## Finals bound - Good Luck!

Well done and congratulations to all our teams this season.

Regardless of where you finished the season, you have all done your club proud by the way you have conducted yourselves on and off the ground. We look forward to seeing you back for more footy action in Season 2024.

A huge congratulations to our U16 Girls who won their Preliminary Final at Domeney on Sunday. This win takes them through to the Grand Final where they take on the Kew Comets this weekend.

We are thrilled to have SIX teams who have made it through to the finals this weekend, including three at Domeney.

Good luck to our U12 Girls, U12 Boys, U14 Girls, U16 Girls, U16 Boys and Youth Boys Red.

Please show your support for these teams. Go Sharks!

## Cont'd....

Well done to our Youth Girls team who played their hearts out against Whitehorse in the Semi Final on Sunday. Unfortunately they couldn't quite snag a win but they can walk away with their heads held high.

Some of these girls played their last junior football game with many having played together at the Sharks for the last few years.

We thank them all for their continued passion and effort each week and wish them well as they progress their football journeys.

# U10 Lightning Premiership

The last round of the season for our U10 Boys and Girls was the Lightning Premiership at Bulleen and Richmond.

It was a fun day out with the players putting their skills to the test as they played a round robin style competition over the course of the morning.

Well done to all our U10 Boys and Girls. Enjoy the break and we look forward to seeing you all back for more footy action in season 2024.

# Milestone Games

*Congratulations to Jonah Stevenson from our Under 12 boys team who celebrated his 50th game on Sunday. Well done!*

# Message from the President

It's hard to think we only have one round left of season 2023 with so many teams fighting for finals. It has certainly been an exciting season to date.

Congratulations to all our teams on a remarkable year. We have received many positive reports throughout the season about how our players and families conduct themselves. This is a true reflection that our players and families own their own club and are proud to be part of it. So thank you and well done!

We witnessed a relatively smooth sailing season with so many reasons to celebrate, including:

- We started 2023 with strong numbers across age groups for both boys and girls, and have seen our players develop and grow in skill and confidence each week.
- From this we have also witnessed many new friendships being formed and existing ones being cemented
- We have three incredible leaders at the helm of our club who have all done a great job as Captains and Vice-Captain – well done Ava, Jack and Jake
- We have celebrated the success of our development players in School Sports National Championships, AFL Victoria Metro Junior Development Series, Magpie Academy and other elite pathways
- We have had a dedicated team of coaches, assistant coaches and Team Managers who have successfully helped our families navigate the season
- We have delivered a number of mental health and well-being support sessions through Mindful Aus and SALT to our parents, coaches and players which will continue to grow next season
- We have provided specialist tackle training for older age groups and, again, this will be continued to be rolled out throughout the club next season
- We welcomed players from Collingwood Football Club and our senior club at training sessions throughout all ages, as well as our U8, U9 and U10 boys and girls taking part in half-time grid games at senior games throughout the season
- Events were back on the calendar with Family nights, Nathan Buckley player only night, Back to School Trivia Night and individual team catch ups
- Thanks to Community Bank Warrandyte, we have created a Hardship Fund aimed to support families who require financial assistance with their football journey

All of this is not possible without your support - so thank you! To all the coaches, assistant coaches, team managers and game day volunteers, thank you. Without your help and support we wouldn't be able to run a season. You are all amazing!

**Cont....**

We are also grateful to the generous support of our sponsors. Thank you to Jellis Craig, Ringwood Mazda, Lotus Energy, Warran Glen Garden Centre & Café, Ryan Smith (former MP), Walshe & Whitelock, MCG Windows, DWE for your support. Thank you also to our team sponsors Pneutech, X Power, 3XIT, Park Orchards Pharmacy and Hometec Shading.

So many good things that have happened in such a short space of time.

As we head towards the end of this season, the committee has started the planning process for 2024 with more great things to come for our members.

With that, I wanted to let you all know that after much consideration I have decided that I will not be nominating for the role of president for season 2024.

I have learned so much and have loved the opportunity to work with so many passionate people in our community over the past couple of years.

I am proud to have been part of a talented committee who have collectively worked very hard over the past two years to get our club on track after covid. Our priorities have been to focus on the players, their welfare and the joy of playing footy each week.

We have achieved so many good things and with many more great things on the horizon. It is now time for someone else to take the helm.

I intend to remain on committee to support the incoming President.

I would like to take this opportunity to thank you for all your passion, support and positivity. I am so proud to be part of this club.

I would also like to encourage more of you to get involved in what is the heartbeat of our local community.

If you think you would like to get more involved in the Sharks with an off or on committee role or have a skill that you would like to offer our club, we would love to hear from you.

We value every member of our community and want to have everyone involved and share the load of running this great club. In order for us to get a spread of roles (right people in the right positions), we are asking all of you to respond to this quick survey <https://www.surveymonkey.com/r/WMYSGZ6> by Sunday 27th August.

We look forward to hearing from you.

**Go Sharks!**

**Thanks a million**

Kate
