# Milestone Banners

A milestone banner is a run through banner that players use to celebrate when they reach 50, 100 or 150 Sharks games played.

**Your team manager will be able to let you know when you are reaching milestone game tally**

There are two steps to organising the banner:

1. Book the Sharks banner which will frame your child's crepe paper insert.
2. Order or make your own crepe paper insert with your child's detail on it.

PLEASE REFER TO THE CLUB WEBSITE FOR MORE DETAILED INFORMATION. THE BELOW IS ONLY A BRIEF OVERVIEW

## STEP 1: BOOK THE SHARKS BANNER

The Club has 2 banners for use by Sharks families to celebrate the milestone games 50 Games and 100 Games (some reach 150 Games)

The outside of the banner is what you book using the online booking form on the website: Sharks Junior Football Club » Run-Through Banner (sharksjfc.org.au)

This form goes to Peter Hume who manages our banner bookings and will liaise with you regarding collection and return

The inside section of the banner is designed to be filled with crepe paper and used as a run through for the players (see Step 2)

## STEP 2: ORDERING OR MAKING THE BANNER INSERT

The banner insert is a crepe paper section which attaches to the banner and is designed for the players to run through. You can order the crepe paper banner insert or you can make your own.

## Option 1: Pre-Made Banners by 'Phelan Like a Banner'

Phelan Like a Banner is a local banner making business in Wonga Park that makes custom banners for football games. There is no better feeling than running through a banner, and no worse a feeling than sitting around all week sticking one together, so they will do that bit for you for as little at **\$120 a banner, or \$150 for a double-name banner.**

## Option 2: Pre-Made banner by Milestone Banners

Milestone Banners is a company that will make the insert of your banner & deliver it to your door. They need 1-2 weeks notice & prices start from \$150

## Option 3: DIY Banners

If you decide to make your own please refer to our website for instructions and templates

GO SHARKS!!

Hi All Sharks,

The first few rounds of every season are a little unsettled.

The Veterans in the club understand this. To our new families, all will settle down in the next week or two. This Sunday is sponsored by, "Warren Glen Nursery and Café."

The YJFL grading process is being applied – results are all over the ship.

Coaches are trying to work through their lists to ensure everyone is getting a go.

Team Managers are working through the administration processes required around game day. Wow, these folks do heaps to keep our kids on the park.

The canteen manager is trying to work out how to calculate appropriately the desired levels of food and drinks that should be ordered for each week.

With sponsorship we need all to make a difference in our great club with monetary pledges of support. This year we have barely reached our starting target, however, if you are able to help, please contact myself and make a difference.

Committee are continually bombarding everyone with the information necessary to ensure your child gets a game of football each week & the club runs correctly. And on it goes.....

Thanks go to our Committee members in attendance each week, for their assistance and help. They have been up early working with TM's & crews in setting up our grounds at Domeney and Stintons for each match day and pack up procedures. Hopefully, all teams now know the requirements. If at any time you're not sure please call us to help you out. I would rather know match day then 9pm at night.

For the majority of our membership your calm will be restored by round five or six once the season's fixture is sent out by the YJFL and thus we can all get on with enjoying the season and watching our children play.

**This Sunday it is MOTHER'S DAY Round 5- Reminder to all Dads & Players! Sponsored by: "Warren Glen Nursery and Café."**

Sharks Pink Ribbon Day is a fund raising event for the Breast Cancer Foundation. We are continuing with this Tradition of Fund raising for such a worthy and important cause again this year. I am sure many of us have been/or are affected by a person close to us who has been diagnosed with Breast Cancer.

The Sharks Committee fully support the initiative and ask that all Team Managers circulate an email amongst the playing groups advising all of Sharks Pink Ribbon Day this weekend. We request that each player please bring a Gold coin donation to the game (home & away) as we strive to raise money and beat 2019's amount.

We would like to raise as much as possible for the Breast Cancer Foundation on this year's Mother's Day Weekend - Sunday 9th May 2017.

Two Mum's from each, (including Auskick), will win prizes donated by "Warren Glen" our Sponsor of the Round. Also remember Club Ringwood are offering a High Tea on the Saturday beforehand.

Pink buckets will be placed at the Canteen or coffee trucks to help with these and further collections.

#### CODE OF CONDUCT- Match Day

Thank you our Sharks parents who have abided with exemplary behaviour over the first few rounds. Your support has been enthusiastic whilst being controlled in cheering on the players.

Let us keep it that way please & set an example for other clubs to follow.

Unfortunately, there are times when parental behaviour does not abide by the Code of Conduct, we all sign at the beginning of the year. I know we all get passionate at times, but please remember there are young ears listening in to what we say.

If you notice any inappropriate behaviour, please inform your team Manager immediately.

This will allow us to address the behaviour and ensure the safety & welfare of all players on the ground.

#### INJURIES

A couple of Sharks players have suffered a variety of injuries up to this point of the season, so it's timely to let you all know that we are insured. The YJFL has an injury insurance policy through JLT Insurance that provides not only players but also parents/helpers etc... An information sheet is available on the Web site under Members' Policies. If you require further information please give us a call.

#### YJFL Grading Process

The process has one more week to go. Coaches wishing to make recommendations need to lodge with our Y.J.F.L. Director immediately. If you have any questions regarding the above, then please call Damian.

#### Merchandise

If you require any garments, socks etc. please go online and order it. Nina and her team will make sure it's available in the quickest time available.

#### SUMMARY

During the season if you wish to raise any queries then please catch up with me in person or give me a call.

Wishing everyone all the very best for Round 4. I wish the lucky Mum's all the best with their selections at Warren Glen. Enjoy Mother's Day. Go Sharks!!!!

### RICHMOND TIGERS 7.5.47 DEF SHARKS 2.7.19

Round 3, the U11 Sharks went up against Richmond Tigers, a round that proved a little challenging even for the parents to get their soldiers to the ground on time with all the road closures in and around the Richmond ground. We managed to get all boys there on time though, and after coming off the loss last week, the boys put in a solid training effort and were pumped to make amends in the upcoming clash. Maxi Mcleod was given the honours of captain this week after training well.

In the first quarter, the boys showed a few early glimpses of fighting spirit, with some great tackles and chasing efforts by Archie and Sam. The coaches were pumped and we thought we were on here. A few early goals to Richmond unfortunately was not able to be countered despite some great marks by CharlieM and Millsy down back and few pushes forward but no conversions. By the midway of the first, the boys all of a sudden started to seem flat again, quickly falling behind their man, and the midfield unable to keep up with the dominant Richmond mids. We were going to need to regroup at the first change. Scoreline: Richmond 4.2.26 vs Sharks 0.0.0

The second quarter saw our boys come out seemingly a different playing group, really taking it to Richmond.

Despite a few more easy goals going Richmonds' way, the boys won the quarter overall from a team effort perspective. The boys fought hard all quarter, great forward pressure, locking the ball in our 50 for most of the quarter. It was fantastic to see. We had several shots on goal that could have had us right back in the game. It didn't matter, the boys went into the half time break pumped, knowing that the game was on in the second half. The entire team gets a special mention for Q2, all the boys chipped in and made something special happen when the ball was within their reach. Scoreline: Richmond 6.2.38 vs Sharks 0.6.6

Leading in the third quarter, the boys continued with the efforts shown in the second quarter. Finally we could see a belief in the boys that they could make this a contest and get after the deficit. The team benefited from a solid effort down back in LukeN while Alex was resting on the bench, saving a couple goals and taking a few great marks as last line in defense. Well done Luke. The midfield had a spring in their step again, Archie showing Usain Bolt like speed to run down, lay a tackle and be rewarded with a free kick, really lifting the team. JamesF ran hard all quarter, as did H-man showing poise in the middle of the ground and centre half back with some strong marks. A great piece of play saw the ball switched from the centre to the wing with JacksG, handball to Forto, a kick to Charlie who bombed it deep in the 50, where JacksonH showed he might actually not be a ruckman after all, playing more like a small forward giving a dusty like fend off for a round the corner snap and goal. Winning the quarter again on pressure and score for the quarter, we managed to keep Richmond to just a single point, increasing our tally by a goal. It was going to be on for the last quarter. Scoreline: BH 6.3.39 vs Sharks 1.6.12

Heading into the final change, a little mountain to climb on the scoreboard, but you could sense the boys wanted it. The contest see-sawed all throughout the quarter, but the boys continued to apply pressure all the ground. LukeN continuing to play a key role in defense and JamesC providing some key stoppages when the ball could have shaken loose to Richmond. Great to see. Unfortunately there just wasn't enough time for us to peg back the deficit, but we did manage another major by JacksonH, and really pleasing to see a few of the boys continue to run hard (JamesF, Archie, JacksG) till the final siren. Charlie, H-man more great marking, overall a really great team effort. Final Scoreline: 7.5.47 v 2.7.19

We didn't get the chocolates today, but the boys showed the coaching staff a lot they can all be proud of. We genuinely won 3 quarters of football which shows the boys are improving. Next week, we need start right from the first bounce so we can make the game a contest on the scoreboard. The awards this week went to LukeN, H-man and Forto for the stellar efforts. Well done boys.

Lets get to training, keep working on the defensive pressure when the ball is in our forward half and overall ball movement when kicking out. You are all starting to click and its only a matter of time before you'll put together a full 4-quarter game. Keep fighting.

### PARK ORCHARD 5-7-37 DEF HAWTHORN CITZ TU 2-3-15

After our first 2 games as a new group we can see the boys starting to get to know how each other play, we are starting to get our mix of positions and work through our strengths as a group and areas of improvement.

This week's focus was on how to use the size of the ground and our strength to spread the opposition and use our ability to move the ball quickly to our key marking targets.

Full ground drills focusing on ball movement and understanding space and distance, that we can move the ball from Full Back to the forward line in 3 to 4 kicks by moving quickly taking ground and using the ball to advantage.

We worked on holding our space when the ball was forward and how to position ourselves to be in a good position for the next piece of play,

SMART RUNNING or in a defensive position ready to attack once we gain control of the ball.

Going into the game we went over the what we trained for during the week and set about implementing what we learned.

With Duffy & Moore winning the toss and kicking with a slight breeze we started confidently, we moved the ball out of the middle well and gained field advantage, our backs pushed up and our wings and half forward flankers spread to ensure we had all outlets covered.

The boys had started well and had implemented everything we trained for perfectly.

Cam & Duffy on the wings had a great first quarter and Lucas was fantastic up forward playing his best of the season so far, his determination resulted in a free kick and our first real scoring opportunity, Josh ever alert hung off the edge for a quick hand ball

and after a dominant start on the field finally resulted in us getting our first major. Wasn't long before Ben N kicked our second.

Darcy missed what should have been another and we wasted other opportunities to have Hawthorn under real score board pressure.

### ¼ Time PO 2-4-16 to Hawthorn Citz TU R 0-2-2

Did Well-Clearance work, first use, held position, spread the ground and opposition

Do Better-More Forward Movement-No Statues

Kicking into a slight breeze in the second we needed to ensure we limited Hawthorns opportunities but we also wanted to try and make sure we kept attacking so their defends couldn't push up the ground and do as they pleased, although Hawthorn had strength in the air and a height advantage we kept up the inside pressure to ensure their mids couldn't get free and deliver lace out.

With the ball hitting the ground we spread them and linked up well with some nice play on the outer wing. Cash hitting up Hunter playing across half forward and our key target Ben N working hard to present Elliot and Daley lurking around deep forward applying forward pressure. Archie, Darcy & Cash had the half back line covered and got back to help Kai, Michael and Charlie to ensure Hawthorn were kept goalless when kicking with the breeze. Our wings Cam and Angus did a great job again holding position and attacking when they had opportunity. Running Prest in the middle for the first part of the quarter and to give it his all and swap with Xavier on the bench worked well getting fresh legs into the game at a crucial time.

Ben kicked his second and Xavier kick one to give us a 4 goal lead going into half time

### ½ Time PO 4-5-29 to Hawthorn Citz TU 0-2-2

Did Well-Played wide from defence and worked the ball into a slight breeze, held our ground on the wings and transitioned the ball well

Do Better- Transition to defence when not in control of the game

Hawthorn came out with a new game plan after half time, chipping the ball around and using the height to gain the advantage, we didn't do the simple things such as spoil when caught behind or play in front as the ball dropped when kicking into the wind.

Luca playing at full back was tested many times and did a great job under pressure, but was outnumbered a couple times and Hawthorn kicked 2 goals narrowing the margin to 17 points.

Xavier provide plenty of run off half back and Jack presented with a nice lead to Cash on the open side, unfortunately he couldn't hold the mark and we missed and great opportunity, the positive was that Jack presented to the open side and Cash was looking to kick to the space, this shows that the boys are starting to gel and take on what we practice and implement during a game.

We had a few opportunities to steady but didn't take the opportunities

### ¾ Time PO 4-7-31 to Hawthorn Citz TU 2-2-14

Did Well-Attacking through the middle as planned and playing on at all costs

Do Better- Midfield need to work both ways, make sure we capitalise on our opportunities, play in front and spoil when behind a bigger opponent.

The last quarter was a pressure cooker with both teams giving it their all, Ben N fell and slightly hurt himself so we had to shuffle around and move Darcy to the Ruck, Ben to Centre Half Forward and then look to adjust and get our balance right, Ben said he was OK to keep going and Darcy was doing well in the ruck we decided to see how thing unfolded for a few minutes. The message went out for Darcy and Rowe to play more as defenders and drop back after each ball up.

The game became scrappy as Hawthorn were desperate to score and our boys even more desperate not to let them. We persisted and dug in, as Ben started to come good, he was contesting well across half forward. Hudson took a nice strong mark.

We had every confidence he would make the distance and he didn't let his teammates down, kicking a huge goal on the angle from a long way out giving the boys the breathing space they deserved and had dug in and battled for. Winning the next centre bounce was going to be important and we did that with a massive effort of Prest, Cash and Ben H getting the ball out to Xavier running hard on the wing.

Xavier went down injured and Jahla come on to finish on the wing after spending 2 quarters rucking such is his versatility.

Julian across half forward applies great forward pressure and used the ball well getting to his left and looking to use the ball effectively.

We kept at it and dug in to stop Hawthorn final attempts to score.

Arlo, Angus and Hunter playing deep back and Duffy, Phelan and Inglese across half back with the support from Archie on the wing held firm and kept Hawthorn Citz to 1 point. A great job under huge pressure boys, well done.

In the end the boys really played a great team game, everyone doing something when it was their opportunity to do so and contribute to the team. I feel the boys are really starting to gel and become a good close nit group ready to face every challenge together.

Did Well- Played a good attacking style of footy.

Do Better-Ignore silly opposition behaviour and keep attacking the footy,

**Final PO 5-7-37 to Hawthorn Citz TU 2-3-15**

**Goals: Ben N 2, Xavier 1, Josh 1, Hudson 1**

**Best: Darcy, Xavier, Cam, Phelan, Nicholl B, Goyma, Duffy, Angus, Hales B, Daley**

### PARK ORCHARDS 4 6 30 DEF CANTERBURY 3 2 20

We played Canterbury, at Canterbury Sports Ground today, fantastic conditions for footy – about 25 degrees, slight breeze and a great surface.

Our team has been hit hard by injury- Eamon broken finger, Zac tendon / bone issue in his foot and Tate a broken wrist. We played 16 a side and 1 on the bench.

After having 2 heavy losses against the reigning Gold division premiers and runners up we found ourselves relegated to Brown division – oddly enough our opponents had also been relegated from gold to Brown.

This was a critical game for the team, after an excellent series of wins in our practice matches but tough grading games it was important for the boys to regain some confidence.

Our players wore black armbands in honour of Albie's Opa who passed away on Thursday.

We came out firing, we dominated the clearances and won the majority of contests around the ground –

however we struggled to convert our dominance on the scoreboard and after a late goal to Canterbury we held 1 goal lead at quarter time. The pattern of the game continued and it was a tight contest, up by a point at the half and then we held a goal advantage at 3 quarter time.

The scene was set for nail biting finish. Early in the last Cohen went down after a heavy tackle. The game was stopped for about half an hour – he had broken his arm.

Finally the game restarted, the boys fought hard and kept Canterbury scoreless for the term. It was a fantastic effort by the team full of character and determination – a win that will hopefully set a platform for our team to build on and get stronger and stronger in the weeks ahead.

Our switching to the fat side, run and carry game began emerging and we looked really good when we moved the ball quickly opening up lots of scoring opportunity for

transition from half back to set up our first goal through Felix. Liam, Ned, Riley and Tom E all marked and kicked beautifully to get the ball to Felix.

Qtr 4: It was sensational to see the Sharks finish the game so strongly, outscoring the opposition 3 goals to 1 in the final term. Q4 highlights came from James, Felix and Tom E who all booted goals in a fairly congested Sharks forward line. In addition, Felix was sent to the oppositions best player and not only slowed him down but won plenty of his own contested ball. Jaden moved to ruck and played his best quarter for the game, taking some strong marks and getting the ball in deep to the forwards multiple times. Granger competed fantastically well on the wing and executed multiple inspiration tackles. Finally, Will F, Gabe, Riley, Felix, Tom E and Ned didn't stop trying all day and all capped off solid games. All in all, it was pleasing to see the boys increase their attack on the ball and adjust to the conditions after such an indifferent first half. Every quarter thereafter, the Sharks improved their effort, intensity, positioning and accountability, which showed great character. Boys, please ensure you come ready to play from the outset next week.

### PARK ORCHARDS 04.04.28 DEF BY ASHBURTON 23.12.150

The boys had a tough day on the track against ashburton. We started really slow in the warm up and that continued through to the first half. We had 4 younger players fill in and all four of them stood out by putting their body on the line with second and third efforts and score involvements.

At half time we had asked the boys how they thought they were going and they all said that they weren't giving 100%. After a bit of a rev up the boys came out looking like a different team. Everyone was putting in second and third efforts and tackling in numbers. We played the footy we want to play. Unfortunately it was a little too late but the boys finished strong and came off the track with their heads up

PARK ORCHARDS 14.12.96 DEF HAWTHORN CITZ 8.13.61

### Well, what a game yesterday.

These lads just keep giving their heart and soul.

It was very warm and trying conditions, and with only 16 on the field, and no rotations, it was always going to be tough.

I did consult with a few of the wiser (and balder) heads aka Bevo re maybe, against one of my golden rules, we should start kicking into the wind so when we had tired legs in the last quarter we had an extra advantage. I knew our boys would run and run and was a bit fearful that they would exhaust themselves, especially in the heat.

I should never doubt these lads...what a group of boys.

Hawthorn have lost two games in tight finishes, and we knew they would be tough, but our start, like last week, was again terrific.

4.4.28 to 1.4.10 in the opening quarter, kicking into the wind, was perfect.

Oli was dominating the ruck, Josh G was an absolute

terror up forward, and Sammy and Josh S were continually driving the ball forward.

Hawthorn attached quickly in the second quarter, but our boys ability to regroup and answer when a team gets a run on has been so pleasing this year. We kicked 5 goals to 2 in the second quarter, with again, Josh G being lethal up forward.

Flynn on the wide wing gave us a running target and competed and won against numerous opponents.

Will Tait continues his match winning run from half back, while Xavier is our rock, seldom beaten

It was a 180degree turnaround from our match last week, we played 80 minutes of tough, competitive footy and we fell just short, in a game that could have gone either way. Most pleasing was the atmosphere amongst the boys after the game. It was not doom and gloom, there was an element of belief that we can do this if we all turn up and compete and pull in the same direction we might just surprise a few teams. We played better in Rd 3 and lost, compared to our Rd 1 win, and we kicked a better score yesterday, lots of positives.

A few observations from the game:

- Bones O'Neil Parker played a great game in the back pocket, only his second game. His opponent was very crafty so his hands were full. Bones used his closing speed to keep the pressure on his opponent, laid a few tackles and got some intercept possessions.
- Slugger Bardsley was good for us also. Played FF and provided a contest, looked dangerous and then had a great last quarter on the ball. Burst through a few packs, got his own footy, Slugger is a player who is just learning about using his body strength to his advantage.
- Fridge Cahill was good again in the ruck, putting his body on the line for us all day. Played the 2nd half at CHB, unusual territory for him, but he was great, did not lose a contest and really formed a wall for us in the final term.
- Rat Crea was in everything again. Set up a lot of great forward play for us, kicked 2 goals himself, the last a great snap from the pocket, I'm still not sure how it went it. Lots of defensive efforts as well, some great tackles and always at the bottomed of the pack.
- Killer was back to his hard running self. Got plenty of run off the half back line, lots of pressure on Parade midfield and really started to bring his team mates into the game. Had a great second half on the ball, a real confidence booster for him.
- Crackers played most of the game in the middle, his first go in the middle. He earned this from his 3rd quarter effort last week, really dug in and competed hard. Led by example again today and growing in confidence each week.
- Psycho Wallace was his defensive best, always picking out the best midfielder to run with and nullify. He was hard and tough again today and really started to generate some run for us, great to see a more creative side developing on top of his normal crash and bash game.
- Weapon Draeger held our backline together at full back. He gave up 30cms in height and about 50kgs to his opponent but he won the day hands down. His kick ins were spot on (getting the ball to the wing in one kick) as was his pressure in play.
- Ralphy Robin had a great game, natural footballer in his 3rd game. Generated plenty of run whilst he was at CHB and had a fantastic 2nd half in the ruck. A real presence around the ground and a beautiful left foot kick, he does not rush his disposal and does not get caught.
- Russ Fortington had a great game at half back. A lot of tackles, but generated a lot of run. His rebounding efforts and run were great, he started to generate a lot

of run especially in the 4th quarter with his linking up handballs, a self less player bringing his mates into the game.

- Flash O'Keefe was good again at half back and on the wing. Has a knack of finding the footy in tight and using his pace to get clear of the pack. His disposal was really clean and his defensive efforts were really strong.
- Flea McKell had a great 4 quarter game on the wing, certainly his best game for the year. Against larger opponents he did not give in all day and ran the wings perfectly, generated a lot of run for us in the second half.
- Mozzie Bugler was good for us at half forward. Presenting as an option and doubling back to deep forward when he was not used. Fought hard for the footy especially in the last quarter and was unlucky not to kick a few goals himself.
- Fish Mahadeva played well at half forward. Working his way into the game, often opposed to Parade's play maker, he was busy and is always looking to attack.
- Shezza was good in our forward line, kept presenting all day and had a real dip in the last term when the game was there to be won.
- Barry (nickname now needs to be changed to Plugger) was a presence all day in our forward line, playing up the ground and deep at times he was a real focal point. Kicked 7 goals, a fantastic return, he's a big strong boy over the ball and a beautiful shot on goal from a set shot. Really got us going in the 2nd half.
- Big thanks to our injured players Bullets Bastin, Bruiser Blaser, Flyin O'Sullivan and Finn D for coming to watch and support your Team. Hopefully watching how your mates played gives you something to look forward to in your rehab and we look forward to having on the field when you are ready.

The challenge for this group is to stay tight and work hard on bridging the gap between our best and worst, a bit of fine tuning to be done, but today was a great step forward for the boys, let's keep up the momentum.

### PARK ORCHARDS 14.12.96 DEF KEW COMETS 04.08.32

Well round 3 saw us play Kew Comets who we played earlier in the season during a practice match that was a tight affair. We knew we had to work hard this game if we were to come away with the points.

On a wonderful winter day we took to the field at Victoria Park and challenged the team to come out ready to play as we heard ten opposition say they thought we were asleep. The first qtr we kicked with the wind and wanted to get away to a good start, and we sure did. At the first break we had a 4 goal lead and wanted to hang onto this as Kew now had the wind. With some great play by our mids and backs repelling Kew forward advances our forwards converted well and with hard work we managed to go into half time with a 10 goal lead.

The second half gave Gerry and I a chance to try a few different things and swap a few boys around in positions to give some experience and try some new ideas. Kew came out fired up in the 3rd qtr as we expected keeping our scoring down and probably had a better qtr using the ball yet our boys again managed to win the qtr with determination seeing us have a handy 67 point lead going into the last.

It was great to see the boys take a strong mark and kick long to a target and also be able to hit up the shorter pass using the angles well as the game progressed. This was evidenced by the commentary provided by the team at GameFace - YJFL who were commentating our game. It was a great experience for the boys to have this at their game.

At the end we came away with a resounding 64 point win. A great effort by the team set up by the first half work.

### PARK ORCHARDS 07.05.47 DEF BY BULLEEN TEMP 17.18.120

G'day team,

For our first home game of the season we faced Bulleen Templestowe at Domeney Reserve.

After losing Brodie the previous week with a broken rib, we were fortunate to pick up another player in Isaac, to keep our numbers at 18.

It was another promising start where a couple of late goals in the first quarter, thanks to Lachlan V had us going into ¼ time 4 points down, after both sides kicked 3 goals.

We thought we had a chance to stamp our authority on the game in the 2nd quarter with a slight wind behind us but Bulleen ran the ball well kicking 3 goals to 0.

25 points down at ½ time.

The 3rd quarter saw us kick 2 goals to 4.

We won some centre clearances through great tap

work of Isaac & Dan S, hitting Ashton on the run & kicking long to our forwards.

With a bit of luck going our way we probably would have had a couple more goals on the board.

As with the previous week we didn't have the legs to go with Bulleen in the last term, as they hit the scoreboard pretty hard kicking 10 goals to our 2.

Not being able to give the boys a rest on the bench has a real impact but we can't give up & they never do, we're working on recruiting another couple of players to ease the load.

Once again there were some great individual efforts with first gamer Isaac helping Dan S out in the ruck. He'll be a great addition to our team with his athleticism, crunching tackles & 60 metre bombs.

Ashton & Sam's run & carry work is brilliant in setting up numerous opportunities.

Beau has brought a real toughness to his game which often sees him tackling or being tackled & taking a hit. His 2 goals topped off a great game.

Mitch showed consistent effort all day with 2nd & 3rd efforts at every contest. Although feeling crook the whole week, he didn't stop trying.

Jacobs attack on the ball & run from the backline was 2nd to none

I think we've found another kick out option in Jimbo.

He was hitting up teammates with every kick & his footy IQ is fantastic.

Great to see Oscar kicking his first goal for the season, after receiving a handball from Mitch & kicking truly.

Also Kyan who normally plays down back but due to injury was moved forward where he marked well & goaled & almost had another.

### PARK ORCHARDS 6.11.47 DEF BY RICHMOND 12.14.86

The side was put up a division after two solid wins and faced Richmond who had come down a division so it was another test for the boys.

The boys found the increase in intensity and the speed of the game a little difficult in the first quarter and took time to adjust so our start was slow and reactive. Half way through the second quarter we started to win more of the contest and used the ball more effectively going into half time only 11 points down and with a little luck could have been marginally in front.

The second half, the boys fell into bombing the ball down the line and not switching play, the onballers pushing too forward along with our half back line doing the same. Once the opposition got the turnover, we had to turn and chase and with a few of the boys going down injured, we lacked the ability to rotate through the midfield enough especially with the warm weather.

Three quarter time, I felt the boys were still a chance only down by 3 goals but the opposition got on top of us in the last quarter. Talking to boys after the game, the boys know where we need to improve but also what they didn't do that played into Richmond's hands. We are confident that we learnt a lot from that game and know what is required to be competitive in the new division.

Hoping that Shannon, Noah, James and Kieran who were injured are not serious and are back this week or very soon.

Still a great start to the year boys!

### Captain – Indi Callaghan

Another tough week for the girls where we only hit the scoreboard once. We did however manage to have much more of the play than last week and had plenty of forward entries, we were just unable to capitalize. It is hard to say it wasn't a blowout when the scoreboard is so one sided however it truly wasn't a reflection of our effort or the competitiveness of the game overall. I did feel the Kew team outrun us for the majority of the game and worked harder to get numbers around the contest which made keeping the ball in our forward line for long periods a challenge. Allie King again worked hard across the half back line as did Ava. Julia tried her hardest all day (I wonder if her cheeks are still red actually?) and Emily showed glimpses of the run we have seen when she took the game on. Both Mia's tackled hard and were committed to get the hard ball in the contest and Tia repelled a few attacks however we need to get to more of those contests and we need to, as a team, stretch our opposition with run and carry a little more than we currently are. When we create space and allow our runners to carry the ball with a commitment to shepherd and protect, we look dangerous and with our skills improving we will be able to score more freely in the coming weeks.

We are close to turning things around as what is letting us down is fixable. It will take some work, but the foundations are there.

Mia's class stood out across the day and despite some time down back managed to score three goals when thrown forward. Lilly, Vic and Charli never stop trying and set the ground up well for us to score getting front position on their opponent. Vic was unlucky not to score after taking a mark from a well-directed pass from Mia. Charli did manage to get on the score card after following on from an excellent smother up the field. Tilly was busy all day racking up possessions and her kicking skills helped us retain the ball. Reese had a few bounces today twice taking the game on with her speed and agility in and around the contest.

Reality is everyone contributed, and everyone had a fantastic attitude to moving positions and coming on and off the ground in the interest of sharing the time on ground. It was a very good performance girls and we will continue to get better the more time we spend training and playing as a group.

The day was topped off for Wayne with a couple of signature Dim Sims from the Stinton's canteen. Yes footy is well and truly back!
