Round 1

Hi All Sharks

HAPPY 50TH BIRTHDAY YEAR!!!

The season is up and running, hopefully smoother for most of our coaches & teams than we could have imagined.

The planning to get the season underway has been occurring since October last year. Thank you to all involved in volunteering to get our Club to this point. Whilst a few teams are tight for numbers, every boy and girl is guaranteed maximum game time this season. We still encourage you to bring a friend to training and let's see if they can become a Shark.

COMMITTEE

The help and input these folks have undertaken leading into the season has been huge. From the high octane output of Nina Foxwell to the quiet assurance of Secretary Andrew Mortlock – it's all come together. Thanks and further introductions to Treasurer Heath Lee, Coaches Co-ordinator Dean Prest, Football Operations Mick Choveaux and Kevin George. Recruitment & U8s & 9s Assistance Michael James, Youth Girls Co-ordinator Nikki Morcom, YJFL Director and Football Department Damien Noonan. Huge effort from our Registrar – Sarah Coffey to have all the info lodged for every child. Thanks to our Sponsor Guru Sue Smith, Canteen Co-ordinator Maureen Choveaux and Merchandising Assistant Vanessa Hamilton.

Welcome on board to Team Managers Co-ordinators Ingrid Ross and Juanita Farrell, Equipment and Grounds Daniel Radle. Team Selection Co-ordinator Mark Hamilton, Auskick CEO Kate and Joel Geniel and Conduct and Child Safety Officer Cam Quinn.

Thank you Rod Faulkner for all your assistance over the last few years. Rod has handed over the reins to Daniel. Finally, a huge "Welcome Back" to my partner in crime, Mark Leonard – Director of Football and Vice President.

Let's now all enjoy season 2019.

It was with great pleasure to see so many familiar faces during the day on Sunday. The committee were out in force assisting teams in preparation and the ladies in the Canteen had the food hot ready to go. It was great to see experienced Volunteers giving a helping hand to our new members, especially novice Coaches and Team Managers.

Thank you and well done one and all – a true family involvement! Fantastic to see we are fielding 22 teams this season. More opportunity for game time for all.

I was thrilled to see our Youth Girls in action and congratulate all teams on their endeavour. For all our Players and Parents, great to get the first match under our belts.

GRADING PROCESS

There was a real mixed bag of results from Round 1.

Each year the YJFL embark on a Grading process over the first four rounds. They consider last year's results, info provided by your club prior to the season & post the grading rounds and an assessment of results during the first four games. What also complicates the situation is that some teams change the nucleus of their team. Therefore it's hard for the YJFL to accurately predict how they'll go.

In the past from time to time this has created some difficulty for committee, so as a result we please ask you familiarise yourself with YJFL Bylaws - Schedule A - via the Website.

Burger Night Wrap Up

WOW, what a great response to our season launch Burger night. There were estimates of 450-500 of our Sharks, current and past, family in attendance. Well done to all from Auskick to U8's at their first burger night through to the Colts & all the Mums & Dads. What a way to kick off turning 50.

- What Can I Say About the Night -

The weather was a balmy mid 20's. The Senior Club were cooking up a storm on the BBQ's from 3.30pm. Our doors opened at 4.00pm with Kevin and son Mitch manning the bar, thanks guys. All drinks were at 1990's prices, the only thing missing were the disco lights. The carnival was in full swing with 'Mr Whippy' producing soft serves, the balloon man creating masterful creations and even a 'Space Invaders' arcade machine game present. Thanks to the ladies who produced 'Fairy Floss' to lines 40 deep for many hours. Not one but two large jumping castles amongst other forms of entertainment out on the oval. Whilst located under the shade of the scoreboard, a various melody of bands completed in creating an atmosphere to rival any occasion.

Thank you all Shark's Families who enjoyed the afternoon/evening for the kick off for season 2019 and our 50th Birthday.

Club Captains

Congratulations to all the Colts and upper age girls who applied for this distinguished position. Due to the quality of applications received, interviews conducted, club policy & age, we were left with a daunting decision to make. It was a very close call on all applicants.

Well done to Jake Leonard as Club Captain & Tim Choveaux and Matilda Rae as Vice Captains.

Every application received showed great maturity & leadership. Watch out for our Colts this year, they are a great bunch of young men.

50 YEAR GALA EVENING –

Just a heads up for our premier event of 2019. Please keep June 15th in the evening available. We'll let you know more soon.

Sponsorship –

Welcome Club Ringwood Main Sponsor – 5 Year. The Sharks have now secured their main sponsor for the next 5 years. We also welcome Ringwood Mazda for 3 years as the front of jumper naming rights.

Whilst our club is built on volunteers we need every one's input in securing various sponsorship deals. Their contributions allow us to keep fees at a reduced level whilst assisting in our operating costs. Please contact our sponsorship coordinator, Sue Smith, if you can help in any way. sponsorship@sharksjfc.org.au

Team sponsors are filling fast, time to act is NOW!

Conduct

The Sharks are looked upon with envy by other clubs over how our Parents conduct themselves at matches; let's please keep it that way. I know we are all very passionate towards barracking for our children, please make sure it's in a positive manner. Umpires are there to help the game flow. Remember they are only human and at times can make mistakes, please show positive support & watch swearing. I've had many parents over the years talk about our culture and family ethos. Let's uphold our well-earned reputation.

ANZAC DAY

Our Colts and other players / parents will be in attendance at Thursday's dawn service at the Clock Tower in Ringwood in two weeks. On behalf of the club, if you are coming along to show your respects, please come in your Sharks jackets.

Opposition: Warrandyte Bloods

U8 red played a strong Warrandyte team today. It was a challenge but I was very impressed with our boys first game of the season.

Our boys worked really hard in the backline with Tom and Josh staying on their players and particularly Eddie and Heath kicking the ball in to Magness and Gabriel creating space and creating a contest.

The leadership of Alfie and Flynn directing players to man up was also good and encouraging to see.

Mitch and Cruz listened to instructions and got to contests and Sebastian's Mark and goal was a highlight.

Lachlan, Elijah and the captain of the day Mason, showed off their skills with some fantastic marking and kicking.

Gabriel got the award today because he listened to my instructions got to the right area and created contest with two players on him, which absolutely fantastic to see. Well done Gabriel.

What a fantastic, fun first round. I am excited to see what the boys can achieve for the rest of the year.

Keep up the good work.

Opposition: Beverley Hills Lions

On the weekend our boys competed in the first round of the 2019 season. They came up against Beverley Hills Lions and were keen to get the ball rolling. From the first siren to the last, the boys played with great spirit and team moral. Linking up during plays and being able to convert when it mattered which was great to see for their first game. We had some new players in London and Charlie W who had a great first game for the sharks. Along with some of last years players in Maxi, Jasper, Jackson G and Jackson B, Sammy, Harry H, Darcy, Charlie and Cohen making up the group, with experience guiding the match favourably our way. There were some great goals produced throughout the match from Hume, Gadd, Myers, McGinty and Mijat. Inside a trying game, the boys continued to play within the rules and showed fantastic sportsmanship throughout which made me very proud to be their coach. I look forward to seeing what this great little team can bring to season 2019.

Park Orchards Red 11-17-83 Def Canterbury 0-0-0

What an amazing morning to start the football year, you couldn't have wished for a better day. I am so glad to be able to welcome everyone back and see you all again. I would also like to welcome Josh Prest into the side after deciding to come and play another season in the U10's and Henry Robinson who started at the Sharks this year. Both boys will be fantastic additions to the side. After their early performances aren't, we lucky...wow As Josh is an experienced hand at the full ground he lead the team today and tossed the coin, a little AFL X on the go here as no coin could be found we had a rock, paper, scissor showdown, Josh won the battle with scissors over paper he decided to kick to the BMX track end. The first quarter began with some confusion as all the kids ran to position but no ump...ooops. Thanks to Canterbury who had a dad who jumped in and did a great job. Henry took the first bounce of the season a palmed the first ruck contest straight down Presty's throat, bang away we go. With Patrick and Will being the lucky recipient of Presty's quick hands and using their pace we moved the ball quickly forward. With Darcy and Robo's marking power and pace across the half forward line we looked powerful early. Hales A on the other flank provided that forward pressure and grunt. We had

planned for the high-flying Ben Nicholls to be thunder out of the square but unfortunately started on the pine as dad raced home for his mouth guard leaving Ryan and James to cash in up forward. We took a while to kick our first goal with Patty wasting early opportunities spraying a couple wide but was up and about and in the game. Henry and Will held their line giving the forwards every chance to get us underway. Finally, Darcy split the pack a got our first. This was quickly followed up with Fortington registering a major after Henry again gave us first use.

The back line did well early and showed fantastic discipline by protecting the line and building the wall across the midfield. With the half back line in Lanza, Wachter, Hales B pushing up into the midfield and Elliot, Liam, and Xavier slipping up to look after their players.

¼ Time PO 2-4-16 to Canterbury 0-0-0

Positive Play- Patty good playing on get it & go quickly, Ryan head over the ball and attacking it, Wills pressure around the contest, Darcy, nice use on the left.

Did Well-Building the Wall and protecting the line behind the ball.

Do Better-Man Up, Tackle Pressure, Mids to hold back when the ball is deep to open up the play.

Working up the hill in the 2nd Lanza moved into the ruck with Kia in and under using his strength, Ben H quick hands out to Darcy who glided across the deck to deliver long. With Liam, Xavier and Elliot super keen for some action after a quite first down back the boys used their pace to cut through the opposition and deliver deep to Prest, Robbo & Hales A. Prest's strong over head marking a feature along with Robbo continually presenting. Xavier's pace around the contest ensure the opposition are always under pressure, Robbo was elusive up forward and showed what he can bring with height and pace to match makes him a formidable match up. Liam once again showing when you keep your feet the bounce of the ball goes your way and one more than one occasion slipped away from the pack to deliver the ball deep. James worked well and pushed up when required and Ben directing the play behind the ball along with Ryan keeping the Canterbury forwards under wraps, Will and Patty worked the ball well out of defence with Henry as our last line of defence making sure all was safe and sound.

Prest, Robbo and Lanza all hitting the score board with our accuracy increasing

½ Time PO 5-5-35 to Canterbury 0-0-0

Positive Play- 3 quick switch kicks on the 45 across the ground Ben H, Ollie and then Xavier hitting Robbo who was in a great position moving to space. Elliot quick hand in close, James holding the line and then backing himself and attacking it to drive the ball back deep. Ben N control of the game across half back

Did Well-Started looking for teammates and getting into the groove

Do Better-Need to play in front and not wait for the easy over the back, increase tackle pressure.

It was Ben N turn to take on the ruck duties and with his huge leap ensured Liam, James and Ryan had first use out of the middle, as the relentless nature of the boys game started to show on the opposition with height and strength up forward, Henry J, Kai and Ollie asserting themselves and Elliot, Xavier and Ben H applying immense pressure. Xavier was in everything chasing hard and laying tackle after tackle, unfortunately his efforts where not rewarded with a goal for himself but the effort gave his teammates plenty of opportunity to capitalise. Ben took some strong marks, but we started to get to many players pushing deep and crowding

the forward line meaning our shoots at goal where under pressure and it showed on the score board. Robbo, Patty and Will again held their line and worked hard when Canterbury had a chance to break free and get forward. Darcy, Prest and Hales. A mopping up and keeping a clean sheet

¾ Time PO 8-10-58 to Canterbury 0-0-0

Positive Play- Henry J holding across half forward cutting off play, handball out to Ben N running past for Ben to sprint forward and goal. Ryan Attack in the Ball, Xavier's 2nd & 3rd efforts, Kai playing in front and presenting, Robbo doing the team stuff and protecting the line

Did Well-Use of hands under pressure, looking for each other

Do Better- Started to push to deep and crowd the forward line.

Kai was a little apprehensive about going into the ruck, didn't take long for that to go away and he look right at home, Duffy finished the day strong working hard with the skipper also finishing off and round out a solid performance, Angus in support around the pill and burrowing in, Ben N up forward clunking a few and kick another snag, Liam showed his dash again and Darcy with polish setting up the forwards.

We went small but quick deep, unfortunately we started to crowd the forwards and choked their movement, but they kept presenting and working hard, especially working the other way laying some forward defensive tackles. The back 6 solid again lead by Robbo who overcame an injury during the week to his knee and was solid all day, give that knee a rest and can't wait to see young Robbo deliver in the ruck in the coming weeks.

Henry and James across half back support Robbo and our last line Hales B who played a ripper with the Laconic Lanza and Ryan showing his footy smarts by doing the small things that count.

A great start with plenty of improvement especially as Prest find Robbo find their feet and will no doubt be important contributors for the remainder of the season.

Positive Play-Xavier who was on the mark for a kick out sprinted to the fifty to lay a tackle that resulted in a free and goal Elliot, Prest great strength and hands out of the pack, Darcy second effort when outnumbered, Patty work rate and hand below his knees.

Did Well-Sung the song loud.

Do Better-3 cheers for the opposition.

Final PO 11-17-83 to Canterbury 0-0-0

Goals: 2 Prest, Ben N, Darcy 1 Fortington, Davis, Wachter, Robinson, Lanza

Best: Prest, Patrick, Will, Xavier, Darcy, Ben N, Ben H

A massive thanks to Jo who has taken over from Neil and to our wonderful parents who are fantastic support each week.

Mark, myself and the boys are very luck to have the support of you all.

Opposition - Brunswick

Today we made our way to Brunswick on a beautiful day for football albeit very windy. Alex was captain today and fought valiantly in the centre with Archie to give us a good start with the breeze.

It was evenly poised at half time as we tried to hold back Brunswick kicking with the breeze. Luca, Michael, Archie and Hudson were all trying hard in the first half. Alex and Hudson kept the medical officer busy. Alex with an elbow injury after a massive clash with a Brunswick player and a couple Brunswick players brought down hard to the ground by Hudson's tackles.

In the third quarter we were again kicking against the breeze with Coby and Cameron getting their hands on the ball. A good lesson learned this quarter to keep the ball moving amongst our team mates.

The final quarter saw Brunswick come home strongly. The boys competed very well and with 5 or 6 fresh new players I was extremely pleased with their efforts.

Sharks 12.14.51 Def Ashburton 4.0.24

QUARTER 1: SHARKS 1.1.7 ASHBURTON 3.0.18

After losing the toss and kicking into the wind, the Sharks boys made a relatively quiet start – as they have through the pre-season. After kicking the first goal into the wind, the Sharks lost control of the midfield to Ashburton who were able to score with an open forward line and the assistance of the wind. For the Sharks, Campbell Eastwood was in and under the packs and deserved his coach and team's praise at the quarter time huddle.

QUARTER 2: SHARKS 4.7.31 ASHBURTON 3.0.18

The second quarter was in complete contrast to the first with every Sharks player lifting their work rate with and without the ball. Ferocious tackling, combined with running and linking up by hand and foot, resulted in the quarter being played in the Sharks forward half. After a string of behinds, the boys finished off the quarter by kicking straight and going into half time with the lead.

For the Sharks, Eamon McDonald led from the front with a strong attack on the footy, while Logan Ross and Cash Kinnear got busy in the midfield with plenty of run, carry and evasiveness.

QUARTER 3: SHARKS 7.9.51 ASHBURTON 4.0.24

Heading into the third quarter with the wind favouring Ashburton's end, the Sharks played a great brand of football to deny Ashburton clean passages of play. Logan Sonderhof and Josh Daley were generals across the backline, while up forward Logan Hamilton marked strongly. In the midfield, Austin Wallace used his pace while Zac Antonellos was everywhere, including high on the wing taking an incredible pack mark. For the Sharks to keep the opposition to just one scoring shot, with the wind advantage, was an especially impressive team performance.

QUARTER 4: SHARKS 12.14.51 ASHBURTON 4.0.24

The last quarter was similar to the second, with the Sharks taking full advantage of the wind to dominate possession in their forward half. Whilst the forwards presented well to make the most of the team's dominance, the midfield and backs really started to understand the value of holding their position, pressing up high to keep Ashburton scoreless for the quarter. While the wind made set shots difficult, there were plenty of running goals as the Sharks came away with their first win for the season.

Park Orchards 8.6.54 defeated Bundoora 3.5.23

Qtr 1:

The first game of the season was played at Stintons Reserve in sunny, but blustery conditions. The first quarter was a real arm wrestle with neither team scoring a goal. Riley, Alby, Gabe and Jonah all completed hard in the mid field, and were well supported by Jack, Beau and 'running man' Christian on the wing. The backline, led by Ned and Floyd was disciplined and solid for the entire quarter and didn't concede a goal. The forward line, led by Will F, Lachie, Noah and Danny continually attacked the ball and tackled hard, enabling the forwards to 'lock the ball in' on numerous occasions. The forwards were well supported by the midfielders who built a 'wall' around the attacking 50M line every time the ball entered the forward line.

Qtr 2:

The second quarter started with great tackles from Tommy B and Isaac. The tackling in general was excellent, particularly given the significant size differential of some of the opposition players. Will L and Josh B battled hard in the mid field and were key to captain Alby kicking the first goal of the season. Jack then beat 2 opposition players in a contest, got the ball to Zane

who passed to Felix for a goal. The quarter was soured when Riley got a heavy knock to his ribs and could take no further part in the game. Notwithstanding, the courageous effort from Riley resulted in a second goal to Alby for the quarter.

Qtr 3:

Christian, Ned and Zane all worked hard in the midfield, and had great support from Floyd on the wing. Lachie competed hard in ruck and laid a fantastic crunching tackle on the opposition's biggest player. Gabe had a sensation quarter on the wing, with great chases, strong tackles and 2 beautiful running goals.

Qtr 4:

The boys were kicking into a strong breeze in the final quarter, so a massive final quarter effort was required. Jonah led the way with some excellent work in the ruck. He was well supported by the mid field brigade of Felix, Floyd and Will F, who all worked tirelessly throughout the quarter. The entire backline was solid and disciplined, not to mention some dashing runs from Christian out of defence. Granger and Kai both had great quarters, competing hard on the wing and HFF respectively. Josh B also had a fantastic quarter booting 2 goals from full forward. All in all, it was a great first hit out for the boys, and they sang the song with gusto after the game.

Goal Kickers: Alby 2, Felix 2, Gabe 2 and Josh 2

Kew 8.2.50 Def Park Orchards 6.1.37

1st game for the season after a long pre season and footy is finally here. We where up against Kew comets who played finals in gold division last year so we new we had a game on our hands.

We went in at the 1st change scoreless against the wind but our attack on the footy was a real positive and I could sense the boys where up for the challenge. Special mention to Max and Riley for there attack on the footy.

Second ¼ was a snapshot of the first with the opposition taking control of the contest and the scoreboard with us going in to the long change 3 goals down. Campbell was a rock in defence, great to have you back.

Message from the coach at ½ time was strong, whilst we competed well we didn't take risks and take the game on. We needed to back ourselves in and reward our efforts with stronger running to break the game open and get it back on our terms. The boys responded with 5 goals to 1 in the 3rd term, special mentions to Jack for breaking open the wing, Mason and Austin where damaging in the middle and Jacob S chiming in with 2 goals saw the sharks head into the final change 5 points up.

The opposition ran out victors by 2 goals in the finish which was a little disappointing , but we must take heart in our spirited fight back in the 3rd once again displaying our boys can take it up to any one when we are challenged.

Keep up the hard work boys and keep taking the game on, our mantra for the year is the little team things will define our season, we will continue to grow.

Go sharks

Park Orchards (A) 7. 2. 44 Def Beverley Hills 3. 8. 26

After putting in many weeks on the training track during pre-season and a couple of practice games it was great to finally hit round 1 and in such great conditions.

We welcomed Max Nicholls, Zac Wilson and Bruce Waddy into the Black team from the Reds. Its was also great to see Jack Mac come back to the club after a year off and we are lucky to have Lachy Oaks join the ranks.

The first quarter was a battle as both half back lines fought to keep the opposition out. Hamish was a general at CHB organising his troops. Archie was controlling the ruck and Jack Mac was finding a bit of the ball out on the wing.

Harry, Elliot and Tom were into every pack which allowed us to move the ball forward.

Zac was positioning himself well across half forward. Using his strong body and playing in front he was making it impossible for Beverley Hills to get around him. This gave him a free kick which put the ball deep in our forward line and that allowed Fletch to mark and goal. Woo Hoo.

¼ time – PO 1.1.7 trail BH 2.3.15

At quarter time it was great to see the smiles on the boys faces and they were growing with confidence. Archie and Max were dominating in the ruck, while Harry, Tom and Elliot were taking full advantage. Darcy playing up from the U10 was enjoying the challenge and had a

big hand in the next goal as he roved the ball at half forward, kicked long and found Bruce who marked strong in the pocket. Bruce then went back causally and kicked his first ever goal in football. Awesome work Bruce. A couple of minutes later Harry and Archie combined to feed the ball long into the forward line where Bruce pounced to kick his second goal of the quarter.

Xav also up from the U10 was using his pace around the ground and run circles around the opposition. Will Mac was also showing how much he has grown over the summer and worked hard to get to several contests.

Not to be out done Byron found himself busting thru the pack to snap our third goal for the quarter to put us in front at half time.

½ time – PO 4.1.25 lead BH 3.4.22

The third quarter was a battle of the defences. Gallantly lead by Hamish who continued to read the ball well. Bosco was fearless with his tackling and attack in the ball as was Jordan who also reads the ball well and is really developing his game. Lachy was enjoying his first game of football and was a big asset across half back. Max was having a great quarter in the ruck providing a brilliant shepherd to allow Sean to run onto the ball cleanly. Darcy provided the smoother of the day to stop a certain goal while Tom, Fletch, Elliot and Harry continued to have a strong influence on the game. Sean was having a great quarter and found himself with a free kick after coping an elbow to the mouth which cost him a tooth...

Also a great proud Dad moment for Mike (our runner) as for the first time all 3 boy contributed in a passage of play as Tom ran to a loose ball on the wing aided by Will who provided the perfect shepherd that allowed Tom to kick down field where Jack marked at half forward (can't wait to see more of brotherhood)

This quarter showed great endeavour as the boys really started to put into play the things we have been working on at training, kicking to space, leading to space, protecting your team mate and working for each other.

¾ time - PO 4.1.25 level with BH 3.7.25

With the scores in the balance the last quarter was going to be a cracker with 4 points up for grabs. But our backline of Hamish, Lachy, Jordan, Max, Bosco and Fletch made it very hard to score. While Tom, Xav, Harry, Elliott and Sean were running amok thru the middle. As Archie busted the pack, handballed to Sean who kicked wide to space allowing Tom to sprint on to the loose ball, aided by a brilliant shepherd from Xav. Tom then took 2 bounces and kicked truly from 35 m out.

Minutes later Will took a great pack mark then kicked to Sean in space, then onto Bruce, kick to Xav who was about to run into an open goal except for a cruel bounce...

From a boundary throw in Henry (also up from U10 and who had been leading strongly all game) took front position then palmed the ball neatly on to the chest of Bruce who ran thru the stationary pack to kick his 3rd goal for the game and seal a brilliant win for the boys.

Full Time – PO 7.2.44 defeated Beverley Hills 3.8.26

Fantastic to see all the boys have a red hot go all game and be rewarded for their effort.

A huge thank you to Henry, Xavier and Darcy for helping out the team.

Banyule 5.8.38 d Sharks 4.8.32

What a terrific game from our lads in the Grand Final re-match today against Banyule.

The boys can feel incredibly proud of their spirit, team work, and never say die attitude. It was a tough, physical encounter, and a great way to start the season, providing us with so many positives, and giving us a few areas to work upon at training and in upcoming matches.

With Ollie dominating in the ruck, and our onballers of Josh G, Dan and Jake capitalising on this, we drove the ball forward where Josh S was able to contest and provide a strong target. Jack and Tymmsy in the backline were wonderful support to big Andy, a rock at Centre Half Back, with Quinny directing traffic and repelling attacks.

22 points down with 7 minutes to go, many teams would have dropped their heads. But the boys continued to attack and drive down the corridor. A number of shots on goal just missed or were touched.....

Every player was able to have an impact and play a critical role. Congratulations to Flynn, Wilbur and Rossy on their first games with the team. A few different scores, a few different decisions, and we could have easily won. Most importantly, the boys displayed Respect, Discipline and Courage, which is all I can ask of them

Park Orchards 1.0.6 def by Hawthorn Citizens 11.17.83

A beautiful day for football to kick off round 1, a sunny home game at Stintons. We welcomed Raph Lever for his first game with the club, he played a good game and kicked a goal so off to a good start with the Sharks.

It was a tough day at the office for our boys, due to injuries we were down to 16 players. Our captain Daniel Blazer got us off to a good start by winning the toss, so we kicked with the breeze. Our first quarter was pretty good, we were able to have the ball in our forward 50 for quite a bit of the quarter, we were just unable to convert from our inside 50's. First gamer Raph kicked a nice goal from a set shot to get us on the board.

Our second quarter was always going to be tough with Hawthorn kicking with the breeze. They kicked long and had our backline under pressure for much of the quarter. They were rewarded for their efforts on the scoreboard and we had trouble moving the ball off our half back line.

3rd quarter was really tough, Hawthorn were able to run the ball much better than us, we struggled to man up their forward line and midfield and it showed as Hawthorn hit the scoreboard. We had the wind in the 3rd quarter but we struggled to move the ball from our kick outs.

Final quarter we competed much better around the ball and our back line held up well despite the pressure.

Some highlights from our boys:

Ben Jackson - Played a great game in the ruck. Laid a lot of tackles, wore a couple himself and kept competing all game long, never gave in. Was great to watch.

Ollie Postill - Held down centre half back and played another great game. Lot's of intercept marks and second efforts, stopped a number of goals with his ability to read the play. Started to run off his man in the final quarter to provide options for his team mates.

Bailey Wallace - Played well at half forward, but saved his best for his run on the ball in the last quarter. Was great at the centre bounce, laid lots of tackles, lots of second efforts and a few smothers. Great in an under stuff.

Raph Lever - kicked a great goal in the first quarter. Was good around the ground and played a great last quarter on the least line of defence, intercepting the ball a few times right on the goal line saving a few goals, smart play.

Oscar Bugler - Played well, kept trying all day. Helped create some run off our back line and did well when he was in the midfield.

Lachie Sherriff - Had a great last quarter in defence. Lachie is our sharp shooter and normally plays forward, but might benefit from a switch down back. Kicking under pressure was really good.

Layne McKell - ran hard all day on the wings. Had a tough last quarter on his opponent, who was pretty quick, but was good to watch Layne chase down his opponent with a few good tackles.

Adamo Vigo - strong in defence as always. Had a run on the ball in the last quarter and did well. Competed hard and as always used his body to out position his opponents.

Brady King - a tough nut over the ball, did well when he was on the ball and competed hard on the first quarter in the forward line.

Finn Doherty - Played well on the flanks. Was good in the clinches, taking some tackles and when he got free Finn used his long kicking to advantage.

Connor Bastin - Played well around the packs, chased hard all day. Was really strong over the ball taking lots of tackles always trying to move the ball forward.

San Van Winckel - Played week on the flanks. We got some good use of the ball from his run off half back, Sammy worked hard when he was pushed forward.

Barathan Mahadeva - played well in defence, played on quite a lot and tried to create some play for us. Competed hard all day long.

Daniel Blazer - Captain for round 1. Played a great game, got quite a few kicks and moved the ball forward quickly. Competed hard and took a few nice marks around ground.

Kye Bertram - Played well on the wings and the last quarter on the ball. Laid a few nice tackles and kept the pressure on the opposition.

Josh Cahill - Played well at centre half forward. Laid some nice tackles and bumps, took a nice contested mark in the last quarter. Did well when swung into the ruck for the third quarter.

Park Orchards 13.11.89 def Fitzroy 3.6.24

Well today saw us travel for a home game to Koonung against Fitzroy....go figure!!

What a day for football it was with some of the boys applying sunscreen as the weather was fantastic for football.

Our simple team rules for this year are:

1. Fun
2. Look after your team mates
3. Run to space
4. Look side ways
5. Play in front
6. Talk

And in saying this the whole team was fantastic. Well lead by Sonders in the middle, captaining the team in his 100th game. Will lead from the front with Joel Silky Foxwell controlling the ball and letting us kick a couple of goals into the wind in the first quarter. Assisted equally by our 2 new recruits Tige with 2 goals and Josh Baldori with one, sent us into qtr time with the lead.

Against the wind!

The second quarter we set a couple of challenges and made a couple of changes with positions that saw Killer Kilkenny snag a great goal on the run with our 2 new recruits again troubling the scorer!!

Demps, Ace & Tommy Rees in the middle saw the ball continue to be won from the centre allowing our forwards to run. The back line held well repelling the Fitzroy attack with Mr Reliable – Brad Oakes controlling the full back line with support from Zac & Morcs.

The third quarter saw JT head into the middle and yet again take the strong hits and use the ball well, Hume took a run from the back pocket backing his pace and we again were able to score against the wing thanks to Polly. Leaping Leroy - Davey Broadbent again showed his athleticism by taking some great marks and providing some run.

In the final term we changed things right up and finished with Sonders bagging 2, Oakesey moved to the middle and kicking a goal, Fraser King snagging one crumbing and to top it off Polly kicking a goal on his right foot.

The run, carry and support the boys showed today was testament to their preseason (starting way back in December!!) and was a fantastic result to set up what is hopefully a great season.

Park Orchards 7.16.58 def Fitzroy 5.1.31

We welcomed in 2019 season with a game at Stintons which turned out to be a warm day for footy. Our opponent was Fitzroy for this season opener.

We also welcomed 3 new players to U14 Black - Beau Osbourne & Liam Warne who will be followed by Sam Box in a couple of weeks. Welcome to those boys & their families.

Also of significance today was it was Blake's 50th game for the Sharks. A very popular member of the team, he spoke about playing team footy & running & spreading to create opportunities - all things we've been working at at training.

We were forced to kick into the wind for the 1st qtr matching with Fitzroy for a majority of the time. However, Fitzroy hit back hard for the last couple of minutes & made the most of the wind & when the sire went they were 4.1-25 to our 1.1-7.

2nd qtr, wind at our backs but we couldn't quite finish off our good work. We were dominating but not on the scoreboard. Halftime, down 4.1-25 to 1.6-12.

After half time we needed a big 3rd qtr into the wind. Again we fought for control & managed to come away winning the qtr, albeit still very inaccurate trailing by 11 points 5.1-25 to 2.8-20.

Final qtr. "Kick long & direct boys!". Boom. Ball out of the middle everytime. Forwards locking it in. Ran right over the top of the Fitzroy boys with a 5 goal final quarter. Great win kicking 7.16-58 to 5.1-31. Great start to the season.

Individually there were some stand-out performances but most pleasing was the team-first mentality. The blocking, shepherding, use of handball & the kick-in tactics we practiced during the week. All spot on.

Jacob was a rock down back taking goal-saving marks, winning one-on-ones. Played fantastically. He has some comrades down there though. Ben S & Beau look so assured, attacking the ball as comes into their area & then so composed with the ball. James was also great as was Brodie with a couple of smothers very memorable. Dan S, on one leg, played through & really impressed. Oscar always goes hard to win the ball.

Our midfield dominated for large parts. Harry was his elusive best. Rhys is has really come on in the contested side of his game. Remi has come from nowhere. Multiple clearances, great pace & unlucky not kick his first goal. Lucas is really getting in attacking hard. Our ruck combination of Charlie & Blake get their hand to the ball regularly but when up forward, both are still contributing solidly.

And then the forwards. Around big Dan W, who snaffled 3 goals, was Mitch (also 3 goals including the "selling the candy" first goal of the game), Liam (first goal for Park Orchards), Bo (geat skillsunder pressure) & Ben W (with his ferocious tackling).

Overall a great team performance for the first game of the season. Well done boys.

Kew Comets 13-7-85 def Park Orchards 4-5-29

Goal Kickers: Kane Dickson, James Mason, Zac McLeod and Will Sonderhauf.

After a long preseason and amalgamating two sides into one from last year along with two practice games, the boys finally got to play their first real game. With Dicko and Maca missing, we asked two Under 14's boys to join us in Bradley Hume and Will Sonderhauf giving us a full side.

QTR 1

Kew kicking with the wind used it very well and jumped the boys early with fierce attack on the footy and quick ball movement through the midfield leaving us flat footed and putting enormous pressure on our defense. Noah, Tymmsy, Brodie and Ange held up as well as they could intercepting and trying to rebound but they were overwhelmed.

QTR 2

With the wind in the second quarter we felt we might be able to get back into the game, however, our midfield while trying were beaten in the second quarter. James continued to give us a presence through the midfield and his around the ground marking. Rhonan and Lachie presented more up forward and with some luck we could have scored more than the one goal for the quarter.

QTR 3

We put the challenge to the midfield to go more man on man and hold the ball in the contest with Jesh, Kane, Will, Cooper and Jake giving more through the midfield. Liam and Ghostie moved into defense and helped tighten up. Shannon moved into the ruck and had an instant impact while Ben playing undersized up forward continued to work hard in tandem with Bradley.

QTR 4

The last quarter saw the boys make it a real contest with some fantastic run down tackling and Zac bursting off his wing into the forward line twice. I have wanted Zac to take the game on and break the lines with his speed and in the last quarter he delivered; keep it up Zac.

So the boys played a side who were completely different to last year and have recruited well, and after half time we were only outscored by 20 points with two late goals to them in the last quarter. After two relatively easy practice games we were brought back to earth quickly. Boys make sure we get to training so we can continue to improve as a team. Well done boys, massive effort after halftime and with a full side in for round 2, I know you will respond well.

Park Orchards 12.9.81 def Parkside 8.8.56

The Colts Black had a terrific start to the season with a win in round 1 against Parkside. After spending the pre-season training as a Colts squad and the Colts Black team only being announced on Thursday night, there were many questions over how the team would come together for the first time. We fielded a team of 16 players against 18 from Parkside (they had 2 players on the bench) and in windy conditions our captain for round 1 Brayden Scott won the toss and we kicked with a strong breeze.

Our first quarter was excellent with many scoring opportunities being created through our strong focus on tackling, spoiling and second efforts around the ball. Our ruckmen were giving us first use out of the middle and the midfielders were getting the ball forward quickly, giving our forwards every chance. Any move by Parkside to attack was thwarted by our solid defence. We finished with 3 goals and 7 behinds to no score from the opposition and could have been a lot further in front.

In the second quarter we continued to pressure the opposition and although they managed to kick 3 goals and 1 behind, we managed to kick the same score into the strong breeze. There were some exceptional passages of play including one where we moved the ball from one end of the ground to the other, linking up mainly with handballs that resulted in a goal.

Early in the third quarter Parkside attacked hard into the breeze and our defence was able to stand firm under pressure with strong tackling and spoiling. Unfortunately Tim Choveaux coped a knock to the head that would see him miss the rest of the game with concussion. The boys eventually took control of the quarter and extended the lead at 3 quarter time to 27 points.

Parkside had the strong breeze in the last quarter and with 3 extra players available were coming back strongly. Some sensational defensive efforts from our backline stopped certain goals and again we were able to transition the ball the length of the ground to score a much needed goal into the breeze. The boys were tiring although kept trying their hardest and matched Parkside's 3 goals to run out 25 point winners.

The most difficult part of having such a great team win is giving the votes, a great problem to have! Many of the boys played their best games in quite some time and everyone enjoyed singing the theme song.

As we move forward and start to focus on a few areas as a team, the boys will only get better and with up to 6 boys to join the team after being unavailable or playing with the Reds in round 1, we're looking forward to a good season with development and enjoyment key areas of focus.

Glen iris 12.10. 82 def Park Orch 8.8. 56

And so a new season begins and once more we are at TH King Oval facing Glen Iris.

Last year we played on a bog heap in freezing conditions. This year we played on a lush ground in 25 degree heat with a fair chance of sunburn.

Thanks to NAB League we had to front up with many of our players unable to play this week. Therefore we realized we would be fronting with 16 players by the time match time came around. Glen Iris were terrific in agreeing to playing 16 a side so the starting format would be 6 defenders -4 midfielders -6 forwards so it looked like a fast and open game would result.

And that's what happened. From the first bounce the pressure from both sides was terrific and the game was played in that manner all day. Glen Iris had the luxury of having 22 players giving them 6 players to rotate through the bench. The Sharks attacked the ball all day and having a solid breeze behind them in the first quarter posted a total of 4.1 25 to Glen Iris 1.3 9 for a deserved lead. Our rotations of players through the midfield helped keep our attack on the ball very keen and Grem was mauling the ruck to give us first use of the ball.

The second quarter saw Glen Iris get the breeze and they used it well. Some very clean footy saw them have first use of the ball but their accuracy in front let them down as Orch battled

hard to work against the wind. Half time saw the scores Glen Iris 4.8 32 to Orch 4.2 26 courtesy of a Glen Iris goal right on the siren.

The boys were confident facing the 3rd quarter and started well. Unfortunately the 4 goal backing breeze decided to wander off for a coffee at this stage and only came back at the 18 minute mark of the quarter. It was an even quarter when we needed to kick away and the scores were Glen Iris 6.9 45 to Orch 6.7 43 when the bell rang.

In the last quarter Glen Iris had the fresh legs, able to rotate their players through the bench and our boys were wilting in the heat and on the hard ground but to their credit they never stopped trying. The siren sounded just as Dec sailed a goal through to see the final score of Glen iris 12.10 82 to Orch 8.8 56.

We will be better for the hit out and some of the boys still need to work on their fitness being late to training due to cricket commitments. We will regain our NAB League reps and also a couple of injured stalwarts and I know we are all very keen to welcome Buckets back to competitive footy after a very long layoff. It is vital that every player gets down to training for every session for both fitness and game play strategy. We will see you Tuesday and Thursday.

On another note the roll up of players to the BBQ on Sunday was piss poor. Read the Club Expectations of Colts that was sent out last week on Team App and email.

These Expectations are non negotiable and you guys are expected this year, to give back to the Club that has nurtured you in your junior years.

There will be a discussion with the coaches as to the penalties applied to non attendees. It's going to be brutal.

Park Orchards 7.11.53 def Hawthorn Citizens 0.1.1

Welcome to the season ,Gold division & we'd better get used to it because after today's result we're in it for the long haul !

Wow !!!

We have lost a few numbers with girls deciding to play elsewhere & some not continuing their footy careers so we have 17 listed players which steps up the pressure. The girls however eat pressure for breakfast and with a somewhat lackluster warm up we hit the first quarter with a tenacity that shocked the good Citizens of Hawthorn and with our running & handball game on full display and thanks to a good mark & set shot goal from Tegan Rule we had a 1 goal lead at the first break !

With their newly found vigor for running & hand balling the girls were putting 4 & 5 person chains together and as a result forward 50 entries were clean & not only couldn't Hawthorn get their hands on the ball but another 2 set shots to Tegan capped of the good work & we had a 3 goal lead @ half time !

We enjoyed the break in the shade on the ground & in 26 degree heat it was something of a concern that with no bench against their squad of 22 it was going to show in the second half. I needn't have worried because when Mia Servinis & Haylee Bastide snapped their first for the game & Zoe Miriklis chimed in for 1 as well we had a 6 goal lead at the last break !

Their Coach had tried moving his better players behind the ball by this stage & the last quarter was no different .They had a few fast breaks from half back but our defensive structures stood firm & their only point was gifted to them by Mia as a rushed behind and after Zoe had her second of what we're really good running goals we were 52 points up and very happy with our achievements!

I did say after that courage comes in different forms and we had a girl coming of a badly broken arm & dislocated elbow which made her understandably hesitant to play but Alicia Lomen played. She fought hard to keep the ball in our forward line putting numerous tackles on and getting bumped and giving back and by games end of what was a closely won decision to play she & we were the beneficiaries of it !

We also had 2 first gamers & for Amy Duffy & Mutya Guerro to have both played significant roles in their first games stands us in good stead for the season!

This group of girls continue to impress & Haylee Bastide, Maddie Moran, Charlotte Brimelow Jayde Peters & Beth Stone all had a very serious impact on the outcome of the game but I will single out 1 ! Demi Knight not only played her best game of football but her vision at the bottom of each pack with her handball set us up and when in a private conversation with their coach he said we tried to stop your 35 but couldn't so tried something else! He also said also your 7 (Zoe) 56 (Jayde) & 32 (Mia) were fantastic and wished me luck for the season!

McDonald's achievement awards go to Alicia & Amy D !

It's was a great start & I have to give thanks to Macka for goal umpiring when Amber was crook, thanks to all the helpers & a big thanks to Ruth again for settling us up & keeping everyone in the loop ! Enjoy a few weeks off & training is back on the 23rd .

Kew rovers 7.8.50 defeated Park Orchards 0.0.00

Opposition Kew Rovers

Qtr 1:

For the first game of the season the under 14 girls played the Kew Rovers, we had two closely fought loses against the Rovers last season and the girls were keen to change the ledger. With low player numbers it was going to be a big ask. Mia and Scarlett from the under 12 were good enough to play up and did a great job, thankyou girls. Eugene Hansen filled in as Assistant Coach, his experience and expertise as a senior coach provided the team with some excellent guidance, thank you Eugene.

The first quarter was a tight affair, the Sharks defending well held a well prepared Kew team a single goal.

Qtr 2:

Having to kick into a building wind the Sharks worked hard to hold the rampaging Rovers. The heat and lack of a bench was making this task hard. At half time the Rovers lead by 24 points.

Qtr 3:

The battle continued, despite being outplayed the Sharks never gave in. Special mention to Amie Holt, who played an amazing quarter marking, smothering and tackling well. The Rovers were proving to be too strong and lead 37 -0 at three quarter time.

Qtr 4:

At three quarter time the Coach's asked the girls to keep their chins up high and just keep trying. The Sharks followed these instructions to a tee. They held the Rover scoreless for the vast majority of the quarter. Girls, despite the scoreboard you made us proud, you kept trying the entire game. We came up against a strong team first up, they have shown us the benchmark.

Park Orchards 13.5.83 def Ashburton 3.0.18

Assistant Coach: Dave Boell

What a ripping day to commence the 2019 season and welcome two new players to the Reds, Courtney and Taliah. With an injury to Chelsea last week in the practice game, we were down to 14 and elected to not even up and play against a full 16 plus bench from new foe Ashburton.

The first quarter was tough and Ashburton hit the girls with everything. Courtney and Taliah were thrown into the middle and proved their selection winning the hard ball. We had the wind and were lucky to be out to a 9 point lead by quarter time. Flynn and Sophie sustained some nasty blows but battled on bravely to hold down Full Back and Full Forward so we didn't have to play with 12.

With the introduction of Jazzie into the ruck we started to turn the tide and win it cleanly out of the middle. Tilly, Mia and Jorja started to run and spread, and utilise the pace of Kristen and Lana on the fat side of the ground. We had increased our lead at half time to 16.

A dominant 3rd quarter by the girls started to break Ashburton's spirits. Lana's shepherd and front on tackle sent Ashburton a reminder that footy is tough. Up stepped Lauren weaving her magic on her left foot and Sophie's judgement to mark the ball in the wind was outstanding. Flynn went back on to the ball and started to create a path for Mia to run through and dish out some don't argues. Chloe joined the party with some in-and-under toughness and the lead had stretched to 46 with Ashburton failing to score.

The last quarter was tough, a cramping Mia spent some time on the side line doing a pilates session, and we were against the wind with only 13 on the field, but the girls dug deeper. Jade and Nat continued to run and carry and all of a sudden we had an aggressive leading Full Forward, Tilly, on a goal spree.

Jorja continued to run and when Mia eased herself back on the ground, Park Orchards had the game well and truly sewn up.

The girls played in all different positions throughout the game and all carried the load through the middle at some stage of the game. It was a really pleasing first hit out for the girls, eventually cleaning up Ashburton by 65 points and holding them scoreless after half time.

Enjoy a safe and happy school and Easter break and look forward to the next game on Sunday April 28th.

Park Orchards 14.6 90 defeated Richmond 1.0 6

It was a sensational day for footy, we were up against Richmond at Citzens Park. Sunscreen was needed and there was a slight breeze around. Apologies if names are wrong, trying to match names with numbers through long pony tales was difficult.

Quarter 1

The girls were on from the first centre bounce, you could tell they had, had a pre season, they were running hard, tackling hard and kicking and handballing longer. Zoe Servinis was winning tap outs, Tess Budge kicked the first goal within minutes. Then Abbey Callaghan added to the score board with another major, and Tess followed up with her second goal for the quarter.

Quarter Time 3-1 19

Quarter 2

Zoe was still winning the tap outs in ruck. Victoria was holding down half back. Grace Lloyd was dominant up forward this quarter booting 3 majors. Petra (no17) was everywhere, using her speed and pushing the ball forward

Amelia was Tackling hard and took a couple of great marks across half forward.

Half Time 10.1 61

Quarter 3

This quarter started the same as the previous, Zoe wins the ruck, Sahana roves and kicks forward. Zoe Douglas kicks a goal. Petra was continuing her great form. Charli Dempsey had a great quarter and kept running hard pushing the ball forward. Dakota Hoen was involved in some great link plays with handballs and a kick forward to Zoe Douglas. The ball only ventured down to Richmond's forward 50 twice this quarter.

3/4 Time 12.3 75

Quarter 4

In the last quarter we were kicking against the wind. Sahana kicked a goal within the first few minutes. There was a great high mark from Tess (no15) Mikayla playing her first game was racking up the hard ball gets this quarter and some great kicks forward. The backline with Hirsty, Vic and Charli were not letting anything past the half back flank. It was a great team effort, all the girls played a great game first up, great teamwork.

Final 14.6 90

Captain: Victoria Turner

Goals: Grace Lloyd and Tess Budge 3; Sahana Pote, Abbey Callaghan and Tilly Hodson 2; Mikayla Aloï and Zoe Douglas 1.

Best players: Petra Edwards (17), Grace Lloyd (49), Tess Budge(15), Zoe Douglas(26), Charli Dempsey (39).
