# Why YJFL players LOVE OUR GAME

# Captains Message

## Why does your club Love the Game and Not the Odds

Our club is a participation-focused club rather than a results-focused club. We measure success by the number of girls and boys that participate each weekend and who enjoy having a kick with their friends and teammates. We love to win as much as any other team however we don't prioritise this over developing and nurturing each kid to ensure they 'Love the Game'.

Covid has been a challenging time for all sporting clubs across Australia as participation rates and volunteering rates have declined significantly. In response we have been active in the community (at local community markets, school fetes and other events) promoting involvement and participation across all levels and genders - all with a focus on 'Love the Game'.

We still have a long way to go, but we are very encouraged by the number of boys and girls' teams we are able to field this season and will be measuring our success on sustaining and growing this level of participation to ensure we all continue to 'Love the Game'.

Hey Sharks,

It's Ava, one of your Club Captains here.

I just wanted to say it's such an honour to be working alongside Ben at the club this year. The Sharks have a real sense of community, shown by the many volunteers that work so hard both on game days and behind the scenes.

It's certainly a place where I have made great friends, it's a special feeling to be part of a team where you know everyone looks out for each other. Over the past couple of weeks we have gone through grading and settled into our teams. Time now to get the most out of our training sessions, try our best on game days and ENJOY our footy! Looking forward to seeing you all around the club.

**Ava Leonard**

Over the past 8 years I've gained such a strong appreciation for what it means to be part of a football club like Park Orchards. The sense of comradery is unparalleled in any other environment, and I've formed relationships that will last me a lifetime.

Being given this opportunity as club captain has only amplified to me how strong we are as a club, and how lucky I am to be a part of it both on and off the field. I've loved leading this club alongside Ava and Kate over the past few months, it's allowed me to give back to a club that has fostered some of the strongest relationships I have, to this current day. I can't wait to see what the rest of the season has in store for us as a club and hopefully come September, we can deck our new club rooms out with a few new flags. Go sharks.

**Ben Duffy**

# Milestone Banners

A milestone banner is a run through banner that players use to celebrate when they reach 50, 100 or 150 Sharks games played.

**Your team manager will be able to let you know when you are reaching milestone game tally**

There are two steps to organising the banner:

1. Book the Sharks banner which will frame your child's crepe paper insert.
2. Order or make your own crepe paper insert with your child's detail on it.

PLEASE REFER TO THE CLUB WEBSITE FOR MORE DETAILED INFORMATION. THE BELOW IS ONLY A BRIEF OVERVIEW

## STEP 1: BOOK THE SHARKS BANNER

The Club has 2 banners for use by Sharks families to celebrate the milestone games 50 Games and 100 Games (some reach 150 Games)

The outside of the banner is what you book using the online booking form on the website: Sharks Junior Football Club » Run-Through Banner ([sharksjfc.org.au](http://sharksjfc.org.au))

This form goes to Peter Hume who manages our banner bookings and will liaise with you regarding collection and return

The inside section of the banner is designed to be filled with crepe paper and used as a run through for the players (see Step 2)

## STEP 2: ORDERING OR MAKING THE BANNER INSERT

The banner insert is a crepe paper section which attaches to the banner and is designed for the players to run through. You can order the crepe paper banner insert or you can make your own.

## Pre-Made banner by Milestone Banners

Milestone Banners is a company that will make the insert of your banner & deliver it to your door. They need 1-2 weeks notice & prices start from \$150

## DIY Banners

If you decide to make your own please refer to our website for instructions and templates

# SEASON 2022 PRESIDENT TALK

Kate Gniel – President of the Sharks  
Park Orchards North Ringwood Parish  
Junior Football Club  
[president@sharksjfc.org.au](mailto:president@sharksjfc.org.au)

This week is National Volunteer Week. The aim of this week is to celebrate and recognise the work of volunteers and say thank you.

We pride ourselves on being a wonderful community club run by volunteers like you. Hundreds of helpers tirelessly give up their time each week on and off the field to ensure that football happens for our kids across the burbs each Sunday. For this I would like to say THANK YOU.

Without this endless support we would not be able to create such a great place for our children to enjoy football.

A heartfelt thank you to each and everyone of you who gives up their time in vital roles including committee, coaching, team managers, runners, trainers, Goal umpires, Ground Manager, Boundary Umpires, Time keepers, Merchandise, events and all helpers, parents and volunteers.

With this level of commitment and support, our club will continue to grow and prosper.

Your incredible efforts are really appreciated. We are, Better Together.

Thank you so much.

A huge thank you to **Blue Dog Café** who has generously donated a voucher for each of our Team Managers to take some time out and spoil themselves.

## WE NEED YOU!

We are currently looking for help with events, administration, coaching coordination and sponsorship. If you are interested in giving up a couple of hours each week with any of these roles, please contact [president@sharksjfc.org.au](mailto:president@sharksjfc.org.au). We would love to hear from you.

JUSTIN CAHILL - COACH

PARK ORCHARDS 8.13.61 DEF BY ASHBURTON 10.6.66

U16 Black hosted Ashburton at home. We had played Ashburton a few weeks back, they were a few short and we were close to full strength and resulted in a comfortable win for the mighty Sharks. But with COVID you never know who you're going to get, for both teams on any given week. This week Ashy got a few back and as luck would have, we were without 3 players, so was going to be an interesting afternoon.

Fonzy and Bruce the Moose were captains this week, until we lost the Moose pre game due to the flu, so Fonzy was won out on the captain stakes. Had a great game, he's so quick, a great kick and a great mark for a slightly built kid. He's worth the price of admission.

It was pretty windy down at Stinton's as it often is, we chose to kick into the win, to push us for a hot start and use the wind to our advantage in the last quarter. Game was pretty even at quarter time, both teams had 6 scoring shots, we were 2.4 and Ashy 4.2 with a 4 goal breeze, so at qtr time I'd take that. Pleasing we matched their scoring shots, would have liked to convert better....

2nd quarter we kicked 3 and nudged ahead on the scoreboard, Ashy scored into the wind also, we were holding even around the ground and were able to sneak forward to score. Ashy really crowded us around the contest, which pressured us when we had the ball, lead to a few errors, we new we had to tighten up for the 3rd quarter.

Ashy had the wind in the third quarter and we did a great job of choking up their ball use and moving the ball quickly which gave us an advantage on the scoreboard, we were going into the final term with a tight lead, but that plus kicking down hill with the wind should be enough to see us home. Wrong. We were just unable to put Ashy away on the scoreboard and a few turnovers hurt us and we end up going down by 5 points. Bit of a flat feeling post game, we had some great passages of play, generated 20 scoring shots, but could not just find the big sticks when we needed them.

Plenty of positives to take into a do or die match for round 7:

- Plugger lead from the front, literally, a big presence up forward. Marked strongly in tough conditions, kicked 4 and could have had a few more with a bit more luck.
- Weapon was a rock again at full back, rarely beaten, great with ball in hand and super reliable kick, dished out a perfect hip and shoulder too.
- Twiggy was in everything, generating a lot of run off half back, kicked a nice goal, had 2 strong matches in a row now off hbf. Took a heavy knock in the final term whilst contesting a ground ball.
- Rat provided plenty of grunt around the packs and was able to link up in the middle of the ground to deliver the ball to the forwards.
- Mozzie was a live wire up forward, especially in the 3rd quarter, I think he was involved in all 3 of our 3rd quarter goals. The best one was when he dished off a handball to Flash who was front and centre and snapped a beauty.
- Flash, see above, snapped a beauty, pressured Ashy through the middle of the ground, creating a few turnovers for us, 2 nice matches in a row now, starting to build some confidence.
- Rusty was good off a hbf, generated plenty of rebound, as always clean below his knee's and generated a lot of run via hand ball receives. Did not get caught with the footy, so Coach was very happy.
- Fridge was good again in the ruck and up forward, a presence around the packs and around the ground.
- Jacko was in rare form, took a leave out of Harry Madden's play book with a big run along the boundary line once he found a bit of space. Was good down back in the last when we needed some presence.
- Nugget had another good game on the ball and in defence, kicked a nice opportunistic goal and then provided some poise down back when we needed to win the 3rd quarter.
- Dusty played up forward and then later in the game down back. Took a goal saving mark in defence which was a highlight.
- Slugger was good out on a wing, chased hard, pressured his opponent all day and did not give up, nailed a few great chase down tackles.

- Ned was mostly on a wing or up forward, won a few good ball's and like Slugger pressured Ashy all day.
- Bruiser was good up forward, combining with our mids to get the ball inside 50.
- Shezza had his hands full in defence with a tough match up, pushed forward and was good around the contest, unlucky not to snag a goal.
- Razor was pretty sharp as his nickname would suggest, bagged a nice goal.
- Psycho was tough as always, his 3rd quarter was one for the ages, set up a beautiful goal by winning a crucial contest in the middle of the ground.
- Crackers backed up last weeks great match with another great effort. Nearly jagged mark of the day and won plenty of ball, spiritual leader of the group.
- Ox presented well up forward, took a beautiful ground ball on the run under pressure, text book stuff, unlucky to not have hit the scoreboard.

Bit of a frustrating result, but as I said plenty of positives to take in against Banyule this week in what proves to be an 8 point match for both teams. Go Sharks.
