Milestone Banners

A milestone banner is a run through banner that players use to celebrate when they reach 50, 100 or 150 Sharks games played.

Your team manager will be able to let you know when you are reaching milestone game tally

There are two steps to organising the banner:

1. Book the Sharks banner which will frame your child's crepe paper insert.
2. Order or make your own crepe paper insert with your child's detail on it.

PLEASE REFER TO THE CLUB WEBSITE FOR MORE DETAILED INFORMATION. THE BELOW IS ONLY A BRIEF OVERVIEW

STEP 1: BOOK THE SHARKS BANNER

The Club has 2 banners for use by Sharks families to celebrate the milestone games 50 Games and 100 Games (some reach 150 Games)

The outside of the banner is what you book using the online booking form on the website: Sharks Junior Football Club » Run-Through Banner (sharksjfc.org.au)

This form goes to Peter Hume who manages our banner bookings and will liaise with you regarding collection and return

The inside section of the banner is designed to be filled with crepe paper and used as a run through for the players (see Step 2)

STEP 2: ORDERING OR MAKING THE BANNER INSERT

The banner insert is a crepe paper section which attaches to the banner and is designed for the players to run through. You can order the crepe paper banner insert or you can make your own.

Pre-Made banner by Milestone Banners

Milestone Banners is a company that will make the insert of your banner & deliver it to your door. They need 1-2 weeks notice & prices start from \$150

DIY Banners

If you decide to make your own please refer to our website for instructions and templates

JUSTIN CAHILL - COACH

PARK ORCH 8.12.60 DEF MACLEOD WEST IVANHOE 6.11.47

After a bit of a frustrating loss last week we wanted to make sure we got back to basics and gave a 4 quarter effort this week. We focused on a few area's of our game that needed to be cleaned up at training and Steve and I were keen to see how well the boys retained what was practiced.

A special match for Mother's day, as we take a few moments to give thanks to our mothers and everything they do, how they find everything that teenage boys loose is an under rated skill. We played away at Macleod, Greensborough College. I've never been there before, it's hard to get too and not easy to find. But once you get there it's like a football oasis. A huge ground, and I mean huge, never seen anything like it and the facilities were top notch, so was pleasantly surprised.

Our captains this week were Mozzie and Shezza and they led from the front, both boys played at either end of the ground and helped set up our win. Mozzie with his marking in the last quarter, and Shezza with some nifty forward craft.

Macleod got the jump on us in the first quarter, we turned the ball over in our half forward line and Macleod used their home ground advantage, spread to the wide open spaces and run the ball down the fat side of the ground. They had about 8 shots on goal in the first quarter, they did the right thing by us and missed all but 1 shot, so despite being outplayed, we were still in the match. We asked the boys to be more considered in our forward entries, don't rush the ball and to lower our eyes. We also asked the boys to ensure they are 1:1 around the ground when we didn't have the ball.

We turned the game around from that point, we were more settled in our ball movement and stuck with our players around the ground which meant Macleod could not spread as well as the first quarter. It was so rewarding to see the boys really pay attention and knuckle down. There were a few kick ins where Macleod had no options because everyone was defending so well. Nothing more challenging / gratifying than getting 20 teenage boys to focus on a task and deliver a result. We had a comfortable 2 goal win and now have 3 wins from 5 games, could be 4 and 1, as we lost to these guys in round 1 by a goal. Great start boys, we've quickly integrated our new players and have a great team bond going, highlighted by having 18 boys turn up to training in the cold and wet weather on Wednesday!!!

Our challenge as a team is to be more consistent and be able to make the most of our forward entries, we left a few too many goals out there yesterday, a bit like last week. We should have won by 6 goals on Sunday, not 2.

A few individual highlights:

- Mozzie, great work in the forward and back line, took a few good intercept marks in the last qtr to help ice the game.
- Shezza was unlucky to not hit the scoreboard whilst forward but helped up set a goal from some clever play at CHF
- Fonzie was busy on a wing and half forward, something always looks like it's going to happen when he's near the ball, kicked a nice goal and could have had another.
- Nugget worked hard all day in the ruck in the 1st qtr then on ball. Kicked a beautiful set shot goal, ran hard and intercepted a lot of opposition kick ins.
- Plugger worked hard all day up the ground, kicked 3 and could have had a few more. Great in the air, a thumping kick, but so good at ground level too.
- Ox had a good game, wing, half forward then full forward, kicked a nice goal from a set shot and worked well up the ground.
- Dusty started back and then like his name sake we switched him forward. Impressive, snapped a nice goal and took a beautiful overhead mark to set up Plugger for one of his goals. Great game, was a real handful forward, so strong over the ball.
- Weapon was again rock solid at full back, great overhead and did well on the kick ins, we swung him forward in the last and kicked a beautiful set shot.
- JD was strong in defence again, rarely beaten, great in marking contests and a beautiful kick at kick ins.
- Bruce the Moose - what a game, very strong over the ball in the first quarter and gained confidence as the match went on. Swung forward late and unlucky to not snap a goal.

- Razor Ray Allen was in everything in the midfield and at half forward. Great aerobic capacity for a young boy, tackles hard and again unlucky to not kick a goal after pouncing on a loose ball.
- Bruiser was good around the stoppages especially at our kick ins, moving the ball on as we spread to offence.
- Fridge played 3 qtrs. In the ruck and did well, did more than break even in the middle and around the ground and gave us the luxury of using Nugget in a different role. Great fitness after being ill earlier in the week.
- Rat was, well Rat like. Probably his most complete game for the year, just needed to nail a goal to put the icing on the cake. Tough in the contest, great over head and great positioning around the ground.
- Rusty was good off half back, accountable for his player, but gave us some run and rebound at the same time, which we needed. Starting to regain some confidence.
- Flash was great on the wing, lot's of chasing and spread. One passage had him involved in 3 efforts that resulted in us getting the ball back and kicking a goal. Great stuff.
- Psycho had a great game on ball and down back, laid a number of crunching tackles, which hurt just watching them.
- Crackers was a tough nut again, with he and Psycho swapping between midfield and back line we have 2 tough hombre's for the opposition to encounter, took an awesome pack mark, highlight of the day.
- Jacko was good again up forward then in defence late, played that link up role at CHF really well, starting to find some good form.
- Twiggy had a great game on ball and at half back. His run off half back was great as was his 1:1 work.

Let's keep working on our game and keep playing for each other, we've had a great start to the season, let's make the most of it.

We also wish Ralph all the best with his recovery, broke is collarbone in round 4, seemed an innocuous event, but pretty nasty result. Looking forward to your return champ and great to see you on Wed and Sunday supporting the boys...
