helped push the ball forward. Little Dan Nielsen had another cracking quarter, this time from the wing connecting with Zane and Zac for some lovely ball movement down the wing. Zane came into the game with some nice runs and kicks and contested hard. Boy is he exciting when he is on the run and kicks with his left foot. Nate and Harvey had some more great tackles and Will F pulled off a huge fend off but unfortunately was penalised. The backline also stepped up keeping Bulleen to only one goal. Beau tried hard and helped his team mates with some great body work in tight and Noodles chimed in with a huge quarter at Full Back saving 3 or 4 goals on the Full Back line. Gabe was once again in everything and kept fighting hard and Oscar tried hard on his forward flank when the

ball came in. Once again the boys came into the 3 quarter huddle full of confidence looking forward to the last quarter.

The backline which included Harvey, Felix, Tom B, Zane, Josh B and Sam did an amazing job. Little Sam who came into the game under an injury scare had a great quarter ensuring we stopped anything that came his way.

The midfield led by Nate's excellent ruckwork got on top again. Noodles, Presty and Logan who scored a great goal dominated the quarter. Anto and Will F also stepped up which saw us peppering the goals for 7 scoring shots including 2 posters and a shot by Presty that just missed on the siren. Bulleen Templestowe didn't manage to score for the quarter. Will T also had a great quarter as did Kai, Isaac, Dan and Lachy.

The boys came in having outscored their opposition once again in the second half.

Well done Sharks another great effort with the score board not doing the effort any justice.

Heidelberg 2.3.15

This week's report will be short....with all the fog at the ground I only saw half a match! We were playing top of the table Heidelberg and unfortunately due to injury we were missing four very classy players. The coaches asked the players for total commitment. The feeling was that if we do what we are good at (tackling, harassing, pressuring) then we would still win.

The first goal of the first quarter was to Felix. All I saw of it was fog, more fog, and then a player come out of the thick fog with what appeared to be the match ball, take a bounce, take another and then slot a great kick on the run to lots of cheers. We were underway. The second goal came from a really strong tackle by Gabe that led to a loose ball that Owen picked up on the run and snapped for a great goal under lots of pressure. Lukas HB was dominating around the ground and really imposing himself on the game. Two goals up at quarter time.

The second quarter was a dour affair but had plenty of highlights. Max N and Campbell, our two strong pillars in defence, took fantastic contested marks to nullify strong forward thrusts from the opposition. Our defence is built upon the reliability and confidence that these two pillars give us. Gabe once again laid a bone crunching tackle, a real feature of his game. Our only goal for the quarter came from a clean pick-up by Jacob S and neat kick around the corner to find Lachlan A in space. Lachlan A then used his pace to take his full run and dribbled the ball through for a great goal. We went into half time with a three goal to nil lead and felt in a good position.

The third quarter belonged to Heidelberg. They got on top in the middle and had most of the play in their forward line. Dylan kept us in it during the quarter, with several strong tackles that locked the ball up and denied the opposition easy goals. The opposition got two goals for the quarter and it was game on again. We asked to lift and we felt a couple of quick goals early and it was game over.

The boys responded in the last quarter. Jack took the game on and earned himself a free kick. He got the ball moving quickly and the kick landed in Felix's hands and he slotted the early goal. I didn't see the next goal due to the fog, but I know it was kicked by Byron. I asked him about it later and he said it was a left foot banana from 60m on the boundary....an absolute ripper I'm told! Bruce played a very strong quarter for us. He always brings hustle to his play, but here he was able to take several strong marks and thump us forward.

Park Orchards (A) 4. 4. 28 Def by
Hawthorn Citizen 10. 11. 71

After a surprising and shocking week off the track all our focus was on being positive, never giving up and improving on the things we achieved last week.

With our skipper Ollie winning the toss we were off on the right foot.

Big Tom (BT) started with first hands on the ball in the ruck as Ozzie roved on the run to push us forward early. Our forwards worked together well lead by Hamish and Sean were able to lock the ball in forward line and make it very difficult to get the ball out. BT, Ozzie, Tom Mac and Fletch playing discipline football by building the wall and not letting Hawthorn thru the wall. Fletch marked strong and pumped the ball forward as Hamish lead to space and bought the ball to ground as James swooped on it to rove beautifully, snapped and goal, Awesome positive start.

Sam playing his best quarter for the year took a few marks, but more impressive was the way went back quick and found Fletch leading to space who turned and found Hamish leading to space. Broc showed everyone how to tackle by taking down the biggest kid on the ground. Archie, Jedd, Corey & Harry all making it extremely difficult for the Hawthorn forwards.

A brilliant quarter of football where the boys showed themselves what they can do when they apply effort.

¼ time – PO 1.3.9 lead Haw 1.1.7

It was clear that Hawthorn were given a rev up because they started the second quarter well. BT was continuing to be outstanding in the ruck while Archie and Broc were fantastic across half back. Ollie stepped in to mark well on the wing and Jedd was really attacking the ball at full back and having his best game for the year. Bosco was using his pace to chase hard then received a free kick for putting his body on the line and being in front. Hawthorn slipped us a bit in this quarter, but the boys were still trying hard.

½ time – PO 1.3.9 trail Haw 4.6.30

After half time the boys re-focused and ready to roll. BT continued his dominance in the ruck with a text book tap to Ozzie as he sprinted to space and drove the ball long into the forward line and found Jacob who marked well, went back and kicked his first goal for the Sharks. A perfect passage of play. Cruz was having an influence around the half forward line marking well in space, as was Elliot, Jordy and Sean. Corey, Harry and Bosco continued to try hard, tackle hard and man up in the back line. Jedd was dominant at Full Back and his kicking in was suburb. Broc and Fletch were in everything as usual. BT came off half way thru the quarter to have a well earned rest. Archie took over the ruck duties and instantly tapped the ball onto Ozzie chest as he steamed pass and launched forward. Broc providing the perfect shepherd to give Ozzie space. Byron and Hamish providing a great contest as James roved again, side stepping twice to snap truly for his second goal.

Back to the middle and it was cut and paste as Archie put the ball on Ozzie chest again as Ozzie burst forward, kicked to Fletch, handball to Broc, kick to Bryon who processed to break several tackles got the ball to James who turned and kicked his 3rd. The boys were really showing that when they believe in themselves they can take the game on and have a very positive influence.

¾ time - PO 4.4.28 trail Haw 7.9.51

During the last quarter every player was having a real go. BT and Jedd finished off a great game, Archie and Broc's tackling and pack pressure was excellent. Fletch coped an errant boot to the mouth for his trouble, Will was getting over the ball, Bosco came close to running down 3 players, great effort and Tom Mac was having a real go. Jordy looked to be enjoying his first game back and Elloit was also having his best game for the year. Unfortunately, the score board didn't reflect the true evenness of the game.

I think that our boys were the real winners on the day Their effort was extra-ordinary, their discipline unwavered and their respect for each other, the team and themselves showed true character.

Boys if you bring that much heart to every game the rest of the year will be most enjoyable.

Full Time – PO 4.4.28 lost to Hawthorn 10.11.71

On a frosty and foggy morning it was off too Victoria Park Lower home of the Kew Comets, undermanned and cold it was going to take a team effort to overcome a very determined Kew.

With a number of teams bunched on 3 wins it was vital for us to win this one to stay in touch with the table leaders going into the break. The boys didn't dissappoint coming out strong, though was not reflected on the scoreboard at half time being down by 5 points.

The message was clear keep playing good hard team footy and and the opportunities will come and they did, the boys ceased their moments and surged to the front, finally finding the big sticks....from that point there was nothing Kew could do as we dominated the footy..

A good lesson learnt this week, stick to the basics work hard (for 4 qtrs), play as a team and the scoreboard look after itself...

Best players: The whole team - great team effort

We arrived at Domeney keen to put on a show in front of our home crowd however this wish was diminished as the fog had well and truly set in.

From the coaches box we could not identify who was getting a kick on the opposite side of the ground....and of course all the play seemed to be on the far side of the ground.

We were up against Whitehorse Colts who we had beaten easily last month so we were full of confidence. What we did not know is they had picked up 4 or 5 new players - one of them a 6 footer!

We were out played in all aspects of the game in the 1st quarter and went in 2 goals to 1 down with Sammy showing his class by slotting one through from limited forward entries. We thought the boys would come back in the 2nd quarter but the opposition wanted the ball more and unfortunately we were out played for the entire game.

We did have some positives with Adamo (The Rock) being as solid as ever in the back line.

Josh Cahill really attacked the ball well all day. Flynn and Will tried hard in the midfield and Bara is starting to show some real run and carry. Bailey is developing nicely as a wingman.

A big welcome to the club for Django as well who played his first game for us - hopefully his 2nd will be a win.

Parkside 10.11.71**

On a cold, foggy morning at Stintons, we welcomed Parkside in our Round 8 clash. We're decimated by injury (as are most teams at the moment) & only had 14 players available. Thanks to Willow Harvie for filling in until her game later that morning. But we took a Parkside player sub each quarter & played 16 per side with plenty of running to do.

We started brightly with center clearances from our on-ball brigade. Matt kicked long & Boston with good, clean hands gathered the loose ball, fired out a quick handball to Mitch who finished off well for the opening goal. We were more than competitive all over the field. Willow was making herself dangerous in the forward line. Solomon was rock-solid as always at full back, his elusiveness on show once again. Parkside evened up the goal tally with a lucky bounce to end the quarter. They went to the break 1 point up.

We were again unlucky with the bounce of the ball in the 2nd quarter. They ran onto a few loose ball & kicked 2 for the quarter. We only registered a behind but the game was much more even. We are now seeing great linking up across the field from the Sharks. Harry is instrumental in this & along with Rhys, Lucas off his wing & the hard-running James we bring the ball out of defence with some great system. Charlie has been a revelation in the ruck & his marking continues to flourish. His best half of the year. Oscar, our captain of the day, was industrious as ever. His pick-up, spin & kick long a highlight of Q2. Brodie is another who has improved every week. This week he kicked the ball really well & won free kicks with his attack on the ball. Parkside went to halftime 14 points up.

We had been competitive all day & finally found some reward in Q3. Our Parkside fill-in took a good mark & kicked a goal for us, Bo stepped up & kicked a brilliant long goal & when Dan S won a hard fought free kick his kick from 35m sailed through the middle, we were right in the game. This come-back was due to us winning the ball out of the middle with Harry's positioning in the center square key to sharking Charlie's taps. We also defended well. Dan W continues to improve & his contested marking at center half back really impressed. His long kicking also a feature. Matt on the wing looks a natural, his running ability on show. Parkside managed a couple of goals but with the margin only 9 points we were every chance going into the final quarter.

With only 14 players & with Willow gone to her game & Lucas feeling the effects of a heavy knock we lost the momentum. Lucas tried really hard at full forward but couldn't reach one that bobbed through for a behind. We were beginning to tire, we also couldn't restrict Parkside's big ruckman. He dominated the final quarter kicking several goals himself as he roved his own tap outs. We tried really hard. Mitch continued to put his body on the line. Harry was resolute. Nobody told Charlie has was supposed to be tired as he run the field in his ruck role. But unfortunately we ran out of steam as they kicked 5 goals in the final term. The score line now way indicative of the game. We were so proud of the effort of all the boys once again.

Mitch is in great form at the moment playing hard, tough, competitive footy. Harry the same as always. Charlie never gives in which is a great attribute. Brodie is developing nicely as is Dan W with his marking. Bo bobs up with his great skills, his goal all quality this week. James is our backline general & reads the play so well. Solomon is elusive & hardly loses a one-on-one battle wherever his is on the field. Some great signs continue to be shown. The long weekend has come at a great time as we limp in with injuries. Hope to have a full team out for the first game back. Looking forward to Remi, Ben S, Blake & Jacob definitely returning. Unfortunately last week Ben W broke a thumb so we wish him a speedy recovery & look forward to seeing Yarod in a couple of weeks.

Enjoy the week off boys but come back with that competitiveness to really have a red-hot crack for the final part of the season.

Ivanhoe 8:12:60 Def
Park Orchards Black 8:8:56

A week's break and we were refreshed to take on Ivanhoe in a game that we all knew we could be competitive.

Although we had a bye, the training efforts were great practicing long and direct kicking, running and carrying the ball and again positioning themselves to be front and centre (square).

The game against Ivanhoe had two players with Milestones - Liam Watts 50 Games and Ben Duffy 100 games - named as match day captains, they both demonstrated great leadership.

Our first quarter was excellent as we worked hard to gain centre clearances and had the ball in our forward line for at least 70% of the play. The side worked hard but poor kicking and rushed play meant we were not rewarded for our effort.

We turned half time in-front but were not rewarded for the amount of play. It was positive to have new players having shots on goals but we still couldn't convert. The endeavour and run was positive.

In our third quarter we had a lapse in concentration and were left flat footed, unable to create the run from the previous quarter. The opposition's taller ruckman worked his way into the game and their tactic to tag one of our key play makers resulted in our players taking them to the ball. Some near misses kept us in the game.

Entering into the final quarter with a four goal deficit, the players rallied and played with spirit and confidence.

The run that was missing in the third quarter came back and with the instruction to take the game on, the team played down the centre and were more direct.

As we got close to over running the opposition, an unlucky bounce in a centre clearance to our opponent's advantage resulted in a disheartening goal. The determination of all our players lifted for one last effort and we were back within a kick with under two minutes to play.

One last and final effort had the ball in our forward line and a shot on goal fell short. Despite our efforts and with the umpire deciding to let the game play on, our opponents were able to scramble the ball clear as the siren went.

Park Orchards 2.2.14. Def by
Fitzroy 9.8.62

The Colts Red played Fitzroy in a Friday night block buster at Victoria Park under lights celebrating Indigenous round. The Sharks and Fitzroy players and families were welcomed to country by Uncle Bill with a traditional smoking ceremony. A great experience for all present.

Then the footy started. In typical fashion, the Sharks and Fitzroy started with hard fast football, and the first quarter was a real arm wrestle. Al was great of half back, running and carrying the ball, and providing good delivery into our forwards. Nic, Wally and Dork were racking up possession, putting their head over the footy, and laying great tackles. The Fitzroy back were made to work hard, but could stop the courageous mark and great goal from the skipper TJ.

The second quarter was the same as first with both teams trading goals and Fitzroy eventually outscoring the Sharks and going in a half time 17 points up. Will Smead worked hard with plenty of spoils and long clearing kicks. Al kept up his work rate and was well supported by Greaney, TJ, Nic and Camo. Solid work lads, the score line was not a true indication of the effort.

The third quarter was probably the best football I have watched between two teams this year. As the dew settled in, the ball become greasy, requiring good hard footy. Lots of hard ball get and solid hits and tackles, made for great viewing. So tight was the effort from both teams that only 1 point each were scored. George, Jimmy and Greaney were solid and thrived in the contest.

The third quarter ended with a little bit of hippo bumpo and that was it from the Sharks, the hype stayed in the huddle and Fitzroy ran over the top in the final quarter. To use a phrase of the Coach, the Sharks players looked like they were stuck in quick sand, eventually going down by 8 goals - ouch!

Congratulations to Will Smead for being awarded the Sir Douglas Nicholls Medal for being the Sharks Best Player.

As the Supercoach keeps saying, it's important that you all show up to training this week

For the second week in a row the Sharks journeyed to Victoria Park in Kew to play a Kew Comets team, this time the Comets 2 team. It was a crucial game for the girls as we were sitting third on the ladder and the Comets 2 team were sitting in second. We had a chance to cement ourselves in the finals race.

The first quarter was a tight contest, both teams were hard at the ball. It was obvious that the Comets had come to play. Despite the fact that the majority of the game was played in the Sharks forward half, there were no goal scored and the Sharks went into the first change with one point lead 0.2.2 to 0.1.1.

During the second quarter the Comets were kicking towards the scoring end, they came out with a higher intensity then they had played with in the first quarter and were proving to be a competitive unit. Against the run of play Ava was able to kick an early goal to give the Sharks a lead. Later in the quarter the Comets came back kick a two goals to go into the half time break 2.2.14 to 1.1.7.

The third quarter was going to be critical for the Sharks, who had their second chance kicking to the scoring end. They did not disappoint, coming out firing. The girls worked hard and locked the ball in their forward line. With plenty of shots at goal the girls were able to kick two goal and three points. Taking a handy eight point lead into the last quarter. The question is would it be enough to hold out the Comets as they came home towards the scoring end?

The final quarter the Comet came out looking like they meant business. They quickly moved the ball into their forward line. The Sharks were defending with vigour, however the Comets were getting plenty of the ball and after missing a couple of shots, the Sharks were struggling to hold onto a narrow lead. Our fate was sealed very late in the last quarter when the Comet were able to convert a major, giving Kew the narrowest of wins.

Q1. The Sharks came out fresh and firing piling on seven first quarter goals to zero. Sophie was unstoppable with 4 for the quarter. Supply was coming thick and fast through Vas' fend, dance and kick, Jorja's power running and Hanie storming through the middle. Alannah's second efforts run and goal assist to Mia was one of many highlights. The Wall was impenetrable with Chelsea, Tilly Rae and Flynn stopping everything in sight. An enormous first quarter. Q1 Sharks 7.2.44 to Richmond 0.0.0

Q2. To their credit, Richmond responded to their coaches and came at us hard. Intensity lifted and they threw everything at us. It was scrappy and a real arm wrestle for the first 10 mins. Then our skipper and leaders stepped up. Alannah, Chloe, Mia and Natalie all said "no way" and started to drive forward. Vas had 3 quick possessions, Chelsea won plenty of hard balls and Flynn barged her way through leaving opposition players in her wake. Jade and Tilly H let nothing past them and momentum swung our way. Lauren and Zoe were jumping higher giving Jorja, Hanie and Tilly Rae plenty of ball. Jazz kicked a clever goal but our forwards had 8 scoring shots for just 2 goals. Our girls had earned a rest. Q2 Sharks 9.8.62 to Richmond 0.0.0

Q3. Heath and Dave pleaded for extra efforts and our girls responded. Alannah, Sophie and Jorja were running riot all kicking running goals. Chelsea's cool level head on last line saved 2 scoring shots while Tilly Rae, Flynn and Natalie all streamed forward. Highlight was Zoe ruck tap to Vas, quick hands to Sophie onto Jorja, GOAL! More power running from Natalie, Chloe, Alannah and Hanie ensured we were setup for a strong last quarter. Q3 Sharks 12.10.82 to Richmond 1.1.7

Q4. Our girls sensed Richmond starting to tire which fired up our runners even more. Flynn, Tilly Rae and Chelsea let nothing past allowing them just 1 goal for the day. Zoe's ruck work to Vas with runners Natalie, Hanie, Jorja surging past finding forwards at will was awesome. Chloe booted 4 for the quarter and Alannah 2. Jazz snapped truly and then it was off to enjoy some cake. Happy Birthday Alannah.

Brunswick 1.3-9**

The first game of winter saw the girls once again play Brunswick in their third contest of the year. The sunshine was breaking through the fog as both teams came together to recognise the traditional landowners as part of the broader indigenous round across Australia. It was then “game on!” at the Ransford oval.

Both teams had been evenly matched in their previous encounters, but it was Park Orchards that started the first quarter with energy & pace and we’re up by a goal in the first 5 minutes with Alicia steering the ball through posts. Brunswick tried to respond quickly, but sustained forward pressure ensured they were kept firmly in their own end of the oval. Our strong and aggressive play was rewarded with another goal from Taliah that closed out the quarter 0 – 14 to Park Orchards.

The next quarter was also dominated by Park Orchard possession with several crunching tackles by Amelia and Zoe. Brunswick’s attempts to break out we’re curtailed by strong defensive play, with Ella sweeping up a number of contested plays and moving the ball forward. The girls’ dominance was rewarded following pressure by Anna and a great finish by Charli. The first half closed out with a fine goal by Abbey which left our girls leading by 26 points with Brunswick yet to score.

During the half-time break, the mood was positive with the coach full of praise but asking the team to close the gap between the forward and back line. The umpire also deserves a positive mention with him continuously providing guidance and support to both teams.

The third quarter was a much more even affair with most of the game battled out in the midfield. Goal scoring chances we’re few and far between although in-between two Park Orchard behinds, Brunswick registered their first point. The quarter ended with only an additional 3 points added by both teams to finish 1 – 28 to our U15 Black team.

Brunswick started the final quarter like a different team with lots of forward pressure resulting in lots of possession. Our back line had a mostly quiet game but were called into action as Brunswick attacked. Zoe, Amelia, Ella and Sophie all contributed to thwarting the opposition, but Brunswick finally registered a well-deserved goal. The final siren blew closing out the game at 9 – 28 in Park Orchards favour. It was great to see such a positive team performance with all the girls playing their part and can look forward to a rest next weekend!

Ivanhoe 1.2-8

Round 8 saw us playing at the Shark Tank (Domeney Reserve) and without a zephyr of wind the fog only just burnt off an hour before our 3pm start.

Our injury list saw us start with 14 players and fortunately Brooke joined us at quarter time. Ivanhoe came up from 2nd division after grading and so were an unknown quantity. The first quarter was a bit of an arm wrestle at times however we closed the quarter with 5 scoring shots to 1. Unfortunately all scoring shots were points and it was a slender 4 point lead. Ibby was proving too fast around the stoppages and Jacky and Addy were attracting plenty of ball. When the ball went to our back line we showed great poise with Sophie, Ally, Kat, Tiana, Ruby and Ashe repelling it straight back out. The second quarter saw Paris have a run in ruck as we started to dominate field and our forwards lead by Lucy, improved kicking accuracy. Brooke was crashing packs and applying ball pressure in the forward line and our wall around the arc helped keep the ball within scoring distance most of the time. We scored 3.2 to 0.0 to take a handy 4 goal lead at half time.

The second half was almost a replay of the first with only points being scored in the 3rd quarter followed by a couple of goals in the last. Maybe we need to practice goal kicking at the northern end of the ground a bit more? The followers had worked hard on stoppages during the week as we started to see some improvements and clearances. Samira showed skill in tapping the ball in different directions and it was encouraging to see a discussion of tactics prior to each ball up.

The most tackles award would have to go to Ibby who ran down a number of opponents to cause a turnover. Our tackling was very good on the day however the tackle count was down owing to our desire to be first at the ball and create the play. What is encouraging is that our backline are gaining confidence in themselves and each other and we are winning the majority of one on one contests for the ball. Our long kicking is improving and when we have time on our side don't forget to look left and right for an open teammate.

Goal kickers: Lucy 3, Ibby 1, Sophie 1

Without a game this week please don't forget to go for a run, bounce a ball and have a few kicks.

Good job girls. See you at training Thursday
