**Round 12**

Hi All Sharks,

Well done and congratulations to all the Mums and Dads who turned up for Saturday night Social Evening. This year we were located at “The Grand” in Warrandyte. The evening had a bit of a chill, the wind decided to reduce the temp by a few degrees yet upon arrival the CFA were there to greet us. Well not really. They were there to treat a couple of suspicious fires and investigate some chimneys not performing properly. Talk about a tough start. It was like walking through a maze and obstacle course just to get inside.

However the 75 or so who turned up had a fantastic evening. There were parents enjoying their 10th and final social through to others experiencing their first.

Thank you to all parents who put in a huge effort to present in their best rags. Guys and Girls had gone to efforts and it was recognised, not as comfy as the trackies, but certainly catwalk material. As the tempo was notched up and the dance floor filled. I kept watching for Danni Minogue and her new program ‘cause I’m sure she would have snapped our parents up to represent her new show!!! It’s true!!

Once again, thanks to all who attended, the noise told me how much you enjoyed the night. Also congrats to Jo James on winning the \$500, what a great way to finish Colts.

Round 12 is behind us, only 3 rounds to go until finals. By golly, the season has certainly gone by fast. At the Sharks we pride ourselves on fielding various teams whereby all Players can participate. Our goal is to get kids playing, engaging and improving in Australian Rules Football. You are all champions in my eyes for participating and being part of the Sharks Football Club. Finals and premierships are a by-product. That said, I note that possibly we have 12 teams from U11 to Colts competing for final’s positions this year. Best of luck to all and for those teams who get there, have a great finals series.

Thanks to all our Coordinators and all the Parents for helping out during the season. I hope all our young Auskickers have enjoyed learning new skills each Saturday. Our final clinic in August will be visited by JFC Committee to cook the BBQ for our Players and Parents and answer questions regarding the move to the JFC.

**AGM & PRESENTATION Sunday 9th September**

Under our constitution, all members are encouraged to attend the short formalities which will be conducted mid-way through presentation. More on the timetable over the coming weeks.

**FINAL ROUND & BURGER NIGHT Sunday 12th August - SPONSORS NIGHT**

Our final night for end of home and away season. Great chance to thank all who have helped out and wish those in the finals all the best.

A great way for our club to thank all our sponsors for 2018. The club will provide complimentary food and a drink or two as a way of saying thanks.

There will be a huge jumping castle on the night. The annual club sprint will go ahead, so coaches please have your nomination to Football Support by 5th August.

**Summary**

What a wonderful morning for our Sharks teams to be playing footy. Henry captained the side today and continued his good form from last week. Leading out from full forward early with multiple efforts and being rewarded with a fine goal to cap off a great captain's game.

Ben N was back from his holiday in the Pacific and it didn't take him long to get back into the swing of things. We went small in the midfield early to see if we could take control with some pace, POB had other ideas and it was a fantastic quarter with both teams moving the ball forward quickly and efficiently. Patty worked well again and was bust all game. Elliot had a couple stunts in the midfield to stretch the legs and turned in a no fuss performance working hard around the contest.

Liam's highlights included his double spin out of the pack and smooth speed to get clear and kick long. Thomas showed maturity today and keeps improving, with Liam taking a kick in from the boundary and with everyone running back to the goals Thomas got free to the side. Liam just had to pass it 15m for Thomas to have a shot at goal on a better angle. Great play by both boys.

Kai's 2nd & 4th qtrs in the midfield proved once again when he puts his mind to it Kia can turn a game in his teammates favour. Always managing to pull of the impossible.

Ben H always full of beans and ideas he is willing to share with everyone takes his energy into his game, happy to play the first half in the back line he worked hard and directed his teammates to man up and took control. Great leadership.

Will's smarts around the pack and composure are a signature of his game, ever reliable and always uses the ball to advantage, nothing different this week.

Angus started in the guts today, bursting from packs, sharing the ball and being busy. Attacking the ball all game, never lacking effort he just keeps going.

Xavier had his goal kicking boots on early with a nice banana from the pocket and in the dying seconds leading hard across the ground to space presenting for Darcy who was

streaming down the ground. Darcy's kick burst through his Xavier's hands but quickly found the hand and snapped truly over his shoulder.

Ollie with his unique sense of humour and joy full smile plays with the same joyful freedom. Tacking mark after mark and just as efficient around his ankles Ollie played another super game.

James was super relaxed today, not sure if it was the great weather but non the less when the whistle blew he was back to his consistent best playing in front and reading the play and being one step ahead.

During the third the boys had a challenge that they could only kick on their left, Julian thought this was great, until he gave himself up and we changed rule that you had to kick on the opposite. Julian also had a couple runs in the midfield today, instead of breaking free on his left Julian worked hard to get to his right and give it a go with mixed success. Well done and keep it up. After a rusty game last week and a touch of the fumbles, Darcy was super keen to get out and attack the footy today. Strong overhead and quick around the ground Darcy showed what he can do and how he can influence a game very quickly.

Great game and a putting together a great season.

The game was played in great spirit with all players getting an opportunity to have a go and run around, we all came together afterwards to celebrate and fun morning playing footy as you can see from the photos.

Another fantastic morning with the boys on the road again and heading to Kew Rovers.

Captains Beau and Felix were ready for a big game and won the toss deciding to kick toward the Burke Road end.

The first quarter was a tough one with both sides fighting hard to get on top. Our midfield of Alby, Nate, Sam and Zane all had a great first quarter. Tom E was in everything on the wing and delivered the ball into the forward line on many occasions. Tom B also followed instructions and helped the backline on several occasions. The half back line including Zac, Dan and Josh P all combined well and hard working Ruckman Nate helped them getting back as often as he could. Riley, Josh B and Isaac played well with Isaac taking a great mark to stop a goal. Other highlights included Harvey's efforts for the whole quarter and Captain Felix fought hard and got lots of the ball.

**Qtr time score was 1.1.7 to 0.0.0**

The second quarter was another tough battle with our midfield Felix, Isaac, Gabe and Will F fighting hard. Kai and Lachy both had great quarters on their wings and the backline once again fought hard. Logan, Dan and Josh P combined well and Ned, Zane and Alby were in everything. Highlights for the quarter included another bone crunching effort by Presty who looked like he had been to war. Dan Nielsen took arguably the mark of the year and Beau's awesome tackle and beautiful drop punt pass was awesome. Harvey continued his great efforts and produced the best shepherd of the season to help Alby out of trouble. Captain Felix also had another great quarter.

**Half time 1.3.9 to 0.0.0**

The third quarter turned out to be another physical one. Zac Antonellos took over and controlled the backline with the ball coming in on many occasions. Gabe kept fighting hard and Rossy, Riley, Josh B and Tom B fought hard in the midfield. Little Harry fought hard on the wing and was supported by Tom E, Lachy and Will T. Major highlights for the quarter included Sam Mcleod who ran half way across the ground and smashed into an opposition player stopping what was a certain goal. It was one of the most courageous efforts I have ever seen on a footy ground. Unfortunately that was the end of his game as he was off to hospital to have his arm looked at. Will T's chase down of 2 opposition players and winning the ball was another important moment of the game. Oscar kept trying hard as did Will F who had another great game. His speed and 2nd and 3rd efforts were awesome to watch.

With Josh P and Sam going down and other injuries to Ned, Isaac, Tom E and Felix the team resembled a war zone. But In true Shark Spirit the boys fought on.

The midfield with great ruck work by Nate managed to get on top for the first time in the game. Zac Anto amd Dan dominated and Josh P kept trying hard with his injuries making it hard for him. What a fighting spirit!!! Riley and Will F had great quarters and within a few minutes great goals to Rossy and Noodles saw the team only 5 points down. The forward line kept trying hard with Kai getting on top of his opponent with his hard running and Oscar, Tom E and Harry kept fighting hard.

Other highlights included Tom B's pressure on the half back line and Gabe and Zane tried hard. Beau was also trying hard and Felix and Will T both had great quarters stopping lots of goals.

Unfortunately our injuries got the better of us and Kew Rovers managed a couple of late goals.

Camberwell 2.1. 13**

Coming off their best win of the season last week against Kew, Coach Daniel Bullen set out some objectives for the Sharks U10 Black team for this weekend's match against Camberwell at home, with the promise of "Gatorades for all" if they lived up to the bargain.

**First Quarter**

As usual however, the Sharks got off to a very slow start with Camberwell outnumbering us at the contest and running harder across the ground. Before long, our boys were two goals down but a late centre clearance resulted in an opportunistic snap to get our scoreboard ticking over. Sharks 1.0. 6 Camberwell 2.1. 13

**Second Quarter**

The Coach brought the boys into the quarter time huddle and asked them all for a better effort and to run in support of each other. Kicking to the BMX track end, the breeze strengthened and the Sharks burst out of the blocks, quickly taking control through the midfield while the forward line tackled hard and locked the ball in our forward 50m. It was the team's best quarter for the season from a scoring point of view, kicking 6 goals while keeping the opposition scoreless. Sharks 7.1. 43 Camberwell 2.1. 13

**Third Quarter**

Back in the rooms at half time, the boys reminded each other – and their coach – of the objectives they'd set for themselves at training Friday. After their customary half time warm up and a quick stock take of the canteen next door, the Sharks came out kicking against the strengthening breeze and once again played the entire quarter in their forward half. If not for some inaccurate kicking for goal, the margin at three quarter time might have been considerably greater. Sharks 9.5. 59 Camberwell 2.1. 13

**Final Quarter**

The boys and their coach reset their objectives for the final term, and continued their dominance kicking with the wind. While Camberwell tried hard to match the Sharks' intensity, they couldn't find an avenue out of defence while the Sharks peppered the goals to run out comfortable winners.

Despite being held scoreless from quarter time, Camberwell showed great sportsmanship throughout the match. Special mention also goes to Granger Wheatley who played the first quarter for Camberwell to make up their numbers. He was awarded the gameday medal by Camberwell. Congratulations Granger and well played! Final scores Sharks 14.9. 93 Camberwell 2.1. 13

Clear sky's, small ground, windy conditions we knew today would be a shoot out. Our instruction to the boys was to kick long with the wind to open up the game and to run and carry as much as we can against.

The first ¼ was all ours, with the ball sitting in our forward line for most of the ¼. Mason had 3 and Lucas 2 for the ¼ and the kicking to lead up forwards in the 1st ¼ was pleasing to see. We have been practicing this each week at training and to see it come off so effectively was very encouraging.

There was little to complain about at the break as all the boys had contributed well and the team effort and 1 percenters was the best it's been all season. Special mentions to Archie, Jack, Max Beach, Jayden and Jacob S for their overall team spirited efforts, it certainly doesn't go unnoticed from the coach's box. Protecting the ball carrier was the catalyst for us going in at the main change 6 goals up.

Message at the change was to keep up the pressure around the footy as we seemed to want it more than Fitzroy. Going into the 3rd we had the scoring end and wanted to capitalise, unfortunately we blazed away more than the first and kicked 2 goals 8 points, but the effort was still sky high and the boys endeavour couldn't be faulted. Ball sharing was on show with Jack, Riley, Jacob B, and Archie repelling the forward line constantly and placing immense pressure on the opposition, going in at the last 8 goals up was reward for effort,

The final ¼ was fairly even with the scores remaining the same. All in all a very encouraging outing, all 23 boys can go home very comfortable winners and pats on the back to you all for well balanced team shared effort.

Well done boys, great brand of footy today and thoroughly deserved your win. Protection for the ball carrier, disciplined footy makes us a strong team and it was certainly on show today

They always say a week is a long time in football and that sums us up perfectly this week. After a every slow start last week with a solid final quarter the boys hit the training track hard this week as we had a bit of an honest chat about what effort looks like and what it involves.

So, we handed over the team selection to the boys and those that had performed well got to select their positions first. First cab of the rank though was Seany and Fletch who both played their 50th games together. These two little legends are great mates, so it was fitting to have them run through the banner together and celebrate this milestone.

In recent weeks we have been slow off the mark. So, to try something different we played a scratch match before the game, 5-6 minutes, full tackling, no rules. The boys loved it and were ready for battle from the first bounce. With MacLeod kicking with a strong wind our boys needed to find every bit of effort they had. Cruz started well in the middle laying a couple of strong tackles as Archie continues to grow in confidence as he tackled, harassed, marked and battled thru the centre. Ozzie also started very well reading the play to rove the pack multiple times to help drive the ball forward. The wind was proving a challenge as we struggled to get the ball past half forward.

Our backs fought tooth and nail, lead by Hamish with excellent support from Harry, Bosco, Elliot, Jacob and of course Tom Mac as the boys ran to space, kick to space and put incredible pressure on the MacLeod forwards. Seany was dominating the wing in his 50th while the milestone master, Fletch was furious in the middle and Ollie was getting involved at the bottom of packs with a couple of kicks. Even thou we didn't score the effort and endeavour all the boys showed was outstanding.

**1st Qtr.: PO 0.0.0 trail MacLeod 1.7.13**

Now with the strong wind to our back it was time to attack and the message was clear – get the ball and kick it long... Hamish and Tom Mac were brilliant in defence gathering the ball, running to space and driving the ball long to the forwards. Ozzie was in his element working the space from the centre circle to the goal line, roving, running and using his beautiful long left foot. Speaking of great left foots, Corey the little superstar was playing a 'Carey like role', bringing his man high up the ground then turning him inside out and running into open space and the goals. After some awesome work by his team mates, Corey got the ball at half forward sprinted hard, kick long and true for the teams first goal in 4 games. (sorry boys I don't even know who did what I was so excited by the goal), Best thing was all the boys got to Corey to celebrate.

**½ time – PO 1.0.6 trail MacLeod 2.7.19**

The third quarter was hard work. Battling the wind and a fired-up opposition our boys never gave up. BT, Archie, Fletch and Broc were all applying plenty of pressure, but every kick seemed to sail over our head or bounce to their advantage and 8 minutes of football was the difference in the game.

Our boys weren't going to taking this lying down and were going to fight tooth and nail to the final siren. And that's exactly what they did. Broc was like a man possessed laying about 15 tackles for the quarter without receiving 1 free kick... Archie, BT, Hamish, Bosco, Harry, James and Fletch, to name a few were really starting get under the skin of MacLeod as they started playing dirty when things didn't go their way. Our boys stood strong, stood up for their mates and worn their jumper with pride. James & Seany on the wing kept giving us plenty of ball into the forward line, Sam and Will continued to try hard and Jordy constantly put his head over the ball helping to move the ball forward. Byron was busting open the packs with big "don't argues" and breaking tackles and was desperately unlucky not to have kicked a goal.

Attack after attack, they boys were desperate, and nothing was going to stop them kicking another kick.

Enter our man Ozzie. After a real purple patch and many possessions, exhaust but still willing himself on and desperately unlucky when an opposition player convinced his own umpire his right foot snap hit the post, Ozzie 20 seconds later found himself kicking true with another right foot snap. It was glorious to watch and exciting to see all the boys enjoy the moment.

For all they cared, they had just won the game. This, for me, was the moment of the season. We have had our backs to the wall for 10 weeks battling against stronger teams, yet when it matters we have shown resilience, built character and strengthened our mateship.

**Full Time – PO 2.3.15 lost to MacLeod 8.9.57**

Today were proved to ourselves, that hard work and effort is what good teams are made of and with a bit of luck it could have been a very different result...

Sun shining and the deck at Domeney Reserve was in magnificent condition. Captains Joel Stephens & Will Tait spoke to the boys before the 1<sup>st</sup> bounce and the message was clear - lets get off to a good start.

1<sup>st</sup> bounce saw a great tap to a rover on the move and a centre clearance; unfortunately no goal but you could tell the boys were on song. They were running hard, backing each other up and really applying the things we have been learning. We went in at 1/4 time up by 3 points; after St Marys kicked a good team goal.

The work rate and 2<sup>nd</sup> & 3<sup>rd</sup> efforts by the boys was great with the tackling and harassing pressure nothing short of brilliant. Some ordinary kicking in front of goal but at 1/2 time we were up by some 20 odd points. The 3rd quarter was a dogfight with St Marys really using the wind; but to our boys credit they didn't give up; and whilst the ball did spend most of the quarter in their forwardline we did manage 1 good goal.

We spoke at 3/4 time about doing the team things and the scoreboard would take care of itself; and that it did.

**Nathan Draeger** - Did some really good things when playing in the backline.

**Will Tait** - Tough, hard as usual and will be kicking himself he missed that goal

**Copper Smith** - Kicked a ripper and showed some real poise on several occasions

**Harry Smit** - Really competed hard & dished off some great handballs

**Max Dominko** - Ever reliable, took some great marks and leads his team every time he takes the field

**Allen Guo** - Tough as nails, repeat tackler and tackles hard - Kicked his 1<sup>st</sup> Sharks Goal & the Boys Loved it

**Lachlan Quinn** - Great Game - Clever and played 4 very good quarters

**Andrew Holt** - Oakes - Like a good bottle of red - Just keeps getting better - Absolutely great game from the big fella

**Joel Stephens** - Brilliant game from the speedster; unlucky he missed a few goals

**Tom Worthington** - Awesome across half back and then kicked 2 when he went forward

**Jake Galstians** - Awesome game - Got stacks of the ball and made St Marys pay when they got it

**Lachlan Di Conza** - Good game; back after a big holiday

**Jacob Tymms** - Looked great up forward and nearly kicked a ripper in the 2<sup>nd</sup>; - Again solid as a rock across half back

**Oliver Nitz** - Brilliant game - Took a stack of marks, tackles like a beast and makes his team mates a foot taller when he plays like that

**Jack Fortington** - Everywhere Jack; stacks of possessions and then kicked a well deserved goal

**Gabe Stumpf** - Brilliant game at CHF - Just gives his team mates a target all the time - Kicked a great goal (Could have had 4)

And when all that takes place you win by 8 goals - Great work boys - But we have 3 tough games ahead so lets work hard at training

**Brunswick 1.0-6**

What a cracking day to play footy. The sun was out and being an 11:30am game the boys turned up awake and ready to roll. Prior to the game we spoke about our last match against Brunswick, where we dominated most of the game but squandered our shots at goals and allowed them back into the game and just about got run over in the last quarter. We knew Brunswick thought they were a good chance against us and with the ladder still to be decided we really need to lock this one away to aim for a top two finish.

The boys got off to a fantastic start winning the ball out of the middle and sending it deep into our forward line. Our pressure on the ball was fantastic and it wasn't long before Will kicked our first with a long bomb from the pocket that cleared the pack and bounced through the goals. The boys were pumped and it didn't take long for Finn and Lachlan to put another 2 on the board, giving us 3 for the quarter. What a great start!

Brunswick had the wind in the second quarter so we knew that we had to defend hard and deny them from scoring. Flynn was brutal across the ground but the collective performance of the entire backline was the highlight of the quarter for me. Oscar played a brilliant captains game running hard and rebounding the ball. Oli P and Bara kept Brunswick's two best players touchless and Dan, Bailey and Adamo applied huge amounts of pressure across the ground keeping Brunswick goalless. To top it off Sammy P kicked a fantastic goal to put us 4 goals up at half time.

Heading into the 3rd quarter we didn't make any changes to the team as we didn't want to change a team that was performing so brilliantly and the boys didn't disappoint. Sammy P kicked 4 for the quarter putting the nail in the coffin. It was an impressive haul but it is important to note the work from all the forwards that helped make that possible. Connor ran hard and created opportunities all day, Josh C got plenty of the ball, Adam ran hard and was under the packs, Lachlan was his deadly best and Sammy V gave us a big target up forward. And we can't forget the midfield who dominated Brunswick all day with hard running and tackling. Max dominated the ruck, Will was outstanding, his first two quarters where amazing....he had the ball on a string, Finn was in and under, Flynn was everywhere and all over Brunswick, Kye cleaned up everything and Layne was deadly on the wing with great running.

Heading into the last quarter we moved the boys around a bit to give some boys a rest and to give the backs an opportunity up forward and into the middle. Although we didn't kick any goals in the last, we still kept Brunswick to one goal which was a great effort.

The boys have shown us what they can do when they are on song. The best thing about this win was that it was a great team effort. All of the boys played a major part in what was an outstanding team performance.

This weeks game saw us at home against Kew. After a loss last game we needed the boys to come through and not get run over as the season progresses and playing Kew was a danger game as they are on the bottom of the ladder.

The game was a tough fought contest from the outset with Kew keeping us on our toes and it was great to be able to play a few of our boys play in positions they have become accustomed too.

With Damo off jet setting around the world it was left up to Morcs and I to hold down the fort and for the first game since the start of the year we had a bench. This saw us start (jnr) Morcs on the bench to recover from jet lag with him running on during the first qtr into the backline doing what he does best.

Speaking of the backline without our Captain for the day, Osc holding down the fort at fullback and Oakesey punching the ball from behind the game could have gone the other way.

With 'big' Dempsey down forward we started a smaller runners up on the wing including Smithy, Sebby, Fraser and Sammy H letting Matty Parrot and Dempsey snag goals in the forward line.

The on ballers fed by Ace leaping high over their big men, saw JT and Tommy Rees sending the ball into our forward line. Ace had a great day on the ball all day as he swapped with JT to beat some larger opponents.

Our half back line was strong feeding Demps led by Sonders and Foxy who swapped with the onballers to keep momentum our way.

Was asked the boys to run and create space which saw Tobias 'Killer' Kilkenny have a great run down the members wing out pacing his opponents to deliver the ball into the forward line.

At the end we scrapped home by just over a goal as Kew came home with the wind. It was a great team effort with Sammy S, Dave B, Coops and Hume all contributing in some way to ensure the boys had a great win!

Our home game at Bulleen (again) this week vs Ivanhoe who we drew with earlier in the year. After we thought we would have a full squad to chose from some unwelcomed illnesses to Rhys & Ben W & a broken finger to Jacob wasn't a great start. We wish all those boys speedy recoveries. Yared was also unavailable on acting duties. And when we lost Remi during the warm-up to a rolled ankle, we wondered which ladder we had walked under!

15 players using 3 opposition fill-ins plus being asked to kick into the wind in the first quarter was always going to make it a difficult task. Unfortunately Ivanhoe found their groove early & posted 4 goals in quick succession. We then tightened up & they found the going much more difficult. Harry was trying hard in the middle & James was great on his wing. Mitch put his body on the line a number of times & Charlie moving to the back line saw us much more competitive. Ben S continues to show great poise at full back. We restricted them to the 4 goals but had some work to do in the 2<sup>nd</sup> quarter when we had the wind.

Big Dan W moved forward as our marking target but again we struggled to penetrate the forward 50. Instead, Bo, Charlie & Brodie continued to thwart Ivanhoe attacks. Blake was good all day around the ball with his tap work. Some good play from Harry saw us get the ball forward where Dan W took a towering mark & kicked truly. We also had 1 passage of play involving Harry again, Boston with a good mark & handball back to Harry then a long kick to Dan S who ran hard. More plays like that boys & we really start to show what we are capable of. 5 goals down at half time.

The 3<sup>rd</sup> quarter went much like the first. Lucas continued to run both ways & took some nice marks. Brodie attacked the ball hard. Matt began to showcase his running ability & class. Solomon is also as reliable as they come. After demonstrating his great agility in the backline for the 1<sup>st</sup> half, he moved onto the ball also with great effect. Ivanhoe with the wind played well however & we turned to the last quarter with a 10 goal deficit.

With nothing to lose we flicked players around. Mitch on his wing again tried really hard & won a number of free kicks. Oscar was outstanding the final quarter moved into the middle. His long, quick kicks resulting in our 2<sup>nd</sup> goal & the 2<sup>nd</sup> for Dan W. Harry also kicked forward for Dan W to score his 3<sup>rd</sup> goal in an outstanding display.

SO SO CLOSE – 1 POINT LOSS TO TOPSIDE

Playing against the topside in our Division we were prepared to take the game. Like previous weeks a number of outs were being backfilled with player from U13 sides playing in early games.

From the first bounce the team played with great spirit, winning the centre clearances and holding their positions and setting up the defensive structure.

Kicking against the wind we kept the opponents to 4 points and then in the second quarter our long and direct play resulted in the team kicking 4 goals, to see us a head at half time.

The opposition in the third quarter took advantage of the wind and went into the final quarter with a three goal lead. Our momentum in the third quarter was stifled with a season ending injury (wrist fracture) to our Captain & 100 Gamer James Leech.

Entering into the last quarter the on-batters were tasked with the need to win the centre clearances which was achieved, unfortunately a couple of unfavourable decisions resulted in a goal to the opposition. The boys rallied and responded with three quick goals, moving the ball quickly and with purpose.

The game for the next five minutes was in the hands of the players - they took the game on and our defence withstood a number of attacking plays - we countered a kicked a final goal, believing we had hit the front as the siren went - the team to have a last minute scoreboard adjustment resulting in the opposition crossing the line by a point.

OH SO GOOD TO get a “W” on the ledger after a few challenging weeks where the result did not go our way.

What was encouraging was that the players knew what had to be done on the weekend and went about getting on with the job from the outset.

Team rules were followed very well for the first quarter and it created scoring opportunities from both field goals, and scoring opportunities at ground level, as the clearance machine, led by Brock and Tommy, with JB and Mullet in the middle went to work, and the forwards were able to create opportunities by hunting the footy at ground level with Foxy getting tons of ground ball and Rossi being instrumental in the air. On top of that, the defensive six were able to restrict forward movement and Finn executed the ball intercept brilliantly and Braydogger getting the crumbs and discharging the ball to an opportunity every time with excellent ball skills.

The other excellent part of the first quarter was the defensive mechanism of the “POSITION 1” set up and the scoring opportunities that were created from the kick in, with at least 4 shots on goal from kick-ins.

THE SECOND QUARTER WAS NOT OUR BEST, with the team rules thrown out the door and reactive football played for the 20 mins, and an on mass brain fade seemed to exist.

A discussion at half time seemed to re-align the mentality of the playing group to that of the coaching staff and the third quarter was one of our best for the year in terms of team rules adopted and followed, which denied the opposition of scoring opportunities and possession, with slick ball movement, to targets, at a comfortable distance, with sensational accuracy.

All in all it was a great day for the team, with a real benchmark reached at how we can use and utilise the ball to advantage and get the “W” in the ledger that we sooooo desperately look for across the year.

Some guys that are starting to hit their straps in confidence, ball use and enjoyment of their footy should be mentioned. Oga, Tobey, Prisoner 29864 and both LJ and Finn all have had marked improvements over the year and are now important parts of the team and the next man up idea. I thought that Luke Cormack and Ed Phillips are now both settled in and performing brilliantly as first year members of the team and across the board Sam Linkin has had a great year as a true utility player for the team. Buzz reads the ball brilliantly and has made the defensive wing position his own in the last 4 weeks.

### **THINGS THAT I LIKED:-**

- Team rules adhered to for the second half.
- Expectation that the spread was the best option to open the ground up
- Attack on the ball at ground level
- Pressure on the ball in the third quarter

### **AREAS TO IMPROVE ON:-**

- Brain engaged 100% of the time
- Using the ball well when we have it
- Increasing our pressure around stoppages
- Attack on footy at spillages, and winning it back
- Back line rolling up to engage with the footy sooner (Full court press)

**Goal Kickers: Owen 5, Rossi 2, Jb, Mullet and Slamming Sammy Linkin, one a piece**

**Best afield for the day: Foxy, Brock, Tommy, Rossi, Sammy, JB, Mullet and the defensive six (who get the chics)**

Last week has been put behind us. This week we fronted to play Bundoorra at our ground.

When we last played Bundoorra in May, I wrote this after the game.

After half time, Bundoorra increased their intensity. They used their bigger bodies in the contest to their advantage, they hunted in packs and they intimidated our side. It shows that the Colts level of football will make demands of the players to stand strong and withstand that sort of pressure by digging deep. Your coaches are highly experienced in this and you need to talk to them about this. As a result Bundoorra gained the ascendancy in each of the next 2 quarters and ran out winners 8 Goals 16 behinds 64 to 3 Goals 3 behinds 21. If they had kicked straight it would have been a disaster.

Bundoorra is a team made up of almost all top age lads. Lads who have eaten steak for dinner since they were 2 years old. They are big bodied, strong, intimidating and they have a large collection of beards across the team.

But this week we were determined to dig deep. The atmosphere in the rooms beforehand conveyed that. The boys listened intently to the coaches before the game and some honest truths were discussed. To their credit the boys took that energy out onto the ground.

Bundoorra had first use of a 4-5 goal breeze in the first quarter but failed to capitalize on it. That was due to the pressure that our backs and mids were bringing to the contest. The score at quarter time was Bundoorra 2 goals 5 behinds to Park Orchards 1 goal 1 behind.

In the second and with good movement and tenacity Park Orchards scored 4 goals 2 behinds to Bundooras 1 goal. The score at half time was 33 to 23 in our favour.

Although we failed to score in the third quarter our pressure on the Bundoorra team forced them to squander many opportunities although we were very lucky that one player hit the post with his roost from about 60 metres. Bundoorra scored 2 goals 4 behinds for the quarter and led 39 to 33 at the last with the wind strengthening.

The mood in the pack at ¾ time was very positive and the boys responded. There were some very tired and sore boys out there but the rotations kept fresh players ready. Will Newton kicked a ripper from 45 out on the flank and Macca got one also before I had to leave the game with an injured Ben Gill ( buckle fracture of the wrist 4-6 weeks in a backslab).

Therefore I wasn't there to see Will Newton kick the clutch goal at the end to win the game for Orch.

This was a strong win against bigger bodies. It was a win against a team that tried to intimidate us but we refused to back down. It was a win in a tight, fiercely fought contest.

**This was a great win**

As always we did it for our sponsors RESI Ventures and V&A Spiteri Independent Jaguar Specialists.

I don't like to single out players but great games to many of the boys especially Zach Ryan and Will Newton. Neither of you stopped all day.

The sun shone again we headed to Glen Iris to take on a raging top two team on their home ground. Two of our players in Shania D'Souza and Grace Dawson were unavailable this week leaving us with five interchange players. Of these five, two of our players played for Glen Iris each quarter as they were down on numbers. Thanks very much to all who assisted with this.

Our captains for the day in Sienna Pollock and Bonnie SJ gave us all the motivation required pre game with some stirring words of advice, we welcomed back Elena Pelosi from injury and Mia Bosna slipped back into the team having missed the week prior.

It was set to be huge task trying to knock off a top two-team set to play finals but all on the sidelines could tell from the first bounce we were up for the fight. Our centre four were outstanding contributors all day in Willow Harvey, Sienna Pollock, Bonnie SJ and Allie King. All played hard tough games pushing the ball into our forward line setting up the scoring. Allie King went on to win the 'Drink' award after another dominant display. Well played Allie.

When Glen Iris took control in the second quarter our back line stepped up Ella Saunders, Ellie Bryant, Emily Caldwell, Scarlett McInerney, Indi Tovey and Mia Bosna all working together as a team to combat their scoring opportunities. Ella Saunders eventually went on to win the Opposition Medal in a terrific performance. Congratulations Ella, your hard training is paying off.

Our forwards threatened all day as we had fifteen shots on goal. Grace Bettiol, Jaide Scott, Charlise Doolan, Ruby Caldwell, Charlotte Peterson and Georgia Taylor all stuck to the task of trying to keep the ball inside the forward zone and impacted the score board more than any other game.

Mia SJ came off the bench and played another huge game and was well supported by Zara Dove, Elena Pelosi, Zahra Nyariri and Macy Vendel. It was great to see all these girls winning the ball, trying to get first hands on it, tackling, chasing and using their voices.

It was fair to say we won the first quarter, Glen Iris won the second, the third quarter was a real arm wrestle with no team being dominant then we dominated the last quarter. We finished the game with fifteen shots on goal to their six and lost. It goes to show inaccuracy in front of goals costs you wins. In my mind all week I was thinking about how we could stop the Glen Iris machine from kicking so many goals against us and I should have been focused on how much we can win this game by – especially considering our performance against Richmond the week prior.

Our girls were amazing this week. Tim had them finely tuned on the training track Tuesday night and reported in to me that they trained the house down. Our performance was so good to watch from the sidelines and a pleasure to be involved in. The coaching team and support crew were really proud of your efforts in a huge team performance.

See you back on the training track this coming Tuesday night as we prepare for our last home game of the season.

Sharks win 10 straight

Once again we have not let the opposition score and not only that we've managed to get some familiar names on the goals scored list and some unfamiliar names as well!

The first quarter was played in our half with our Co-Captains Rose Modz- Manson & Madz Draeger deciding to kick into the wind! It payed off with a 3 goal to zip first term and the hardest part of my job keeping the forward line open!

The second quarter went the same way with our wall being well and truly impenetrable and the on ball crew of Mia, Hayley & Madz doing as they please but with only 2 goals our way Brunswick had made it a scrappy game but the lead was 5 goals to zip at the main break!

With one or two decent forward thrusts by Brunswick in the third quarter our defense stood up brilliantly with the Rule girls waxing beautifully and Zoe Miriklis & Mary Young getting plenty of the ball we repelled all of them to be 6 goals up at 3 quarter time!

The last quarter was once again played in our half with the inclusion of Jayde Peters in the ruck and our on ballers giving us plenty of opportunities we finished 58 point victors!

The game was set up & won in the first half by our midfield division and Mia, Haylee & Madz had the ball on a string!

Couple that with the wonderful skill of Charlotte Brimelow kicking 3 first half goals

the victory was always ours but once again it was the method of sharing the football the shepherding and continual selflessness makes everyone walk away really happy to have watched another Sharks game!

The Toyota Good for Footy Raffle is back bigger than ever in 2018, and this year we're aiming for another record breaking season.

Last year Toyota helped 418 grassroots clubs raise a huge \$682k, that they used to upgrade facilities and buy new equipment all with the sole aim to make the game of footy a little more accessible for all.

This year Toyota want to raise over \$720,000 and get more than 423 clubs involved

The Toyota Good for Footy Raffle is fundraising made easy!

Clubs get 100% of the proceeds to put back into their own grass roots programs

Only 1 book of 10 tickets has been given to each Sharks team. If they've not all already been sold, please see your team manager to get involved.

\$5 per ticket.

The Sharks journeyed to Victoria Park in Kew to take on the number 1 team from Kew Comets. We had learnt a lot from our last meeting with the top of the table Comets. Firstly they were very good team. Secondly, and more importantly, a sensational second half from our girls had proven that we could well and truly mix it with them and that we would not be intimidated by them.

The Sharks started the first quarter strongly, despite the comets having a solid wind at their backs, the Sharks held good field position and were winning more than their share of the ball. Our tackling pressure was the best that I have seen it this season. It was not until the later stages of the quarter that the Comet were able to hit the score board with a couple of goals.

The sharks went into the second with a real belief in the fact that they were well and truly in this game. They had to take full advantage of kicking to the scoring end to ensure the scoreboard told an accurate tale of the competitiveness of the game. Despite holding the ball in our forward area the majority of the game all the Sharks could show for the efforts was two points.

The girls were going to have to work hard to hold the Comets in the third quarter and try come home strongly in the final quarter. They also had player numbers working against them with no subs. While the Comets seemed to have an army of players sitting on the bench. The Comets were getting on top despite the Sharks strong efforts.

With a five goal deficit at three quarter time, the Sharks were up against it to get a win. Despite their best efforts on the day they once again went down to the extremely strong Kew Comets team. It is not often a Coach tells his team how proud he is of them following a loss. This week I did! To put it into perspective last time we met the Comets lead by four goals at the end of the first quarter. Today the Sharks had held them to the same margin for the entire game. Who knows what next time will bring....

It was beautiful sunny Sunday afternoon and the crowd turned out to see the battle between two teams near the top of the table. With four girls out of the side, who have so far kicked a total of 77 goals between them, the Sharks brains trust knew we were going to be up against it to kick a winning score. As Kay was somewhere in the Barossa Valley, Heath stepped into the role of Runner. Luckily someone had worded the paramedic up about Heath's training for the Melbourne Marathon, and he parked himself practically in the Sharks coaching box. This was comforting also for Michael K, who had been thrown the boundary umpire whistle, given that his last performance in this role is still being shown at YJFL umpire funniest videos night.

Game on. Kew had prepared well and threw everything at the Sharkettes in the first quarter. The writing appeared to be on the wall, seven Kew scoring shots to our one. Kew were here to play. They used the ball well through the corridor and we did our best to hold on against a gale force wind. At quarter time we were lucky to only be 11 points down with Kew 2.5.17 to our one goal.

The quarter time address was as sharp as the wind. We asked the girls to step up and play our brand of football, instead of chasing Kew around the park. WOW, what a turn around. The next three quarters of football is a testament to the girls dedication to training and subsequent increase in ability across the whole group. They ran, carried, bounced, tackled and kicked straight. At every contest, there were two Park Orchards players to one Kew

player. By half time it was the Sharkettes up by 7 points. Sharks 5.1.31 to Kew 3.6.24

The effort and attack on the ball in the second half was fearless. Kew were so rattled they started playing an extra player on the ground to try and plug the dam wall. They didn't realise our Team Manager was on top of their tactics and traversed to the Coach's box for the rest of the half as they kept trying to sneak on extra players.

Vas tackled so strongly that she dragged a Kew player on top of her, crushing her underneath, and much to her disgust spent the rest of the game recovering on the bench. Lu decided that she was wasting energy running around the Kew girls, so didn't break stride and started running straight through them. Lauren liked the look of what Lu was doing and joined in. She should consider a shot at Ninja Warrior, given her second, third and fourth efforts. Hanni was tackling girls twice her size and then belting the ball 40m to the boundary, whilst Nat popped up kicking a goal on the run. One day the opposition might learn it's not wise to knock Nat over, because she comes back at you twice as hard. Lana was utilising her speed on the forward line, turning on the after burners and leaving Kew in a trail of dust as she kicked 5 majors. Ava played up for us again and competed as hard as the rest of the Team and topped off her day with two goals. Zoe was marking across the 50m line and then delivering lace out to leads, while Jazzie joined the party and was the recipient of beautiful ruck work clearing the ball. Jade and Kristen used the second half of the match to etch up possessions and stamp their authority on the game. Flynn and Chelsea locked the back line down with Flynn's trademark epic runs and Chelsea's trademark never give up attitude. Chels does not stop until the ball is out of the danger zone, against 1, 2 or 3 opposition players. Top that combination off with the two Tilly's working out of the middle and grinding the opposition in to the ground and BOOM you have a winning combination.

In what turned out to be one of the best team performances of the season, the girls ran out on top 11.4.70 to 4.9.33. Great win. Well done

A perfect winters day for footy saw the Sharks take on the Gladiators at Domeney in a close, hard-fought encounter between both sides.

Great pressure in the first quarter with a particularly strong tackle from Sophie Hirst setting the tone. Clearance out of the middle by Zoe Servinis with a penetrating kick into the forward 50 and rewarded with the forwards pressuring the opposition into some early errors, with a strong mark by Victoria Turner followed by the first goal of the match to the Sharks. Another attempt shortly after was touched on the line by the Glen Iris defenders. Later in the quarter a phenomenal kick from centre-half forward by Zoe Servinis rolled through for the Sharks' second goal of the quarter. Strong work in the defensive half by Taliah Cameron with clean possession and great running. The Gladiators scored a goal in the quarter but the Sharks went one goal up at quarter time leading 2.1.13 to 1.1.7 at the first break.

Into the second quarter Taliah showed fantastic tackling and pressure around the ball, causing Glen Iris to turn over the ball on several occasions. Despite some good ball movement and strong tackling from the girls, including a masterful effort from Isabelle Miranda, it was Glen Iris' turn at the scoring end with the Sharks inaccuracy in front of goal hurting us going into the main break. At half time Glen Iris lead 4.1.25 to Park Orchards 2.6.18.

The third quarter saw some great run and carry from Sophie Hirst and some strong tackles being rewarded for Abbey Callaghan and Taliah Cameron. It was a good effort by the girls to hold Glen Iris to one goal for the quarter. We had our chances to score but luck didn't go our way with only 3 behinds for the quarter, with great persistence from Alicia De Santis. Park Orchards 2.9.21 to Glen Iris 5.1.31

The final quarter's highlight was an amazing torpedo goal early in the quarter from Amelia Rees. This superb kick at that stage of the game made it only 4 points the difference. It was then a close tussle throughout the last quarter. Glen Iris looked to have it sealed after scoring 1.1 in the last quarter, but in the last 30 seconds the Sharks scored a daring goal from Talia Cameron. The clock beat us though with the final scores Park Orchards 4.9.33 to Glen Iris 6.2.38. A really strong and competitive effort all day and the girls showed great spirit and nearly pulled off a great win.

It is fair to say that this season has not played out exactly as we would have hoped after experiencing the elation of winning a Premiership last season.

However, every week provides a new challenge and this week we were really excited about playing against the top side, Surrey Park, who co-incidentally just happens to be the team we beat by one point in last year's Grand Final.

We had a great training session on Wednesday night and we went into the game knowing that our best was going to really take it up to Surrey Park.

Adam was unavailable this week due to a work conference so Jeff donned the blue vest and made his coaching debut. He swung a significant change prior to the game by putting Chloe Rice to Centre Half Back. Chloe has been a shining light at Centre Half Forward over the past two seasons but was excited about the challenge of playing a defensive role.

This move proved to be a master stroke as Chloe was the dominant player on the ground and repelled countless attacks on goal by Surrey Park. Well done Chloe !!

We had winners all over the ground and all of the girls played their individual roles to perfection. We have threatened a few times this season to control a game but have only managed to do so for a quarter or so at a time. This week, the girls stamped their authority on the game in the third quarter after an even first half and ran away to record a comfortable victory.

To knock over the top side is no easy feat but to do so late in the season when they are building momentum for a tilt at a Premiership makes it all the more special. We are super proud of all the girls and look forward to them finishing off the season on a very positive note.
