## ROUND 8

*Starly 50 games*

*Ben Nicholls 50 games*

# Milestone Banners

A milestone banner is a run through banner that players use to celebrate when they reach 50, 100 or 150 Sharks games played.

**Your team manager will be able to let you know when you are reaching milestone game tally**

There are two steps to organising the banner:

1. Book the Sharks banner which will frame your child's crepe paper insert.
2. Order or make your own crepe paper insert with your child's detail on it.

PLEASE REFER TO THE CLUB WEBSITE FOR MORE DETAILED INFORMATION. THE BELOW IS ONLY A BRIEF OVERVIEW

## STEP 1: BOOK THE SHARKS BANNER

The Club has 2 banners for use by Sharks families to celebrate the milestone games 50 Games and 100 Games (some reach 150 Games)

The outside of the banner is what you book using the online booking form on the website: Sharks Junior Football Club » Run-Through Banner ([sharksjfc.org.au](http://sharksjfc.org.au))

This form goes to Peter Hume who manages our banner bookings and will liaise with you regarding collection and return

The inside section of the banner is designed to be filled with crepe paper and used as a run through for the players (see Step 2)

## STEP 2: ORDERING OR MAKING THE BANNER INSERT

The banner insert is a crepe paper section which attaches to the banner and is designed for the players to run through. You can order the crepe paper banner insert or you can make your own.

## Option 1: Pre-Made Banners by 'Phelan Like a Banner'

Phelan Like a Banner is a local banner making business in Wonga Park that makes custom banners for football games. There is no better feeling than running through a banner, and no worse a feeling than sitting around all week sticking one together, so they will do that bit for you for as little at **\$120 a banner, or \$150 for a double-name banner.**

## Option 2: Pre-Made banner by Milestone Banners

Milestone Banners is a company that will make the insert of your banner & deliver it to your door. They need 1-2 weeks notice & prices start from \$150

## Option 3: DIY Banners

If you decide to make your own please refer to our website for instructions and templates

GO SHARKS!!

Hi all Sharks!

What fantastic winter sunshine Sunday produced! Whilst a few of our teams had a “bye” for the start of school holidays, the rest of the club enjoyed playing with out any concerns. Great to see the extent of our U16 Girls win. Also, a few of the boy’s teams had their first win since grading. Congratulations one and all for being on the ground participating each week. Enjoy the mid-term holiday break this Sunday.

## Photos

Club photos of each team will be held on 2 separate days:

- **Friday July 23**
- **Sunday July 25**

Team Managers are being sent time allocations today. Please arrive in your playing gear 15 minutes prior to your photo.

## Transition Dinner, Life Members Event - Tuesday 3rd August 2021

Each year the club holds a Transition Dinner for our Colts and Youth Girls. This is an evening to shar with each other, hear from our Senior Club Coaches and Captains and be enthralled by a current or past AFL Player.

Parents are invited to attend, however due to possible COVID protocols, our numbers may be capped at 100. Parent cost for a 2-3 course dinner is \$30.00. Players and Life Members will be paid for by the club.

**SAVE THE DATE! TUESDAY 3RD AUGUST AT 6:30PM AT CLUB KILSYTH - Your Team Managers will be in touch.**

## Burger Night – Sunday 15th August

Hopefully we might finally get a social event as a club together. Subject to all the ‘protocols’ now in life, the committee are planning our first Burger Night in two years!

The evening will kick off from 5:00pm and there will be fun filled events aimed at all age groups. The bar will be open from 5:45pm and also a reduced canteen. The night is to be held at our new club rooms at Domeney Reserve, Home of the mighty Sharks. This also is a celebration of the last Home and Away round prior to Finals.

## Presentation Day & AGM – Sunday 19th September

Please keep Sunday 19th September free. The full fixture of teams and times will be out in the coming weeks. We will have a full wrap up of the season with Best and Fairest Awards handed out to every team, including Club Recognition Awards.

As per normal we will hold a very quick AGM during the process.

## Toyota Good For Footy Raffle

The Toyota Good For Footy Raffle is up and running! With the raffle being digital, there's no more paper tickets and all sales happen online. All transactions take place within our personalised club portal, and you receive tickets directly via email.

What hasn't changed is that our club still gets to keep 100% of the proceeds of every ticket sold. There are 3 brand new Toyota's up for grabs (see attached) - PLUS a further 9 prizes. Check them out at:

Toyota Good for Footy Raffle - Support Local Footy and Buy a Ticket) ([raffletix.com.au](https://raffletix.com.au))

We would love for every PLAYER to purchase just one ticket and we would love for every FAMILY to pass on the link to family and friends so they too have a chance to win.

Fundraisers like Toyota where there is zero cost to the club, help us keep club fees down. Raffle closes Sept 10th, 2021.

## Committee

At the end of Season 2021, several positions will become vacant on Committee. These roles are a mixture of Executive, Non-Executive and Off-Committee roles and they include:

- President
- Director of Football
- Events Manager
- Sponsorship Coordinator
- Marketing and Social Media Coordinator

Whilst these opportunities are open to all parents, I'd love to see the next age bracket, our parents of U11's, U12's and U13's take the opportunity of being able to grow into the roles. We are NOW seeking your support, so if you're in a position to assist, please contact me.

## Summary

Enjoy the weekend free of local football commitments. Looking forward to Round 10 on Sunday 11th July.

If at any stage, you have any queries then please don't hesitate to contact myself. Please TEXT ME to organise a time to chat or meet up. GO SHARKS!!!

### NO SCORE

The boys finally got back on the field this week after a couple of weeks lockdown and a bye last week. With only 9 players due to illness and injury I could not have been more proud of the way the boys acquitted themselves. At training over the past few weeks we have been trying to encourage lots of run and handball and bringing other players into the game. As well as trying to move the ball around the field and switch the play, not just continue to constantly kick the ball down the line. All of these small things started to click with some fantastic switches of play and some great link up handball.

In the opening term we won the ball out the middle consistently with Josh and Luca providing some great run and long kicking giving our forward the best chance to get on the scoreboard. Our forward did a great job of capitalising on their opportunities with 4 goals being kicked in the opening quarter.

The second quarter saw some great passages of play, particularly in the backline with Xavier Murray and Pat giving some great second efforts and working well together to move the ball along by hand. Some fantastic tackling efforts in all areas of the ground saw us limit the oppositions ability to move the ball with any sort of flow.

The final 2 quarters were fantastic to watch, Josh continued to battle away in the midfield showing some great attack on the ball. Luca was fantastic with some switching of play from freekicks and marks which was pleasing to see. Sam showed some great initiative by leading to open space to have the ball switched to him. Blake did a terrific job, with his foot disposal a standout when he got the opportunity. I was also great to see Jett attacking the ball showing some great skills when out in open play.

The standout of the day for us was Harry, at one point channelling his inner Leigh Mathews by knocking over the goal post! Harry finished with 6 goals for the game, unfortunately we couldn't get it down to the forward line much in the final quarter so he was unable to add to his tally from ¾ time.

Overall this was the most complete game the boys have played for the year, it was exciting to see them start to bond together and enjoy the games as well as seeing all the families get down and support the boys. It was a great environment to be apart of!

### ROUND 8 VS. BALWYN GREYTHORN JETS

With the restrictions eased and some freedoms returned to us, many of the team took the opportunity to seek some sun and head off on Northern travels, we thought this would mean a possible 'no-show' for team given we couldn't access any fill-ins given the fixturing, boy were we wrong.

We managed to get 15 players on the field matched with 16 from Balwyn so we had a game and what a game it was. The boys must be solar charged as when the sun came out so did their skills, it was great first qtr. With the ball camped at our end, the only issue we had was accuracy with the first 5 scoring opportunities all points. Once we managed to move the crowd out of the forward line, we were able to get some majors finishing the qtr. PO 2.6.10 to Balwyn 0.0.0

The second qtr. had a similar theme, the difference being the boys were holding their position and moving the ball a lot quicker, this made for clean ball handling and kicking with real effect, we started scoring at will with our best qtr. of football for the year, half time PO 5.9.39 to Balwyn 0.0.0

The start of the third quarter saw Balwyn lift determined to get the ball to their end and try to keep it there. This created a lot more congestion, Balwyn determined to not go down without a fight. Once again, we were able to score on some good re-bound footy, with the halfback line really moving us quickly out of defence, and with our forwards in open ground we were able to slot some majors uncontested, we were starting to really dominate finishing the qtr. PO 7.10.52 to Balwyn 0.0.0

It was a relaxing 4th qtr. as a coach, the boys in all positions had locked into their roles and were moving the ball like a well oiled machine. Balwyn to their credit continued to fight even though they had yet to score, there determination paid off getting a shot on goal only to score a behind. An awesome team effort sharks and I particularly enjoyed the gusto of the team song, final score. PO 9.12.66 to Balwyn 0.1.1

### PARK ORCHARDS 1.3.9 DEF BY HAWTHORN CITZ 1.7.13

Round 8 saw the Sharks U11 go up against Hawthorn Citz, the side we chalked up our first win for the season against, so the boys believed this was a contest they could win again this time on home soil. The game was tough given a few morning showers, meaning cold hands and a slippery ball being the feature throughout the game. In the end, the game was within reach, the boys produced a late charge to close within a kick. A late passage in the last 2 minutes had the boys lining up for a shot on goal, only to see the boys fall short agonisingly by 4 points. A few shattered lads come the final siren, but a loss that will be a good lesson for the boys as they think about the back half of the season.

1st Quarter – A wet ball and ground proved challenging for both teams in Q1. Ball moved around the ground slowly, with both sides having some time in their respective forward 50. For our boys, we didn't appear switched on, again leaving their opponents and following the ball around. Some individual efforts were great to see by James C, Millsy and a Nick Reiwoldt style mark from SamC was awesome. A level scoreline was not a bad result given the conditions. Scoreline at Q1: 0.0.0 – 0.0.0

2nd Quarter – Second quarter was disappointingly a continuation of the first and we needed a spark from someone. The captain Sam C again went in hard at the contest. H-man did a great job kicking in from full back, putting in place some new drills we practiced at training this week. Forto was gutsy as always off half back and Charlie M was providing some great options up forward. We had a chance to score but narrowly missed. Still, at the main break, we were still in the game. Scoreline at Q1: 0.1.1 – 0.5.5

3rd Quarter – Much better effort by the boys this quarter but the overall skills were still letting the team down. The wet day game meant a few little injuries hit the coaching

staff during the quarter with James C, H-Man and Charlie all coming off in quick succession. The ball spent a little more time in the backline but again overall, keeping Hawthorn to a couple extra points meant we were still in it going to the final quarter. Scoreline at Q1: 0.1.1 – 0.7.7

4th Quarter – With all to play for, both sides came out looking to put the other away early. The ball moved from end to end a few times, and it was Hawthorn who put the first major on the scoreboard. It was great to see the boys keep fighting all the way to the end. We did claw one back, with Millsy kicking a major after a nice pass from JacksG, meaning with about 4 mins to go, we were in it. As the clock ran down, it looked like time was running out. A brilliant late passage however from half back to SamC in the middle, a great handball to JacksG who ran about 20metres to half forward, kicking a nice punt to Darcy who marked about 25 meters out. While we weren't able to convert on that play, we managed to keep the ball relatively within our scoring area. A final effort to score was there but the clock beat us unfortunately. Scoreline at Q1: 1.3.9 – 1.7.13

**Awards: BOG: SamC**

**Most improved: James C, Marcus**

**So a little bit to think about going into the holiday break for the boys. A close game always provides the opportunity to reflect on the “what could have been” and we certainly had that opportunity today. Skills and intensity let us down today along with those consistent 1%'ers by everybody. Perhaps it was the wet day, but no matter the conditions, we need the boys to show up and go hard.**

**Over the break, it would be great also if all the boys kept a footy at hand to keep working on those basic footy skills they should all have and be regularly working on now, so when they ask you if they can go play on fortnight, please tell them no and go outside to work on their football skills. Please also talk to them about their game and help them understand what it means to be a team player. We need the parents to also be teaching them good habits when it comes to training and game day. We'll focus on these at the next training also. Enjoy the break all and see you on the other side.**

**PARK ORCHARDS 2.3.15 DEF BY BEVERLEY HILLS 9.8.62**

A big congratulation to Ben Nicholls who played his 50th game this week.

Ben is a fine player and a great leader; Ben is developing into a super CHF who provides a great option across half forward and is great to watch with his attack on the ball in the air. Ben also spends time in the ruck providing our mids with great service getting the ball to their advantage.

Well done Ben and I hope to watch you play for many years to come.

Today we played a much-improved Beverley Hills who out sized and paced us for most of the day and shot away with an early lead in the first quarter.

We struggled to adjust to their size and sat back and watched as their ruckman did what he pleased, they won the ball and got it into their forward line quickly, Their big guys up forward dominated and were rewarded for playing in front and attacking the ball.

We didn't man up an occasion and let their loose players run unchecked.

Being second to the ball and not willing to get in and battle showed and by the end of the quarter we were down by 30 points.

Simply we expected our usual ball winners to do it for us.

Although we had some good patches of play, we fell down when we got our hands on the ball as we found ourselves under pressure and not wanting to work hard and be an option.

Luca went into the ruck in the second quarter with the purpose of stopping there big man from just taking the ball out of the ruck and to apply some physicality around the ground, we swung Darcy back to CHB to try and get control of the back line and with Cash now starting on ball with Josh and Angus we started to get back into the contest.

Xavier playing as a forward pocket was given license to play on the ball to help outnumber at the contest and counter their size.

This meant we had to adjust our forward structure and have the forwards play up the ground to help even out the numbers as we have struggled getting the ball past half forward.

We have been trying to learn how to take the ball around the spares in defence and play back through the middle and out to the fat side. We tried many times, but it didn't always come off but at least we are trying to do what we are practicing.

Arlo did well on the wing holding his position as well as Cam,

But without our half forward pushing up they outnumbered us and won the ball back.

We did end up outscored them and had passages of play where we help the ball in our forward line. We had a few shots that missed and on a couple occasions we could have looked for a better option and not just blazed away. Luca who worked hard kicked a goal with a fine snap.

We didn't capitalise on our opportunities and missed a chance to get back into the game and put them under pressure.

At the main break we felt as though if we could take the same momentum and attitude into the third, we could give ourselves a chance and hopefully be close going into the last. We struggled from the middle with Beverley Hills controlling much of the quarter and field position.

The boys attitude and desire to compete was still strong as we held up the oppositions momentum, we battled tirelessly to get the ball forward and had a couple chances to score. The boys boy's started to tire towards the break and Beverley Hills kicked a couple late goal to all but end our chances of a final quarter come from behind victory.

Even though we found ourselves 33 points down going into the final term we wanted to give a good account of ourselves and finish the game strong. Beverley Hills kept up the pressure, to the boy's credit and character they didn't take a backward step and battled it out to the end showing great resilience. Hudson who attacked the ball and fought hard for front position was rewarded with an in the back decision, from a tight angle he skilfully slotted it through. To our pleasure they boys celebrated with Elliot jumping on Hudson, a great bit a mateship and teamwork.

To finish off we have many areas to improve on and it is great to see that we have 20 plus at training each week.

The effort is showing as we can see individual improvement in so many boys.

Kai's last few weeks with his marking, Arlo is taking big steps forward, Archie's hard running.

Elliot has kicked a few goals while roving the forward line.

Jack kicked his first goal last game after being rewarded with a fine second effort.

Keep up the good work boys. You are a great bunch of boys and good fun to be around and coach. Everyone's attitude at training and listening is fantastic.

A big shout out to Ben Kinnear who had his hip operation, wishing a speedy recovery and the boys hope to have you back at training soon.

Once again well done Ben Nicholls on your 50 games. Although we couldn't get over the line you should hold your head high and be proud of your effort and leadership.

PARK ORCHARDS 6.2.38 DEF BY ST MARYS 12.15.87

The boys did a great job on Sunday, we kicked the first goal straight up and looked good to continue but St Mary's came right back, and at the end of the 1st it was sharks (1,1-7) to St Mary's (3,4-22). 2nd quarter was all St Mary's they kicked another 2 goals 5 (5, 9-39) to only 1 point for us (1, 2-8), but our boys played a solid quarter even though the scoreboard did not reflect their efforts. Our 3rd quarter was fantastic we fought in every contest, never giving up. Our kicking, handballing, marking, talking and body contact was on point, but it was the scoreboard that told the story. We kicked 4 goals (5, 2-32) with St Mary's only kicking 1, 1 (6, 10-46) the boys were ecstatic when they came off at the end of the quarter. St Mary's finally ran us down in the last winning the game, purely due to a constant supply of fresh legs on the bench, but our boys with only 16 players in total, couldn't off been prouder with their game. All the guys did a superb job, well done. Best on ground goes to all these boys, Lachlan Oakes, Tom McDiarmid, Byron Bradshaw, Sean O'Leary, James King, Zach Millar, Zody Cantelo, Byron Steele-Bonney, Will McDiarmid, Bruce Waddy and Sean Kelly, just to many names to mention. Big shout out to Tate Hodgson (u13's) who filled in for us, thanks again and great game Hodgie. The boys are getting better and better each week, hopefully we will be singing the song very soon!

### PARK ORCHARDS 3.1.19 DEF BY CAMBERWELL 3.2.20

#### Captain – Allie King

So close! We were all willing the girls to get over the line on Sunday and for a moment I thought we were going to get that elusive win however the ball just didn't bounce our way when we needed it to.

Leaving Warranwood in the rain at 10.20am it looked as though we were going to have a rain impacted game but as Adam Pollock quipped, the rich people of Camberwell also sort out the weather and we were greeted with beautiful sunny conditions and a largely dry ground. Looking at the ladder it would have seemed a very uneven contest however Camberwell have moved through two grades to end up in Gold and we were very evenly matched. In a very low scoring half with both teams defending stoutly we managed to squeeze a goal in with one minute to spare in the 2nd quarter thanks to some quick hands from Willow and a great finish by Emily. We talked at half time about the need to shepherd more and run and run and run to try and expose the lack of bench Camberwell had and we did exactly that in the third quarter and took a slight lead into the last quarter. In the end, although we were playing on a large ground we struggled to get space in a highly contested game which meant when the ball entered a forward line we struggled to extract it quickly enough to get any run.

Throughout the day we didn't capitalise on the quick forward entries we managed to get, and we fell down around half forward on a few too many occasions. Converting time in the forward half into scores has been a bit of a problem over the past few weeks and we do need to become more efficient as the opposition in recent weeks have converted much more easily and in turn have scored with less pressure. The last quarter was a real tussle with a 1.1 each heading into the last few minutes. Unfortunately, despite tireless effort we couldn't clear the backline after their point to level the scores and they managed to get one more point to put them up by one. Again, we couldn't clear the backline and we fell agonisingly short.

As disappointing as it was for the girls to fall so short it was a great contest and an even game of footy. I thought the entire team tried very hard all day however the standout player for me was Ava Radle. Under an injury cloud herself, Ava ran hard and strongly contested all day. Playing out of position Julia tried her hardest all day, taking contested marks and tackling with vigour. Jasmine, Scarlett, Tia, Emily, Allie and Indi all played well and stood strong in the contest. We come up against Glen Iris next game which is a winnable game and finish the season off against Camberwell so our goal will be to continue to create space, run hard and play for each other. If we do that then I am certain the natural improvement will see us gain some points in the later rounds.

Thanks again to all the helpers and parents who come and support their daughters, I know they appreciate it.

### PARK ORCHARDS 8.12.60 DEF BY HAWTHORN CITZ 8.8.56

Well, it wouldn't be a Sunday afternoon without a nail-biter! And the boys certainly provided this on Sunday in their game against Hawthorn who, despite being bottom of the ladder, were confident, having just knocked off Richmond the round before.

What a privilege and pleasure to start the game with two milestone celebrations; Josh Galstians and Flynn Hutchinson both playing their 100ths.

Whenever we are 'covid-locked' out of changerooms, I feel we don't quite have the same intensity in our build up, although the boys were certainly excited for Josh and Flynn.

Each week we take a one step closer to having a full team, and we were delighted to welcome back a semi-fit Ollie Neitz, who, even though restricted to the goal square, would still prove to be invaluable. However, once again, we succumbed to more mid-week injuries, and would dearly miss Will Tait's drive from the backline, and Rossi's movement up forward.

The first quarter saw us well on top in general play, with our always elite midfield of Dan Albers, Josh G and Josh S, working hard to drive us forward, where Ollie, as expected, was crashing packs and causing mayhem.

Sammy P was continuing with his fine form up forward, while Joel, week after week proving to be an invaluable running backman, kept repelling the Hawthorn attacks.

Prior to the game we asked for more onfield leadership, and Webby gave us this 100%. His controlling of the backline through action and voice was elite. By half time, we knew we were in for a tight contest; we would get two goals ahead, and Hawthorn would respond. Xavier and Oli P were containing and beating the Hawthorn big forwards, while Flynn does what he always does; win the contest and drive us forward. Morgan and Max D were getting their hands on the ball up forward, but as a team,

we couldn't convert as much as we would hope. Andi and Max M were winning in the ruck and Josh G was celebrating his 100th with constant clearances around the ball. Yet we couldn't gain a big lead, due to Hawthorn's run from the backline.

At ¾ time, we were unexpectedly 4 points down.

But these lads play so well for each other, and no way were they going to allow Flynn and Josh G to have a loss on their 100th!

Harley and Will lifted a gear and provided us run and were playing clever football and finding space.

Josh S as always, was taking two and three opponents with him wherever he went, and not only still winning the ball, but allowing us to drive the ball forward.

The last 5 minutes were long and intense.

Despite having possession, we perhaps lost a little composure, and moved the ball quickly rather than controlling it. The backline were superb, with spoil after spoil, intercept marks and killing the ball when needed.

Even the final minute saw us having to defend at the goal line and a Hawthorn snap with 30 seconds left resulted in only a point.

The siren saw a determined, dogged Sharks victory, and a fitting way to celebrate for Flynn and Josh G.

Once again, the boys gave their all for a spirited victory, and while there is still room for improvement, their effort and endeavour cannot be questioned.

We look forward to our chance to atone for our previous contest when we play Ashburton next round, with a near full strength team.

Thank you as always to the many family and friends who came along and enthusiastically and respectfully supported the team.

Special thanks to Simon Webb for being trainer and doing votes, Al Galstians for running, Peter Jackson for being umpire escort, Dustin Albers for doing timekeeping, Bevo for goal umpiring, Andrew Dominko for team managing and Matt Tait for coaching.

### PARK ORCHARDS 21.7.133 DEF BY FITZROY 9.5.59

This week we hosted Fitzroy at home at Domeny reserve. Our game last week, despite a narrow loss, was a great match, great contest and a good performance across the board from our players. The pressure on the opposition was up, and we had some great ball movement off half back. We focused on a few areas of improvement at Training and implored the boys to bring the intent and focus on what we've been working on at training into the match on Sunday.

Playing lowly Fitzroy it loomed as a bit of a danger game, teams can be complacent and think the win will come easy when you play the bottom team. I've never seen an opponent ever give up on a game and hand you the points, so we reinforced the need for contest, tackles, hand ball receives, 2 way running and to spread to space. Take the ball through the middle to our forwards. And pleasingly this is exactly what we got for 80 minutes.

After a tight first quarter, where scores were level, we encouraged the boys to keep up the tackles and spread and to move the ball quickly to give our forwards a chance. We began to pull away to a decent lead approaching half time and continued to build on a lead in the second half, before finishing the game 80 points up and having kicked our highest score of the season @ 133 points. Our co captains, Mozzie and Fridge set the tone throughout the day by being hard at the footy, many thanks to Austin Wallace who filled in from U13's and for Bruiser running the Boundary and Bullets coming down to watch his mates.

A few highlights from the game:

- Have to start with Plugger, our FF has been in good form kicking a few bags so far this season, but he came to play expecting a day out, and he got one. After the final siren he slotted his 10th major, a super feat for a junior footballer. I think he kicked 10.2 and gave one away so could have had 13 goals.

Felt sorry for the poor full back. Plugger, as you can imagine by his nickname is a bit of a handful to match up on, he leads well, takes a great pack mark and fights for his footy at ground level. He brings others into the game and is a beautiful set shot. 10 goals was a highlight, but it was almost overshadowed by the daggers he gave Rusty Fortington when Rus sprayed a shot from the pocket late in the last quarter instead of passing to Plugger (In fairness Rus has been chasing his first goal of the season after nailing it off HB every week) for what would have been his 10th. Priceless. Lucky we capitalised on a turn over at half back, we implemented what we had been training in terms of moving the ball quickly through the middle and Plugger clunked the mark, 14 seconds after the turn over and right on the siren.

- Flyin Ryan played his best game for the club, a mixture of half forward and midfield time. Worked super hard up and down the field, linking up with our mids and wings. Kicked 3 goals and again brought others into the game. He and Flash had a great combination going through the middle. Set the tone with some great chasing and pressure acts.
- Ralph Robins in the ruck was great, spent time at CHF as well. Did some great tap work in the middle and tackled hard all day long. Had some clever possessions around the ground and was a real presence for us.
- Austin Wallace played deep forward and did not take a backward step. He was outsized by his opponent, but gave every contest his best effort and snatched himself a clever goal using a bit of footy nous. So pleased for him.
- Finn was good for us deep forward and deep back in the last quarter. Still coming back from injury, he's coming along nicely. Took a beautiful mark in the forward line, right on the boundary, centred the ball resulting in a shot on goal.
- Rus Fortington was again great at HB. Spent some time in the middle and at HF in the last. He's clean below his knees and reads the play so well, so that's where we get a lot of our rebound from each week.
- Rat Crea was again strong for us. Helped set the game up for us in the first half when in the middle and was a steadier for us in the backline when thrown down back. Took some telling pack marks and gave us lots of rebound.
- Flash O'Keefe had a day out on the wing. Too quick for his opponent he had a lot of inside 50's, was impressive to watch. Snapped a super goal and tackled well. His kicking has improved a lot and games like this will be great for his confidence so he can continue to take the game on.
- Flea on the other wing was fantastic. A lot of hard, 2 way running which generated a lot of play, his disposal was great and attack on the footy was fierce. Gave him a little challenge of playing deep back in the last quarter and he looked right at home, picking up a number of intercept possessions. A great game.
- Crackers Waterford played another great game. His a tough little nugget and makes it hard for the opposition especially at the centre bounces. His clearing handballs release a lot of ball for us.

- Psycho Wallace was hard at it again. Backing up for another game @CHB he played in front and pressured his opponent all game. When he went on the ball it was more of the same, tackles and blocks for his team mates and his hand ball out of the packs really started to generate some attacking play for us.
- Fridge competed hard in the ruck and CHF. Got some reward for effort with some strong marking kicking 3 goals for the game. A nice snap and a thumping set shot from inside the square, his kicking has improved a lot.
- Mozzie was great again. His overhead marking is a feature, he's a great little rover in the forward line. Kicked a nice goal from a high tackle. In the second half he was on the ball and was really good in the contest.
- Shezza again worked hard in the back line and @ CHF in the last quarter. Keeps it simple, plays in front and gets the footy. Good below his knees and moves the ball quickly once he has it.
- Bones chased hard all day, had a few good battles deep with his opponent. Moved up to the wing in last term he did really well, lots of pressure, some good shepherding in the forward line which lead to a goal. Took a nice mark in front of the coaches!!!
- Slugger played well. Had a great last quarter at full back, played nice and tight on his opponent, made a few nice spoils against his opponent. Had a beautiful passage of play at half back, won his own ball and a great clearing kick to the fat side of the ground.
- The Weapon had his hands full at FB. His opponent was pretty crafty, often taking front position for marking contests. He did not drop his head, he kept working for us and played well. Pushed him forward for the final term and he linked up in the play really well. Unlucky not to kick a major.
- Fish Mahadeva had his best game for the season. Cleaner disposal and a higher work rate made the difference. Kicked 2 goals, laid plenty of tackles and was really good in the middle of the ground.

### PARK ORCHARDS 16.10.106 DEF BY PRESTON 6.1.37

This week we were back at home to play Preston and what a Winter's day it was to play footy. Domoney looks fantastic and has a great grass cover and for the middle of winter, we told our boys, you won't get a better ground to play football on.

Following our loss the week before, it was important our boys responded well. With a ground that suits our game style, there was no better opportunity. We had a great week on the track and knew what we had to do to win the game.

The first qtr started evenly in the first few minutes and then our boys settled and started to hit the scoreboard. We spoke to the boys about being "aggressive" at the ball and at the contest before the boys game today and this soon showed as the first qtr returned 8 goals 4 behinds setting up the game. With plenty of run and carry, long kicks and using the angles better, we knew our boys had switched on and turned things around from the week before.U

Our game style is pretty simple and we wanted the boys to show some self discipline and ensure we continued to play our way and really work hard to ensure we kept to our plans and not get carried away and to their credit this was proven in the second qtr. Kicking a further 6 goals to go into half time with a 72 point lead the boys were playing well together.

The second half was all about ensuring we didn't get ahead of ourselves and we knew Preston would come out and take it up to us and they sure did. The 3rd term saw us have to work really hard to kick our couple of goals. We lost our way a little and Preston took advantage of that so our boys had to work harder in the last qtr to finish the day off.

The last qtr was an even contest until the game was called off following a heavy collision that saw an opposition player require an ambulance (as a precaution). It was a great return to form for our boys who eventually won the game by 69 points.

### PARK ORCHARDS 4.2.26 DEF BY GLEN IRIS 20.19.139

This week's game was against 2nd placed Glen Iris at their home ground.

We knew it would be tough game as we had already met in round 1 where the opposition had a comfortable win.

It was an opportunity to see how much we had improved as a team.

We went in with 17 players to their 14 & for once we had the advantage of a bench.

We really took it up to them in the 1st quarter, as we managed to slip behind their defence a couple of times with goals to Lachlan V & Robbie, after another brilliant run through the centre from Ashton & some straight running through packs from Mackenzie.

We were 14 points down at ¼ time.

The 2nd quarter was similar to the 1st as we kicked 2 goals (via Lucas & Lachlan V) to their 4 & went in at ½ time 27 points down.

The boys put in a solid 1st half & with our extra legs on the bench I thought we could make inroads into their lead, if we could stick with them when they ran & spread, which was their strength.

I honestly think the boy's level of effort & commitment never changed but Glen Iris really ramped it up & they held us goalless for the remainder of the game while kicking 12 more goals themselves.

While the boys were disappointed, in the end I couldn't help but be proud of them. We were clearly outclassed by a very good team but I think that's when some of the boys played their best footy.

The likes of Kyan, Mackenzie, Beau, Dan S, Lachlan R were consistently hard at contests & never took a backward step.

Ashton, Robbie, Sam, Mitch, Jimbo, & Ben showed plenty of flair & used the ball well. Some great cameos from Lachlan V, Lucas, Jacob, Remi, Oscar & Brodie.

### PARK ORCHARDS 5.2.32 DEF BY BANYULE 6.7.43

Slippery conditions at Stintons after a couple of heavy days of rain. Our warm up amongst the tyre tracks was full of guarded enthusiasm as we prepared to meet Banyule for a second time.

How do we sum this game up? It was in hindsight a tough and fight contest for most of the day. The ball was played for the best part between the arcs and in a contest, in the greasy conditions.

Banyule managed to keep the ball in their forward half for most of the first quarter. However, Flynn's ability to read the play and intercept, gave us some protection behind the ball. Lauren K went back and repelled the Banyule forward entries time and time again with strong attacks on the ball and composed skills. She was well supported in defence all day by Dakota and Charlie. Both of these girls were decisive when it was their time to go and had some excellent ball gets that burst through the opposition's offence.

Jade and Kristen were again tireless racking up possessions. They both ran excellent patterns and got the ball moving for us with good footy smarts. Tahlia and Grace had to contest a heap of stoppages in the conditions and were relentlessly putting their body over the ball.

Our forwards were starved a bit in the first half but as the game wore on Mia and Abbey were able to have an influence on the scoreboard. Jazzie played a terrific game and was always presenting down the line for our mids and gave us a target to kick to. Mia made the most of every chance she had and finished with four classy goals.

Lana gave us some drive on ball and helped get us into the lead late in the game and Lauren C probably had her best game this year as she competed both in the ruck and as a forward. Unfortunately, two late goals gave Banyule the lead and ultimately the game back.
