GO SHARKS!!

Round 7

Folks, please indulge me and read all of this message, as it covers two weeks.

Welcome Sharks family, what a fantastic winters day we had Sunday. A weak sunshine broke through for most of the late morning through till around 4.00pm. I enjoyed watching a number of games whilst being lulled into a false sense of security regarding the weather. The last term commenced around 4.20pm with black clouds gathering and within 10 minutes down it came. The poor players needed head lamps to try and locate the ball. On my way back to Domeney I thought, how great will the attendance be tonight for our Mid-Season Burger Night!! Normally, the Buddies Burger Night is well populated with our very youngest and most senior players. Thanks go out to our Colts players and parents for cooking and serving the BBQ and manning the canteen. It was great to see our two wise men in residence behind the bar, thanks Kev & Fas. Two life members of the club and still heavily involved.

A HUGE thank you also to our resident mobile skip operator and Sharks family member Dave Phelan. All the bins were overflowing prior to Burger Night and he arrived back from up country at 4.45pm to collect rubbish and leave some empty bins for us to re-fill.

With the long weekend upon us, Dave is offering a well-priced Bin Hire for Sharks families to assist in their own clean up. If you grab the chance this weekend, \$40 from each mobile bin hire will be donated to fight MND. So come on and get going to de-clutter the house and support this great cause. Go to mobileskips.com.au or call 1300 675 477.

Season Dates

Recently, I have heard a few conflicting comments regarding when various rounds fall and what Sundays we have off. Please consult the “Events and Calendar” on our Sharks Web Site to bring yourself up to date.

For ease of reference:-

June 9	Queens Birthday weekend – NO GAMES
June 16	Round 8
June 23	Round 9 – Team Photos
June 30	First week of School Holidays – NO GAMES
July 7	Middle week of School Holidays – NO GAMES
July 14	Round 10

Then matches each week until final round on the 11th August being Round 14. This will be followed by three weeks of finals culminating on the 1st September.

Sponsor of the Round

Thank you to the Warrandyte branch of the Bendigo Bank for their fabulous support of the Sharks. Every year they support our club with thousands of dollars of sponsorship and grants. If you're needing a loan or just want to compare rates, then please call in or give them a call. Now with the latest Reserve Banks cut, it may be a great time to call in.

Sponsors Recap

Over the first six Rounds we have introduced our Sponsors of the Round each week. Please, these people have put their hard earned into helping our club run each week. I implore all our Sharks families to try to acknowledge our sponsors when possibly needing a similar service.

Club Ringwood are offering a “Winter Warmer” special for Saturday lunch. A 3 course meal for only \$20, now that's great value. Choose one of four or five mains from the menu on the day or the offered 'specials' board, couple that with soup and dessert. Available for June and July.

If your needing a new or used family car, people mover or Ute then consider Darren Paul and his team at Ringwood Mazda. Let them know your part of the Sharks family and ask for a great deal.

Warran Glen Nursery, café and gifts are waiting for your visit this weekend. Take time to check out their great gift ware and clothing offerings, wander through all the exotic plants that would be ideal in rejuvenating your front yard and then enjoy a relaxing cuppa. The Taylor family are looking forward to welcoming you and assisting in your needs.

Resi Venturers will be available to assist in your Asset growth with some great town house offerings. If your ready to add to your property portfolio, then with historically low interest rates and increasing rents, now is the time to act. Please give me a call personally and I'd be happy to help. From information I've been given (subject to Deposit amount) the weekly rent would cover the weekly interest cost.

Rob Dolan wines have joined as a sponsor and have offered us some unbelievable, Red, White and Bubbles at below cost. Let us know if you would like to order some.

Bendigo Bank Buddies Burger Night

The Bendigo Bank Buddies Burger Night felt like a very intimate family affair. I think the weather psychologically influenced attendance prior to the actual event. Congratulations to the almost 100 hardy souls who turned up. Plenty of food, heaters going and the rain had stopped. Oh how I love Melbourne.

As part of the evening we acknowledge our milestone achievements obtained so far for season 2019. Well done to all players who notched up 50 games, and 100 games, and even two players who are close to reaching 150 games.

Milestone

On our 50th Birthday year, I am delighted to announce a first time ever event. For the 1st time ever, on Burger Night, I presented the first ever 50 game milestone to our first youth girl. Congratulations Ava Leonard on achieving this magnificent milestone. Ava is a wonderful young lady who gives her all to her team and the club. For the second year running she has made the YJFL interleague team. Watch out, a future AFLW player may have just emerged. Her comments when I spoke with her was “Thanks heaps, this is awesome, I LOVE THE SHARKS!!!”

I thought the boys lifted to another level today and the intensity on the footy was absolutely fantastic to see.

Our first quarter saw our captain of day Heath lead our boy with awesome pressure.

Tom took a mark and Flynn's Longrun and goals was a highlight, Elijah did a smother and Gabe F worked hard in the packs.

Second-quarter saw Tyler do a great pass and Mitchell showed tackling pressure.

Sebastian and Magnus encouraged with great talk.

In the third quarter Harrison decided to go for a long run and goal, Alfie did some long kicks to forwards and Eddie did some awesome tackling. Josh chased and put on pressure while Cruz kicked a goal from great roving.

The fourth-quarter the boys lifted again and Lachie did some tackles, Josh defended well and Elijah forward line pressure was awesome.

Well done boys on a terrific game, I can really see improvements in all of you.

Opposition Warrandyte

On Sunday, Under 9 Red ventured out to the very chilly Warrandyte to challenge them for the day. Going into the game a few of the boys were struggling to get warm but half way through the first quarter all the boys were running hot. They played hard and fast footy and kept the home team scoreless until the last 2 minutes of the first term while kicking 2 ourselves.

Throughout the rest of the game, the home team started working better using space on the wings and quick chip kicking to advance the ball forward. The second and third quarters were won by Warrandyte.

The final term however, our boys took the game on and shut down the run, kicked a few goals of our own and finished the game on level terms with the very strong Warrandyte.

Both teams were evenly matched and played very smart football. Player of the match was Darcy Saunders because of his never ending effort he instilled into the game and his 2 goals.

Park Orchards 7-8-50 def by Glen Iris 3-5-18

Back at Stinton's this week to great the Glen Iris Gladiators.

With the Gladiators down on numbers we had 8 fantastic players go across and help even up.

The boys continue to play well with maximum effort each week, their attitude is fantastic, even when asked to either play for the opposition or have a rest on the bench none of them get upset or whinge such is their team first nature.

Today's game was a little strange one as the opposition had a few players out either unwell or at church, I was very proud of our boys efforts when playing for the opposition. Even to the point where we had volunteers. I think they like to take each other on and tackle each other.

Our game play and sharing of the ball was a highlight again with some fantastic passages of link up play, second efforts and staying in the contest, Xavier tackle in the midfield where he bounced back up and received a handball from Kai to release him and deliver forward.

Our physical attack on the ball and our tackle pressure has been fantastic every game Angus & Ben are key leaders in this area along with Paddy, Darcy laid a fantastic bump on one of Glen Iris's key players knocking him over collecting the ball and delivering forward. He was clean with his use all game.

The first quarter was highlighted with Ben N marking down back and he continued the first

quarter from right through the game, Ollie worked hard in the second quarter across the half back line and played well.

Robbo had a stint up forward and presented well, a couple didn't stick but he kept at it and presented continually.

Julian is finding his groove and continuing to develop had a couple opportunities to score but a desperate Gladiator tackled him and forced a turnover.

Will began the game with a sore knee and started deep but soon wanted to get up the ground and be in the action, his ball use is always measured and was again today.

Xavier turned it on in the 3rd kicking 3 majors and nearly setting Henry up for one as well, a casual one hander had the opposition bench shacking their heads as well as a few interesting words from our assistant coach. The coach wasn't impressed as he should have used 2 hands.....

Presty rolled his ankle in the warmup, it may have slowed him down but didn't stop his determination and competitive will, as usual played his strong in and under game.

Liam provided plenty of run today especially of the half back line in the first quarter and again in the 3rd when playing in the midfield, always in the action Liam suffered a head knock and had to spend the rest of the game.

Thomas again took his opportunity up forward leading well and providing a target, Henry spending 2 quarters in the ruck giving us advantage and the centre bounce and providing an option up forward during the 3rd. James kicking a goal after a great tackle showing his work rate. Ryan spent a few quarters in defence today and is growing with confidence not afraid to in and provide lots of pressure.

Kai was fantastic when he had is opportunity in the midfield today providing strong contests around the ball.

Indiana started today playing for Glen Iris and did a great job giving his all, then when back in the sharks colors played a great game on the wing in the second getting around the ball and in the action. Has come a long way in a short time and looks like he is enjoying his footy.

Paddy also had a run with the opposition and looked like he enjoyed tackling a few teammates, every week plays with high energy and vigour. Elliot another who took on the challenge of playing with Glen Iris, he was in amongst it on the wing battling super hard giving everything against the sharks and showing great sportsmanship by doing his best for Glen Iris.

Richmond 2 2 14 Def by Park Orchards 4 2 26

The weather gods were again on our side for an early morning start in Richmond
 Charlie was captain today and stood tall and marked well to stop an avalanche of Richmond attacks . Our first half of football was certainly not pleasant to watch !
 After a half time bake it was soon discovered half the boys had sleepovers the night before & obviously not much sleep !
 Secondly I had to remind the boys that barracked for Richmond not to kick to them !
 It was a new team that rolled out in the second half with the boys kicking four goals to Richmond's nil
 Was really pleased the boys absorbed half time information & executed on the field for a stirring victory, Beau & Aaron played there best games yet & there improvement is a pleasure to witness Coby ,Luca & Arlo are virtually roadblocks across the half back line
 Hudson, cam & Alex are becoming an unstoppable presence on the ball.

Sharks 6.3.39 Def by Hawthorn 9.6.60

QUARTER 1: SHARKS 0.0.00 HAWTHORN 4.0.24

Both the playing group and coaches understood that their move into YJFL Gold Division would present challenges through the season, and the quality of our opposition was clearly on display this week as the Sharks were held scoreless in the first quarter against Hawthorn Citizens. Despite the efforts of Logan Hamilton in the ruck and Charlie Nash in defence, the Sharks were unable to get hands on the ball and move the ball forward with any efficiency while also unable to stop Hawthorn's attacking forays.

QUARTER 2: SHARKS 3.2.20 HAWTHORN 5.4.34

After rev up from the Coach at quarter time, the boys set about playing the Sharks Way in the second quarter. Kicking to the car park end, the on-ball division dug in and made a strong contest as evidenced by Eamon McDonald's attack on the footy. Our forwards led by Logan Sonderhof at centre half forward applied pressure and kicked long to keep the ball in our forward 50m. While Hawthorn also had periods of control, it was the Sharks who were able to

fight their way back into the contest. Playing in front of his opponent, Justin McIntyre earned a free kick on the half time siren to bring the margin back to a little over two goals.

**QUARTER 3: SHARKS 4.2.26
HAWTHORN 8.6.54**

The spirit was good at half time with the boys having fought their way back into the game but the third quarter started poorly with Hawthorn kicking away early to put scoreboard pressure on the Sharks. While our effort had lifted, our ability to tackle and disrupt our opponent's chain of possession fell away. A rare forward entry late saw Zac Antonellos kick long to the top of the square where Logan Ross marked strongly and kicked straight after the siren to give the Sharks some hope.

**QUARTER 4: SHARKS 6.3.39
HAWTHORN 9.6.60**

Well behind going into the last term, the Coach asked the boys to forget the scoreboard and just play their way. This led to a really strong last quarter by the Sharks. While the midfield was able to link well with the halfback line and move the ball forward, our forwards presented with energy, leading to the Sharks kicking the final two goals of the game to close the margin to 21 points at the siren. All-in-all it was a great lesson for the U11 Red boys on what is required to be one of the best teams in the Division. Having won two of the last three quarters, we'll look to hit the training track on Tuesday with a positive mindset in preparation for our next game after the long weekend bye.

Goal Kickers: Indy Brown 1, Logan Ross 1, Justin McIntyre 1, Nate Farrell 1, Logan Sonderhof 1,

Zac Antonellos 1.

Game Day Captains: Logan Sonderhof & Luke Paciocco

Encouragement Awards: Logan Sonderhof & Eamon McDonald

Logan worked tirelessly in the ruck all day.

Fynn Bullen finds space to kick long into our forward line.

Isaiah, one of our most consistent players, intercepts deep in Hawthorn's forward line.

Park Orchards 0.0.0 def by Camberwell 2.4.16

Qtr 1:

Round 7 was played at Stintons Reserve in wonderful conditions for footy. Captain Jonah led the team out, and started like 'a house on fire' with strong pack marking, excellent attack on the ball, and beautiful long kicking on the run from his post at CHB. Midfielders Alby, Riley and Gabe rallied behind the skipper, competing with great intent and winning plenty of the ball. Will F and Isaac ran hard and applied exceptional pressure on their respective wings. The backline led by Jonah, Ned and Tom B, and well supported by Will L, Kai and Christian was solid, disciplined and accountable and only conceded 1 straight goal (just seconds before the siren).

Qtr 2:

Effort and attack on the ball remained strong in the 2nd quarter. Lachie continued to work hard in the ruck, with some telling hit outs, tackles and outlet handballs to teammates, whilst midfielders Alby, Christian, Gabe (who took a wonderfully courageous mark) and Will T (also took a strong contested mark) all 'cracked in' enabling the footy to spend extended periods in the Sharks forward line. Tom E was exceptional on his wing and surely had a bout of 'leather poisoning' at half time. Tom B also had a great first half with awesome run, pressure and tackling from half back. For the second week running, Josh continued to attack the ball with great ferocity at CHF, whilst Riley at half forward had another super quarter with countless running bounces, accurate kicking, and a beautiful diving smother. Ned, Jonah and Floyd

continued to lead the way in the backline, battling exceptionally hard in their respective defensive posts and only conceding 1 point for the quarter.

Qtr 3:

Strong effort, accountability and discipline continued in the 3rd quarter, yielding no score from either team. Jonah moved from CHB to Ruck, and continued his exceptional game with strong ruck work, marking and defensive spoils. Will L worked hard on the wing, executing a wonderful smother, not to mention a great tackle that was rewarded with a free kick. Fellow wingman Jack competed hard and took a strong mark in traffic. Zane and Felix were lively in the midfield, whilst Ned found plenty of the footy while running on the ball. Lachie marked strongly multiple times at CHF, and was well supported by Danny and Granger who both applied strong pressure and tackles in the forward half. The backline led by Alby (full back), Gabe and Riley, and supported by Will F (who took a wonderful pack mark) and Beau who had his best quarter for the game, were extremely disciplined and didn't concede a single point for entire 3rd quarter.

Qtr 4:

Only 7 points the difference at 3 quarter time, and the arm wrestle continued in the final term. Whilst the 'Sharks' continued to contest hard and put their head over the ball, Camberwell edged us out in a game that was played in fantastic spirit. Q4 highlights came from Danny who applied countless savage tackles in the backline, Josh who was like the 'Rock of Gibraltar' at Full Back, Noah who was really active on the wing, collecting disposals and applying great defensive pressure when required, and Floyd who was really productive in the midfield and always provides consistent effort. In summary, Riley, Gabe, Ned and Alby delivered great all round games (again), whilst skipper Jonah took BOG accolades. All in all, the coaches were extremely proud of the effort, endeavour and determination applied by all Sharks players.

Park Orchards 8.8.56 Def Fitzroy 4.2.26

Up against last year's finalist who we were soundly defeated by and bumped us out of the finals race. Whilst we didn't want to be too reflective with the boys, we all knew we had a job to do.

We started the game with a few niggling injuries and some of the boys down on confidence from last week's defeat. Whilst we went in equal at the 1st change it felt like St. Marys may have had the better of us. Nice goal from Owen to set up the ¼ and Lucas N was marking all in front of him. Jayden, Jacob B and Campbell all are playing their part in defence.

2nd ¼ was a slog with the opposition getting on top with their strong marking and better structures seeing them go in 2 goals up at ½ time. The boys were very flat at the main change and needed a spark to ignite their second half. It was clear the boys run had stalled and were relying on a few to win the footy, we spelt out to the boys what we hadn't done but reiterated to them our quick ball movement and speed would get the game back on our terms. The boys responded superbly. We slammed on 4 goals to nil in the 3rd with special mentions to Austin, Felix, Zac and Archie who really set the 3rd term a light.

Going into the final change 10 points up was very encouraging but we knew the job wasn't done. We all still had burning feeling inside of last year's result and the boy's pride was still on the line.

They come home with a wet sail leaving St. Marys to look flat footed and secondary to the contest. We came out convincing winners with our backs against the wall, with no bench and a few boys hobbling, the boys sang the song the loudest they have all year as, this win meant a lot to us all.

Great fight back win boys, we love the fact you are never beaten and have the ability to change it up when challenged.

Park Orchards (A) 3. 6. 24 Def Doncaster 2. 6.18

What a crazy week or two we have had. 2 weeks ago, we turned up at Ashburton with 14 boys. That's it, bare minimum this week we arrive at Doncaster with 22. 4 new guys in 2 weeks and there is new hype around the group.

So, this week we welcome Ethan and Kenny to the team. Good luck boys.

On top of all this, we headed to Doncaster to celebrate 50 games for Archie. Congratulations Archie on your achievement, commitment and continual improvement.

After completely upsetting the side we had selected and giving 3 boys over to Doncaster each quarter, we had a strong start today which was pleasing and were very unlucky with some tackles and free kicks. Bryon started in the ruck and with Archie, Tom and Lachy in the middle there was plenty of power. Our forwards weren't getting much of an opportunity and with backs and mid-field seeing all the play. A couple of things we needed to address and work on was playing in front and manning up. Bruce was having a fantastic quarter (playing for the other team

¼ time – PO 0.0.0 trail Don 1.1.7

In the second quarter the back line of Hamish, Harry, Zac, Jordan James and Charlie were under siege again and battling hard. Bosco, always in the game was at the bottom of the packs again, Kenny was showing plenty of promise in his first game and will someone to watch. Pleasingly, we are starting to put together some great team passes of play which also resemble what we work on at training as pressure from Hamish created space as he passed to Cruz who ran on with a handball to Zac over to Max then a kick up the ground to Jack.

½ time – PO 0.0.0 trail Don 2.6.18

Even thou we hadn't score in the first half we were right in the game. We just needed to break a few tackles and be first to the ball. Tom was fantastic in the middle and completely dominated the second half as his pace was proving a real weapon. Jack across half forward was finding space to give our forwards good opportunities. Byron having had a run in the ruck was now busting open the forward line as was Jordan. James was starting to get his mojo back in his second game and found some space curtesy of a great shepherd from Jordy. Now our confidence was up all the boys were getting involved and everyone was doing the little things, talking, shepherds, smoothers and tackling.

Jacob started a great pass of play from half back with a great mark and pass to Max who was in space. Max found James further afield and with a quick kick out of the pack got he ball to Jordy who hustled his way forward never taking his eyes off the ball, he gathered the ball to kick a wonderful team goal.

Our other goal for the quarter came from plenty of forward pressure with Tom, Hamish and Lachy building a wall that never let Doncaster get past the centre line. James managed a quick kick out of the pack that found Bruce who took a wonderful pack mark. He then went back to kick his first goal for the game. The boys really were growing in confidence. Elliot and Will were both working really well around the ground and when Harry sent a long kick into the forward line Archie burst through the pack to take a brilliant contested mark. Unfortunately, he was just too far out to kick a goal in his 50th game.

¾ time - PO 2.2.14 trail Don 2.6.18

Going into the last quarter the boys were on a roll and there was no way they were going to Doncaster get a sniff. Ethan, playing his first game for the Sharks was growing in confidence as the game went on to become one of our better players on the day. Lachy and Harry were both really starting to shine and were having a huge impact on our momentum. Jacob and Sean were doing some wonderful team things and continue to improve with every game as does Jack as he took a fantastic intercept mark across half forward to then play on and drive the ball back into the forwards and when Bosco came bursting thru the pack he kick long to Byron who

used his strong body perfectly to protect the ball pick up and goal. We had hit the front and there was no turning back. All the boys congratulated Byza and the excitement was amazing.

The passion and pressure with which we then played the next 6-7 minutes was electric as the boys are really starting to understand how much hard work pays off.

Full Time – PO 3.6.24 defeated Doncaster 2.6.18

The most impressive thing about the game today was the courage that the boys showed to put the first half behind them to then dominate the second half.

Also, the sportsmanship shown by our boys to play for the opposition was fantastic.

Park Orchards 8.5.53 def Ashburton 6.6.42

Sundays game against Ashburton was certainly another hard fought won, with the spirit and determination of the boys seeing us run out victors in the end, 8.5.53 to Ashburton 6.6.42

Another positive build up in the rooms saw the boys energised and with our game theme of being 'RELENTLESS' ringing in their ears.

However, once again, we were unable to tick our KPI of 'first goal'.

Ollie was playing under the influence of a chest infection, and started in defence while big Andy took over the ruck and was dominating, providing Josh, Josh and Jake with opportunities to send us forward and they were relentless! Harley, in his first game for the team, was proving active up forward, hitting the ball hard.

Our defence was under pressure, but as they do every week, they stood tall under pressure, and provided run and spread, turning defence into attack. However, despite having many inside 50s, we were behind at quarter time 0.1.1 to 1.2.8.

The second quarter saw us return to the structured, smart football that is our trademark. Josh S and Josh G were pivotal as always, while Rossy was leading well. Gabe was staring to provide us with run on one wing, while Will K spread wide and was able to provide a target on the other.

Max, Taity, Flynn and Tymms continued to read the play well and were able to intercept Ashburton's forward attacks. Our challenge was still that we pushed too far forward and were being caught out on the fast rebound. This is something we can again work on at training.

But our forays into the forward line were strong, with the Tom providing a target, Jack, Harley and Lachie D busy, and Sammy with repeated entries.

We deserved our half time lead of 3.2 to 2.3.

Pre-game, the team had determined what they believed playing with pressure would look like on the field; tackles, smothers, voice, run and effort. Half time gave us an opportunity to reflect upon this and measure where we were at.

There was no doubt that the Galstians, Josh S, Ollie and Dan were ticking all of these KPIs!

The third quarter saw the ball zinging from end to end, as the game went up a notch. Joel and Taity attacked the ball with the relentlessness that we wanted....Ollie kicked a goal of the year contender as he was causing Ashburton a headache at Full forward, and Gabe's run was again silky.

¾ time saw us again with a 5 point lead 5.5.35 to 4.6.30

The last quarter was frenetic. Centre clearances were going both ways...the spirit of the boys again could not be questioned. But Ashburton hit the front with two quick goals.

Enter Cooper.

A contender for the mark of the year in the pocket was followed by a beautiful kick and goal....

Although falling behind was not in our game plan, our last ten minutes of relentless footy was, as we quickly sped out to a handy lead.

Smart football from Joel and Wil and Sammy and Flynn in Red time, and Jake's peskiness, saw us control the ball for the last five minutes and finish winners by 11 points.....three in a row for the boys, who have responded so positively and enthusiastically since their big loss a few weeks back.

Our next game, against Banyule, will be another terrific test.....but the lads are up to the challenge!

Congratulations to all of the boys, especially Harley on his first game with the Sharks.

Park Orchards 1.2.10 defeated by Fitzroy 7.2.44

We hosted Fitzroy at home. Finn was our Captain this week, some good recognition for him after a few good games in a row and some great effort at training in sub zero temperatures during this last week.

First quarter we had plenty of the ball and held it in our forward line for about the first 7 mins of the game. We were a bit too cute with our ball use, rather than playing the percentages and we turned the ball over without scoring. Fitzroy were able to capitalise and kicked a couple of quick goals.

Was a similar story for the 2nd and 3rd quarters. We allowed a few uncontested marks in our defensive line and Fitzroy were good enough to score a few goals as a result. At times we rushed our disposal and created turnovers which kept us out of the game.

The boys sprung to life in the last quarter and found their rhythm. There were a few passages of play where we looked a million bucks, we ran and linked up, led to space and moved the ball with an element of control. Nathan scored a beautiful long goal to capitalise on the ball movement and was unlucky not to score another one.

The story of our season so far is we struggle at times to play 4 quarters, when we do, we lack just a bit of polish to capitalise on our opportunities. Individually I see improvement in the boys game, we just need to be able to put it all together at the same time across the 19 players.

Many Thanks to Archie L and Henry M who played for us from the U12 R Team. They made a great contribution to the Team and gave us a lift when we needed one.

Some mentions for this week:

Sam V - Had a good game. Was given the job at CHB for the second half and played really well, paid close attention to his opponent and did not give him an inch, shutting him out of the game.

Adamo - Had a go forward and was dangerous, before being moved to defence. He outsmarted taller opponents a number of times with clever use of his body. A creative forward and a super defensive unit, great combination for a coach to have at his disposal.

Shezza - Played mostly defence for the game. Lachie has improved his run and attack on the footy this year. He kept his opponent quiet all day and did a lot of good work off the ball, blocking for his opponents.

Dan - Played back and forward and did well at both ends. Used his body super well in a memorable marking contest to protect the ball drop and keep his opponent at bay. Some good disposal by foot around the ground too.

Ollie - was up to his eyeballs in it. The general of our back line he helped set up play and intercept entries into our defensive line. Has strung together 3 or 4 really solid games in a row.

Kye - played all over the place, back line, on the ball, fwd. Broke free at half forward and ran into space only to have the half time siren deny his shot on goal. Was aggressive in tackles and putting his body on the line.

Archie L - Had him in the back pocket for a half. Played super well, composed against bigger opposition, took some great marks to and help generate some play for us.

Josh - played forward for the game. Gave us a target and competed well for the ball. His marking is getting stronger and his attack on the footy and quick hands to release to a team mate were impressive.

Layne - Attacked and chased hard all day. Broke free at one point and nearly kicked goal of the day. Layne used his pace to generate run for us and to chase down the opposition.

Oscar - Was good for us on ball. Had a great run in the last quarter to run through the centre and kick the ball long into our forward line in the last quarter.

Connor - was great again this week. Found plenty of the ball, led to space and created for us. Connor has a great knack for getting his arm free in a tackle and to get a handball out to keep the ball alive for us. Building some solid form.

Finn - Led the Team from the front. Presented well, took a few nice marks and fought hard for the ball. Has really turned the corner this last few weeks in terms of form and confidence.

Adam - was up forward for us. Fought hard to keep the ball in our 50. His positioning was really good, kept himself in front of his opponent and did not get dragged up the ground. Only a matter of time before he marks a long bomb in and kicks a goal.

Ben - Played all over the place. Was good at CHB, gave us a contest in the ruck and was a target for us up forward. His leading patterns are great and gives us options as we move forward and gave us some great contests in the ruck.

Raph - A bit under the weather, but played a great game in the back line. Reads the play so well and rebounds the ball out of the back line. Had a quarter in the ruck, giving us first look at the ball from ruck contests.

Nathan - Another great game. Was in the ruck and back line. Gave us a real presence around the ball when in the ruck and solid as a rock in defence. Kicked a great goal from a beyond the arc.

Brady - Played forward for much of the game. Fought hard for the footy and gave us a presence around the packs in the fwd line. Was strong with his body and getting first to the ball around the ball ups.

Henry - Played well on the wing, was involved in a lot of clearance work around the ground and was strong through the hips getting the ball forward for us.

Barra - Played well around the ball, takes the game on, has a natural flair for getting and using the footy. Came off half way through the 3rd quarter after a heavy knock.

Bailey - Mr In and Under. Has been really good for us this year on the ball and plays that defensive forward role really well. Strong over the footy, his disposal has improved a lot this year.

Park Orchards 6.7.43 def by surrey park 11.9.75

Well the away team specialists today ventured to YJFL headquarters and played Surry Park at Bulleen Park on a great day for football.

With little to no wind and even some warmth, Ace was Captain today and we new it was going to be a great test to see where our boys were at as Surry Park had equal wins with us.

We lost our ever reliable back-man Brad Oakes early to an ankle injury so played the day with 17. These 17 boys put on a brave showing all day with Surrey getting the jump on us early. Dave Broadbent was doing some great work on a wing this week, Demps started at full forward with Matty Parrott next to him in the square. With some good pieces of play from the boys we went into Qtr time even with the boys pegging a couple of goals with Demps and Fraser kicking one each.

The second qtr saw Surrey get a couple of goals in front, and this tested our team as not often this season have we had to come from behind. Unfortunately we didn't kick any goals in this qtr although we did see some great play with linking handball between Tommy Rees, Foxy and Sonders.

With Seb and Zac putting on some good shepherds following last weeks game, we saw Morcs keep the ball in front of him under some pretty intense pressure from the opposition. Osc continued to crash the packs looking to take the marks and this saw him snag a couple of goals in the 3rd and 4th. Joel also snagged a goal in the 3rd along with Tige who also managed a

goal also in the last. Charlie VB competed well all day with us giving him a job on one of Surry more agile players and we asked Hume to do the same. JT continued on his merry way, talking this intercepting marks across hall back.

In the end Surrey were too strong for us on the day and we have encouraged our boys to get to training to keep improving the skills required and effort we all would like to see.

With an exciting next few games it will be a great test for our boys to see where they are at and I am sure the natural talent of this group will begin to come through.

A little hard work on the track will reap the rewards boys!!

Goals – Pollock 2, Tige 1, King 1, Foxwell 1, Dempsey 1.

Park Orchards 4.0.24 def by Camberwell 13.13.91

Round 7 for us was at Camberwell & we looked to continue the good form that we have displayed the past fortnight.

Robbie & Liam were the captains this week. Both have been in good goal-kicking form over the first few weeks. They talked about manning up & 2nd efforts.

We started well enough, matching Camberwell on the scoreboard initially but then our intensity & competitiveness just dropped off & we found ourselves almost 5 goals down at 1/4 time. Harry was his usual busy self & Ben W was showing good signs up forward & Dan W had taken a nice mark & converted truly.

We implored the boys to be competitive. Hard over the ball. Tackle. Demonstrate all we had been working on at training. We did put in a lot more effort but it was becoming increasingly obvious that Camberwell's bigger bodies were going to be hard to stop. We kicked a goal through Ben W who finished off good work from Mitch & Robbie with good leads & passes. Harry's goal was a fantastic display of skill running onto the loose ball & slotting it from 40m out. Rhys had had a good first half as had Ben S through the middle. Dan S was playing his best game in the backline being very disciplined & composed. James was taking on opponents all across the ground with Oscar as great backline support. But the halftime score showed us to be 7 goals behind.

After halftime we tried a few different moves. Remi gave us a spark in the middle. Liam was lively on his wing. Brodie was under packs & Jacob continued his fine season as an interceptor. Bo B was attacking the ball as we have asked him to do & he is improving every week. Our other Beau was hampered by a knock earlier but he tried at every contest & was brave across the day. We struggled to get the ball forward but certainly not through a lack of will. The margin was 13 goals at 3/4 time.

One thing that we are very proud of is the continued effort all the way through to the end of the games. We wanted that again today. Mitch was exceptional winning a crucial 2-on-1 for another goal by Dan S who had moved forward. Lucas playing a bit sore continued to show fight, grit & determination. Blake just runs & runs & began to really look good on the ball. Harry was exceptional. again. In the end, we lost the last quarter by only 1 point so really pushed them right to the end.

Today we demonstrated our skills which we have been working hard at training - leadings, kicking, moving. We do need to come with our very best competitive effort right from the first bounce so that will be a focus next week.

Go SHARKS!

Park Orchards 14.9.93 def Greythorn 4.2.26

QTR 1

The challenge for the boys this week was playing only 16 per side with 3 boys unavailable. The boys last week lacked run and handball so we asked them to use more handball. Our midfielders delivered with James, Maca, Jesh and Cooper giving us first use of the football and bringing more players into the game with outstanding handball. I challenged Rhonon before the game to ensure he keep his feet more and he did giving off a great handball under pressure and being a dangerous option up forward. Ghostie playing as a small forward this week was very good with his hands and was a real headache for the opposition.

QTR 2

This quarter our defenders gave us fantastic rebound with Kane his best game for the year playing half back, Jake off the other flank, Shannon, Liam, Ben and Tymmsy hitting the contest hard made it very hard for the opposition but also gave our forwards in Noah, Brodie, Lachie and Zac room to move with quick ball movement.

QTR 3

We had Josh Toovey and Bradley Hume join us from the U14's to give us a bench and they certainly contributed with Brad playing tight in defense and Josh creating another strong

marking option up forward. The opposition threw everything at the boys in this quarter but our tackle pressure, defensive play and then rebounding with switching the ball through the middle and hitting targets proved too much for them.

QTR 4

The last quarter I challenged the boys to kick 4 goals without the opposition scoring. With the wind and rain now upon us, it was going to prove difficult but as the boys do, they responded and kicked 4 goals with the opposition kicking a point. Greythorn came into game no doubt thinking they would win since coming up a division on top and our boys playing 16, but like I said to the team, give them a reality check with our intensity and run and this proved too much for them. Another great win, a team first attitude with multiple goal kickers and the team is growing in confidence with the ability to play different positions they may not have in the past.

Hoping to get Dicko, Ange and Kevin back after the bye.

Goal Kickers: Cooper Trembath 3, Zac MacLeod, Noah Taylor, Brodie Knight, James Mason and Jake Trembath 2, Alex Macracanis 1

Park Orchards 6.12.48 def by Camberwell 10.9.69

Another away game at Camberwell and this week we had Luke Cormack take on the role of captain. We were coming off a disappointing loss and Camberwell were fresh from a big defeat, although we knew that the teams were closely matched based on past results. Camberwell had also requested we play 16 players (even though they had 17 available) so rotations would be a focus for us.

We started the first quarter well with repeat entries into our forward line however were unable to convert and after the first five minutes had kicked 1 goal 4 points (1.4). Conversely, Camberwell started to find their rhythm and went forward and kicked goals and by the end of the first quarter they led 19 -10.

The second quarter we kept pushing forward and even though we kicked 2.3 we should have scored more and with Camberwell kicking 3.2 and some questionable umpiring, we came into half time trailing 39-25.

During the half-time break we spoke to the boys about not getting frustrated with the umpires and the commitment was made to let the umpires do their job and take the good with the bad.

We asked the boys to maintain their pressure and to look for options to switch the ball.

The third quarter was much like the second, a competitive game where we managed to get on top for periods and were unable to convert kicking 1.4 to Camberwell's 2.1. There were some really positive passages of play with hard running from our backmen creating options to switch the play and although we were behind on the scoreboard 52-35 we were really in the game.

We came out hard on the last quarter and closed the gap to 6 points after kicking 2 quick goals and although we had the run of play a few costly turnovers and some decisions not going our way resulted in Camberwell hitting back and a late goal increased the margin and didn't represent the closeness of the contest.

Our focus over the next few weeks is to keep developing the playing group and building their confidence so that we're able to get back to our winning ways. We realise that getting to training is difficult for players however being there is critical to us being able to play as a team so please make every effort to be there at least one day a week.

Park Orchards 4.13.37 def Warrandyte 3.8.26

The struggle is real and it continues. Once again our numbers are compromised by injury and unavailability. Neither is in our control as some of the players are required for higher level sporting commitments and we always wish them the very best. So to Jack Rossimel selected in the Victorian Under 16 Vic Metro team we all wish you the very best for the carnival. Grasp the opportunity with both hands, enjoy every minute of it and know we are all in your corner. To Owen Foxwell, heading into the Classic Basketball Tournament we also extend the same wishes to you and hope you have an outstanding tournament.

To our injured players, get better quickly!!!

Warrandyte had recently been promoted to our Division and were pretty keen to impress themselves upon the league. The day had dawned far brighter than we were led to expect but storms were gathering.

So with our 19 players we took to the field. The game started brightly for us with Wally and Sam Linkin kicking 2 goals in the first 7 minutes. Then, nothing. Nothing at all in terms of goals. They were our only majors until half way through the final quarter.

To the onlookers it seemed we believed we had rolled up and that should be enough to ensure

the win. We lacked pressure at the ball, we were lousy with our field kicking, we couldn't buy a clean mark in the air. And then we got worse.

We were second to the ball, we were panicking when we had it, we missed tackles and the only thing keeping us in the game was that Warrandyte couldn't score.

At half time we led 2 . 8 . 20 to Warrandyte 1.4 10.

At ¾ time we had fumbled our way to 2.13.25 to 1.5 11. At the huddle the clear and blunt message from the coaches was that the result was up to the boys. They could knuckle down and win it or accept a loss. That was the choice.

At this time the dark clouds of the Final Apocalypse rolled over the ground, the rain pelted down, the lights came on and Izzy Tout fleeced me of a packet of lollies as cleanly as I have ever been had. But the boys increased their work rate.

Final quarter goals to Sonders and Thorny gave us enough of a break to resist a final lunge by a brave Warrandyte team 4.13 37 to 3.8 26.

Not the prettiest win but a win none the less.

Can anyone explain why The Goose from Ivan Hole was hanging around our huddle at ¾ time ?

Sharks 4.4.28 Def Ashburton 0.0.0

Our recent good form saw us arrive at the Burwood Reserve full of confidence and determination to take on a team we had not played before in Ashburton. The sun came out, the ground was in great condition and we had our minds set on making it three wins in a row.

We were missing four players for the game in Mia B, Charlotte K, Tia & Amber leaving us with one interchange. We welcomed Zara & Sienna Smith back into the squad after missing last week and we assigned two players the role of joint captains in Scarlett & Jaide. The girls gave some excellent words of advice to their team in the rooms before the game before they led the girls out for the toss of the coin.

Both Jaide and Scarlett started in the middle and played important roles in getting us off to a good start. Jaide controlled the midfield whilst Scarlett ruck roved, following the ball everywhere. Our captains were terrific again and Scarlett went on to win the 'Drink' award again setting the example for her tackling and pressure she applies around the ball. These girls were well supported by Grace B and Allie who were also dominant playing in a number of roles and doing a lot of the hard work around the ball.

We put the pressure on Ashburton early scoring as our forwards combined well to get the job done all day. Old speedy super boot Sienna P was electric up forward kicking three goals for the day – one in each of the first three quarters. If it wasn't for our team of sports scientists, she may not have come off early in the last and who knows, she may have kicked a major in the last. Regardless it was a great game. Sienna was very well supported by those around her though. The likes of Bianca, Charlotte P, Charlise, Zara & Grace D's attack on the footy was exciting to watch and Mia SJ was pivotal in her attack on the footy as usual. All our forwards tackled well, were first to the footy and were never out of it.

For me, the critical moments came out of our back line. Ava followed the footy everywhere and was hard at it all day, Indi kept racking up the rebound positions, using long kicks to drive it forward and Sienna S, Bonnie, Ella and Willow knew where to position themselves and made the most of every opportunity. To their credit, our back line did not let the opposition score which was remarkable given the evenness of the game. We scored one goal in each quarter, which was the difference – we certainly did not blow them away at any time during the match. Therefore, to anyone who played on the back line well done on your efforts!

Worth mentioning too the goal kicked by Ella which was a beautiful snap from the pocket. Congratulations Ella.

It was a tough match with both teams going in hard for the ball. We played harder for longer which is our number one objective for the season. Everyone played their roles well from the start to the finish which was pleasing to see. It's this sort of teamwork that will take us a long way this season.

Well played and lets keep it up.

A bee sting to Zoe an eye injury to Jayde & a sprained ankle to Haylee meant we were on our last legs but held on bravely!

We've had great success this year with our Captains having a massive impact on the game & Maddie Moran today was no exception! She had a brilliant second quarter and continued throughout the day to win every contest & ultimately helped win us the game!

I would be remiss in not mentioning her high achieving cohorts with Mia, Charlie , Zoe & Haylee all proving once again that they are a force to be reckoned with!

We go into the break 4 & 3 with a lot of work in front of us but ready for the task !

Thanks heaps to Ruth, Will & Harry who continue to make my life so much easier.

Enjoy the break! Go Sharks

Sharks. 3.1.19 Def Comets 2.4.16

Yes another close one & one that may have slipped but for some really good work from all our girls!

Our first game this season at Domeney and we fronted up with 15 players, luckily Kew only had 13 so we evened up & played 13 a piece! That takes a toll on all the girls & what turned out to be a warmish afternoon we had most blowing at the end !

Kew had the best of us in the first quarter kicking 1 & missing a few !

With no wind to speak of they pressed forward on numerous occasions making life really difficult for us ! They were intent on keeping the game close and the second quarter was frustrating in that we had a lot of the ball but were lacking a target up forward!

The highlight of the quarter however was a Charlotte Brimelow special goal on the run playing center half back no less !

We stayed out In the sun at half time and the third quarter was a lot like the second with us having the majority of the ball and when Haylee Bastide ran into goal we'd hit the front !

Tegan Rule had been swung forward in the last and as is her want proved a good target also after her goal we thought we had the Comets covered! That was soon to be put to the test as they got their second soon after and we had to cling to a slender lead with a few minutes to go.

Park Orchards 3.4.22 def Beverley Hills 2.4.16

Qtr 1:

The Sharks travelled to Zerbes Reserve to take on Beverley Hills. It was a great chance for the girls to get a win in what to date has been a challenging season. We had asked the girls to put pressure on their opposition with their tackling, which we had practiced earlier in the week. The Sharks started strongly dominating the first quarter, holding the ball in their forward line and Ava scoring a goal to take a single goal lead into the first quarter.

Qtr 2:

The second quarter saw the Sharks continue to display their dominance. They were all linking well and working together as a team. A goal was set for the girls to lay 10 tackles. Lilly almost reached this figure by herself with 7 tackles in the quarter. The pressure was working a treat and the scoreboard showed the results with the Sharks leading 2.1.13 to 0.2.02 going into the long break, after Holly was able to score a goal.

Qtr 3:

Down to 12 players with Ava being ruled out for the rest of the game after a head knock, the Sharks faced a regular weekly challenge; could they hold onto a lead as they tired. As always the girls were up for the challenge extending their lead after Remy kicked a goal. A late goal from Beverley Hills kept the game alive.

Qtr 4:

With Beverley Hills kicking to the scoring end and the Sharks holding a two goal lead we were far from home. The game stepped up a notch after Beverley Hills scored an early goal, the Sharks need a score to create a buffer.

A behind gave us some breathing room, however the Lions were able to respond with a behind of their own. In the dying seconds of the game Beverley Hills were awarded a 25 meter penalty and a long kick put them into the forward line. Thankfully the siren sound and the Shark were the victors.

It was great to see the Sharks sing the song after a well earned win.

Goal Kickers: Ava, Holly and Remy

Park Orchards 8.9.57 def Banyule 2.4.16

The dreaded flu, a jetsetter and a 16th Birthday party looked like it was going to take its toll on the Reds this week. Team Manager Kat, frantically sent messages for any last-minute withdrawals, but as per normal the Sharks fighting spirit meant with an extra application of Vicks, Panadol and some Gatorade, we scrapped in 16 players. Led by newly elected Captain Jorja, Vice-Captain- Lana and Deputy Vice-Captain- Jasmine, the girls ran onto the undulating patchy Banyule Wetlands ready for Banyule.

From the first bounce, Banyule came in very tough and tried their best to impose their physicality. Although not feeling the best, Dakota had other ideas, keeping her feet, shepherding and winning every contest. Flynn controlled the backline with ferocity, defensive prowess and booming drop punts to break the Banyule congestion.

Jorja and Kristen's running game was outstanding and set up our first goal with a brilliant passage of play to Mia who ran on kicked the ball with pin-point-millimetre perfection to Chloe. Chloe, whilst not feeling the best let her right foot do the talking, splitting the big posts for our 1st goal. Our 2nd goal came at the hands of Chelsea who in 'Tom Brady'-Quarterback style received a brilliant hand ball and set up another great play, resulting in Lauren marking truly and kicking a goal.

At the end of the 1st Quarter the Sharks lead (2.2.14) to Fitzroy (0.1.1).

In the words of Coach Tim, Banyule were providing a great contest and and were providing plenty of numbers at the contest, so we needed to break their congestion. Banyule's team roar to start the 2nd quarter meant they would come out firing again.

Lana controlled the ruck from the first bounce with her tap downs to the running midfield which allowed Kristen and Nat to continue to run, bounce, run and open up plays in the Sharks forward half. Relentless pressure and defensive stoppages from Courtney, Taliah and Petra, released Mia to set up the forward line with some fantastic switching of play. The result was more attack, great passing and accurate kicking at goal by Jorja, Jasmine and Petra, each kicking a goal this quarter.

At the end of the 2nd Quarter/ 1st half, Sharks (5.3.33) to Banyule (0.2.2)

The 3rd Quarter was one of strategy and set plays. With Chloe sitting on the bench with Sophie, due to the Flu, the Sharks took on Banyule 1 player down, so the coaches rotated again. One of the plays of the day came from Banyule's only score in the 3rd Qtr-(1 point) where Jasmine took on the player running from deep in the backline handballed to Jorja who ran and bounced and drove the ball long to Petra who took a fabulous overhead mark. The ball was now on the wing with 1 kick. The ball moved quickly to the ever-persistent Jade and Courtney, who's improvement in their 2nd efforts are becoming highlights at every game. Lauren took 2 fantastic overhead marks in front of the coaches box, played on and hit Chelsea on the chest. Chels, spun around and speared the ball to Lana in the goal square for 1 of her 2 goals for the Quarter. Precision footy Sharks!

The Sharks ended the 3rd term (7.4.46) to Banyule (1.3.9)

The girls were pretty tired going into the last quarter. Again, with one player down the coaches demanded the girls be efficient with the ball and see the game through to the final siren. Zoe was fantastic presenting in front of her player and keeping the ball live for the zippy Nat, who continued to drive her legs, winning the ball in the last quarter. Chelsea, had another ripping passage of play beating 2 on 1, disposing of one player, smothering a kick from the 2nd player and winning and clearing the ball to her teammates. Jasmine, Petra and Taliah continued their toughness in the middle, running through, baulking and weaving players, unleashing balls to our runners. To end what was a tough and tiring game for the Reds, Kristen received a great tap in the ruck, passed the ball quickly to Mia and then onto Taliah who ran into goal to seal the win -textbook football Sharks!

The final score Sharks 8.9.57 defeated Banyule 2.4.16

Congratulations Reds, remaining on top of the ladder undefeated and remember Tim has jackpotted the Spray tan to next week for you know what!

Park Orchards 5.4.34 def by Ashburton 9.4.58

Round 7 saw the visit of Ashburton to the “theatre of dreams” – the famous Dorney’s Reserve. The game began in fine weather, with glimpses of winter sun and only the gentlest of breezes. The girls were looking to improve on the previous few games and it did turn out to be a competitive match.

The first quarter began with the teams evenly matched, but Ashburton were the first to draw blood with two goals in the first 10 minutes of play. The girls responded well with some good defensive – Charli and Tilly taking strong marks in defensive positions. With plenty of activity in the midfield, Anna and Victoria linked well to move the ball forward. Park Orchards responded with a couple of points from Kylah and Zoe.

Ella’s defensive play and bursts from full back ensured there was no further score in quarter, with our girls training by 10 points.

Ashburton began the second quarter positively and stretched the lead to 17 points quickly. Park Orchards fought back with Kylah and Zoe both kicking goals in response. Sophie and Charli connected to break the ball forward against the run of play and Grace scored a great goal reducing the margin to 12 points at half time.

The third quarter began like the second – with Ashburton bursting out for an early goal. They further extended their lead despite solid blocking from Sophie and Eve, with Anna taking a splendid mark on the boundary. Whilst Ashburton stretched the lead it was great to see our

girls continue to compete with further points from Kylah and Eve. The quarter finished with Ashburton leading 52 – 22 and the dark clouds were forming.

The earlier pleasant weather was a distant memory as the skies turned black and the rain descended. Despite the cold and blowy conditions, Park Orchards drove the ball forward with additional goals scored by Mikaela and Zoe. The flood lights attempted to brighten the final quarter but after an additional Ashburton goal, the game ended with an Ashburton victory, 58 – 34. A much better performance all round from our girls.
